HILLSDALE HERE NEXT SATURDAY

Crippled Scots Face Last Year's Champions in M. I. A. A. Opener.

Saturday is Parent's Day at Alma College and brings with it as the feature, a football game between the Scots and Hillsdale's Collegians. This game is all important, because Hillsdale is the only team to have won a victory and the only team to be untied. Last week, the 'Dales defeated Kazoo, another strong contender, 20 to 0.

Injuries will handicap the Scots somewhat Saturday, but if Borton will be in shape to play a few minutes, the team ought to have more spirit than at Ypsi. Brodebeck, Drury and Kahn have rib injuries, but these should be healed by Saturday.

Hillsdale, the defending champs, have a veteran team. Jesse Clark, Beckwith, Isbell, Van Voorhies, Pellegrin, Mobily, and Dunlap are all letter winners and are playing regularly. The four last named form the backfield. Pellegrin was selected end on the second MIAA team, but is playing in the backfield this year.

Coach Campbell has not announced his line-up, but changes are expected due to injuries and general revamping.

CHRISTIAN ENDEAVOR PLANS ACTIVE YEAR

After the regular Sunday night meeting of the College Christian Endeavor Society, a short business meeting was held in which the secretary, Benjamin Leyrer, outlined the plans for the year's work, and announced the committee chairmen who will be the leaders in this program.

Catherine McQuaig is to head the social committee, which will have more parties and get-togethers than in previous years. A weiner roast is to be held very soon.

Katherine Campbell is chairman of the special program committee, and will have charge of a number of chapel services. Last year the C. E. conducted a very interesting chapel service, and it is hoped that there will be several this year.

Margaret Randels and Constance Clack, two freshmen with lots of experience in C. E. work, will be co-chairmen of the missionary committee, whose job is to provide missionary meetings from time to time. These supplement the regular devotional and discussion meetings and give the members an insight into all branches of work in the mission field.

The dramatic committee, with John Hurst as chairman, will begin work soon on a play to be given before Thanksgiving. The dramatic productions of the society in the past have been very well received in Alma and in the nearby towns where they have been presented. The purpose of giving the plays is to raise money for the missionary quota assigned to the society.

Bud Campbell and Frances Stephens will have charge of the Lookout committees, which are entrusted with the job of getting new members out to the meetings.

The most important committee of all, the prayer meeting committee, is in charge of Gordon Clack, who spent a great deal of time last summer preparing programs and discussions for the Sunday night meetings. The meetings so far have been very interesting, and will undoubtedly continue to be good.

Mr. Leyrer, besides acting as secretary, is chairman of the music committee, and provides special music for each service.

