

# THE ALMANIAN

THE STUDENT PUBLICATION OF ALMA COLLEGE

VOLUME TWENTY

ALMA, MICHIGAN, TUESDAY, SEPTEMBER 28, 1926

NUMBER 2

## ALMA HOLDS POWERFUL U of D

### ALMA LEADS END FIRST HALF, 6-0

Soggy Field Handicaps Maroon and Cream with Heavy Detroit Team.

Over the soggy surface of Dinan Field at Detroit the Maroon and Cream team gave the powerful Dorias coached Univesity of Detroit aggregation plenty to think about in the initial football embroilge of the season, and while U. of D. came from behind in the second half to win 14-6, a fair share of the laurels when to Alma.

Playing before a large representation of the student body and several hundred alumni, the 1926 Campbell machine clearly outplayed Detroit in the first half, leading at the mid section of the fray, 6-0, and staged a wonderful exhibition of defensive play in the second half of the game, once taking the ball on downs on its own two yard line and again on the 11 yard mark.

Before three miutes had elapsed, Alma had scored a touchdown. Recovering a punt on Detroit's 22 yard lint, Hawthorne went through right tackle for 18 yards. Erickson and Hawthorne failed to gain on the next two plays but Julius Chatman, on a delayed pass, went through right tackle for a touchdown.

Detroit failed to cut into the Presbyterians margin during the first half, but the Titans were helped to a touchdown early in the third period when Alma was penalized to the 35 yard line, and Detroit given the ball for unnecessary delay of the game. Even with this penalty, Detroit was stopped on the two yard line by the wonderful defensive work of the Almanians but on the second drive Connell, the Chippewa Falls, Wis., star, bored through left tackle for the tying touchdown. Maloney kicked the Titans into a one point lead.

At the end of the third period, Detroit reached the Alma one yard line, and on the second play of the fourth quarter, Connell again crossed the Alma line and Maloney added the extra point, ending the scoring for the day.

The Campbell aggregation of '26 made a much more impressive showing against Detroit than the '25 team and they bid fair to make the season rather interesting for all opponents. Treacherous footing, resulting for the resodded gridiron and recent hard rains, made open field play impossible at Detroit and seriously effected the offensive play of the fast Maroon team.

Among the older men, Anderson, Chatman, and Capt. Burton, showed the way, while Karpp at quarter, Dearoyian at right tackle and Simmons at center, of the new men, were a tower of strength. The game turned in at Detroit was very pleasing from all standpoints to the Alma rooters and it is freely perdicted that one of the old time Campbell machines will represent College this year.

Substitutions—Connell for Iler, Maloney for Martini, Erickson for McGregor, Harrington for Hinckley, Hill for Murphy, Lester for Holdship, Maniere for Hill, Learned for Long, Williams for Maley, Gillis for Gallagher, Stromp for Connell, Dawson for McGregor, Holdship for Lester, Shea for Williams, Hill for Maniere, Hocola for Phelan, Iler for Hill, Wagner for Richards.

#### THE GAME PLAY BY PLAY First Quarter

Flannery kicked off for Detroit. Burton brought ball back to his 32 yard line. Chatman failed to gain through center. Karpp punts to Detroit 30 yard line and Burton drops man in his tracks. Karpp passed and

(Continued on page three)

#### NOTICE

FRESHMEN—Take Notice! Have you had experience in yell leading? Would you like to make the position of an Alma College Yell-leader? Be at that mass meeting Friday night. We need more leaders, and you will have an opportunity to exhibit your stuff Friday Night.

Sponsored by The Upper Classmen's Club Council a part of Friday's night meeting will be given over to try-outs for both men and women yell-leaders. Be prepared to do your stuff!

### U. OF TOLEDO HERE SATURDAY

Ohio Team Will Furnish the Opposition in First Game on Davis Field.

Alma will raise the curtain on the '26 football season at Davis Field Saturday afternoon at 2:30 o'clock, the University of Toledo will be the opposing team.

