Y. M. C. A. STAGES ANNUAL DINNER

Faculty Swipe at Enthusiastic Stag Gathering. Plans Made for Year.

Announcement of the Y. M. C. A. plans for the year were made at the annual Stag Dinner held in the gymnasium, Wednesday evening. The splendid banquet was served by the men of the faculty. Under the able direction of Mrs. Crooks, the men, dressed in white coats and caps fed the hundred and twenty-five hungry men that attended.

Coach Campbell, G. S. Crisp, secretary-treasurer of the Republic Motor Truck Co., and Sinclair Tebo '25, were the speakers and William Fulcher '24, acted as toastmaster.

Coach Campbell's talk was full of advice for college men, and especially those spending their first year at Alma. "Spend your time wisely, as wisely as you spend, or should spend, your money. Devote at least one half hour a day thinking over the problems, failures and successes of the day. Most fellows learn to study in high school, but few of them learn to think until they come to college. The man who fails to learn it in college is not apt to achieve great success anywhere." Coach is interested in college fellows, not only because they become athletes, but because he thinks that a very large percent of them come to college to better themselves and prepare for their place in life. To the Coach, as a close observer of college men, the Senior sometimes appears as funny as Freshmen, but to all alike he urged that we remember that the good associations and high ideals are things which make college so valuable.

To the men who are preparing to enter business, G. S. Crisp, of the Republic Motor Truck Co., gave a

REV. MERRILL SPEAKS

Rev. R. W. Merrill of the Methodist Episcopal church, spoke to the students at the chapel service, Wednesday morning. Rev. Merrill, who is a graduate of Albion, spoke sympathetically of his college days as compared with those of to-day. Although pledged to his Alma Mater, he announced his support to the local campus.

We are sure that Rev. Merrill is a worthy successor to Rev. Duffey, who was recently transferred to Charlotte, but during his pastorate in Alma was always interested in college affairs and a loyal supporter of the institution.

Rev. Merrill was also Rev. Duffey's successor at his last pastorate, Boyne City. He was named at that church at the time that Rev. Duffey came to Alma and like him has spent six years in the one field.

Kappa Iota Girls Hold Open Meeting

Kappa Iota held its open meeting Monday evening.

After roll-call, Greta Muir gave an interesting paper, "Superfluous Women." This was followed by a piano solo by Miss Louise Barstow.

A peppy one-act play entitled, "Suppressed Desires," completed the program. The young psycho-analytical wife was well portrayed by Loreta Neely. Dorothy Lee was clever in her part as a 'psyched' husband. Winifred Porter as the sister was delightfully humorous. After the play which was entertaining throughout, the meeting was adjourned.

Miss Victoria Bahna and Miss Hildegard Finch spent the week end in Grand Rapids.

HAY RIDE GIVEN BY ALPHA THETA

Frosh Girls Entertained at Honeyoi Sat.; Dean Rides in Lumber Wagon.

Tuesday morning, brown burn-edged invitations brought to each new girl the message—

"Come and join the Alpha Theta, And with laughter bright and gay On a hay ride we will take you."

The roomy racks that were waiting in front of the Hall were soon filled with girls, apples and kisses, and they were off. As the racks bumped along the road, enthusiasm rose to a high pitch and songs and yells filled the air. At the top of the hill they were greeted with a roaring blaze which made Honeyoi seem like a fairy place.

Games were the next on the programme and everyone played hard until they were all glad to draw around the big fire. Dough-nuts were served after which Miss Ritter told a spooky tale.

Once again the racks were filled and at a Giddy-Up from the driver they were off for home singing and yelling as hard as ever. Upon arriving at Wright Hall, Alpha Theta opened its doors and the girls filed in. Corn-stalks and pumpkins gave the room a festive air. Rose and gray were the predominant colors in the room. The girls were soon seated in the corners and a real dinner was served.

Soon the dance programs had been filled out and couples were gaily whirling to the music which was provided by the Zeta Sigma syncopators, Lowell Hudson and Erwin Merriam.

'PEP' MEETING FRIDAY NIGHT

Let's see everyone out Friday evening to the mass meeting in the chapel. On the eve of the first home M. I. A. A. game, it is absolutely necessary that all be there.