NOTICE

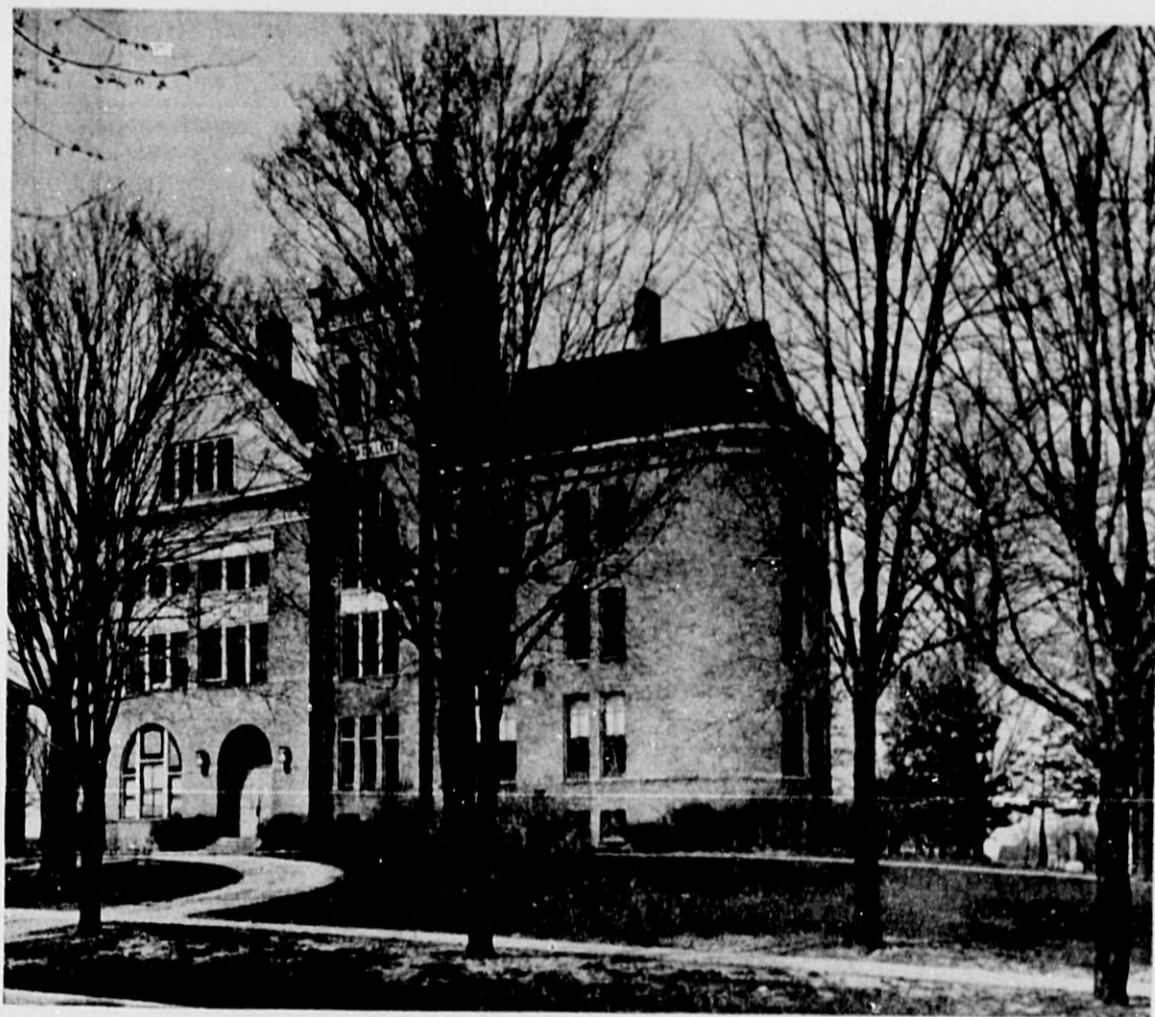

Mr. F. R. Phillips, superintendent of schools, has informed Student Marshal Leadbetter, that no student who is doing practice teaching this semester may appear in pajamas Thursday night. They may participate in the parade, but must be in street clothes.

ALUMNI NEWS

Merril Hendershott, '29, who recently passed the State Bar examination, has opened a law office in Alma.

... Welcome Parents ...

A WORD TO PARENTS OF ALMA COLLEGE STUDENTS

Saturday, October 22, is Parent's Day at Alma College. We welcome you to our campus, to renew, extend and make new acquaintances with Students and Faculty at this time.

Luncheon will be served at Wright Hall at 12:15 P. M. As a compliment to the parents the college will furnish luncheon at fifty cents a plate to the parents and members of families of Alma College students. Luncheon will be followed by a brief, informal reception of Parents, Students and Faculty in Wright Hall.

Of course you will want to see the Alma-Hillsdale football game, starting at 2:00 P. M. Hillsdale is the talk of the conference this year, which should insure an excellent game. The students and visiting parents are invited to Wright Hall for coffee and doughnuts immediately after the game.

The Frosh Frolic, an all-college party to which you are welcome, is scheduled for 8:00 P. M. in the college gymnasium.

We would be very happy to have you visit us on October 22nd. In fact we urge you to come.

Very sincerely yours,
The Students and Faculty
of Alma College.

A Word from the President:

Many parents find great satisfaction in this Parent's Day plan. They learn to know faculty members of whom their children speak in letters and in vacation. They meet the friends of their sons and daughters.

The college will take great pleasure in welcoming you.

And when you come, please make certain that the officers of the college and the faculty members have the pleasure of talking with you; do not, please, yield to the temptation of spending all the time with your own young people.

H. M. Crooks, President.
October 13, 1932.

M. I. A. A. BOARD MET AT ALBION

Olivet Forced to Explain Its Withdrawal from Football.

A special meeting of the Athletic Board of the M. I. A. A. was called in Albion last Wednesday night to gain an understanding on the situation caused by the withdrawal of Olivet from football this fall. Several schools have been considerably inconvenienced by the action taken by Olivet and the whole affair, as far as the other colleges were concerned, was somewhat clouded with rumor and misunderstanding. The situation was explained by the representatives from Olivet, Dr. Forrester and Fortunato Sullo.

