VOLUME 21

ALMA, MICHIGAN, TUESDAY, APRIL 24, 1928

NUMBER 24

## KNOX COMMENCEMENT SPEAKER

### ALMA DEFEATED BY 'DALES 12-6

#### Entire Seven Innings Played In Cold Drizzle On Soggy Field

The Alma College Baseball Team made its debut to fans Saturday afternoon at Davis Field amid a shower of snow, sleet, and rain which ended in a downpour of runs for the visiting Hillsdale team and Alma's defeat to a tune of 12-6. Ten free passes at the expense of the Alma moundsmen, three errors, and six timely hits resulted in twelve runs for the visitors. Alma's six runs were the results of two errors, eight hits, and five free tickets off Hast.

Yagelman labored for 1½ innings with a wet ball and after issuing five passes and three hits for a total of six runs made way for Albaugh who finished the game in a creditable manner. He was wild at times but held the Downstates in all except the 5th inning when they collected 3 hits coupled with Boutin's error for 3 runs.

#### First Inning

Wyler, lead-off man for Hillsdale, Walked and stole second. Seitz and VanderMolen were unable to solve Yagelman's deliver and were out on strikes. Valentine received a free ticket and scored behind Wyler a moment later when Nast doubled to left center. Nast over ran the base and was caught making the third out. Results—2 runs, 1 hit, no errors.

LeBlanc singled to left field on Nast's first delivery. Tiderington fanned. Hawthorne lifted a high fly which Cowan caught. Holdship was hit by a pitched ball but he and LeBlanc were stranded when Westfall struckout. Results—No runs, 1 hit, no errors.

#### Second Inning

Westfall caught Cowan's infield fly for the first out of the second inning. Hall and Patronetti went to first free gratis. Tripp struck out. Seitz hit a high fly to Hawthorne who failed to get under it and fell safe while three men went home and Seitz to second. VanderMolen singled scoring Seitz. Albaugh was then sent to relieve Yagelman. Valentine walked and went to third on two successive wild pitches while VanderMolen scored. Hast was safe and Valentine scored when Wagner threw an easy grounder away. Albaugh retired the side after fielding Cowan's grounder. Results—6 runs, 2 hits, no errors.

Boutin refused to take his bat from his shoulder and was called out on strikes. Leiphan received a pass but died on first when Wagner fouled out to VanderMolen and Albaugh fied out to Nast. Results—no runs, no hits, no errors.

#### Third Inning

Holdship missed Westfall's throw to retire Hall and he was safe. Patronetti struck out. Tripp walked. Wyler and Seitz fanned retiring the side. Results—no runs, no hits, 1 error.

LeBlanc opened the inning with a single to center. Tiderington rolled one to Tripp. Hawthorne doubled scoring LeBlanc for Alma's tally. Holdship fly out to Hall and Westfall to Seitz. Results—1 run, 2 hits, no errors.

#### Fourth Inning

Hillsdale went down in one, two, three order this inning. VanderMolen fied out to Hawthorne. Valentine and Nast fanned. Results—no runs, no hits, no errors.

Boutin was safe when Wyler booted his easy grounder. Leiphan was out after Valentine had made the play on his roller. Wagner fanned and Tripp took Albaugh's grounder for the final out. Results—no runs, not hits, 1 error.

#### Fifth Inning

Cowan singled to center. Boutin missed a wonderful chance to start a double play when he booted Hall's grounder and both men were safe. Patronetti fanned but Trip walked, filling the bases. Wyler was out on called strikes. Seitz's single to center scored two runs and put Tripp on third who scored on Tiderington's throw to the bag to catch him napping. VanderMolen singled scoring

(Continued on Page 4)

### PREXY CLAIMS TO HAVE BUSY WEEK

Speaking to the President the other day on some very trival business, it was mentioned that he was seldom to be found in his office of a daytime. He explained the fact by giving his schedule for this week, as more or less typical.

Last Thursday evening he spoke in Saginaw to the Saginaw Branch of the Association of University Women. From Saginaw he went to Danville, in Ingham county, where he spoke at a County Teacher's Institute. He was in Alma from Friday night until Sunday noon, when he left for Detroit. Sunday evening he spoke in the Highland Park Presbyterian Church at an educational meeting intended primarily for the young people of the Highland Park High Schools. Wednesday and Thursday he will be in Chicago for the Commencement Exercises and Board of Directors meetings of the McCormick Theological Seminary, of which institution he is a director. Friday evening of this week he will speak to the Music Section of the Michigan Schoolmaster's Club, at their meeting which is to be held at Ann Arbor.