The Campbell squad came through the U. of D. game at Detroit Saturday in excellent physical condition, none of the men suffering more than minor bruises, and baring casualties in practice this week, every member of the team will be in shape to perform against the Ohio school.

On the showing of the team at Detroit, and the available information on the University of Toledo aggregation, Saturday's battle should be won by the Presbyterians by a fairly comfortable margin. With a considerable more rangy and heavier line than last year, and some excellent backfield material, Coach Campbell expects to have a fighting team that has the spirit and ability to go far in competition with schools in Alma's class. The University of Toledo comes in this list, and while not depreciating the strength of the opposition in Saturday's fray, an Alma victory is looked for.

### COLLEGE DANCE SATURDAY NIGHT

Large Attendance Expected at the Student Council Dance to Be Held in Gym.

On the evening of the University of Toledo game there will be an all college dance held in the gymnasium at seven thirty.

In the past these parties have been exceedingly popular, as they afford a chance to get acquainted, and go to make up the bright spots in the social activity of the campus.

As in the past, the student council assures that if these parties are well supported, they will be continued. When passing Pioneer Hall we heard queer skufflings, and upon entering into the building, we were greeted with a strange sight. About twenty of the Frosh were practicing up on some of the new dance steps, hoping thereby to win the favor of some fair Wright Hall damsel. By the looks of some of the calesthenics they were executing, one would think they were planning on attending a St. Vitus dance.

The committee in charge of the affair promise peppy music, suitable decorations and many lively specialty numbers. They give out the plea, that if any of the Frosh are possessed of some particular accomplishment that might enhance the program, will they please see Jack Thoma, and he will review the act and decide on its merits. It is sometimes true that you find exceptional talent in unexpected places.

So get your gang together, fellows, and be at the gym in time to get the first dance with one of the members of the gang from Wright Hall. They will all be there.

Don't forget the mass meeting Friday night. Let's get ready for Toledo.

Pajama Parade tonight! Everybody out!

#### PHI PHI ALPHA NOTES

Phi Phi Alpha held it's first meeting of the year at 7:15 P. M., Sept. 20, in their house. President. Don Campbell called, the meeting to order and gave a brief talk on the program for the year. Nominations for offices left vacant by non-returns were then in order and after the smoke of battle had cleared away Jack Erskine was declared house manager and Russell Neuman was made Marshall. The committees were announced and the members adjourned to the dining room where Neuman and Erskine acted as hosts.

### UPPER CLASSMEN MAKE NEW RULES

New Agreement Made in Regard to Society Pledging. Envelope System Adopted.

At a meeting of the council of the Upper Classmen's Club held on September 23rd, at the Phi Phi Alpha Society house, four plans were agreed upon for the futherance of the organization's drive for more college spirit and social activities.

The council decided to inaugurate a new event in the field of inter class activities; a Frosh-Soph track meet was scheduled to be held some time in October. Besides promoting class relationships, this event will undoubtedly unearth valuable track material.

As a means of promoting better acquaintanceship between Upper Classmen and Freshmen the council intends to arrange an open house night at Pioneer Hall. On this occasion the Freshmen will entertain the old men of the campus which will aid in promoting inter-class fellowship.

A Musson, P. Anderson and W. Snell were appointed as a committee to investigate the new plan of pledging Freshmen. In the past many difficulties.

(Continued on page two)

### TRY-OUTS HELD FOR GLEE CLUBS

Many Last Year Members Lost. Prof. Ewer is Pleased With New Material.

Professor Ewer has been busy during the past week holding try-outs to fill the vacancies in the College Glee Clubs. While many good voices were lost through graduation last year, Professor Ewer is very well pleased with the prospects of both clubs for this coming season.

The men of the college have been showing even extraordinary interest in the securing of places on the male club. The afternoon we went over to the Music Studio at least twenty prospective tenors, baritones and basses were practicing in the waiting room, while as many more were running the scale before Professor Ewer.