The team has got a jinx to overcome.—OLIVET, so we have all got to be behind them. Let's get the variety song in hand. The band will be there.

Frosh rool-all will start it. The meeting will start immediately after dinner—7.00.

What are we going to do about that Maroon and Cream for this year? It will not be missed during the year, that's sure, but think about next year and next, and next, etc. Why should we stop now? There is plenty of time to start one and everybody wants one.

Faculty Entertained by Dean Lanier

The members of the faculty and their wives were very pleasantly entertained at dinner, by Miss Lanier, Friday, Oct. 19. After dinner the guests adjourned to the reception room where a musical programme was given. The Misses Winnifred Mills and Helen MacDougall entertained with piano solos and Miss Beatrice Cottle sang "Morning." At the conclusion of the programme, after-dinner coffee was served around the fire place.

SOCIETY

The biennial informal banquet of the Men's Auxilliary of the Ladies Aid Society was held in Wright Hall on Thursday evening. Shaver was unanimously elected Vice President to fill the vacancy left by Des Jardins. The members voted animatedly against prohibition, fast time, woman suffrage. MacDonald thanks the Dean for the floral offerings.

FIRST M. I. A. A. TILT WON BY ALMA

Normals Completely Outclassed in First Championship Fray.

Showing superiority in every department of play the Maroon and Cream football aggregation took its first step towards the Michigan Intercollegiate championship, the ultimate goal of the season, Saturday morning, with a strong smashing attack leveled at the Ypsilanti line, a brilliant flank attack and a great aerial game which brought Alma a well-earned 19 to 0 victory over the Teachers.

Not once during the entire fray did the Ypsilanti team seriously threaten the Alma goal line, the eleven at all times showing a defense that the Teachers could not successfully break down and only once or twice could a good gain be secured, so stalwart was the defensive work. Just twice during the entire game did Ypsi break through the Alma defense for a first down, and not once during the fray could the Teachers complete an overhead play. Forty yards was handed to the Teachers in penalties, 25 of which came offside play in the first quarter.

Against this Alma completed eight out of ten aerial heaves, the eight bringing a total of 119 yards. The shortest pass went for 12 yards and the longest 19. Alma had 20 first downs against Ypsi's 2. A total of 85 yards was handed in penalties to Alma, only two of them being for offside. At least twice 15 yard penalties hit the team when it was in a scoring position.

Alma kicked to Ypsi to start and a punt with the wind went rolling to the Alma one yard line. Alma started a slashing line attack that stopped only when the 23 yard line was

DOWN WITH OLIVET!

This fall is destined to be the greatest in the life of Alma, our college and your college.

The game Saturday against Olivet looms as the crucial game of the season, so we MUST humble the Congregationalists.

We have got to—WIN WIN—WIN!

"Down with Olivet"; with this slogan the mass meeting to be held Friday night promises to be the greatest ever held among Alma students.

OLD MEN PRESENT

Several old wearers of the "A" will be present; men who have played on teams that have beaten Olivet in former years.

Every "A" man is especially requested to be present, wearing his "A" sweater.

BUSINESS MEN OUT

Reports from downtown indicate a large representation from that source. They appreciate the effort which has been made to make it possible for them to attend.

Special invitations have been accorded all business men to attend, in fact an urgent appeal is made to all to be present.

PLENTY OF NOISE

The entire program beginning at 7:00 o'clock sharp in the Gymnasium is designed to build an unconquerable spirit for victory.

WYATT will be on hand to lead off. He will have several assistants to help in yelling. THE BAND will be there in full force to aid in the noise making program.

The HIGH SCHOOL has promised a 100% representation to aid the meeting, through exchange services of the band.

THE BOY SCOUT BAND, which has gained state-wide reputation, is expected at this time to be present to lend their aid in stirring up enthusiasm.

With every branch of the College and City backing the fight session, it is certain to be the most enthusiastic gathering ever held in Alma!

Every loyal Alma man will be there with the limit to learn just what the Maroon and Cream Means when it says—

DOWN WITH OLIVET!!