It is expected that he will be in Alma for a time after Saturday, the 28th of April.

### INSTALL NEW Y. W. OFFICERS

#### Ceremony Carried Out After Dinner Thursday At Wright Hall

Last Thursday evening the Y. W. C. A. held its annual banquet preceding the installation of new members on the cabinet. About thirty girls, dressed in light colors, filed in and found their places by means of place cards, at a long table in the Southeastern end of the Wright Hall dining room. Besides the programs, made by Marion Watson, there were two beautiful bouquets of roses and sweet peas, while four pink candles burned at equidistant places on the table.

After the dinner, Lewise Salmon, who very successfully acted as toastmistress, introduced Helen Wood, the outgoing president of the Y. W. Miss Wood summarized the work of the Y. W. for the past year, commenting upon the fact that the Y. W., which has gone out of existence on so many campuses, has existed on the Alma campus for the purpose of sponsoring certain traditional social activities that no other campus organization can sponsor, such as the opening reception for Freshmen, taking the Freshman girls to the movies on their first Sunday here, the Christmas party for about fifty poor children in Alma, teas, and the Easter breakfast. So it is an organization with definite work to do and may we say that Miss Wood has made an excellent president and that the Y. W. has prospered this past year.

Miss Foley talked on "Our Possibilities," convincing us of the need of the organization, and mentioning ways in which our own Y. W. can expand and carry out more activities. Irene Beuthin is our new president. She briefly outlined the prospects for next year which necessarily coincided to quite an extent with the possibilities. We recognize in Miss Beuthin an excellent leader, and we know that the Y. W. will have another successful year under her guidance.

The program was not without music, for sextette, guests at the banquet, favored with three selections. After which, the banqueters adjourned to the Reception Room, where the regular installation of officers took place.

Besides the sextette Mrs. H. M. Crooks, Miss Steward and Miss Foley were guests of the Y. W. C. A.

The new cabinet members who received the lighted candle from the outgoing members are—President, Irene Beuthin; Vice President, Elizabeth Sidebotham; Secretary, Dorothy Carter; Treasurer, Katherine Boyd, Social Service, Ann Marie Campbell; Program Committee, Barbara Witkop; House Committee, Ada Mueller; Pastor Committee, Gertrude Walker; Social Committee, Helen Frances Miller.

### COMMENCEMENT PROGRAM SET

#### Three Day Card Announced As Complete. To Have Many Features

The program for the 1928 Commencement Exercises has been completed and given out by the college authorities. It contains many new features and innovations which make this commencement season somewhat of a departure from former ceremonies.

In the first place, the days set aside for the ceremonies are Friday, Saturday, Sunday and Monday, June 8, 9, 10, 11, instead of the usual Monday, Tuesday, and Wednesday program which has been customary in years gone by. This plan is being tried by the faculty of Alma College as the result of many suggestions from alumni and friends, who say that they can more easily attend the week-end affairs than mid-week activities. It is hoped that the attendance of alumni and old students will vindicate this change of dates, by coming back to the exercises in greater numbers than ever before.

The college authorities are making special efforts to have reunions of classes at this commencement. They are cooperating in all possible ways with the officers of those classes who are attempting to bring back a great number of their members for their reunions. The class of '98, whose thirteenth anniversary this is, is expected to have a very good representation at the exercises in June. The class of 1908, have been making special efforts throughout the year to bring as large a number as possible back to celebrate their twentieth anniversary of their graduation. Their officers

(Continued on Page 3)

#### ALMA COLLEGE 41st Annual Commencement PROGRAM

##### Thursday, June 7

8:00 P. M.—Student-Alumni Party, given by Student Council. Memorial Gymnasium.

##### Friday, June 8

6:00 A. M.—"A" Men Spread.  
9:30 A. M.—Farewell Chapel Service. Presentation of Letters in Oratory, Debate, and Athletics.

10:00 A. M.—Annual Meeting of the Board of Trustees.