The tenor sections of the Men's Club suffered the greatest loss this year. In the first tenors Harlie Catherman and Don Gillette left school through graduation. Mr. Catherman was a valuable man, having carried a lead in "The Yokohama Maid"; the operetta put on by last year's clubs. The second tenor section was completely demolished. Gilbert Davis, Roge Cole, Henry Holland and Carlton Neeland, all graduating last June. Thus the chances for any one possessing a tenor voice are especially good. But enough promising material has turned up to ensure an interesting competition.

The baritone and bass sections of the Men's Club are almost completely filled with regulars from last year. Of the baritones Frank Prouty and Jack West are again available. Woodburn Lamb graduated last June and is continuing his studies at the University of Michigan this year.

The bass section will be without Elliott Crooks during the coming season. He has left to join Paul "Doc" Gesner at Columbia University. Crooks was an experienced member of the club, and one whose loss will be greatly felt.

With a slightly over average amount of old material back, and a large number of men turning out for try-outs, Professor Ewer looks forward to a very successful year. While no phenomenal voices have been unearthed, it is expected that the club will round into one of the best ever.

The Cantando Club is fortunate in having the services of Ethel West, soprano soloist. The absence of Esther Oldt, contralto soloist, who graduated last June will be greatly felt. There are also losses in all sections of the club which will have to be filled with new singers. The girls have not showed as much enthusiasm as the men in competing for positions, but some good voices have been found. Professor Ewer is looking forward to a noteworthy club.

Membership in the Alma glee clubs is one of the most sought after honors in the college. In the spring the male club takes a trip which is one of the most pleasureable affairs of the college year. Members who have made the trip through the ice and snow of the Upper Peninsula would not miss it for a lot. The Cantando Club makes an annual trip through the central and northern parts of the Lower Peninsula.

#### UPPER CLASSMEN'S NOTICE

Members of the Upper Classmen's Club and members of the Faculty will be entertained at dinner at the home of President Crooks next Wednesday evening. It is expected that this will be an exceedingly enjoyable affair, and a hundred per cent turnout is hoped for.

Get ready to have your friends up to the first home game. They will enjoy it as well as you.

Al Burnham, ex-'26 was married this summer. He is living in Royal Oak.

## COMMUNICATIONS

During the last few days we have been asked several times about this matter of communications to The Almanian. Some, and doubtless a great many more than have come to our attention appear to have the idea that only members of the staff can be contributors to the college paper.

Far be it from us to pursue any such policy. This is the student publication of Alma College, and contrary to refusing contributions, it is our earnest desire to have the students, the alumni, and the faculty of the college send in articles for these columns. The greatest purpose of The Almanian is to reflect the opinions of the campus. The staff can take care of all news material and routine work, but we are decidedly dependent upon you in the matter of making the paper really worth while. Many things take place about the campus which we overlook, or do not come in contact with. If you know of such, write them up—send them in, we'll be glad to hear from you. We hear too seldom from our faculty. Now we are sure they must have a great deal of worth-while and interesting material up their sleeves, which every student on the campus would enjoy seeing in print. The alumni can be of invaluable service to us. Perhaps more so than any other one group. The only way we have of keeping in touch with them is through communications which they may send in to our office. We want Alma's alumni to know what we are doing, and we also want very much to know what our alumni are doing. We have a great number on our mailing list who show their interest in us by subscribing for the paper. Let us impress upon all alumni who may read this that we are just as interested in hearing from you. Drop us a line.

We all cherish the idea of seeing all Alma alumni, faculty and present students united together by common love for our alma mater into one group. We suggest that we can work toward such an ideal through no better medium than The Almanian.

## Alma Trustees Confer On Important Matters

At the June meeting of the Board of Trustees action was taken with regard to several important matters of interest to the student body:

In June, 1927, Alma College will complete its fortieth year. It is expected that there will be something of a formal celebration of this event. In the fall of 1927, the fortieth anniversary of the opening of the college, there will also be a celebration.