Because of the failure of the bank in Olivet early in August, a large amount of the college's money was tied up and its credit was severely crippled. Consequently, the college was placed on a strictly cash basis and a majority of the students could not return. When the first call for football was issued, nine candidates appeared. The college authorities worked as long as they could to build a football team but they were unsuccessful and at the last moment were forced to cancel their whole schedule.

The representatives explained that a program of intramural sports has been planned to take the place of football this fall. The college hopes to be able to resume football relations with the other schools next year but nothing definite can be said at this time because of the size of the present enrollment and particularly because of the small size of the freshman class.

When questioned on prospects for a basketball team this year, Dr. Forrester said that most of last year's championship team had returned and that they would carry a full schedule this winter.

Born to Mr. Floyd H. Krueger, '20, and Mrs. Krueger (Fay Sufferin, Kg, '20) a son, Donald Stewart, on October 7, in Chicago.

FROSH FROLIC WILL CLIMAX PARENTS' DAY

The annual Frosh Frolic is to be presented by the "Royal Class of '36" next Saturday night, October 22, at 8:00 P. M. in the Memorial Gymnasium. The affair, as usual, is to be semi-formal.

The Pebble Beach Orchestra, from Saginaw, has been secured, and will furnish music until 11:45 P. M. This band has played on the campus before and is well known for its splendid music.

Numerous committees have been carefully selected and are working, under the direction of the general chairman, Cyril Lewis, hard at their respective tasks. Work was begun yesterday at decorating the gymnasium. Decorations will be carried out in tints and shades of the royal color, purple.

Due to the general condition it has been decided that the price per couple should have a reduction from that of previous years. The tickets are being sold at 75c. They may be secured from any Freshman. Every member of the class who does not sell his ticket will be required to buy one.

The class as a whole are doing everything within their power to make this Freshman Frolic the biggest and best success of many years. "It will be," says Chairman Lewis.

A CAPPELLA CHOIR ELECTS OFFICERS

At the first meeting of the A Cappella choir on Tuesday night after a short discussion by Prof. Ewer in regard to the prospects of the choir and the fact that it will be a voluntary organization again this year, a business meeting was held. The reason for the meeting was the organizing for the first time of the choir. Alice Biondi was elected president of the organization, with John Menoch as secretary, Bill Boyd as librarian, and Harold Matteson as manager. All of these officers have Glee club experience previous to the organizing of the choir and should therefore be well equipped to fill the various offices.

Carl Baney, '32, is an active worker in the Gratiot County Roosevelt-Garner Club. He spoke at the weekly meeting of the organization held in the City Hall here last week.

EINSTEIN HEADS MATH COLLEGE

New Institution Provides the Best Opportunities for Study.

An article clipped from the New York Times and posted on the bulletin board dealing with the new Institute for Advanced Study being organized at Princeton, has attracted a great deal of attention the past few days.

In the article it is announced that Albert Einstein, the discoverer of the theory of relativity, is to be head of the school of mathematics in this new graduate college. Prof. Oswald Veblen, of the Princeton Graduate mathematics department, will be his first assistant. The school of mathematics will have its temporary quarters in the Fine Hall of Mathematics at Princeton. As new schools are founded, new buildings will be erected in and around Princeton.

The college, made possible by a gift of \$5,000,000 from Louis Baumberger and Mrs. Felix Fuld, former owners of a large New York department store, is to be for the benefit of the finest scholars in the land, who may wish to pursue their studies under the greatest leaders in the world in whatever their favorite field may be. The new departments will be added as soon as men as prominent in other fields of learning as Prof. Einstein and Prof. Veblen are in mathematics, may be procured. No professor will work with more than ten students, and every effort will be made to give the students the greatest possible advantages for study.

WHAT'S GOING ON THIS WEEK

Pajama Parade Thursday night. Meet in gym at 6:45.
M. E. A. district meeting at Saginaw Thursday and Friday. All student teachers and candidates for teaching certificates should attend. Cuts will be excused for those attending.
Pep meeting Friday night, 7:00. Hillsdale vs. Alma, Saturday, 2:00, Bahkke Field.
Frosh Frolic, Saturday, 8:00, Memorial Gymnasium.

PAJAMA PARADE THURSDAY NIGHT

Strand to Turn Over Stage to Students for 45 Minutes.

