ALMA GIVES NORMALITES A HARD BATTLE TO WIN

M. I. A. A. BOARD MEETS AT ALBION

Rathsburg of Alma made President of Governing Body.

On Friday morning, October 6th, Professor Ditto, Faculty representative, and Burrows Rathsburg, Student representative, left for Albion where the Board of Directors of the M. I. A. A. was to hold its annual fall meeting.

The meeting was called to order by Professor Ewbank of Albion College due to the absence of the President and Vice-president. Accordingly the officers for the coming year were chosen and installed. They were as follows: Burrows Rathsburg of Alma College, president; Carl Moody of Hillsdale College, first vice president; Harold Brown of Kalamazoo, second vice president; Professor W. D. Bowen, of M. S. N. C., treasurer; Professor Henry L. Ewbank of Albion College, secretary. Other members of the board who were present were: Geo. Mumford of Albion College; Howard Kern of M. S. N. C.; Professor Victor J. Searle and L. J. Herrick of Olivet College; Professor J. H. Bacon of Kalamazoo College; Professors C. S. Herron and Geo. Speith of Hillsdale College.

The thirty-fifth annual M. I. A. A. field and track meet was decided to be held at Albion along with the base ball and tennis championships, on the Alumni field. A committee was appointed to have charge of the arrangements for the meet which was composed of: Athletic Director John F. Miller of Albion College, Professor H. L. Ewbank of Albion College, Professor C. L. Herron of Hillsdale College, and Professor R. E. Olds, of M. S. N. C.

Professor C. L. Herron and Professor R. E. Olds were authorized as a committee to change the design of the Field day medals which are to be forthcoming in the next Annual Field Meet.

The directors also voted to re-elect Professor C. L. Herron as the Chief Arbitrator of the Association for the coming year. He is to advise on all matters that the various directors may submit to him.

One of the most important items of business that was transacted at the meeting was the changing of the rules which govern the track and field events. It was decided to adopt the National Collegiate Rules in the place of the A. A. U. rules.

There was a lengthy discussion on Rule 14 of Division II. This rule has to do with the participation of athletes on other teams than their College teams. Some of the directors thought that the athletes should be allowed to play on alumni teams but due to the great discord it was decided that they are not allowed to play on any team which is not connected with their respective colleges.

Other matters of importance that were discussed but which were left over to the spring meeting dealt with the advisability of changing the eligibility from the two previous semesters to one previous semester, and the advisability of making an athlete who has competed in one seasons athletics in one M. I. A. A. school ineligible to participate in athletics in any other M. I. A. A. College.

Wright Hall was honored by many guests this week end. Among them were, Mr. and Mrs. E. T. DesJardins, of Lapeer; Mr. and Mrs. F. M. Sturtridge, of Crosswell; Mr. and Miss. Fead, of Port Huron; Mr. and Mrs. E. P. Mills and daughter, of Grand Ledge; Miss Watkins, of Milford; Prof. and Mrs. Kendall Brooks, of Mt. Pleasant; Miss Edith Hughes, of Bad Axe; Miss Virginia Blick, of Grand Ledge, and Miss Elizabeth Poole of Pontiac.

FIRST M. I. A. A. GAME

The opening game of the Michigan Intercollegiate championship race for the Maroon and Cream will be staged Saturday, when Coach Campbell's aggregation mixes with the Michigan State Normals at Ypsilanti.

The game will be played in the morning because of the counter attraction, the Michigan-Ohio game, at Ann Arbor in the afternoon.

All indications are that the Presbyterian clan has a stronger outfit than the Teachers can show this year. Ypsi is believed to have about the same strength as last season, while Alma with her fighting outfit is showing stronger than last year.

As a result there is every hope that the collegians will tuck away their first association race and get a good start in the drive that it is hoped will bring home the bacon that is labeled— "Michigan Intercollegiate Football Championship, 1923."

Faculty Recital is Well Received

Alma College was given the opportunity of enjoying an extraordinary musical treat Wednesday evening, October 10, at 8:15 o'clock when the musical faculty of the college gave a recital in the college chapel. The mixed program was well received, being rendered by Professor Ewer, soloist, accompanied by Mrs. Florence Hall, a local artist; and Fannie Keller, pianist. Professor Ewer and Miss Keller are both new members of the college faculty and in their initial appearance, made an unusually pleasing impression among the Alma audience.