8:00 P. M.—Greek Play "Iphigenia"—Memorial Gymnasium.

##### Saturday, June 9

Alumni Day  
(Class Meetings and Reunions arrangements to be announced).  
8:30 A. M.—Senior Class Breakfast at the home of President and Mrs. Crooks.

12:00 noon—Luncheon for the graduation class, alumni, old students, faculty, and trustees in the Grove.

1:30 P. M.—Alumni Business Meeting.

3:00 P. M.—Baseball Game. Alumni vs. Varsity—Davis Field  
7:45-8:15 P. M.—Open Air Concert—Alma College Band.

8:15 P. M.—Senior Promenade.

9:00-11:00—President's Reception at the home of President and Mrs. Crooks. All friends of the college invited.

##### Sunday, June 10

11:00 A. M.—Farewell Communion—First Presbyterian Church—Rev. Willis L. Gelston, Pastor.

7:30 P. M.—Baccalaureate Address. President Harry Means Crooks. First Presbyterian Church.

##### Monday, June 11

Commencement Day  
9:45 A. M.—Academic Procession from Wright Hall.

10:00 A. M.—Commencement Exercises—Memorial Gymnasium.

12:00 noon—Commencement Luncheon—Wright Hall. (Tickets 75¢ except for invited guests).

NOTE—All exercises on Eastern Standard Time.

### VARSITY AND FROSH THINCLADS TO CLASH

Interest in track this week is centered about the Varsity-Frosh meet Monday and Tuesday. The two teams are evenly matched and it would be useless to attempt to pick the winner. The Varsity is much stronger in the distance runs but this is evened up by the fact that the Frosh have a strong advantage in the hurdles.

The real purpose of the meet is to pick suitable candidates for the Varsity team who will journey to Mt. Pleasant this Saturday for a triangular meet with Central Normal and Adrian. The strength of these teams is unknown and no predictions will be made.

Fair weather has improved the condition of the track and several time trials were taken during the past week. New candidates have strengthened the Alma team and all indications point to a very successful season.

Coach Ewer and Captain McGregor have had a very good turnout so far for the cinder sport. They are looking mostly, now, for two runners to take the places of Walters and Gilbert on the relay team.

### BETA TAU HELD BIG PARTY SAT.

#### First Annual Co-ed Banquet Held Saturday At St. Louis

The Annual Spring Party of Beta Tau Epsilon was held at the Park Hotel in St. Louis Saturday night. Twenty-five couples in addition to the chaperons were present.

In the afternoon preceding the party Beta Tau had open house and the guests were shown the new abode of the society. It was the first time that the house had been open since its occupancy, and the guests were very well impressed by the residence of the society.

At six-thirty the group of society men, alumni, their guests, and the chaperones, Dean Mitchell, Dean Steward, Professor and Mrs. Hamilton, and Professor and Mrs. Kaufman, assembled in the dining room of the hotel for the banquet. This was of the usual excellence of the Park House. President Tihoma extended a welcome to the faculty and alumni. Between courses there was dancing, and the orchestra played during the meal.

After the banquet the tables were cleared from the floor, and to the music furnished by the popular Bruce Willis' Music Makers the gay whirl began. Though several claimed to be novices in the art of the dance, yet to the rythm and harmony they quickly became experts. After the first dance everyone had seen what everyone else's guest looked like, and all agreed that no lovelier group of girls had been seen in a great while.

The Grand March was led by Jack Thoma, Beta Tau president, and Miss Ling, and during this the favors were passed. These were vanity bags, and all the girls were greatly delighted with the gifts.

The program was so smoothly arranged that only one of the extra dances had to be omitted and each dance was of full length. The society appreciate the efforts of the party committee, and on the efficient way in which the party was held. Thomas Jackson, chairman, Winston Thomas on arrangements, and Lorimer Grant and Gilbert Scheib and Robert Jones, on favors, all deserve praise for their work.

The alumni present were Jack Apsey, '25, John Hilderly, '25, Henry Holand, '28, and Stuard Meach, ex-'30. The whole company agreed that the party was a great success, and in the gossip that has gone since, there can only be found increasing praise of the Beta Tau Epsilon Dinner Dance.

To shoot a projectile to the moon it would be necessary for it to have a velocity of seven miles a second. The average big gun can give a speed of only about one one-hundredth of that rate.

