FRESH - SOPH GAME

These Two Classes Decide Who is Champion of the Earth by a Game of Football.

SOPHOMORES HANDICAPPED

Freshies Start Out Poorly, But Come In With a Whirlwind Finish—Final score 16 to 6.

As a result of the verbose challenge which the Freshmen generously distributed about the campus a week previous, the stalwarts of of the Freshmen and Sophomores classes undertook to settle the question of supremacy last Thursday afternoon by a game of foot ball. Conditions and terms were decided by arbitration, A committee of upper classmen decided upon the following regulations: No first or second team man could play in his regular position and kicking, slugging and swearing were to be strictly prohibited.

After much delay the game proceeded by the Freshmen kicking off to the Sophomores, who immediately took the ball down the field on a straight march to the Freshmen goal line. Cook played fullback, doing most of the down gaining and was finally pushed over for a touchdown and immediately kicked a goal.

The Freshmen class received the kick and by long end runs by L. VonThurn and King and a pretty quarter back run by Hooper, the ball was brought to the 15 yard line. At this junction Call, playing quarter for the Sophomores, tore a tendon, after making a pretty tackle, and had to retire. Shortly after this the Freshmen scored their first touchdown but failed to kick the goal.

With less than three minutes to play in the first half, Ewing skillfully gathered in an on side kick and after a 45 yard run, planted the ball behind the line for the Freshmen's second touchdown.

The second half opened with the Sophomores kicking off to the Freshmen. The game at this point became very spirited and was much harder fought, Misnar was used repeatedly for long gains through the line and only Cook's excellent punting kept the Soph's from being scored on more than once.

ALUMNI.

J. L. McBride '04, who has been pastor of one of the Presbyterian churches at Duluth for three years, has accepted the pastorate of a new church recently organized at Rogers Park, Chicago. He will begin his new work in a few weeks. McBride writes an interesting letter which contains the following interesting news: "I was in Chicago over Sunday and discovered that M. L. Marshall '09 had been elected president of the junior class in McCormick Seminary. He is a very solid and substantial man down there. Webber is also solid and substantial—these are the words of a member of the faculty to me. When I get to Chicago, the distance will not be so great to Alma and I think I see myself getting down commencement time." "Jim" pitched three seasons on the college team, and was the best college full back in the state the last two years he was in school.

H. G. Gaunt, '06, who finished his course at Princeton last spring, was installed a few weeks ago as pastor of the First Presbyterian church at Wheaton, Minnesota. In a recent raid by the temperance forces, upon the "blind pigs" of Wheaton, Gaunt played a prominent part. Several deputies were sworn in to search several so-called temperance places and H. G. was chosen as one of them. It was his pleasing duty to enter a place alone and ask the burly proprietor to prepare for a search of the premises, and then to conduct said search all alone. Several cases of the unlawful were discovered, and several arrests were made, and Wheaton expects a drought from now on. Gaunt was the only minister deputized as a scion of the law and is to be congratulated upon his first attempt at practical temperance work.

Louis, "Injun," Anderson visited the campus a few days ago and enlivened Pioneer Hall with a few more of his stories. Anderson has given up his work as head of the Commercial department in Manistique high school and has entered into partnership with his father at Omena. Besides the renowned "Pink," Louie has another brother in Alma, who is his double in appearance and promises to become as popular, but there never can be another "Injun."

E. E. Fell's Caro boys defeated Vassar last week 23 to 0. Fell and Maynard Cook '09 are coaching the team through a successful season.

They play a return game at Vassar Thanksgiving day, when it is expected that the score will be much closer.

Elton Brock '02, of Paral, Mexico, is in Alma visiting his parents and college friends for a few days. He is in the lumbering business in the above city, which is in the heart of the timber belt. Brock was captain of the foot ball team in '99 and played on the college team for four years.

Miss Esther Marsh was married September 18, to Leroy Vernon Cram, at Harber Springs. Their new home is at 713, Liberty St., Flint, Mich.

The class of 1926 will be a large one. Another member has been added in the arrival of William Conrad Randels at the home of Prof. and Mrs. George B. Randels, at Valley City, N. D.

CAMPUS NOTES.