The program consisted of six parts, being presented alternately by Miss Keller and Mr. Ewer. The contrast produced by the arranging of the expressive numbers grouped with the more spontaneous selections gave a very harmonizing effect. The progression was near perfect and gave evidence of the care and thought which must have been used in preparing the program.

To remark that Miss Keller played exceptionally well would very properly express the opinion of the entire audience, such a feeling being demonstrated in a very forceful manner. All of her interpretations were marked by extreme thoughtfulness and sympathy, very cleverly bringing in appeals from nature upon several instances. Her third number, "Fantasia in F Minor" by Chopin, which was without doubt her best selection, showed a capacity which proved Miss Keller to be a real artist. The composition was executed with a finish, demonstrating a display of technique which was nothing short of brilliant. One, however, was forced to forget the technicalities, to listen to the marvelous tone and sympathy of the selection.

Mr. Ewer, accompanied by Mrs. Hall, made a very pleasing balance to the program. With a deep baritone voice of an unusual range marked by extraordinary clearness, his selections were most enjoyable. An enhancing quality in fortissimo passages characterized his songs and made them most appreciative. Mr. Ewer's first number, "Dio Possente" from the Opera "Faust," very adequately featured his beginning, being rendered in French. All of Mr. Ewer's selections deserve the most constructive of criticism as each was rendered with the greatest of ease which made his work a pleasure.

Miss Keller and Mr. Ewer win high praise in their first appearance. Their audience consisted of both colleges. (Continued on page three)

PHILOMATHEAN SPREAD

The Philomathean girls enjoyed a spread Tuesday evening in the jungle. The most popular number on the eat's program was the hot hamburger encored by coffee and pickles.

During festivities, Christine Decker displayed remarkable ability in obtaining and concealing oranges while Ruth Grierson and Ruth King engaged in a lump-sugar contest.

When the fire died out the girls returned to Wright Hall.

FORENSICS GIVEN DECIDED IMPETUS

Hudson Becomes President of M. O. L. New Debating League Formed.

The first meeting of the Michigan Oratorical League was held at Albion, Michigan, Saturday morning, October 6, representatives being present from Albion, Alma, Hillsdale, Hope, Kalamazoo, Olivet, and Ypsilanti Normal colleges. The meeting was called by Mr. Lowell Hudson, President of the League, who represented Alma College at that assembly.

After the affairs of the Oratorical League were attended to, the meeting was adjourned to meet immediately to adopt a constitution for the new Debating League. A representative from Western State Normal was invited to convene with the delegates from the above mentioned colleges. A satisfactory constitution was adopted and the colleges, members of the Oratorical League with the addition of Western Normal became charter members of the Debating League. Lowell Hudson, of Alma, was chosen President of the League, Carl Moody, of Hillsdale, Secretary, and Simon Heemstra, of Hope, Treasurer. Professor F. B. McKay of Ypsilanti Normal was selected as Faculty Advisor of the League.

The formation of the Debating League places inter collegiate debating on a much more stable basis than it has been before and also facilitates the work of local managers in arranging and administering their debate schedules. Alma debaters will meet Western Normal and Olivet on the home platform and will debate Ypsi. Normal and Kalamazoo College away from home.

The question chosen by the league is the same as is being used by the Mid-West Debating League. It deals with Federal enactment of a bill providing unemployment insurance and should be of interest and educational value to debaters and followers of debate alike.

Alpha Theta Girls Hold Open Meeting

The Alpha Theta Literary Society met Monday evening in the form of an open meeting.

The entertainment consisted of a solo entitled "Sylvia" sung by the fascinating Beatrice Cottle; an interpretation of a Russian Dance by the graceful Ernestine DesJardins; an introductory paper on "Women" by the intellectual Elizabeth Williams.

