Alma College Team Breaks Even
With Leaguers

2 TO 7--9 TO 8

College Team Pleased With Showing Against
Veterans

Thursday offered the first real test of Alma's 1910 base ball team, when the varsity lined up with Saginaw Michigan League team under Manager Burkhardt. The Saginaw team is last year's champion and expected a walk away but at no time in either game was the contest very uneven.

Hole was on the mound for Alma in the first game, with Graham behind the bat. With the exception of the eighth inning when five hits and six runs were gathered off him. Hole held them safe.

Saginaw scored in the first inning. Staw's singled went to second on a fielder's choice, to third on an out and scored on a single by Moore. Further scoring was prevented by a very pretty double play Call to Pohley to Phillips.

Alma scored first in the second inning. Hole was thrown out by the pitcher, Graham got to first on an error by Wilson, went to second on Phillips' single both runners advance a base on Burke's double and a moment later Graham scored on Brown's error. Poble and Montieth were both thrown out by Moore ending the inning.

Alma scored again in the sixth. Hole got to first on a bad throw by Moore but was forced at second by Graham. Phillips got to first on a fielder's choice, Graham being forced at second and when Burke doubled to center field fence Phillips scored from first, Pohley ended the inning by grounding to pitcher.

Hole held Saginaw scoreless for six innings aided by a spectacular stop by Call, excellent work by Burke and Phillips and good steady backstopping by Graham. In the eighth Staw hit for three bases and scored on Richardson's single. Hits by Moore, Wuffly, Brown and a dead ball aided by three errors gave Saginaw six runs and the game. With the exception of this

ALMA MATER-ALMA

Music—"Soldiers Chorus"—Faust. A College song contributed by Paul Alured.

Glory and love to our college dear,
Pride of her students far and near;
Gladly we gather to give a cheer,
And raise aloft her colors high—
Maroon and Cream! Alma! Alma rah!
And once again Alma! Alma rah!
Alma our praises to thee we sing!
Long may our voices in chorus ring!
Loyal to thee we shall always stand,
Tho' scattered afar in every land!
Many a memory dear recalls to mind
The happy hours we spent together.
The grove, and jungle haunts, the rhythm,
Of splashing oar upon the Pine.
Soon we bid adieu to college days
And dear old scenes we love so fondly,
But long we'll carry in our hearts the glow
Of youth and ties that bind us ever more.

one inning the contest was almost even and was spectacular throughout. Aside from the work of Hole and Burgess, Call at short made some pretty stops. Burke played a great game in the field and drove in both of Alma's runs. Phillips at first played excellent ball and saved several bad throws by marvelous pick-ups. Orry Graham again showed good form behind the bat.

Friday's game was still more exciting and by ending in a hair-raising finish that brought victory, it left a very distinct taste of satisfaction with the local fans.

With Sandy Duncanson in the

box pitching his first game for Alma and Saginaw determined to have a batting fest the game was fought tooth and nails until the winning run was scored by Alma in the last half of the ninth with the bases still full and no one out. Four times was the score tied and four times Alma broke the tie.

On the start Sandy was a trifle wild but soon had most of the leaguers guessing. The day was far from an ideal one for good pitching as the ball was frequently wet owing to the drizzly rain that fell intermittently. Only eight hits were gathered in by the leaguers all of which were scattered except the three in the ninth.

Sandy passed Wuffly the first man to face him, Richardson flied to Campbell and Nuffly took third on a poor play and scored on a passed ball. Moore reached first on a third strike that got away from Orry and scored on a hit by Stow and an error by Hole. Breymaire flied to Hole and Wilson was out Pohley to Phillips.

Alma scored in the second Graham out Wuffly to Breymaire, Phillips reached first on an error by Wilson, went to second on Burke's single and scored on a wild throw by Simms, Pohley got on by an error by pitcher, stole second when Burke took third. Burke was tagged out at home when he tried to score on Kefgen's infield tap. Call ended the inning by flying out to Wuffly.