Recent developments have made possible a substantial increase in faculty salaries. The Board of Trustees would have been very glad to have made much larger increases, but the improvement in salary scale was notable.

During the last year the gift of \$50,000 from the Carnegie Corporation was set aside as a pension fund. The pension fund adopted by the Board of Trustees, and already in operation, is co-operative. Members of the faculty have the opportunity, if they so desire, to allow five per cent of their annual salary to be paid into the Teachers Insurance and Annuity Association, the college adding five per cent in monthly payments. This is in effect an additional increase in salary, and is calculated to provide considerable annuity at the retirement age. At present the retirement age is set at seventy, the line dropping to sixty-eight after 1928.

The Building Committee was ordered at the earliest possible date with the erection of a president's residence. It is understood that the residence is to be begun this fall. It will be of colonial architecture, and will be erected on the east side of the block that contains the grove.

The Board will also put forth every effort to erect a library addition during this year. The addition will be a fireproof stack room constructed to contain 100,000 volumes. It will be connected by a fireproof passage with the present library, and will itself eventually become a part of a modern and much larger building to be erected in the future.

In the matter of sabbatical year it developed that no one of the faculty will exercise himself of the privilege during 1926-27. Professor Cook was entitled to the privilege several years ago, but is allowed to divide his vacation period into several in-

stalments during the next few years. He will probably not be absent a full year at a time. According to the plan adopted by the Board of Trustees several years ago, President Crooks is entitled to a year's leave of absence during 1926-27, but felt for institutional reasons, as well as personal, that he desired to postpone his absence. The next of the faculty in line for sabbatical leave is Professor Brokenshire, who may possibly exercise his option during 1927-28.

The Rev. Samuel H. Forrer, D. D., pastor of the Jefferson Avenue Presbyterian Church, of Detroit, was elected to membership on the Board, and has accepted.

The Rev. Minot C. Morgan, D. D., pastor of the Fort street Presbyterian Church, Detroit, Michigan, who has been chairman of the Alma College Board of Trustees since 1922, has been called to be co-pastor of the great Fifth Avenue Presbyterian Church, of New York City. This church is historically one of the most important in the denomination, if not the most important, and this new opportunity is a notable recognition of Dr. Morgan's excellent qualities. Members of the Board of Trustees have individually expressed the hope that Dr. Morgan will continue as a member of the Alma College Board. At the meeting of the Board of Trustees in October, it is hoped that the Board will have his decision to remain at his present post.

The following were re-elected officers of the Board of Trustees:

Chairman—Rev. Minot C. Morgan, D. D., of Detroit; Vice-chairman—Professor Kendall P. Brooks of Mt. Pleasant; Secretary and Acting Treasurer—Professor A. P. Cook.

A new position was created, that of Assistant Secretary of the Board of Trustees, and Mr. Chester R. Robinson, a member of the Class of 1916, was chosen to fill this place. Mr. Robinson has been almost continuously in the employment of the Republic Motor Truck Company of Alma since his graduation.

All the friends of Alma College have known that the General Education Board, founded by John D. Rockefeller, had pledged \$75,000 to Alma College on certain conditions.

All the conditions requested by the General Education Board have been met, and during the summer the last instalment of the \$75,000 was paid into the college treasury. While the business office is of the opinion that much more endowment could be used, and the president asserts that plans are already in mind for the use of endowment much in excess of that in hand, it must be said that Alma College, in the last thirty-nine years of her history, has made a substantial record. The total endowment funds of the college at the present time amount to \$733,000. As the other colleges of the state, with which we constantly compare ourselves, range from thirty to fifty years older, it is plain to see that Alma's record has been unusual.

At commencement time in June President Crooks announced that the Board of Trustees had received during the year the sum of \$50,000 in cash from Mrs. Henry B. Smith, of Bay City, for the establishment of a chair of philosophy in memory of her late husband, who was a prominent manufacturer and business man of that city.