One of the features of the entertainment was a one-act play entitled, "Hardy Perennials." Ann Lyons as Mrs. Wilson portrayed her part cleverly and naturally. Hildegarde Finch as the disturbing element was well cast in the play. Virginia Tremaine as Peter Cushing, Dorothy Bradley as Mr. Fuller, and Katherine Jenkins as Annie also deserve special mention. The entire cast was well selected. The play was well enacted without a halt or embarrassing situation. All reported an enjoyable evening.

Y. W. C. A.

The new members of the Y. W. C. A. were welcomed Thursday evening by an unusually impressive ceremony. Each girl lighted her small candle at the flame of the large one, to signify her entry into the fellowship.

Margaret Poole led the devotions, and Dorothy Flannegin, the president, talked of the meaning of the Y. W. At the close of the service, the girls grouped about the piano and sang one of the Y songs, "Follow the Gleam".

PLAN FOR THE HOME COMING

Old Students and Alumni remember what "Prexy" says, "Come Home!" Plan for the home-coming this fall which is going to be better and bigger than ever.

A great many of your class-mates have already pledged themselves to be here so why can't you be here with them. There is much to see and a great deal more to hear about which will surely be worth while. Our aim will be to keep you busy all the time that you are here. It is only a month away so start preparing now. Don't forget the date, NOVEMBER 17.

The display in the library show case pertains to the chemistry of sugar-making. This illustrates the industrial applications of the chemistry department.

Jap Fete Given by Philo Sat. Night

Phiomathean showed her usual spirit when she entertained the new girls with the traditional Jap Fete, Saturday evening. The reception room, the scene of the festivities, was gaily decorated with Autumn leaves, Japanese lanterns, and Philo colors, and it proved a fitting background for the dainty Japanese maidens in their bright kimonos.

Soon every one had her program filled and was in line for the Grand March which was led by Margaret Poole and Miss Lanier. The Gustafson-Cole-Johnson orchestra furnished peppy music.

After the Grand March there was a rush for Chrysanthemums. For surely one cannot be a Japanese maiden without Chrysanthemums for her hair. Now everyone was ready for the "Chrysanthemum Waltz," "Cherry Blossoms" and "Japanese Revel" followed in tune. Next came the "Geisha Glide" and the dancers were entwined in gaily colored ribbons. Streams of black and gold, the Philo colors, were suspended from the ceiling to be used for the "Rainbow Twist."

During the intermission everyone retired to cozy corners while Clarissa Vreeland entertained with a solo dance, accompanied by Helen McDougall at the piano. She was so enthusiastically received that she responded with an encore.

The music of the orchestra summoned the dancers to the "Buttercup Ballet." Then they were given joss sticks to put in their hair and the lights were turned low for the "Firefly Waltz. After this came the "Falling Leaves One Step" with its shower of confetti.

It was fitting for the program to close with the "Dreamland Waltz." This was not the end, however, for refreshments were served: chicken salad, rolls, coffee, brick ice cream and wafers. Just before the girls departed they gathered around and gave their yells.

ZETA SIGMA

At the regular meeting of the Zeta Sigma Society, Monday night, October 8, the following men were pledged:

- Gilbert Davis, Royal Oak,
- A. DeVere Rueggsegger, Boyne City,
- Reed Ruggles, Alma,
- Bert Bowman, Wayland,
- Martin Tanner, Saginaw,

- Freemann Huntley, Greenville,
- Walter Krieger, Detroit,
- George Elias, Alma,
- Robert Bailey, Detroit,
- Walter Burton, Manistique,
- Carrol Clark, Caro,
- Cleon Dey, Northville.

The Misses Thelma Potter and Esther Smith spent the week end at their homes in Flint.

Fellows! Don't forget the Chicken Dinner at the Gym. Wednesday night at 6:00 o'clock. The Y. M. C. A. invites everyone.

COLLEGE FALTERS IN SECOND HALF

Teachers' Goal Line Crossed for First Time in Over Two Years.

Alma went out of her class considerable last Thursday in meeting the Western State Normal football team at Kalamazoo in the premier struggle of the entire football season in the town of two colleges, and was forced to accept a 21 to 7 defeat, but it was not a beating that any team need be ashamed of. The score does not indicate the kind of a battle that Alma waged, or does it indicate that Alma was the first team to score on the Normals in over two seasons of play.

