### HOME COMING IS PEPPIEST EVER HELD AT ALMA

Over 250 Alumni Return to  
Make Celebration a  
Great Success.

Pep was the key-word of the Alma College Homecoming from the pep meeting on Friday evening till the last dance Saturday night. Over 250 returned to what was the liveliest, biggest and most successful Homecoming ever to be given at this College.

Every organization on the campus assisted in making this the "never to be forgotten" Homecoming. The Booster's Club was in charge of the chapel Friday, and they presented the final plans to the student body. Festivities started with a pep meeting Friday evening that was attended by enough students and alumni to pack one enaper. The spirit for the week-end began at that time, for a livelier pep meeting has not been given at Alma for a good many years.

The following day classes were dismissed in order to have everyone working and doing their part to make the day complete. The fraternity houses blossomed out with colorful decorations and welcome signs. The Zeta Sigma House was decorated with maroon and cream and blue and white streamers and an arch-way over the sidewalk of the same colors. Across the street the front yard of the Phi Phi Alpha House was converted into a burial ground for the Hillsdale team, and the power of Scots was represented by a Scotchman driving a tractor. In addition the porch was well decorated with the two teams' colors.

At two o'clock came the Homecoming parade. Rimrod all decked out in the schools' colors and with an "Alma" and a "Hillsdale" sign hanging in the proper places was ridden by "Lady Godiva" Burgess at the head of the parade.

The band followed and then came the College truck loaded down with the Frosh. Students and alumni in cars were strung out behind. They made their way from Little Grand Circus Park to Bahlke Field.

The old spirit was rampant and was not to be tamed for some time. The period between halves found the freshmen men snaking around the band, and the cheer leaders were in their heaven. This pep and liveliness carried on through the rest of the afternoon, the society banquets and did not let up until the end of the dance.

The celebration closed with the informal dance at the Memorial Gymnasium. Addison Reed played for the two hundred and fifty or more persons present. Mid-night marked the end of the biggest, peppiest, and happiest Homecoming that has ever been celebrated at Alma College since the idea of a Homecoming began.

### THREE ARE TAKEN IN PHI SIGMA PI SOCIETY

On Tuesday of last week the Phi Sigma Pi, honor society of Alma College, welcomed three new members into the society as part of the chapel program. The three new members are Luther Evans, Claude Knight, and Constance Clack.

Gordon Clack gave the welcoming speech on behalf of Phi Sigma Pi and Luther Evans made the acceptance speech for the three new members. The history of the society was presented by Dr. Kaufmann. In addition he gave a list of former members and told what they are doing now. It was discovered that about 40% of them were doing graduate work. There are now four members in this honor society.

### Faculty Continues Work for Board of Christian Education

Recently the Board of Christian Education of the Presbyterian Church under the direction of Walter Jenkins of Detroit, has inaugurated a drive to spread information concerning the Board and its work.

Alma College has contributed substantially to this campaign by the work of the following men: Dr. Crooks, Professors Hamilton, Randels, Kaufmann, Brokenshire, Spencer, Clack, and Mr. Robinson. These men have gone to Bay City, Flint, Grand Rapids, Saginaw, and surrounding towns to speak in churches about the Board of Christian Education and especially of Alma College as a unit of the work in which the Board is interested.

Next Sunday this group will continue its work by a series of talks in the Presbyterian Churches of Detroit.

### PROF. HAMILTON TO HEAD PEACE ORATORY

At the annual meeting of the Michigan Intercollegiate Speech League Prof. Hamilton, director of the oratorical division, was also appointed director of the Peace Oratory, which is sponsored by the Misses Mary and Helen Seabury.

These two ladies have made this contest of peace orations a national contest and have provided money prizes for both state and national winners. Prizes amounting to one hundred dollars are given to all states holding contests. When there are more than three contestants, three prizes are given consisting of a first prize of \$50, a second prize of \$30, and a third prize of \$20. Two national prizes are given of \$60 and \$40 for first and second places respectively. The national prizes are not awarded by a speaking contest, but are judged upon composition, thought, originality, and effectiveness as a plea for international peace.

Prof. Hamilton announces that the peace oratory this year will be managed in the same manner as the annual league oratorical contest. There will be a local contest at each school desiring to take part. The winners of the local contests will take part in one of two divisional contests according to the location of the school. At each divisional contest three speakers will be chosen to enter the state contest.

Professor Sherman Wilson of Wayne University and Prof. Carroll Lehman of Western State Teachers College have been given charge of the divisional contests, which will take place either in January or April.