Early in the history of the college large gifts came from Bay City. Mr. Smith was constantly interested in the development of Alma College, and would quite probably have helped very substantially in his own lifetime. His death, however, was sudden. Mrs. Smith is a graduate of Vassar College, and represented that institution at Alma at the time of the inauguration of President Crooks. Her son, Mr. Eugene Smith, is a member of the Board of Trustees, and Mrs. Smith has been constant in her interest in Alma College.

For the present it is understood that Professor Randels, who has charge of the work in Education and Philosophy, will occupy the chair. It is possible that within the next few years and additional professorship of education will be created, and that the Henry B. Smith Chair of Philosophy will be occupied by Dr. Randels.

## ALMA HAS NEW GOLF COURSE

The new golf course being constructed by the Pine River Country Club is of particular interest to students. The course will cover a tract of about sixty-five acres, just east of the road running from M-46 to Wolf's Bridge. Old students may identify the tract when informed that it includes that bit of woodland which used to be known as Prexy's Woods. President Crooks and Dean Mitchell are both on the Board of Governors of this club, Dean Mitchell having been particularly busy in raising funds. Professor Clack and Dr. MacCurdy are also enthusiastic members.

An arrangement will probably be made by the club that will permit students to enjoy the advantages of the club on the payment of a small annual fee.

## U. C. Club Sponsor Pajama Parade

At the meeting of the upper classmen's club council called by President Don Campbell at 7:00 P. M., September 23, in the Phi House it was decided that the Pajama Parade would be held under their auspices on Tuesday, September 28. This is an annual affair attended by all the men of the college. All the freshmen come, wearing pajamas only. The procession will start from the gym at 7:30. For the benefit of the uninitiated, let us explain the nature of the parade. After the men have gathered in the gym sundry customs are observed and the line is formed according to seniority of classes. The parade moves swiftly down to the business section where the various merchants dispense cigars, ice cream, candy, and theatre tickets.

Murray, MacDougall, and Snell are on the committee in charge of the arrangements and it is safe to prophecy the parade of '26 will scintillate among the brilliant successes of the past.

## LIBRARY NOTES

A valuable donation has been made to the library by Prof. Margaret E. Landwehr in the following works: Carhart, College physics; Clark, Representative one-act plays by British and Irish authors; Echegary, Marina; Maurois, Ariel, the life of Shelley Osborne, Picture towns of Europe; Sigurjonsson, Modern Icelandic plays.

The library has also had a very attractive and interesting addition to its travel collection, in the form of illustrated pamphlets, folders and maps. Eight of these were presented by the Canadian Pacific Railway company, and nine by the American Express company of Alma. These are available for use in the library.

There is a travel exhibit displayed in the showcase of the vestibule and at the south end of the charging desk.

Miss Anna M. Angel, a part time library assistant, has just returned after her study at the University of Michigan summer library school.

The Senior Class will soon be granted their senior library privileges.

## UPPER CLASSMEN MAKE NEW RULES

(Continued from page 1)

culities have arisen because there was no set method by which this activity was executed. The envelope system such as is used on many campuses, will doubtless do away with such past misunderstandings.

It was also considered, that with the various societies consent, the dates for the fraternity smokers for the new men will be decided by the drawing of lots.

This year will mark the first occasion on which the pledging rules drawn up by the Upper Classmen's council will operate. These rules, which are printed below, should be very carefully studied by Freshmen especially. Do not treat with any man who is violating these rules, remember that he is being untrue to his society as well as to his college.

The pledge agreement states: We, the undersigned fraternities; in order to create better college and fra-

ternity spirit, do hereby adopt the following rules in regard to the rushing and pledging of new men at the beginning of each school year.

First: Open rushing or advocating of a fraternity is allowed, but no agreement either written or verbal; between fraternities or fraternity members and new men shall take place until noon of the first Wednesday after Thanksgiving vacation.