Alma's hard and well earned touchdown did not come by the aerial game against this team as many might suppose, but rather by consistent linesmashing against a line that it was not believed any team could show results.

During the early part of the fray Alma consistently outplayed the celerity pickers before the largest crowd that ever saw a game in Kalamazoo, and which included 1,500 Kiwanians of the state. The Teachers kicked off to Alma and gaining consistently Alma made three first downs before an exchange of punts took place. Alma continued to gain until the 18 yard line was reached and a dropkick was attempted. It went wide, and it was Kazoo's ball on her own twenty. After a few downs Kalamazoo punted and Alma started another march toward the Kalamazoo goal, and quarter ended just after McDonald on a line smash planted the oval on the Kalamazoo 5 yard line.

With the opening of the second quarter H. Catherman smashed for 3 and McDonald added a half yard and on a second smash delivered a touchdown and then annexed the extra point by dropkick.

Kalamazoo kicked to Alma, Elias getting the ball, Alma was penalized to her own five yard line. Wright's pass for a punt was low and McDonald was thrown for a safety before he could get the ball away, making the score Alma 7, Western Normal 2.

It was Alma's ball on her 30 yard mark. A pass to Carty gave 20 yards and Alma then was forced to punt. Kalamazoo was forced to punt and H. Catherman fumbled the kick, which Miller recovered and he raced with the ball to the Alma goal. The try for the extra point failed. Score W. S. N. 8, Alma 7.

Through the balance of this quarter and the third quarter the two teams fought hard and on almost even terms, with the Teachers attempting three dropkicks in the third quarter, one being blocked completely behind the Kazoo line, one falling short of the goal and one going wide.

In the fourth quarter play opened (Continued on page three)

Y. M. C. A.

The college Y. M. C. A. held its first regular meeting for the year, Sunday afternoon in the college chapel. A fairly large group of fellows listened to a talk by President Tarrant.

In an earnest way he explained why the Y. M. C. A. exists at all on the Alma campus. The college student's intellectual needs are taken care of in the class-room; his physical needs are attended to in various ways; his religious needs, the Y. M. C. A. alone attempts in a sane and healthy manner to supply. The student who 'flunks' his classes in religious growth by failing to attend the Y. M. meetings or by failing to give it his loyal support will find his worldly successes as seriously affected as if he had remained an intellectual or physical weakling. The Y. M. C. A. is in reality an important part of the teaching force of this or any college.

WHY NOT?

When it was first decided last spring that there should be no Maroon and Cream this year, it was quite generally accepted on the campus without a great deal of discussion. It seemed the wisest thing, not to go to the expense of publishing a year book, taking the chance of running another respectable class into the morass of debt, or even at the best, wasting a large sum of money that could better be expended for other things. There was not a lot of talk then, because students did not stop to think what the loss of a Maroon and Cream would mean. But now that everyone is back, we see what the loss of our annual would be.

The main objection to publishing the year book, as we understand it, was the matter of expense. There is always the chance of a loss. But the Junior class can produce a sensible editor and an efficient business manager, and the Maroon and Cream can be a success. There is no reason why we need an expensive, embossed leather cover for the annual; no reason why there should not be group pictures and fewer expensive individual portraits; and no reason why many useless pages could not be done away with, in other words there is no reason why the Maroon and Cream cannot be put out more cheaply and still retain those qualities for which we cherish it.

There are several reasons why the class of '25 should be expected to publish a year book. The first duty is to the school. A class which does not put out some effort toward producing an annual has not done its best to uphold the traditions of the school. The Maroon and Cream has not always been the handsome book of the last few years, but we remember an annual for the material it contains—not for the expense exhibited.

The senior class should come in for a lot of consideration, for it is in their honor that the annual is published. The present senior class should be shown the honor and respect that they have earned, and that has been shown their predecessors. They have had representatives in all the lines of college endeavor—athletics, debate, oratory, glee club and all the other branches. This is their last year here, and they are the ones who miss the Maroon and Cream more than the rest of us possibly could.