The annual Pajama Parade, when the business men of the city play mime host for the men of the college, will be held Thursday evening. Through the cooperation of the business men an unusually fine program has been arranged by the Student Council. The parade will be in charge of Student Marshal Charles Leadbetter.

At 6:45 the men will gather in the gym for warming-up exercises. All will be clad in pajamas except the few freshmen who are delegated to wear night-shirts. The freshmen may not wear anything underneath, but all others may have added protection from the cold October night. After the freshmen are prepared for their wanderings, a group picture will be taken, and at 7:15 the men will leave, snake-dancing single file, for the business district.

After making the rounds of the stores and receiving a treat from each, the entire student body will assemble at the Strand for a 45-minute program. 150 seats will be saved in the front of the theater for the men, from which the upper-classmen can direct the activities on the stage of the freshmen, and the girls will receive free seats in the balcony.

Following the program in the Strand, the peanut and wheelchair races and the pot rush will be held in the street. Then back to the hall to serenade the girls by the light of burning cat-tails.

In order to have the theater program run off faster and to make it more enjoyable, the assignments will be given to the freshmen on Wednesday night, so they will have all day Thursday to prepare them.

The bandstand will not be used this year, so no one will have to pray for rain.

BOOSTERS TO GREET VISITING PARENTS

The Alma College Boosters Club will have an active part in the parent's Day program. A committee of several members of the executive board has been appointed to greet the parents as they arrive at Wright Hall, and to show them around the campus. Another committee will have charge of decorating the field for the game in the afternoon.

The chief job of the club is to work up some spirit for the game. Hillsdale comes here with a team that is just about as powerful as the one they had last year, while we are considerably weaker. It is only Alma's wonderful fighting spirit that has brought us our last three victories over supposedly superior Hillsdale teams, and we can take them again if we fight hard enough. Hillsdale's 20-0 victory over Kalamazoo stamps them as the leading contender for the M. I. A. A. title, so let's show them that we're not out of the running.

There will be a big pep meeting Friday night at seven o'clock, which everyone—students, faculty, and townspeople should attend. Saturday afternoon, before the game, the band will march downtown, and then will be ready to lead the cheering at the game. Although Smitty's duties as manager keep him pretty busy, he will still be able to handle most of the cheer-leading, with assistance from Uch and Rosenberg, the two freshmen who did so well in the game here last week.

Let's all be boosters!

DRAMA CLUB

At the regular meeting of the Alma College Drama Club, last Wednesday evening, the following candidates were formally voted on and accepted into the Club: Spray Denke, Dorothy Hannigan, Claire Wilson, Eleanor Curtiss, John Bergs, Glenn Hunter, Hugh Breneman, Hanley Rosenberg, and Arthur Boynton.

The play, "The Cleanup" by Barry Connors, selected by the program committee for the Homecoming show, was approved by the club. Tryouts for the parts will be held shortly, and work will start immediately on the production under the directorship of William Johnson. Howard Hirschberg will be the business manager for the production. The balance of the personnel as well as the cast will be announced in the near future.

WE ENTER POLITICS

This week the Almanian is conducting a straw vote on the presidential campaign, and next week three students are to write articles supporting Hoover, Roosevelt and Thomas, each student telling why he is going to vote for his chosen candidate.

Dear Ed.:

In the first place, I resent that crack in the Almanian last week where you called me Jake. My name ain't Jake and what's more, I don't like to be called Jake.

You know Ed, I would like to meet this Sallie the Soph. You see, she seems to know a lot about Wright Hall and particularly the freshman girls.

Well Al I'll be here you next week on accounts of some more swell guys around here what aint got their credit.

In reviewing hymns we found that Aileen believes in "Brighten the Corner Where You Are," and that Mr. Littlejohn first remembers, "I Want to Be a Little Beam of Sunshine."

Last Wednesday Marion Day received a long letter from "Louie" in Detroit. We wonder how soon we'll be seeing him.

Fire Drill News—Miss Foley had to be awakened by a special messenger, because the bell didn't ring long enough.

The Philos cut loose Wednesday night and held a party, just for themselves, up in their room—Radio and everything.

MINUTE INTERVIEWS

Dean Mitchell: The Republican Party is the backbone of the nation.

Mrs. MacGregor: Think of it . . . perfect pie crust in four minutes!

Prof. Hamilton: It pays to be homely; I was once an ugly duckling.