Allen D. McFadden ex-'10, who holds a responsible, lucrative position in a contracting plumbers office in Grand Rapids, was in town last week seeking to find some familiar faces, which he soon did.

Dwight Harwood, quarter-back on the Plainwell High school team this year, visited friends at the College for a few days. Mr Harwood is an all-round athletic and with his gritty little bunch, won the South-west Michigan championship.

Our plumbing system is generally supposed to be perfect but a waterpipe has broken and a roomer is floating around saying that if nothing comes to pass something will happen and that something will be in the shape of self-government in Wright hall. The scheme is only in embryo as yet but there is hope that it will take definite shape soon. The privileges will not be so unlimited, unconditional and unsurpassed as those in the hall across the street, however it looks as if the proposed plan would be an improvement over the present system. A constitutional convention has met and after hours of most careful deliberation, has drafted an immortal document, a second Magna Charta. It must yet be adopted and put in working order. Here's hoping the girls succeed.

The Bamboo for Poppy Growers.

It is proposed that the punishment for those who cultivate poppy without license will be between light and heavy bamboo and banishment in accordance with the area of the ground of cultivation.—Shanghai Mercury.

BARBS SURPRISE THE SCRUBS

Final Score Does Not Tell the Fight Put Up by Those Uninitiated Fellows.

The most exciting foot ball game at the year was pulled off last Saturday when the Scrubs and Barbarians met for annual clash. The game was fast and furious from start to finish and the outcome was in doubt until the call of time. The Scrubs came out victorious but only after desperate fighting. The ball was in their territory the entire second half, was twice within the five-yard line, once the ball being only a few inches from the coveted goal.

The game revealed the presence of varsity-calibre players in our midst, who have not been out for early foot ball practice with the first team, and shame on them for it.

The Scrubs kicked off to the Barbs and after considerable seesawing Graham recovered an on-side kick and scored the only touchdown of the game. He failed to kick goal. The Barbs chose to kick off and the Scrubs blocked a low kick and recovered the ball on their 50-yard line. After several sensational end runs by Marks and Graham the Barbs obtained the ball by intercepting a poorly executed on-side kick.

Gage, for the Barbs, immediately made a 25 yard run, headed by good interference and was stopped only by a good tackle by Pohly. The ball changed hands several times without either side gaining much ground, and time was called for first half. Score 5 to 0.

The Barbs opened up the second half with determination by kicking the ball to the goal lines. The Scrubs advanced the ball to the ball to the center of the field by end runs and smashed by Graham, Montieth and Phillips, but lost an on-side kick and the Barbs made a determined march for a touchdown, with Yerex repeatedly taking the ball on line bucks and short end-runs, gaining from 8 to 20 yards at a clip. The ball was finally stopped for third down, with only a few

THAT COLLEGE SONG.

Some students are writing a song with the hope that they may have the pleasure of serving our college. Are YOU trying? You may have more than one trial, if you wish it. You need not compose your own music unless it is your desire to do so. There are numberless tunes suitable for any kind of a song and surely you can find one to fit your production. Why not try for the prize during the Christmas vacation? It would be worth while. The prize will go to those who try.

MAGIDSOHN SETS

A NEW STANDARD.

No halfback on Franklin Field this season has shown the brilliance and steadiness of Magidson, Michigan's stocky halfback. He scored both touchdowns and nine times out of ten was ordered to carry the ball. His stamina was wonderful, and though he done the work of two backs in the first half he played through the two thirty-five minute halves and seemed as strong at the finish as at the beginning.

His wonderful performance on Saturday will not soon be forgotten. Surely Coy, of Yale, could not have overshadowed Magidsohn Saturday. First of all he has the football instinct. He is speedy, knows how to dodge and ward off tacklers and has the strength to put drive behind his rushes. On the defense he was just as good and there were few plays Saturday in which Magidsohn was not not conspicuous. —Philadelphia North American.

This mighty man of valor was only a short time ago a student at Alma College and no one ever thought him capable of such wonderful work as he has been turning out this fall. He was no chump on our teams, both baseball and football, but we didn't realize what

a future champion was in our midst. Another example of what a man may do if he will work faithfully and with lots of ginger.