Lastly, Alma spirit is at its best this year. It has been remarked on as being very much in evidence on the gridiron; it speaks for itself in our mass meetings, and it is powerful enough to do still more. If the class of '25 will decide to publish an annual, start right away and show signs of life, the college will back them and we will not lose the MAROON and CREAM.

M. I. A. A. SCORES

After a decade of effort Olivet was rewarded Saturday with a victory over Kalamazoo College, and a well earned one. After trailing 7 to 0 the first half Albion came back and defeated Mt. Pleasant Normal 14 to 7. Alma smashed a record of two years' standing, when she scored on Western State in a game in which the final score does not show a just comparison between the teams, Western getting some lucky breaks. The scores:

At Kalamazoo—Western 21, Alma 7.
At Olivet—Olivet 29, Kalamazoo College 7.
At Albion—Albion 14, Mt. Pleasant 7.
At Ypsilanti—Ypsi 6, Hillsdale 6.

M. I. A. A. GRID GAMES FOR THIS WEEK

Interest in M. I. A. A. games this week end will be centered in the Albion-M. A. C. battle which will be decided in the new M. A. C. stadium at East Lansing. Four other association teams will engage in strictly M. I. A. A. games, in which the Alma-Ypsi tilt will have considerable bearing on the title.

VANDALISM

A college education has for one of its principal aims the teaching of a higher respect for the human labor. The barbarian marked his path by the malicious destruction of the property of others. The student who marks his way through college by the defacement of property intended for the use of others as well as of himself is a barbarian of a worse type than the barbarian of the Dark Ages. The student has not the excuse of lack of education or civilized code of ethics which the older barbarian might have pleaded. The kind of person that tears the backs from hymn books or throws them carelessly on the floor, the kind of individual that tears or soils the leaves of library books, and covers the face of our smokestack with unsightly scrawling cannot throw many stones at Attila or Omar. We hope that his sojourn in a soothing college atmosphere will lull his penchant for destruction to rest, but we have our doubts. He will probably go on trampling lawns, tearing books, carving his initials into places they have no right to be till the end of the chapter. Brace up fellows, in the name of our long-suffering college, let's quit the childish stuff until we leave college at least.

Luis Marino Ferez, who attended Alma from 1898 until 1901 and has since then been a member of several Cuban commissions in Washington, has been appointed commercial attache of the Cuban embassy in Washington. Mr. Ferez is 41 years old and was employed at one time in the congressional library at Washington and is said to be an authority on business and commercial statistics.

Word from William S. Cooper, who is now located at Minneapolis, that he has a year old son, David Shearer Cooper, named after his grand-father who was a founder and trustee of Alma College. Bill says we may expect him at Alma in about seventeen years.

Announcement has also been received of the marriage of Miss Augusta Grier to Mr. Arthur Peterson, '23. The wedding took place June 30, at New York City.

Word comes that Maurice Cole, '15, after successfully passing the state examination, has been admitted to the bar. Cole is now located at Ferrisdale, Mich.

Emerson Ardis of the class of '19 became superintendent of schools at Roscommon, Michigan, this year.

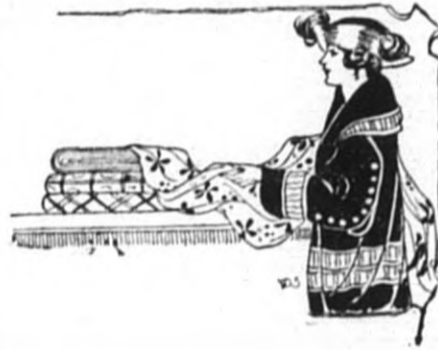

An Unforeseen Alma Reunion

Alma men have a way of getting together for reunions that is very splendid. But that's another story. Sometime their pathways cross without pre-arrangements, and that is what this story has to tell.