Dr. Randels: Some day I'm going back to the farm.

Miss Banta: I'm all for a liberal education; the country's in a mael of a hess!

Dr. Kaufman: It rains it may pour and then again it may not.

Prof. Etherton: Ignorance is no excuse for sleeping.

Prof. Weimer: Pink toothbrush can happen to anybody.

Miss Foley: Voulez-vous me preter mille francs?

Prof. Ditto: All living things eventually die.

Dean Steward: My dear, by all means try yeast.

Prof. Ewer: Can't anyone sing tenor?

Miss Ward: Efficiency is the first rule of perfection.

Dr. MacCurdy: Hay fever is a serious malady.

Prof. Spencer: All that I am or ever hope to be, I owe to my freshman rhetoric.

Prof. Clack: I've always wanted to play a harp.

Dr. Brokenshire: I simply detest those horrid bath tub rings!

Chet Robinson: If people would work hard and save all their money, they would get rich after a while.

Miss Roberts: Chapel services ought never to run overtime.

Coach Campbell: I have seen some good teams in action . . . Jack Gilbert and Greta Garbo, Ronald Coleman and Vilma Banky, Charles Farrell and Janet Gaynor . . .

Prexy: It's truly remarkable how intelligent some people's pets are . . . now take our dog, Peter, for instance . . .

Prof. Tyler: The ancient landmarks of the fathers are not the instruments of the dead hand; they are a reminder of the necessity and the beauty of patterned life.

And then the bell rang.

MUSEUM WILL BE OPEN SATURDAY

A number of new students have inquired recently, "When is the Museum open?" Because it is necessary to have some on duty at all times when it is open, and because in the past the students as a whole have shown little interest in it, we have seen very little of the inside of the building in recent years.

HEAVY YPSI TEAM BEATS ALMA 27-0

FRESHMEN BEAT HOPE YEARLINGS

Fuller Scores Three Times as Alma Backs Gain at Will.

The Alma College Frosh football team defeated Hope College Frosh, 27-0, Friday afternoon on Bahke Field, in a rather one-sided game. Several fumbles made when our freshmen were in scoring position were all that kept the score down.

Hope's only scoring threat came early in the first quarter but the Alma line tightened and held the Dutchmen for downs on the five yard line. Riley Block then punted and the goal line was not in danger again.

Alma scored early in the second quarter after a series of plunges and sweeping end runs, Fuller going the last two yards on a dive over center. The try for a point

ality on Hope put the ball back on Hope's five yard line. A safety was scored when Alma's linemen broke through and blocked Hope's kick. Alma led at the half with score of 8-0.

Alma opened the second half with a cleverly launched aerial attack combined with deceptive running plays. Fuller and Helmer made gain after gain through the line while Block was twisting and pivoting for extra yards on end runs. Three touchdowns in the second half and one successful try for point brought the final score to 27-0.

A week of hard practice showed a considerably improved Alma team in regard to blocking and tackling, but it still showed the tendency to lose possession of the ball at crucial moments. Time after time the team was in a position to score but nervousness or over-anxiety caused them to fumble and lose the ball.

Riley Block was easily the most outstanding player on the field. His passing, punting and remarkable open held running made him a constant menace to the opposing backs and kept the ball constantly in Hope territory. Helmer gained almost as much ground on spinners and reverses, and made a couple of beautiful catches of Block's passes.

Masseink, Hope's aggressive center, played an excellent game and provided some real opposition for Jake Rute, the star of the Flint game. Jake broke through once, however, and blocked a kick behind Hope's goal.

One of Hope's biggest liabilities lay in her numerous penalties which totaled nearly a hundred yards.

The new rule pertaining to substitutions allowed Coach Campbell to keep a comparatively fresh team on the field at all times; with one or two exceptions the entire Freshman team saw service.

The lineups:

ALMA FROSH	HOPE FROSH
W. Block LE C. Tysee	Washburn LG Wearandz
Gray LG G. Good	Kule C Masseink
Wilhelm RG DeWeird	Vitek RT J. Good
Glance RE K. Tysee	L. Block QB Prins
Croton LB Mahon	Helmer RB Doumer
Fuller FB Cook	
Alma 0 8 13 6-27	Hope 0 0 0 0-0

Touchdowns—Fuller 3, Croton. Point after touchdown—L. Block. Alma substitutions—Grube, Darbee, Otis, Dean, House, Peterson, York, Fairchild, Henderson, Smith, Waterman, Roberts.