### "THE ENEMY" IS INITIAL ACTIVITY ON HOME COMING

Festivities Are Begun with  
Annual Drama Club Play  
Friday Night.

The Homecoming activities of Alma College were in full-swing last Friday evening when the Drama Club presented Channing Pollock's "The Enemy" at the Strand Theater. A large crowd of returning alumni, students, faculty, and townspeople filled the theater to witness one of the finest plays that has ever been produced by the College Drama club.

Holmes Sullivan as Carl Behrend and Virginia Hill as Pauli Arndt had the leading parts and both performed unusually well. Mr. Sullivan made his initial appearance before Alma audiences last Friday, and his splendid portrayal of the young Austrian playwright will no doubt insure him a part in future plays. Virginia Hill, who has taken part in Drama Club plays for the last four years, rose to her height in those intensely emotional scenes of a young wife who loses both her husband and her baby because of a war.

Among the other members of the cast was Helen Jordan, who acted perfectly the more or less humorous role of the peasant maid, Baruska. Alfred Jenkins, another new member of the Club, handled the lines and actions of Bruce Gordon, a young English student, with the skill of a veteran. The part of the inane, over-bearing, and super-nationalistic capitalist, August Behrand, father of Carl, was taken by John Boergert, who brought out excellently the man's selfishness, greed and empty or foolish reasoning in regards to foreign relations and peace.

Director Hanley Rosenberg took the part of Jan, a man who gives four years of his life to fight for his country only to return and find that he was not wanted. Dr. Arndt, the father of Pauli, was played by Paul Ditto, and his usual outstanding performance was even better in this play, as the honest, clear-thinking, pacifistic professor. The calm loveliness of Spray Dehne and the forceful actions of Alfred Fortino made the minor roles of Mizzie Winckelman and Fritz Winckelman stand out. The most natural actor on the stage was Rod Clack as Kurt, the son of the Winckelman's.

The story centers around the young playwright, Carl Behrend, who writes a play showing that the real enemy in war is hate. The play is to be produced and he marries Pauli Arndt. The World War breaks out. The whirlwind of hate sweeps up the young playwright along with all the others, and he loses all his former ideals. He turns against Bruce Gordon, his British friend, and everyone suspicious one another. Carl is called to go to war. He is killed and his little son who was deprived of medical care and proper food by the war, dies. The other characters brought out various other evils of war. Mr. Behrend was the profiteer who was honored for his services by his country, while Fritz Winckelman, a soldier, can not even get a job.

The play ends with those upon whom the burden and sufferings of the war had fallen praying for peace and a removal of the causes of war, while the profiteer Behrand gives a toast that the next war may be more successful.

#### WARNING

Students of Alma College are warned not to climb through trains by the Chief of Police of Toledo and the detectives for the Ann Arbor line. It seems that most of this is being done when trains stop momentarily before crossing the Pere Marquette tracks. Climbing through trains is against the law. It is hoped that a warning will be sufficient, but if necessary students violating this law will be fined.

### PHILOMATHEANS GIVE SECOND OPEN MEETING

The Philomathean Literary Society held its open meeting for the new girls at 8:00 o'clock on Monday, November 12th. This is the second of such meetings, and the Alpha Thetas will give the last one next Monday night.

The first part of the evening was spent in the Philomathean room. Here the new girls were entertained with a program centering around Germany. Miss Theodore Schreiber, dressed in a German costume, recited a little German poem. Miss Spray Dehne gave a piano solo, and Miss Margaret Randels read a paper on "A German Christmas."

The second part of the evening's program was in the reception room of Wright Hall, where everybody informally gathered around the fireplace to toast marshmallows, while Miss Ellen Eastwood gave a few piano selections.

### FROSH TO GIVE PARTY SATURDAY

Work on Elaborate Decorations for Annual Dance  
Began Monday.

The usually bare and lofty gym will be turned into a low, dimly lit roof garden next Saturday night when the freshmen give their annual Frosh Frolic. The dance will start promptly at 8:30 and the admission price will be one dollar per couple. The dance is to be semi-formal, dark suits or tuxedos being acceptable. Harper Camp and his orchestra will provide the throbbing rhythms for the dancers. His nine piece band comes directly from Lansing and recent engagements at the Michigan State College.

The decorations for the dance are more extensive this year than ever before. The ceiling will be low and full, completely roofing in the dancing floor. The color scheme is blue and white. Floor lamps and colored flood lights will provide the illumination.

Programs and favors are already for the party Saturday night. Invitations were given to all alumni who came back for Homecoming, and many are expected back for the Central State game and the dance in the evening.