It happened this way. The Presbytery of Muncie, Synod of Indiana, planning its Men's Work for the year, opened its campaign with a series of

five rallies, Sept. 17-21, in five centers of the Presbytery. Hurd Allyn Drake, '11, is Chairman of this work and arranged the tour. George P. Horst, D. D., '08, Associate Secretary of Men's Work of the Presbyterian church, was the speaker of the five occasions. The two traveled over the Presbytery in the automobile owned and maintained by the First Presbyterian church of Kokomo of which Mr. Drake is pastor. At the rally in Muncie, Rev. Hugh N. Ronald, Alma parlor of the First Presbyterian church of Portland, Ind., was present to swell the Alma crowd and he brought with him the Rev. V. K. Beshgetoor of Alma, father of four Alumni. Mr. Beshgetoor represents the Near East Relief in Indiana. Mr. Drake, in speaking of the work in hand in the Presbytery, prefaced his remarks with an introduction of the Alma men and a boost for Alma College. Mr. Ronald has spent his ministry thus far in Indiana and is a prominent member of the Hoosier Synod. Dr. Horst is proving as successful in his Secretaryship as he did

in his unusually successful pastorates, swaying his audience and moving to action the man-power of the church.

ing was deferred and the society ad-
journed to the program. This con-
sisted of a paper by Frank Bentley
entitled "A Backsliding Bum's Bio-
graphy," and a talk on "American In-
dians" by Phil Lewis. The meeting
was concluded by an excellent talk
on general college affairs and spirit
by Coach Campbell.

BOLD, BAD BANDITS
From Peck's Bad Boy it has been changed to Prexy's Bad Boys, since last Thursday when five students, four of them members of the football team, were held at Allegan on suspicion of being bank robbers. Whether the fact that "Crooks" heads Alma College has anything to do with the students being more liable to be held as suspicious characters, is of course, a question, that is not solvable from the action of Deputy Sheriff E. E. Robin of Allegan.
"Cuddy" Shaver and "Red" Carty, ends; McDonald, fullback; "Shiek" Couturi, guard, and Reed Ruggles, were the members of the handit party, it is understood. Ruggles, it will be recalled is the president of the Yearling class.
Wednesday there was a bank robbery over at Cedar Springs, in which five men participated, one of the men apparently being a foreigner. They fled in an auto.
At Grand Rapids someone saw the Ruggles auto, with the five men, and "Shiek" appeared to them to be the foreigner.
The police were notified and they notified the Allegan officers to hold the party.

At Allegan the Alma gang stopped for a moment and received an invitation from Robin to remain a while. Not all of the "hot air" that the bunch could emit was sufficient to change Robin's mind, he having visions of a front page spread as the heroic officer who nailed the bad, bad robbers.
The car was searched. The boys were held in the little 2x4 Allegan jail, while the Grand Rapids police were consulted. Finally Robin was satisfied that the boys were what they claimed and the vision of the "front page" went glimmering.
Then he went so far as to furnish "safe conduct" to Kalamazoo for the footballers that they might arrive in time for the game. Written on the sheriff's stationery, it read—"These men are alright as I have investigated their car and called Grand Rapids and they are not the men wanted. E. E. Robin, Deputy Sheriff, Allegan, Mich."
The worried boys finally arrived in time for the fray, in a poor frame of mind to play football, and not one of them had been fortunate in securing lunch.

Which shows that the breaks of the game are not all found on the football field. And further shows that brains are sometimes usable even in a sheriff's office.

ALBION TO HAVE SPORT CLASSES
Albion College.—To furnish athletic opportunity for all students of Albion College, both men and women, classes in six different sports will be organized under the direction of John R. Miller, athletic director.
Schedules will be arranged in volleyball, playground baseball, track, tennis, and other sports.

Various organizations will be organized for competition and silver loving cups will be awarded at the end of the season.

STUDENT COUNCIL
A regular meeting of the Student Council was held on Monday, October 2, at 4 o'clock.
The freshmen petition asking permission to hold a dance Saturday evening, October 6, was read and granted.
It was moved and passed that the Constitution be amended to the effect that article seven, section four should read—"The Marshall shall be elected from the Senior and Junior representatives."
Adjournment.

LIBRARY NOTES
Hereafter the library will receive every two weeks a list of British and Indian documents from the British Library of Information in New York. These lists deal with inquiries relating to British documents, and provide information and statistics of an official character, or documents on loan, relating to the British and Indian Empires.
The lists will be found on the current periodical shelf in a Gaylord binder.