Preparation Began for Home-Coming

Two weeks ago "Prexy" sent out the call for all old students to 'come home'. Home Coming Day is November 17. This is the biggest day of the year at Alma. Everything possible will be done that day for your entertainment. Societies will have their banquets, upon which they are already working hard; and the foot-ball team will play their last M. I. A. A. game of the year. Without any doubt we have the best team in years. Don't take our word for it, but read the sport news in the big papers. Come back and talk over old times with your pals. College days are never forgotten. These memories are cherished as long as we live. Forget your troubles for a day, and live again the memories you have cherished so long.

The College has laid out an extensive building program. The old landmarks that you remember are passing away. You can never see the Alma you knew, except now. In a few years it will be changed, even to the students, who are here now. Nothing but pictures, trophies, and traditions will be left to recall the old days. Don't put it off any longer—Come home November 17.

ZETA SIGMA

The Zeta Sigma Society opened its meeting of October 15, with President Tarrant in the chair.

The society laid plans for its thirty-fifth annual banquet which is to be held November 17, the various committees for the event being appointed.

Six new men were pledged into the society, all of which are very valuable additions to the number already pledged. They were as follows:

William Martin, Northville.
Hubert Ellison, Alma.
Percy Anderson, Alma.
Samuel Beauchamp, Port Austin.
Stanley Partee, Breckenridge.

Olivet on Card for Saturday

Saturday Coach Johnson of Olivet college will lead his fighting Congregationalists aggregation into Alma to do bitter battle with the Maroon and Cream and after the rapid improvement that the Crimson has shown since it got by its first game has given the Downstate institution visions of a possible victory over the Maroon and Cream.

It must be admitted right now that Olivet's aggregation of veterans is looking the strongest at the present time of any team in the association aside possibly from Coach Campbell's clan. After a poor start against Highland Park Junior, Olivet ran all over Assumption of Ontario, and then proceeded to annihilate the Kalamazoo collegians a week ago, showing little aside from straight football in turning the trick.

Olivet has always staged her best game of the season against Alma, and there is no reason to expect that the Crimson will do other than her usual stunt again this year, and it is almost a certainty that the game will not only be a brilliant battle, but a hard fought one from start to finish. Probably it will be the best home game of the entire season.

Alma hopes to be in the best possible condition for the fray with the Olivet eleven, and while expecting the Crimson to put up a stellar battle, has hopes of putting over a win.

Olivet College is coming to Alma with the full intention of taking the measure of the Almanites, and her victory over Hillsdale, Saturday continues to show that the Crimson is making a rapid improvement and is becoming a real dangerous aggregation. It is becoming more and more apparent that the week end will see Alma engaged in a real battle if she stops the Crimson, which always stages its one best game of the year against the Maroon and Cream.

LETTERS OF A FRESHMAN

Dere Ma and Pa.

I am well and hope you are the same. I've been having a lot of fun up here but things are so funny that I don't see through them. I wish you would excuse me for writin before too cause I don't seem to get time. Time passes awfully fast then too to really enjoy some of the things that happen up here you both should come up and see for yourself. If you ever do come try and bring Ike cause he knows how things are going around town what you don't.

I started to school the other day. I have one class they call Chemistry lecture where we all go into a big room and a fellow comes in and talks to us. I guess some of the boys thought that he was telling bed time stories cause they went to sleep. After a while a bell rang and everybody got up and went out. I guess they ring the bell so the boys wont oversleep and be late for the next class.

One fellow asked me the other day if I had bought a green cap, I told him no that mine was gray one but he said that I had to buy a green one because all the freshmen, that is boys like me who have just started to the college have to wear them. I found out where they got these caps and went down to get one. They told me I had better get two so now I've got two. I'll keep the other one good and wear on Sundays.

They say you have to wear these caps all the time but I fool them in the house cause nobody ever comes up to catch me. They have a game up here that they tell about a lot. The name of it is tinglebutt or something like that. Everybody talks about it and I wish they would hurry up and start it sometimes cause it must be a good one.