IMPROVED SCOTS PUT UP BATTLE

Alma's Lightweights Snowed Under by Heavier Hurons.

Scoring one touchdown in each quarter, the Michigan State Normal team defeated the Scots at Ypsi last Saturday, 27 to 0. As Coach Campbell stated it, the Scots were not offensively-minded and not sufficiently strong to stop the Huron attack from the double-wingback formation.

Coach Elton J. Ryncerson of Ypsi, used his regulars only in the first and last quarters. His second and part of the third, played the remainder. However, the Alma mentor used numerous substitutions, as some of his men were hurt throughout the fray.

Ashley kicked off to Alma and then ran down and tackled Catherman who returned the kick to his own 22 yd. line. Kahn hit the line for no gain so after Jacobson was stopped, Kahn booted the ball to midfield. Batterson, fleet wingback, knifed through for a first down and 12 yards on the second play. Thorpe made 4 on the other side and again for 4 more. Captain Simmons made it first down with a plunge thru center. Batterson missed Arnold's pass, but Thorpe carried the ball to the ten yd. line through left tackle. Batterson went on to the 5 yd. line and hit right tackle for the first touchdown. Arnold's kick was good for the extra point. Score—Ypsi 7, Alma 0.

Ashley again kicked off to Catherman who carried the ball back 17 yds. Jacobson brought some hope to the few Alma rooters with a brilliant run for 16 yards at left guard. Leahy was stopped for no gain on a quick opening p.y. Kahn added two more yards, but Simmons intercepted Jacobson's pass on the Huron's 34. Thorpe made three first downs, two on runs and the third on a pass from Simmons, but Alma took the ball away on her own 16 yard line. Drury replaced Kahn who was injured and on the first play hit right guard on a fake for 18 yards. Jacobson added 7 1/2 more and after Drury plunged through left guard for a yard and a half, Jacobson made it first down again as the quarter ended.

Jacobson and Leahy each carried the ball for two yards and then the former passed to Catherman for 6 1/2 yards for a first down. The Alma backs lost 6 yards in three plays, so Wilkas kicked the ball to the Ypsi 15, where Clack downed the ball. Arnold in two attempts made a first down, then a lateral to him went for 12 more yards. Clack threw Carson for an eight yard loss. Arnold's pass to Simmons was knocked down, so Arnold punted to Catherman on the Alma 5 yard line. The ball was kicked high and the rebound was almost perpendicular. Catherman snatched the ball away from two ends and eluded at least a half a dozen would be tacklers by excellent side-stepping out to the 20.

Three plays made only five yards, so Drury punted to the Ypsi 35. Batterson returned the ball to midfield. Carson behind interference gained 18 yards. Muscott replaced Jacobson who was hurt on that play. Carson and Simmons together made a first down. Carson and Batterson carried the ball to the 16 yard line, but Simmons tore through the Alma line to the 1 yd. line. Brodebeck replaced Rehkopf. Simmons went over on the next play. Arnold's kick was no good. A whole new team came in for Ypsi. Score—Ypsi 13, Alma 0.

Dawson kicked off to Ypsi and Miller returned the ball to the 38. Carson punched the line for 2 yards and then punted out of bounds on the Alma 15. Drury made 2 yards at center and Catherman added 6 more at right end. Drury made it first down through left guard. Catherman and Drury were stopped in the line, so Drury had to pass to Leahy up the center for 16 yards. Another pass to Leahy was grounded. Clack went around left end, but slipped with only a yard gained, at the half.

Baumblatt replaced Leahy. Dawson kicked off and Wilson returned to his 32. Here the first penalty of the game was inflicted

FOOTBALL NOTES

The score, 27 to 0, indicates that Alma was beaten quite badly, but Ypsi made only 14 first downs to Alma's 9. However, long runs seemed to turn the trick for Ypsi.

Injuries again may endanger Alma's chances for the MIAA pennant. Borton being on the shelf so long, Drury with a couple of bum ribs, Brodebeck with a bum back and ribs, Brodebeck with a bum side, and Jacobson's bad legs and fingers are a few of the others who have received casualties.

At the start of the last game, three or four Alma linemen sifted thru Ypsi's forward wall and blocked a punt. As they were in there so fast it was difficult to find out who blocked the punt. However, Estes came back to the huddle, holding his stomach, so your writer gives him credit for the block. Dawson recovered the ball, but was downed on the 14 yard line. Estes was popped in the teeth and the contact knocked chunks off the top. Tough luck herb.

