1000 per cent Intercollegiate Champions.

Michigan Intercollegiate cham- At 2 p. m. however somet ody pions with an absolutely clear title lit the fuse and there was some is what the boys brought back thing doing till the last parting shot from Kalamazoo. The Bracket was fired. Olivet and Albion were Cup is back in the library after a ssheduled to slaughter each other, years absence and, well it looks the winners to play Alma for the good. It was only put there by fibenest. The two teams were ex. the Alma fight and no predictions, as to who would bring back the ceptionally well matched and for championship from the annual a few innings it was nip and tuck doings could be hazarded until the last man took to the bench. The history of how it was all done would be an account of one of the clasest fights in the intercollegiate annals, ending in a wind up that made the heart go pitty pat.
To start the ball rolling it became necessary for the maroon ycks to defeat Kalamazoo in order to place in the finals. This was done quite handily. The game was called at ten in the morning and two hours later Alma had things nicely packed away on ice cooling off at eight above zero. Hole pitchad a beautiful game and never failed to pull out of tight holes when necessity demanded. When it comes to giving away hits Ollie is a tight wad. You can't work him and you cant even find him and the Kalamazoo contest was no exception.
in the fight and under way, where- from a scoring view point but the as the maroon socks took five in- remaining six innings were a series nings to work out the kinks and of alternations from joy to neversore spots of the morning celebra- ous prostration.

The fire works began at once. Graham and Call were out. Sandy dropped on the leather for a double and scored on Burks nice double. Hole next up cracked out a clean hit and the inning ended with the next out and two on; Alma one point to the good. Olivet could'nt connect up in their half and were retired in apple pie ordar. The second did'nt help much in a scoring way for the wearers of the A, but it gave Olivet a boost, however, two hits and a walk netting them one tally, Sandy dividing the hitting honors with the batters just to keep things exciting. The third round did the business, Call first up managed to get out. Sandy took a walk to first. Billy Burke was hit by one of Wallicks benders Ollie Hole waited for four wide ones and with the bases full and one out Phillips and Sandy worked a beautiful squeeze play scoring what proved to be the winning run. Monteith decided to return to the bench and the inning closed
with two on. This tells the story

The championship was'nt safe for a second, and chances to put it in the cooler were passed by so near and so often that it proved quite , annoying. Sandy took a streak for the bad in the third and Hole stepped in and held things up, retireing two men and closing the inning, leaving three disappointed crimson base runners with no chance to score. In the fourth Sandy returned to lime light and pitched his usual form for the remainder of the struggle. The move was a good one and both men deserve credit, Sandy for admitting his temporary weakness and Hole for holding things up so beautifully. The fight continued till the last dog was hung and never has there been a better one in the histoly of the intercollegiate.

## track meet

When the entries for the Intercollegiate Track Meet at Kalamazoo were printed it certainly looked as if Alma was not to be in it all, considering the fact that she had entered only six men. But as things turned out it appears that numbers didnt count so largely as some of the other schocls represented thought they would. Olivet with a number of experienced men captured the meèt with a small lead. Albion and Hillsdale followed, Alma winning fourth place, with two old men, Kefgen and McComb.
No records were made because of the muddy clay track and cold damp weather. No doubt a numwould have been broken had the conditions been better. McComb was not in condition and could nut do his best. If he had been the results would have been very much different.

The weather spoiled our trip t the sanitarium park, Monday night but it did'nt spoil our fun for its always good weather when Alpha Theta gets together. Many were the exclamotions of delight when at 5 o'clock we ascended to the Alpha Theta room and saw basket after basket of good things being spread out before our eyes. We
ate and danced and ate again. Then we gave our society with Alpha Theta thoroughness and impartiality. The election of of ficers came next and after that another season of rejoicing. The following officers were elected for the following year:

What can te said of any one man on the team can be said in equal fairness of all. The circumstances of an unavoidable nature that let Olivet come home without two victories were plainly nine in number, all playing top notch ball. We're glad indeed that we have such a good team and to place any one man above another would be idle. Then here's to the championship, here's to the Brocket cup and here's to the curley headed coach that backed by a dozen good fel

The office of mailing editor was created to bring up that end of the paper. The officers of subscription and business mgr. were combined for the sake of facility and accuracy in the financial management. The office of local editor was created that more attentiou might be given to news which the managing fails to get because of the lack of time.
We wish to congratulate Mr. Se bring on his election for the position of managing editor. He has shown himssif worthy of the utmost confidence on the part of the Faculty and student body.