There is a row of houses down the street and one day I asked a fellow who lived in a big brown one amongst them and he said the Fees. I thought Mrs. Fee must have an awfully large family until I found out that it was a society house. Society hasnt got the same meaning as it in the Sunday papers cause there aint any girls connected with this and they can't have marriages and debuts, etc.

The other day a fellow came up kind of confidential and asked me if I would like to go Beta Tau or Phi or Zeta Sig. I told him I wasn't taking any languages this year and he'd have to say what direction he meant in English. He said that they meant society, but I happened to think that the Ku Klux Klan were around here and told him to mind his own business.

It's past nine o'clock now so I must go to bed. I will write more next time.

I wish you would send me fifty cents, I need a hair cut.
Your Loving son,
Peter.

A 'pep' meeting was held Thursday night in the chapel to start the team on their first championship encounter of the season, against Ypsilanti.

Cheer leader, Wyatt, started the meeting with a short 'pep' talk followed by enthusiastic speeches, yells, and songs.

Sandy Mac's speech was the hit of the evening. He knew it and received the token of the crowd's delight modestly. MacDonald's talk was followed by remarks from Miss Holweg, Shaver, Calkins, and Coach Campbell. Coach gave some inside dope on the team, after which all knew that there was no chance of losing.

The meeting was featured by the initial appearance of the new band before the student body. The organization added considerable pep to the occasion. Our band this year will be bigger and better than ever, carrying at present a total membership of thirty-three men. The band has organized with F. R. Freeman as president and Prof. Ewer as director. Latest rumors point to an immediate purchase of new uniforms for the band.

Without any joking about it, an alligator was found in Pine river, Tuesday and all those present when the find was made are seemingly willing to take an oath that they had not the slightest thing to drink. Such an exception of the palaeontological law of location seriously jeopardizes the safety of the canoeists from the college ranks.

The alligator was found in the 'chuce' of the dam, and measured four and one half feet in length or thereabouts. The animal was dead when found. An autopsy was made immediately upon the discovery and a very lengthy scientific name which is of no account however, describes that phase of the animal. Incidentally it may be mentioned that fossil history shows this species to be extremely dangerous so that greatest caution should be used by all river patrons henceforth until the authorities pronounce this region safe.

The discovery recalls stories and was seen in the Pine all of which rumors last spring that an alligator were accounted for by fallacies in the Volstead theory.

reached and a 15 yard penalty inflicted putting the ball on the Ypsi 38 yard line. McDonald on the next play tore around end, with fine interference and planted the ball behind the Ypsi goal. Lankton booted a dropkick for the extra point. Score Alma 7, Ypsi 0.

Alma again kicked to the Teachers, who were forced to punt and Alma carried the ball by a driving line attack, with H. Catherman and McDonald leading the parade, to the Ypsilanti 7 yard line when the quarter ended.

As the second quarter ended Alma lost the ball to Ypsilanti on the Ypsilanti 11 yard line when a fake play went wrong. Blocking the Ypsi kick Alma took the ball on the 13 yard line and again failed to shove it over and Ypsi punted to midfield. Throughout the quarter the play was entirely in Ypsi territory, with Ypsi on the defensive, but Alma failed to count.

In the third quarter Ypsi took a short kickoff on her own 38 yard line and on a hurried punt Alma got the ball on her 40 yard line, after three plays failed to gain for the Teachers. Alma was holding on the next play. H. Catherman made back the 15. Ypsi was offside. Elias failed to gain, but McDonald got 7 and Harley made it first down. A pass Elias to Carty went for 17. MacDonald ripped off 9 through the line and Harley grabbed off 14. McDonald was stopped for the only time during the game. On the next play Alma fumbled, but recovered for a 11 yard loss. A pass Elias to Langton was good for 19 yards. Elias passed to Dutch Weltholder for 19 yards, putting the ball on the 1 yard line. On a sneak play Elias went over. Langton failed in the attempt to goal. Score Alma 13, Ypsi 0.

Ypsilanti carried the kickoff to her own 37 yard line. During the balance of the quarter play was in Ypsi territory.