FRESH - SOPH GAME

The final score was 16 to 6, in favor of the Freshmen. Let it be said here however, that the Sophomore team was handicapped by the loss of two of its best players and put up a magnificent fight against great odds.

For the Freshmen Misner, Edgerton, L. VonThurn and Hooper started and Cook, Graham, Call and McCall for the Sophomores. "Dad" Sebring also showed up strong at center and Hume made a startling run of 11 yards after receiving a punt. The line up was as follows

Fresh's.	Soph's.	
Edgerton	C	Sebring
Thompson	RG	Hume
Kolvoord	RT	Waring

SPECIAL CHAPEL PROGRAM.

In continuance of a most profitable practice, begun last year, a special program was given in chapel Friday, Nov. 19th. The exercises were in commemoration of the poets Tennyson, Poe, Samuel Johnson, and Oliver Wendell Holmes. The program follows:

- "When I have crossed the Bar" —Tennyson.
Mr. Frost, Mr. Anderson, Miss Bahlke, Miss Johnston, Miss DuVries.
- "The Pilgrim's Vision"..... Holmes.
Recited by Mr. Hume.
- "The Boys" Holmes
Recited by Blaske.
- "Voice by the Cedar Tree"..... Tennyson
By Miss Hood.
- Essay "Samuel Johnson"
By Adrian Graham.
- Gems from Tennyson
Miss Huber.
- "Go not, Happy Day"..... Tennyson
By Leon Stinchcomb
- Critiques of Poe and recitation of "The Raven"
By Verne Snell.
- "As thru the Land"..... Tennyson
Miss DuVries.

The work done was worthy of praise. The songs were all that could be asked for and the recitations by Mr. Hume, Mr. Blaske, Mr. Snell, and Miss Huber were especially commendable.

The special exercises are not for the benefit of the student body alone, but friends of the college are

most cordially invited. In the future notice of such programs will be given in the columns of The Almanian.

INTER-SOCIETY DEBATE.

The annual debate between the Zeta Sigma and Phi Hhi Alpha societies will occur this year, soon after the Christmas vacation. Four of the men who took part in the contest last year, are here again for the coming debate, along with a good crowd of like material and every indication of a lively and even fight. The question is: Resolved, that the United States government should levy a progressive income tax constitutionally conceived. The Zeta Sigma have chosen to uphold the affirmative side of the question. Both teams have been at work for several weeks.

PHI PHI ALPHA.

Society is steadily growing in earnestness, with the oratorical and debating contests looming up in the near future as goals worthy of our best endeavor. The local contests are interesting bits of by-play and it is pleasing to anyone to see his society win, but we hope to see the best man win out here, for the intercollegiate and state confest are the ultimate goal.

We, as a society, were honored by the presence of Rev. Crain last Monday evening. After the regular program, he graciously responded to an invitation to address us. He ably seconded our cricic's report and in his concise manner, told us what society work has meant to him, gave us rules of enunciation and followed throughout his rule of "having something to say, saying it and sitting down".

Come again, Mr. Crain.

SOPHMORE.

We had such a good time Wednesday evening at that spread the Freshies gave us (according to Dr. Bruske) that when Thursday night came, we just couldn't stay indoors, so we hailed the first passing hay rack and started.

You wondered what that glorious racket was in the streets about 5:30? Why, 1912, of course; you ought to recognize us by now. That strange note you detected was merely an attempt to whistle, but we give that up.

"We really don't know how". Well say, isn't Clark's restaurant in St. Louis the place to go for a lay-out? At least we found it so Thursday night; made us feel as if we didn't care now whether we got turkey for Thanksgiving or not.

Do you want me to tell you something? Way back in September, that time out in Turk's woods, we suspected it; then in October, at our mid-night bonfire, we that we knew it; but now we're dead sure of it. We're the best class that is, or was, or ever will be, for having fun.

Oh, we don't care about the game. Why, we even had fun at

that. We're glad the Freshies are awake, and besides, they're right nice little chaps, every one of them, and we congratulate them on 16 to 6.

—L. Duff, class reporter.

SWIPE NOTES.

This week a bill was introduced into the "House of Swipes" by the head swipe. The bill was called "Table Reform." Speeches favoring it were made by the head swipe and swipes 4 and 5; speeches against it by swipes 3, 1 and 8. Moved by swipe 5, seconded by swipe 4, that we pass the bill.