Second: Each fraternity agrees not to approach any man already pledged to another fraternity.

Third: The Upper Classmen's Club council shall act as a judging body to which all infractions of this contract and all disputes arising from it shall be reported and it is granted power to impose penalties for any such infractions.

**Messages Illustrated  
by Examples from Life**

A brief sketch of the life of Douglas Fairbanks will be used next Sunday morning to illustrate the sermon given in the Presbyterian Church on "The Third Step in the Path to Success." Fairbanks is today the director who above all others is crowding Griffith for first place among those who have lifted motion picture productions to their highest levels. The lives of men who thus lift, convey to us the key to careers which in their turn may also be useful. Presbyterian students are urged to hear this entire service through.

Sunday evening a study of Raphael's great painting on "The Transfiguration" will be made, bringing out its message to the individual.  
Rev. Willis Gelston.

**SIDE LIGHTS ON THE  
DETROIT GAME**

Among the old Alma students seen at the Detroit game were George Couture, Dutch Weltholder, Louis Coash, Howard West and his brother Stanley, Cleon Dey, Leon Katsin, Ski Nowiski, James Fitzgerald, Lenord Cohen, Bob Tritten, Clinton Treadway, Frank Masley, Herb Nesbit, Rus Catherman, Gil Davis, DocMac Curdy, Roge Cole, Mrs. Arthur Carty and father-in-law, Harold Bailey, Ferris Gardner, Ric Roller, Jack Apsey, Dwayne Burke Melvin Orr, Ken Van-Hee, Harry Williams, Ping Richards, Hildegard Finch, Woody Lamb, Charlie Hudson, Walt Seavitt, Ed Lemon, Duke Rutseggar, Gare Read, Rcn MacGlone, Del MacGregor, Malcolm Smith, Louis Jacobs, and Yost Grabow. Guess the crowd was all there boys! With the crowd of present students who attended a regular reunion was held on the west bleacher.

"Shiek" Couture was there in style and led some peppy yells for the crowd.

"Ski" Nowiski was seen with a girl, but we received an unverified report that she was his sister.

We met "Wally" Burton's sister between halves. She saw our captain put up a great game.

As far as we know "Ev" Winslow was the only one of our crowd to bite on the hot malted milks.

No serious accidents were reported on the trip to Detroit and back. Louis Nichols had four blow outs but got them all patched up in good shape. We passed a load of our Frosh outside of Flint pulled off to the side of the road. But as they appeared at the game they must have had the old Ford fixed up again.

Jerry Hull just reminded us that we omitted Pete Harvey from the above lineup.

Well gang, we've a great team this year. They sure showed good stuff in the opening game. There was a fine showing of Alma Students, past and present, and their spirit was a reminder of that championship pep of '23. Let's keep the old ball rolling. Everybody out and back the team in the manner they deserve in Saturday's game with the University of Toledo.

**ALMA LOCALS END  
FIRST HALF 6-0**

(Continued from page one)  
failed. A place kick failed (Alma). Ball went over to Detroit. Connell went in for Her for Detroit at half back. First play Connell throw, for two yard loss. U. of D. made three yards around left end. Maloney punted out of bounds on Detroit's 22 yard line. This punt placed Alma in scoring position. On first play Hawthorne went through right tackle for a 18 yard run. Erickson went in for MacGregor at fullback. Erickson and Hawthorne fails to gain. On a delayed pass Chatman went through right tackle for a touchdown. Hawthorne failed to kick goal.