### WILL DELIVER MAIN ADDRESS

#### Frank Knox, Class of '98, To Address Graduates On June 11

Just thirty years since he graduated from this institution, Frank Knox, noted newspaper man, will return to deliver the Commencement address at Alma on the eleventh of June. He was a member of the Class of '98.

President Crooks announced late last week that Mr. Knox had wired his acceptance of the date, and had promised to be here. Mr. Crooks has been corresponding for some time with the distinguished graduate, and is very pleased to announce his coming.

Frank Knox, as his name is known on the campus, (his name, as given in "Who's Who," is William Franklin Knox), was a power during his four years on the Alma campus. He was an active participant in all collegiate affairs, both athletic and scholastic. He was a member of many of the teams of that time, playing football with more than usual ability. He was also a leader in classroom work, as his record shows.

Toard the close of his senior year, at the outbreak of the Spanish American War, he left college and joined the famous "Rough Riders," serving with that division during the fighting. At the close of the war he went into newspaper work, serving as reporter, city editor, and finally circulation manager on the Grand Rapids Herald. He left the Grand Rapids paper in 1901 and went to the Sault Ste. Marie paper as editor of that sheet. He remained in that capacity with great success until 1912, when he went to Manchester, New Hampshire, taking over the affairs of the Manchester Union and Leader.

At the entrance of the United States into the Great War he was assigned to the 78th Division. He saw service in France with this outfit, returning to his New Hampshire newspaper interests at the close of the war. Within the past year he has been made head of the William Randolph Hearst Newspaper Interests, with their immense holdings throughout the country.

Frank Knox has been very active in political affairs both in state and national circles. While at the Soo, he managed the campaign of Chase S. Osborne for Governor of Michigan, and was successful. His political interests and attachments in New Hampshire have been many. He was floor manager for General Leonard Wood at the Republican Convention of 1920.

It is with great pleasure and anticipation that the students, faculty and alumni of Frank Knox's Alma Mater look forward to hearing him at the Commencement exercises this June. As one of the most distinguished sons of Alma, his message will be most interesting to the graduates and assembled audience.

### K. I. DINNER DANCE WILL BE SATURDAY

The annual spring formal given by Kappa Iota Literary Society will be held thing Saturday, April 28, at the Park Hotel, St. Louis.

As last year the party will be in the form of a dinner-dance and all indications show that there will be as much gaiety and fun as at any previous party.

Committees for the affair report good news. Mary McCoy as head of the music committee, has succeeded in securing Bruce Willis' orchestra consisting of five pieces and there need be nothing said as to the excellence of the music. The favor committee with Lola Foster as chairman could contribute interesting news but we postpone displaying their secret until Saturday evening.

Several Alumni are expected back and it is believed that the attendance will be as large, if not larger, than ever before. All are looking forward to a grand, good old time party.

EDITORIAL

Spring

We had meant to write this editorial last week but it slipped our mind or something. In view of the turn the weather took and held all last week, we are glad that we did not write it.

Surely it is safe now to say that spring is coming. It cannot help but come pretty soon, or else there will be no summer. So we are going to assume that Spring is coming within the next week or two, and give a little sermon on the dangers and pitfalls liable to be encountered by the collegiate in this season.

There was a professor in Alma not long ago who used to warn the students every spring by reciting them a little poem, which told of the ferocious and altogether terrifying dangers of the innocent looking Springtime. His quotation told of the "pistils shooting," the "blades cutting," the "cowslips slipping away," etc. In a mildly symbolic sort of way that little poem was right about the dangers of Spring. There are many.

There is nothing like beautiful Spring weather. It is usually entirely too good to waste, so the students of colleges immediately waste it by doing very little of anything, and absolutely nothing of any value. A Spring night, with a moon and a myriad stars, was meant for one thing—to enjoy, and the crowd enjoys the perfect night all through the evening. School work suffers, books are in the discard when the wonderful Spring is upon us. Another of the dangers of moonlight and Spring applies only to the more romantically inclined. It has been known to occur that the moon and her colleague Spring shove a man into engagement. Without these two conspirators the two might never have been engaged, who knows? That is another grave danger, my children. There was a sage who said, "Never propose at nighttime, but always in the daytime. You are more likely to mean what you say."