Ayes 3, noes 4, motion lost.

Campbell—An observer said they threw their opponents for a loss of 45 yards.

Sandy—You mean 45 feet.

Waring—It can't be 45 feet for there are only 44 feet in the game.

Last week's swipe editor was heard laughing at his jokes!

Fleety—Say, Boyd, you put two plates of toast on one of your tables this morning.

Boyd (between yawns)—Aw, I didn't, either.

Campbell—Say, Si, even if a fellow is on time he is no good unless he's awake.

Duncanson, Snell and McComb went to meals on "Tecumseh time" most of the week (15 minutes late).

Campbell—They certainly put up great meals on the train, eh?

Phil—Yes, and they put a good big price, too.

Campbell—Oh, we have to put that up.

Phil—Yerex played some, I guess

Campbell—Yes, he used his head—to butt the fellows out of the way.

Lindley (between chews) — We have a whole family of Oysters where I live.

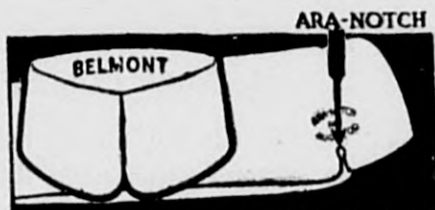

Campbell—We have a lobster up home, oo.

Phil—I guess there's a whole family of them, isn't there?

inches short. Graham punted the ball out of danger from behind his own goal line. Yerex was not to be denied however, and after catching the punt, ran it back thirty yards and again by repeated by repeated bucking, brought the ball within the five yard line, but the scrubs were again equal to the occasion and peocured the ball on downs and punted out of danger.

Gage made a sensational run of 30 yards by a double pass, executed by himself alone. He ran five yards to the right, retraced his steps and circled left end with one of the most hair-raising runs ever witnessed by Alma students since Law made his famous watermelon hunt, early in the season.

For the Scrubs, Graham, Marks and Montieth were the stars on the offence. Phillips shone brilliantly on breaking up plays and several times threw a man for a loss of ten yards. Pohly was sure on tackling and the entire line held with the exception of center. Papworth, of the Barbs, ripped a hole thru center big enough for the beef trust to go through. Pap showed intense, earnest, never-die spirit throughout both halves and deserves much credit. Kolvoord also played a good defensive game and ran interference exceptionally well. Lindley playing on the Barb team for the fourth year, proved himself worthy of the name and will go down in nistory of the college as the greatest Barb on the fence.

R. VonThurn and Frost ably protected the right wing and McKenzie did well until he was forced to retire Whitlock at left end and play a classy game while he was in the first half.

On offence, Yerex was a whole team himself. He ran like a traction engine with a drunken engineer and could not be stopped seldom less than ten yards, even tho tackled by four or five scrubs.

Lambert did well at quarter and punted well.

The game, as a whole, was the best Scrub-Barb game in the history of the college, but the attendance was slimmer than Bryan's fourth chance for Presidency.

The line up is as follows:

FIRST NUMBER OF LECTURE COURSE.

Last Friday, Champ Clark, the man from Missouri, entertained the citizens of Alma by airing his views on Congress, the Senate, the Republican and Democratic parties and things in general. He, that is the gentleman from Missouri, has not a marvellously sweet voice, nor an exceedingly attractive bearing, but he has something to say and says it in such a stentorian voice that no one can fail to hear and understand.

Our somewhat hazy and perhaps unpatriotic notions concerning the chief legislarive body of this first nation of the whole earth were removed and in their places were snbstituted more substantial ones. We do not mean to say that because of a single speech, made in our midst by a man of political force, the whole train of thoughts of our citizens are to be changed. Far from it. Only this is meant: Mr. Clark told many of us things which we should have known long ago, but the source of knowledge was lacking.

While he may have some political doctrines which are not in accord with those held by some of the audience he addressed, yet, all must admire him for his simplicity and earnestness. And we are glad to know that not all the Solons are scheming politicians, but men with all the strength and weakness, the likes and dislikes, the foolishness and earnestness of men.