Alma kicked off to Detroit 35 yard line. U. of D. pass failed. Ray Murphy made five through Alma left guard. Detroit penalized five yards for off side. Detroit punted to Alma 35 yard line, where Hawthorne signalled for a free catch. Hawthorne lost five yards, on a try around left end. Karpp punted, Anderson dropping man on the U. of D. 35. Connell turned left end for 16 yards. Two center smashes netted seven yards, quarter back sneak smeared. Alma penalized five yards for off side. Connell made a first down on Alma's 24. Julius smeared a left end run. Connell made four yards off left tackle,

a pass Connell to Phelan made a first down on Alma. Chatman stopped a right end run for a five yard loss. Chatman grounded a Detroit pass and Alma took the ball on downs on its II yard line. Karpp punted to mid field. Connell made two on a line smash and repeated for two more. The next play was stopped at the line and the U. of D. was penalized five yards for off side. A pass by Detroit netted eight yards and this made the fourth down and two yards to go. Detroit failed to gain and the ball went over to Alma on the 40 yard line as the quarter ended.

**Second quarter**  
Hawthorne made four on the opening play and Chatman added another. Karpp kicked to Detroit 25 yard line. Detroit in turn kicked to Alma's 25. Hawthorne returned it 5 yards to the 30 yard line. Alma line smash is stopped. Next play thrown for a loss. Karpp kicked outside at Detroit's 48. Detroit made two around left end and added another off left tackle. A forward pass netted seven and a first down. Detroit fumbled and Alma recovers on its 30 yard line. Hawthorne was stopped at the line. Erickson made one, Alma fumbled and Detroit recovers on Alma's 33.

Detroit failed to make downs and Alma takes the ball on their 25. Hawthorne made two yards, Detroit penalized 15 yards for unnecessary roughness. Alma fumbled but recovered with a two yard loss. Karpp kicked to Detroit's 32 yard line. Maloney made three through center, Burton threw Maniere for a seven yard loss at right end. Detroit kicked to Alma's 30. Alma penalized fifteen yards for holding. Karpp kicked to mid field where Anderson stopped Detroit man without a gain. Detroit pass was grounded. Detroit made three and on the next play lost two. Maloney punted to Alma's five yard line. Karpp kicked back to the 30. Detroit made one but was penalized five for off side. Detroit made four and a pass failed. Chatman made a nice knock down on the next pass on their 30. The ball went over to Alma. Erickson made four and Karpp failed to gain as the half ended.

**Third Quarter**  
Alma delayed starting and Detroit was given the ball on Alma's 35 yard line. Connell made six at left tackle, next play without a gain. Detroit fumbled, Burton recovered and it was Alma's ball on the 25 yard line.

Alma fumbled and Detroit recovered at Alma's 24. Detroit carried to ball to Alma's six yard line. A five yard off side penalty stopped their progress. Three Detroit plays failed to gain, and Alma recovered a U. of D. fumble on the fourth play. Karpp kicked to the 30 yard line. Connell and Maniere carried the ball to Alma's goal line on line smashes and Connell went over for Detroit's first touchdown. Maloney kicked the goal for the point and the score stood 7 to 6 in Detroit's favor.

Alma kicked off, Detroit was unable to gain and punted outside on Alma's 15 yard line. Karpp kicked to Alma's 45 yard line. Maniere and Maloney carried the ball to Alma's 8 yard line and Connell put it on Alma's one yard line as the quarter ended.

**Fourth Quarter**  
Alma's line held for three downs but on the fourth play Connell carried the ball over. Maloney kicked goal and the score stood 14 to 6. Detroit kicked to Alma's 28. Stromp replaced Connell for Detroit. Karpp kicked to Detroit's 20. Detroit penalized 25 yards for clipping and kicked to Alma's 35 yard line. Dawson went in for MacGregor and Holdship went in for Lester. A pass failed, Chatman made three another pass failed and Alma was penalized. A poor punt gave Detroit the ball on their 42 yard line, and they made five and on the next play were stopped with a two yard loss. Detroit kicked to Alma's 19 line.