As the fourth quarter opened two plays failed to gain, and on the third Alma was offside. A pass was complete for first down on Ypsi's interference. McDonald got four. Elias passed to Carty for 16 yards, and Harley and McDonald added 5 more. Langton made it first down on the 5 yard line. Alma was penalized 15 yards for holding. Harley gave Alma 16 yards, putting it on the 4 yard line. Harley made 2 and McDonald smashed over for the touchdown. He failed to goal. Score Alma 19, Ypsi 0.

Before the game ended Ypsi attempted a dropkick, which went short and McDonald recovered the kick and went to the Alma 29 yard line before being pulled down. Alma punted and Ypsi got the ball on the 50 yard line. Ypsi made her second first down of the game and then punted to the Alma 18 as time was called.

To McDonald, H. Catherman, and Elias on the backfield, Shaver and Carty at the ends, and Wright and Anderson in the line must go the lion's share of credit for the victory. The entire team, however, put up a fine brand of football, and every man is deserving of credit.

talk on finances and credit as he said that was really his specialty. "Dis-honesty destroys credit," Mr. Crisp told the fellows, "but a reputation for promptness in fulfilling obligations is one of the greatest assets in business. A reputation for square dealing is coming to be of more value in business than a large bank account, which formerly was the standard of comparison." Mr. Crisp spoke of the lack of judgement so often found in college graduates and urged that students learn to make careful decisions without being influenced too greatly by others.

Mr. Fulcher in introducing the last speaker, Sinclair Tebo, spoke briefly of the "Y" as it was when he entered college and expressed his interest and appreciation in the activity of the "Y" this year. Mr. Tebo, newly elected student manager of athletics, discussed the aims of the organization as outlined by the cabinet. The work of the meeting is to be divided and specialized in three discussion groups to be held at Pioneer Hall for Freshmen, at the Phi Phi Alpha House for all men near the college and at the Zeta Sigma House for men in that part of town. For the first period of seven weeks at least several faculty members are to conduct these groups, while it is probable that out-siders and upper classmen will be worked in as assistants and take over the next period after Christmas. The leaders expect to use the book, "Men Who Made Good," by Robert Speer as an outline for the discussions. In addition it is planned to have the entire Y. M. C. A. meet together once a month on the one week of the four that the smaller groups do not meet and have both a short inspirational meeting and a social good time. The cabinet hopes in this way to promote a better spirit between the students and the faculty and more enjoyable stag affairs.

On the following night the groups met for organization with Pres. Crooks and Prof. Randels as leaders of the Freshmen; Prof. Hamilton at the Phi House and Coach Campbell at the Zeta Sigma House. It is expected that the books will soon be secured and hoped that many of the men will find time to share a short hour with their group each week in the discussion of real life problems.

LIBRARY NOTES

A magazine, entirely pictorial, has been received from Mabel Field. It shows pictures of the recent Japanese earthquake. It may be had by asking at the desk.

Miss Annette P. Ward and Miss Avis Lane attended the annual meeting of the Michigan Library Association at Kalamazoo, Oct. 16th-18th.

En route they visited the State library at Lansing and the Public library at Grand Rapids. At Kalamazoo they visited the Public library. They had tea at the Western State Normal. They also saw the parchment paper factory and the A. M. Todd art gallery and book collection.

They report that the new book displays by the book companies were of especial interest.

Among the speakers which were especially interesting were Mr. Lee A. White, chief librarian of the Detroit News, who told of the development of the News library, and Miss Harriet Wood, supervisor of the school library at St. Paul, Minn.

Suggestions for Hallowe'en are on display in the library show case for this week.

At the mass meeting held last Thursday evening, part of the exercises were given over to the election of the offices of student manager of athletics and assistant manager. Prof. Sharrar, speaking in behalf of the nominating committee placed the names before the student body.

Sinclair Tebo '25, was unanimously elected manager for the coming year. Mr. Tebo, who comes back to us this year after an absence of three years, qualifies unusually well for the office. Tebo's presence and business ability go by unquestioned and his knowledge of athletics is well demonstrated by his interest in that line and his winning of letters in several sports during his first two years here.

Leonard Andrews, '26, was unanimously elected assistant manager. Andy's business capacity should make him a very able assistant to Tebo.