But in regard to that neglect of books which is liable to happen when Spring comes, there are few of us indeed who can slide through on our records so far this semester. Most of us need the steady grind to keep us going in our subjects, the everyday work to keep our minds in trim. Even if it means giving up a few minutes of the Springtime, books should receive their daily attention and study. A few minutes a day now, means a lot less worry and effort when the finals come in June.

As warning against the latter danger—well, perhaps that is somewhat personal and shouldn't be dealt with here. But, a college engagement is one of the safest things on the market, they almost never carry through. It seems to be all right for college students to get engaged—as long as they don't mean anything by it.

STUDENT FORUM

A few days ago we listened to a most interesting talk by Dr. Randels. His reminiscent remarks not only entertained us but they were also in the nature of startling revelations. He and his fellow students not only "stole" a horse but they actually destroyed the poor animals' disposition and physical beauty. He told of the "art gallery" in the old gymnasium and hinted at numerous other pranks (not altogether righteous) which we all laughed at and looked upon as interesting jokes. A few days ago a quartette of unsophisticated Freshmen, no doubt inspired by the reminiscent remarks from the Chapel platform, or perhaps actually in need of nourishment after a lunch of pigs' feet, pickles and spinach, appropriated (or shall we say "stole") a few apples from the unguarded basement of Wright Hall. They are taking a brief vacation. Today it is stealing—a crime; a few years from now one of our professors (in need of material for a chapel talk) will tell the story of this escapade; and the Faculty, in all their dignity, will smile; and the students, with sympathetic appreciation, will laugh. But Frosh—your actions are not justified herein.

Don't forget the J-Hop, May 5, at Memorial Gymnasium. You won't want to miss the biggest party of the year. Get your dates and make your plans early.

**CAMPUSOLOGY**  
 Well, let's see, what is there to speak of this week? That's the trouble with this column, there are so many things that are good, and yet you can't tell them, because they wouldn't get by the editor. For the last month or so many good things happened but have been passed up because of feared censorship.

Mention should certainly be made of the two engagements on the campus. Seems to us that the boys might have picked on somebody nearer their own ages, instead of two innocent freshmen.

Mary Foster and Karl Brown and perhaps some others look at these happy couples and probably say to themselves, "Let them have their fun; it won't last long. I was that way myself, once."

The Zeta Sigma House was a deserted place last week-end. All of the boys were somewhere else. Many of them went to Detroit, and the rest of them spent the week end at Wright Hall.

The receipts at the baseball game Saturday afternoon were two dollars. When Clack first gave out the report he said \$2.25, but later he found out twenty-five cents of it was his own. Mrs. Clack had given it to him to bring home two loaves of bread.

The Almanian missed an item last week when they failed to run the announcement of the opening of Highland Park Pavilion at Bass Lake Friday night. It is said that the interested people found it out anyway, so the loss was not irreparable. Incidentally, it is claimed that the music is very good.

Edd Karpp is a real slicker. In all this mad social whirl of the campus, he has rated a bid to every big party of the year, where the feminine sex has done the inviting, and besides that, he rated one out of town. How DO you do it, Ed?

From some of the activities in Wright Hall lately, there should be some candidates for the job of editor of the Almanian. Who will be the lucky one?

Coming back to the engaged boys and girls—It seems that neither Drev nor Erle have passed out cigars to their-wishers. This is a direct breach of campus tradition of etiquette. We feel it our duty to warn the offenders that the engagements have small chance of being successful unless they are properly solemnized in cigar smoke.

Speaking of nothing in particular—Has anyone been disappointed so far in bids to the J-Hop?

**GRANT IS HONORED WITH A FELLOWSHIP**

Lorimer Grant of Fremont, a senior in Alma college, has been granted a fellowship at the University of Michigan for next year, being one of five Michigan college students thus honored. He expects to do graduate work in chemistry.

During his junior year Grant received the Brownell scholarship granted to the young man with the best scholastic standing during the first two years in college.

Donald Campbell of Gladstone, '27, and Miss Esther Oldt, '26, are other Alma students recently granted fellowships. Campbell was awarded a fellowship in History at Harvard and a year ago Miss Oldt had a fellowship at Michigan.