Alma scored again in the fourth Phillips flied to Richardson, Burke hit for three bases but was caught at home trying to score on Pohley's grounds to Moore. Pohley stole second and scored on Kefgens long

ARBOR DAY TO BE "COLLEGE DAY" AT ALMA

The faculty of Alma college has been seeking for some time a plan which would make Arbor Day a pleasing and beneficial holiday for the entire college; a day which should be a distinctive "College Day," with appropriate exercises and sports; a day which would become an Alma tradition and would appear in the college catalog as a part of the regular yearly program. This is the plan they have formulated. There are to be no classes at all on Arbor Day. In the morning at 9 o'clock a special program will be given in the chapel. Considerable time and energy have been spent in completing it and no student can afford to stay away. You will miss something worth while if you fail to attend. Of course on an "Alma Day" we will want to see the Cream and Maroon floating everywhere and the Faculty make a special request that every student wear our college colors. So far as possible efforts will be put forth to have members of the Alumni present and letters or telegrams from those who cannot come.

It is hoped that this "College Day" may not be confined to the campus, but that the citizens of Alma may observe it and the college extends a most cordial invitation to them to be present at and share in all the exercises of the day. It will be exclusively an "Alma Day." We will talk Alma, sing Alma song, work for Alma and make Alma the best college in Michigan. We can do it. Let every student turn out and have a share in the day which will be the best day in the whole college year.

Program of exercises for college day, April 29, 1910:

- 1—Song, America.
- 2—Invocation.
- 3—Music.
- 4—Recitation, The planting of the apple tree; Bryan, Robert Hume.

- 12—Music.

SCIENCE CLUB

The regular meeting of the science club was held last Saturday evening in the Biological Laboratory. The program began with a talk by Prof. Notestine on "Comet." In connection with the talk a few views of the most important comets were thrown on the screen. Halley's comet was of this number.

Under the direction of Prof. West a color chart was then projected on the screen and a test made to determine how many of those present were color blind. The result of the test has not yet been fully announced and it is the desire of some that when it is announced it be kept private.

The last number on the program was a talk on "The Effect of Electrical Stimulation on the Regeneration of Larvae of the Grass-frog and of the Salamander."

ANOTHER ALMA COLLEGE ALUMNI ASSOCIATION

The Alma College Alumni association of the east had its initial meeting in New York City on the evening of April 8. Seven graduates and former students met at Union Theological Seminary at 6:00 p. m. and went in a body to Baroni's Italian restaurant, where an excellent dinner was served and two hours were spent in the sort of jollity that prevails whenever old college friends get together. Time passed more quickly than had been anticipated, and in order to be in time for the play, which was the next thing on the evening's program, a wild dash by taxicab was necessary. The play selected was Shakespear's "Winter's Tale", presented at the New Theatre.

After the performance the party adjourned to the rooms of Mr. Herman Morse, South Hall, Union Seminary, where they incurred the lasting enmity of the students trying to sleep in the adjacent rooms, by remaining in session till two o'clock. First a constitution previously drafted was presented for consideration and adopted, making the Alma College Alumni Association of the east an established organization. By its provisions two meetings are to be held each year in New York City, in which all alumni, former students, and others associated with the college, who are located convenient to the city, will participate. One meeting is to be held at Thanksgiving time, the other at Easter, the annual election occurring on the latter occasion.

Officers elected were; Pres., F. J. Soule, '06; vice pres., P. J. Allured, '07; sec'y-treas., H. N. Morse, '08.

Various matters connected with the welfare of the college were discussed and resolutions of loyalty were adopted. Those present were: P. J. Allured and George

Horst of Princeton Seminary; F. J. Soule and H. N. Morse of Union Seminary; and N. H. Angell, J. H. Marchmont and Harry Marsh of Columbia.

AUMNI NOTES.