The following were seen at the game: Dave Golden '30, Algot Erickson ex '24, Norene Helberg, Bea Bremer, and Helen Temple '32, Nell Verduin ex '33, Mr. and Mrs. Leadbetter, Naomi Mann ex '33, Chuck Goodenow '29, Micky MacKenzie, Art Crawford and Clark Jamieson, '32, and Kent MacGregor, '28.

Carl "Pete" Drury just escaped from having a "shiner," but a monument similar to the one at Kitty Hawk was raised on his cheek bone. "Sunshine" won't be able to bum out to the White Star station as he sprained his thumb. Will those who are fortunate enough to drive cars please take pity on poor Jake?

Outside of the Franklin Club, the Order of the Mask is the most exclusive fraternity on the Campus. Norman Albert Borton is the past grand master, but he is due to appear soon. Don Davis is the present high mogul. Pledges are Wild Man Smith, and Kentucky Darbee. No, gentle readers, Frankenstein Rehkopf is not a member of this organization. Herb Estes got through the initiation by the skin of his teeth and thereby is eligible to be put on.

Track Coach Lloyd Old's dog was loose several times during the game. Twice the game had to be stopped in order for the trainer to catch the dog. But at the half the pooch had his day. The canine caused guffaws from the crowd when he leaped for the bass drummer's stick while the band was playing the Huron Alma Matr.

How these metropolitan papers do mess up those names! According to the Free Press, Roderback was one of the Alma Subs, and in the Times, F. Clark played right end for Alma.

Hasty Leahy broke into the starting line-up and gave a good account of himself.

Frosh Notes
Coach Campbell has done a good job in converting Mel Fuller from an A No. 1 tackle into a first class fullback. Fuller cracked that Hope line several times for substantial gain and three touchdowns. Part was also due to the excellent work done by the forward wall.

Riley Block made two beautiful runs for 59 and 50 yards respectively partly due to the good blocking of his brother, O. Wilson, and Hal Helmer.

No wonder Hal went good, his father, Harry Helmer, '03, was sitting on the bench throughout the game. Mr. Helmer, Sr., was one of Alma's best athletes and later returned as coach of the championship team of 1907.

Jo-Jo Vitek and Larson Washburn stopped everything that came their way on defense and hit hard on offense. Smo' Herberson who never played high school football looked very good at these 15 yards.

Who is she, Gracie? You seemed to be looking over at the stands after every play. It doesn't seem to us that you'd give Coach a smile like that.

BAND IS ORGANIZED; NEEDS MORE MEMBERS
The College Band has now got well under way and is practicing

now for the home games on Alma's schedule. With a turn out of twenty-five members Prof. Ewer feels that we can be assured of good peppy music for the "Peppiest school in the M. I. A. A." Some of the old members are back with the band but there seems to be good material on the campus that can uncover itself without the aid of high pressure methods. It seems that we are still to have that unique artist Holly Fales with us in the trombone section, and some other "diehards," but the man with the clarinet we will miss. That is the man who had the screwdriver and took the handles off the Add building door on the unforgettable birthday that George Washington had some time ago. However, the following are the tentative members of the band:

Trumpets — Bill Boyd, Walter Moon, John Boyd, Harland Slates.
Clarinets — Pete Boutin, Johnson, Dave Glass, Harold Moore, Elden Aitken.
Saxophones — Robert Campbell, Leonard Graham, Cyril Lewis, Harold Henderson, Jerry Brodebeck, Lawrence Smith, Warren McVittie.
Piccolo—John Boutin.
Bass—Carl Baney.
Drums — Lavon Winterberg, snare drum; Benjamin Leyrer, bass drum.

CENTRAL STATE GAME SET FOR NOV. 18

The Athletic Board of Control of Alma College announced last week, that Alma College will play Central State of Mt. Pleasant here Friday, Nov. 18. A two year contract was signed and a return game will be played at Mt. Pleasant next year if everything goes through as planned.

This game will take the place of the Olivet game which was previously cancelled. As Olivet will undoubtedly have a football team next year, this date will not necessarily carry over for the Central game.

ANN ARBOR STUDENTS HAVE COOPERATIVE RESTAURANT

Ann Arbor, Mich., Oct 17—(MINS)—To cut the high cost of going to college, University of Michigan students have now organized a cooperative restaurant in old Lane Hall Tavern on the Ann Arbor Campus, supplementing a cooperative second-hand bookstore, now in its third successful year, and two rooming and boarding houses which were started this fall.