**TO THE ALUMNI**  
 This year's Friday and Monday Commencement comes as an experiment after very many suggestions of old students that they could better come back than on Tuesday and Wednesday.  
 We hope that the largest-ever return of old students and alumni will justify the innovation. We shall be glad to help to arrange reunions of various classes.  
 H. M. Crooks, President.

**COMMENCEMENT PROGRAM SET**  
 (Continued from Page 1)

have given out the report that they expect a real reunion with a large percentage of their numbers present. The class of 1913 is planning to gather for the three days in Alma this June. 1918 will probably be another class which will be well represented in the reunions this spring.

It is reported among the students that more of them than ever before plan to stay over to see the ceremonies and exercises. Altogether, the outlook this year looks more favorable for a bigger and happier Commencement than has been had at Alma for many years.

**STUDENTS:** Ambitious to earn money for next year's college expenses. We have probably put more men through school than any other sales organization. Our is a necessity, not high pleasure. Some very choice territories available for this summer. Training will be given free before starting. This class will start the first of May at College. Write at once for appointment. Mr. E. A. Monday to Friday—Six Big Days  
April 29 to May 4th

**CHARLIE CHAPLIN IN  
"THE CIRCUS"**

Absolutely the funniest picture that  
Charlie ever made—Don't miss it.

**ALMA DEFEATED BY  
HILLSDALE 12-6**  
(Continued from Page 1)

Seitz. Valentine struck out. Results—4 runs, 3 hits, 1 error.  
LeBlanc rolled to the box for an easy out. Tiderington walked but was forced out at second by Hawthorne's roller to Nast. Holdship grounded to Patronetti for the third out. Results—no runs, no hits, no errors.

**Sixth Inning**  
Alma again showed signs of a ball team and retired the side in order. Nast struck out and Cowan and Hall grounded out to Boutin and Albaugh. Results—no runs, no hits, no errors.

Westfall fled out to Seitz. Boutin a Texas Leaguer over second and scored on Leiphan's triple. Leiphan scored and Wagner was safe at first on Valentine's error. Albaugh and LeBlanc got passes, filling the bases but were doomed when Tiderington and Hawthorne struck out. Results—2 runs, 2 hits, 1 error.

**Seventh Inning**  
Although took Patronetti and Tripp on strikes but had difficulty finding the plate and walked Wyler and Seitz. There was little danger however as VanderMolen grounded out. Results—no runs, no hits, no errors.

Alma attempted a late rally which fell short of the mark. Holdship was hit by a pitched ball. Westfall walked. Boutin singled scoring Holdship. Leiphan grounded to Valentine. Pezet batted for Wagner and was out on strikes Albaugh singled scoring Westfall. LeBlanc recorded his third hit of the day—a single which sent Boutin home. Tiderington hit a long fly to Cowan for the third out and the end of the game.

**BOX SCORE**

**SENIORS SELECT  
STYLES FOR JUNE**

The seniors have ordered their caps and gowns. They were measured and fitted in the ceremonial garments by a representative from the firm from whom the class will rent their apparel on Tuesday. At that time they received their first intimation as to how the poor professors feel in an academic procession.

The formal garments have changed very little in style since last season. In fact, it is doubtful whether or not any difference can be seen in them. The fabric will be a plain black serge. (It is said that in the East they are showing herringbones and fancy weaves, but mid-western schools still cling to the more severe style trends). Also following the trends of former years, the garment will hang loosely from the shoulders to a point within six or eight inches of the floor. The back is of the full, box or corate, variety, allowing free and unhampered movements on the putting green or on the court. Sleeves will be long and flowing, without buttons and braid on the cuff. The feature of these sleeves is their warmth and general utility in the secretion of objects of various sizes. The shoulders of the garments, as shown last week, will be reinforced to some extent, and formfitted, with regular puckerings around the bottom of the reinforcement. The popular "crew neck" is shown on all models. The gowns for women are made so that they may be worn either with or without lace collars.

The caps selected are of the standard type which has been found satisfactory for the last few hundreds of years. It will have a plain black tassel depending from the middle of its brim, which sits jauntily on top of the crown. All possible precautions were taken by the official measurer to make allowances for possible swellings and deflations which may affect the individual heads and thereby the fit of the caps.

The Seniors declare themselves well satisfied with the garments and have promised to wear them often, just as soon as they arrive.