Karpp kicked to Detroit's 45 and Alma was penalized 15 for holding on the play. Detroit penalized to their 24 yard line for clipping. Detroit line smashes carried the ball back to their 40. Erickson replaced Karpp for Alma. Detroit failed to gain and kicked to Alma's 35 yard line, Hawthorne returning the kick 15 yards to mid field. Alma failed to gain and Detroit took the ball. Two plays netted five yards, but Detroit was penalized five for off side. Detroit kicked outside at Alma's 35 and an Alma pass failed. The next pass, Dawson to Hawthorne made four yards. Maloney intercepted the next pass and ran it back 15 yards. Lamb replaced Hawthorne for Alma. Detroit was unable to gain as the game ended.

Final score—Detroit 14; Alma—6.

### Alma College Band Prospects Promising

The Maroon and Cream Band is under way again. With over half of the old men returning for the band work this year, and with many new additions from the Freshman class, the band future looks exceedingly good.

The band organization is recognized as being instrumental in producing a goodly amount of pep and spirit at the football games, and it is a source of satisfaction to all that the prospects seem so promising.

George Boyd, our dark haired cornetist, was elected as president of the organization at the last meeting of the band last year; Charley Shafer trombonist, having had plenty of practice in arm movement, is to act as secretary. The new manager is to be elected at the next meeting, to take the place of Hugh Doudna, who was elected last fall to fill that position and who is now attending the University of Michigan.

When the bleachers are filled with loyal Alma students whooping her up, and the air is all tingling with pep, the band will march out upon the field with a marchal tune of thrilling nature, these are the men you will see, in order, come marching down the field:

- Drum Major—Horton
- Trombones—Shafer, Bailey
- Basses—Musson
- Baritone—Nichols
- Saxophones—Hess, Barlow
- Cornet—Boyd, Dawson, Wilson, Adams, Jones, Albin, Brown
- Clarinets—Darnell, Pomeroy, Prouty, Trahan
- Flute and Piccolo—Boutin

Drums—Hicks, Fowler, Erskine  
As in past years the band will be assisted by Mr. George Clough and possibly Mr. Giles.

### Freshman Election of Officers Held Monday

The members of the Freshman Class met in the chapel yesterday at 12:40 for the purpose of electing class officers. Only two officers, President of the class and an additional student council representative to whom the Freshman are entitled were elected at Monday's meeting. Further elections being deferred until a later date.

An interesting coincidence arose from the fact that two room-mates were nominated for president. That the two are about equally popular was attested by the fact that Freshman Shardoe received 43 votes and his partner, Kaiser, 42.

Miss Clara Schafer was elected to fill the office of student council representative.

### SOCIAL CALENDAR

The coming week is one of great activity, and for your convenience we are printing a social calendar. The activities are such that almost every night an event will take place that will be of vital interest to almost every student.

- Monday evening—Societies
- Tuesday 7:30—Pajama Parade
- Wednesday 6:30—Upper Classmen's dinner at the President's home
- Thursday evening—Band Practice
- Friday evening—Open Night
- Saturday 2:30—U. of T. Football Game

Saturday evening—All College Dance

Note: It is not certain whether or not there will be a dance Saturday night as it is in the hands of the Student Council, but there is a good possibility of its being held. This annual dance has always been an enjoyable affair, and if the dance is held, it is expected that there will be an exceptional attendance.

### Pep Meeting in Chapel to Precede Next Game

The first mass meeting of the year was held last Thursday morning after the regular chapel service. Yell master Anderson was in charge and the team was given a peppy send-off to the game with the University of Detroit.

"Hop" wishes to announce the next mass meeting for this coming Friday evening, prior to the game with the University of Toledo. Let's get behind the old band wagon and roll it right on to another championship this year. We have a wonderful squad, and a squad which Captain Burton promised Thursday morning, will fight to the last ditch. A team can't win out alone. It needs the concentrated effort of every loyal Almaite to bring home the bacon.

Be there Friday night!  
As is the usual custom roll call for Freshmen will be held. Don't forget—Friday night!

A Harvard professor explains earthquakes by saying that Mother Earth shakes to gain symmetry. Sort of dancing for exercise as it were.