The restaurant opened last Friday with 85 signed members, to whom it will serve 20 meals a week for \$2.50. With a menu prepared by dieticians of the University hospital, the meals will out-value any on the campus, the cooperative's sponsors say. It has a capacity of 200.

The houses and restaurants are managed by the students, each participant being a voting member, and virtually all work is done by student help.

**IMPROVED SCOTS PUT UP
GOOD BATTLE WITH HURONS**

(Continued from page 3)
against Ypsi, 15 yards for holding. R. B. Arnold kicked out of bounds on the Alma 46. Drury returned the ball with another punt a few plays later to the Ypsi 30. After Jacobson was stopped, Baumblatt attempted a lateral to Dawson, but the latter was ahead of the ball so it was brought back. Dawson missed Jacobson's pass, so Alma was again penalized 5 yards. After another incompleted pass, Ypsi was given the ball on her own 40. Dirkse and Carson carried the ball for a first down in three plays. Dirkse then took the ball through his own left tackle and around to the side-lines for a touchdown. Arnold's pass to Dirkse was successful for the extra point. Score—Ypsi 20, Alma 0.

Bussard came in for Hinshaw, and two Ypsi backs were replaced. Arnold kicked off to Drury who came back to the 36. Alma was offside on the first play and was penalized. Jacobson again carried the ball for 9 yards at left end. Drury carried the ball outside for no gain. After a short gain, Drury punted outside on the Huron 37.

Max gained 4 at left end and Dirkse 2, but then Bussard intercepted Arnold's pass on Ypsi's 47 and ran 11 yards before he was tackled. Dawson dropped Jacobson's pass, but two more plays failed so Drury was forced to kick the Ypsi 13. Alma got the ball on her own 39 after another punt. One first down was given by three line plays and a penalty, but Catherman made ten more around right end to Ypsi's 37. Leahy made two and then Jacobson threw a pass to Drury for 15 yards. Benedict intercepted Catherman's pass.

Three plays lacked only 2 yards so Arnold was forced to punt, but Estes blocked the ball, and Dawson picking it up. Thinking he could not run with it, a touchdown was missed, for 4 plays gained only 2 yards. Ypsi scored the final touchdown on three straight first downs. Arnold kicked goal.

The first downs were 14 to 9 for the Hurons.

The line-up:

**K. I. PIRATE PARTY
IS EXCITING CRUISE**

A whistle—and all the new girls, Philomeathean and Alpha Theta officers were off on the Pirates ship of Kappa Iota Literary Society in Wright Hall Saturday night. This party is an annual event of the sorority during open rushing. The ship was entered by the gangplank which extended to the front door. Flags, kegs (empty) chests of jewels, candles, skulls and cross-bones, and pirate dogs, bears and dolls completed the decorations. Of course the K. I. banner was directly over the entrance.

From the first note of music the bold pirates danced in glee to the peppy tunes of Paul Bennett's band, which continued until 11:45 o'clock.

Programs were black ships decorated with gold. Exclamations of surprise came when the red pirate hats were distributed early in the evening—then came the bean bags. Lunch! The musicians ceased long enough to have a skit presented by Pirates Painter, Soper, Campbell and Elliott. "Pigs in blankets, cider, doughnuts, and apples helped to keep the Pirates from starvation during the trip.

Then the ship started once again and everything was well. Someone opened the old trunk in the corner and there were rubber daggers in purple sheaths—and just enough to go around so everyone had a souvenir.

At 11:45 the ship dropped anchor at the foot of the stairs. The Kappa Iota song was sung and yells ended the successful trip.

Although Pirates don't usually have escorts, Mrs. Ewer, Mrs. Soper, Mrs. Campbell, Mrs. McCuaig and Mrs. Wickman chaperoned the party.

**D'ANGELO DISPLAYS
STAMP COLLECTION**

Vincent D'Angelo, stamp collector par excellence, has a display this week in the window of the Varsity Shop of American stamps, featuring Washington bicentennial numbers. He is having the display mainly in order to offer to the young collectors of Alma a chance to learn something about the more valuable stamps, and to purchase some at a low price. If any college students are interested in philately, it would pay them to look over the collection, and even if they are not, it is interesting to say the least.