A new mistress took possession of the Manse of the Presbyterian church at Fairgrove when a little daughter, Miss Winnifred Lucile, came to the home of Rev. and Mrs. W. J. Ewingon, Wednesday evening April 6. She has already revised several well established customs at the manse and promises to be a great help in the work of the church, especially in the line of music.

It will be noticed in the base ball schedule printed in the Almanian of last week that the alumni game has been placed upon the regular schedule of the team. This means that the game has found favor both among the alumni and with the local management. It will be remembered that last years game was one of the best seen on Davis Field during the season, and the one to be played the coming June will be just as interesting and exciting and fun provoking as its predecessor. Harry Helmer '08 has consented to marshall the forces and act as captain of the team on that noted occasion. He promises to get together the pick of former days to line up against the present wearers of the A, and this assures everyone that that part of the commencement program will be most ably cared for. The game will be played on the afternoon of Wednesday, June 15, so plan to be there with the big mitt.

Wilson opened the seventh for Saginaw by flying out to Campbell Burgess got a single and advanced to second when Gray received a base on balls, stole third and second with Gray on Wuffly three bagger Richardson out Call to Pohley ending the inning. R. Wilson pitching in Simns place having previously struck out.

Alma broke the tie in their half. Call got hit by pitcher, Campbell flied out to Wilson, Sandy took first on Wilson error and Call advanced to second and both scored on McCloy's three bagger over Burgess head, McCloy scored when Wuffly tried to get him on Phillips grounder. Phillips advanced to second on Burke's single but Pohley ended the inning with a fly to Wuffly. Wilson opened the 1st of the ninth with a double and advanced to third on Burgess out and scored on Gray's double. Gray scored on Wilson's out. Wuffly doubled but Richardson was thrown out by Call.

Sandy opened the last half with a slashing single and took second on McCloy's single. Both runners advanced and the bases were full when Graham was hit by a pitched ball, Phillips bunted safely and Sandy scored and Billy Burke scored the winning run and the big noise commenced. Aside from Sandy's pitching the features of the game were Burke's and McCloy's batting.

The varsity team made a much better showing in both games than even the most hopeful expected. The team will have its two hardest games this week, playing U. of M. Wednesday and Ypsi Normals, Thursday. Alma cannot hope to do more than make a favorable showing with the university but they figure on even chances with the normals. The team is batting in pretty good form but have not good team work yet, while both the University and Normals are in mid season form.

'A'S FOR DEBATERS AND ORATORS

At a recent meeting of the Debating and Oratorical Leagues it was decided that all those students who represented Alma in intercollegiate oratory and debating should be presented with a six inch Old English A.

It has been the general opinion of both the Faculty and student body that all students who represented Alma in any sort of an intercollegiate contest, whether in athletics, debating or oratory, should receive equal recognition, since the emblem is given, not as a proof that the wearer has played a certain number of games or has delivered an oration, but as a mark of honor because he has represented his institution in a contest with some other college.

There was some fear that the debaters and orators might be confused with the athletes by the uninitiated. But really, there doesn't seem to be any real danger of that, when you stop to think about it. Size them up for yourself. Furthermore "letters" given for athletics are either block letters or monograms, while those that our studious brethren are to receive will be the Old English style. So

there seems to be no ground at all for the prejudiced fears mentioned above.

Moral: Honor to whom honor is due.

HOLIDAY VISITORS

An appalling case of deafness was that of an old lady who lived just across the street from the navy yard. On Washington's birthday they fired a salute of twenty-one guns. The old lady was observed to start and listen as the last gun was fired; then, adjusting her cap and smoothing her dress, she exclaimed: "Come in!"

SHE WAS GAME

A young man took his lady friend out driving. She asked to be allowed to drive, and he willingly gave her the reins. After driving for some time she said; "what is your horse's name?" He replied "Closer." On hearing this she said immediately; "Get up Closer."