The various committees under the leadership of Gordon Rice, general chairman, have completed their plans and preparations, and now only the decorations remain to be put up. Ruth Malcolm, chairman of the decoration committee began decorating the gymnasium yesterday.

The sale of tickets is being handled by Cassius Lea, chairman, Mary Alice Damon and Betty Dickinson. Other committees for the party are as follows: music, Dorothy Burke, Ruth Westendorf and Harold Dean; programs, Tex Walker, Thomas Surrill and Eleanor Burgess; publicity, Geo. Walker, June Crawford and Charles Day.

Patrons and patronesses who have been selected for the dance are: President and Mrs. H. M. Crooks, Professor and Mrs. Roy Hamilton, Dean Florence Steward, Dean James Mitchell, Dr. and Mrs. Kaufmann and Dr. Arthur Weimer.

### Y. W. C. A. Entertains Fifty Townswomen at Tea in Dickie Room

Wednesday afternoon the Y. W. C. A. entertained fifty townswomen in the Dickie Memorial Room with a tea. This tea offered an opportunity for outsiders to see the treasures that are enshrined in this Dickie room at Wright Hall.

Miss Florence McCallum and Miss Helen Walker presided over the tea table. Four tall ivory tapers and a crystal bowl enhanced the beauty of the mahogany table, which was used to serve the tea.

The guests of the Y. W. C. A. generously contributed to the fund which the organization uses to put on a Christmas party for children from the Republic School.

### ALMA PASSES FOR VICTORY OVER 'DALES

Ewer's Pass to Riley Block  
Results in Touchdown in  
Second Period.

A hilarious homecoming crowd last Saturday saw the Scots take Hillsdale 6 to 0 at Bahlke Field for the first M. I. A. A. win since Kalamazoo was humbled in the Mud in 1931. Since that time the Scots have lost seven and tied four games.

It was a Scot team seeking revenge for the stinging 7 to 6 defeat from Albion that met Hillsdale. Hillsdale on the decline since a scoreless tie from Albion and a defeat from Hope nevertheless presented a powerful attack. The big Dale line outweighed the Alma line at least 15 pounds per man. Yet the Alma line outcharged their heavier opponents most of the game.

Alma kicked off to the 'Dales. The question was then raised: Could the lighter Scots hold their heavier opponent's powerful line thrusts? The first two plays by the 'Dales gained not an inch. The Alma defense was sound.

But the Alma defense had held most other teams from gaining many first downs. How about the offense? Would the trick plays of the Scots fool the 'Dales as well as the stop officials? True the 'Dales did stop most of the spread formations, but a simple running pass, Ben Ewer to Riley Block turned the trick for the only score of the game. In the last second of play the Alma defense almost added to the score when Washburn grabbed the blocked pass but was stopped almost at the goal line.

For the first time this year the Alma "Ladies from Hell" were outgained, but also for the first time they won a game this year.

Although the following play by play account gives the gains, not enough tribute can be given to the defense. To leave out anyone would be an oversight. Little Steve Keglovitz, the lightest on the field, was the luminary as far as the defense was concerned. Steve knocked down passes, smacked them at the line of scrimmage, and got off on the longest Alma run of the day, 17 yards.

Max Dean, acting captain Wadge Block, Mel Fuller, Goroz Clack, Bob Mack and "Oze" Washburn all deserve plenty of credit for work in the line. Bennett, Bussard and Riley Block did excellent in the secondary intercept. (Continued on page 2)

### Former Alma Student Awarded Distinguished Service Cross Friday

Lieut. Floyd T. Smith, who attended Alma during 1910 and 1911 as a member of the class of '14, flew to New York last Friday to receive the Distinguished Service Cross that he won while serving in the Fifth Machine Gun Battalion, Seventy-seventh Division.

He was awarded the Cross for "extraordinary heroism in action" in France in 1918 but had never actually received the fragment of ribbon and metal that is given to persons winning the Distinguished Service Cross. The specific action which won him the honor occurred 16 years ago when he crossed a river almost under the enemy guns during the World War and captured a German machine gun nest that was halting the American advance.

"I thought the whole thing was a forgotten incident of the war and was willing to let it go at that," said Floyd smiling. "Then some one in New York started to write a history of our outfit—the Seventy-seventh Division advanced farther than any other, you know. He brought the thing to light, and the next thing I knew I received a notice to appear in New York to receive the medal."

This is the first time since he was demobilized that Smith has had the opportunity to see his old comrades.

# SCOTS, BEARCATS MEET SATURDAY

Central State Will Present  
Tough Aggregation for  
Annual Fracas.

Saturday the Central State Bearcats come to town with eleven football players that say they can beat the Scots. The Scots say that's what the 'Dales said. So a couple hundred loyal Scot supporters are going down to Bahlke Field to see who has the best line.

The Bearcats have had a very successful season. They lost to a decidedly inferior team early in the season. They gave Wayne U its first defeat of the season. Ypsi, Hillsdale and Kazoo were among the other victims.

"Pete" Troy, the big two hundred odd pounder, leads the line-men down on Bahlke. "Pete" played against the Scots two years ago when the Bearcats thought they had a set-up, but were set back 9 to 0. Bill Novak is one quarterback who never carries the ball except on running back punts. He does the blocking on running plays. Ken Van Hoesen is the boy that does most of the running and passing. Boyden alternates with him at the other back. Clark is the fullback and takes a mean crack at the line on plunges.

Turn out and see THE SCOTS TAKE THE BEARCATS SATURDAY:

## ALMA PASSES FOR VICTORY OVER 'DALES

(Continued from page 1)  
ing passes. Ewer, Keglovitz, Dawe and York covered their men on passes and stopped the line thrusts.

Although the 'Dales gained in the middle of the field, the goal line stops of the Scots were the best examples of defense seen all year.

**First Quarter: Alma vs Hillsdale**  
Wilson Block kicked off to the Hillsdale 1. Joe Harrison ran the ball back to his 32. Harrison was stopped by the left side of the Alma line for no gain. Whitey Linton found the right side of the Scot line just as tough, so Cole punted out of bounds on the Alma 45.

Gordie Clack lost two yards on an end around play. Ewer was stopped at right tackle. A Leroy Block pass to Wilson Block failed, so Leroy punted to Cole on his 28 where he was downed. Cronin smacked the center of the line for 1. Harrison quick-kicked down to the Alma 29 on the next play. Block gained only a half yard at right tackle. Fortino lost 3 on a spread formation. A tackle pass, Block to Fuller, was incomplete, so Block kicked to the 'Dale 35 where the ball was downed.

Cronin picked up a half yard at center. Harison's pass to Linton was knocked down, so Cole punted to Block, who came back five yards to his 37. Steve Keglovitz pounded off right tackle for 17 yards on the first play. Ewer's pass to Block was grounded. Fortino smacked center for 3. Cole intercepted Block's pass on the Dale 40.

Keglovitz stopped Cronin at left tackle for no gain. Harrison got off another quick kick to the Alma 7. Block was stopped at left tackle, so he punted out of bounds on the Alma 26. Linton picked up two at right guard. Cronin added 4 more diving over center. Cronin hit center for 8 and a first down. Harrison was stopped at left tackle by Clack and Fuller. Cronin picked up only 1 1-2 at center. Beckett missed Cole's pass and Harrison threw a pass over Linton's head, so Alma took the ball on the 7 yard line. Keglovitz hit center for 2. Block punted to Linton who made a fair catch on the Alma 35.

Harrison's pass to Nardi was knocked down by Keglovitz. Cronin picked up 5 at center, and then 4 1-2 more at right guard. Right guard gave up 3 more for a first down. Linton smacked left end for six. The 'Dales were found holding on the next play and were penalized to the Alma 33. Harrison's pass was knocked down at the quarter. Alma 0, Hillsdale 0.

**Second Quarter Alma vs Hillsdale**  
Alma now took the wind and the ball was on her own 33, in Hillsdale's possession. Harrison's pass to Linton was good for 8 yard. Another pass failed so the Scots took the ball on the 26. Ewer picked up a yard at left guard. Block added 2 on a spread. On a fake punt, Block passed to Ewer for 9 yards and a first down. Ewer alternated at hitting the two guards for a yard each. Block punted down the field to Hillsdale's 13. Cronin picked up a yard at center. Cole's pass to Linton added 15, but clipping put the ball back to the Hillsdale 8. Keglovitz threw Linton for a two yard loss. Cole punted, but Alma was offside and penalized. Cole punted to Ewer on the Hillsdale 35.

Harrison intercepted Block's pass on his 27. Cronin added two on a lateral around left end. Harrison's pass to Cole was good for 4 yards. Cronin was a yard short

of a first down on the next play, so Cole punted to Block who caught the ball on his 30 and returned it to the 39. Block passed to Ewer for 16 yards. Keglovitz missed Block's next pass. Erickson replaced Keglovitz. Erickson caught Block's pass for 16 1-2 yards. Block twisted his way around right end for 14 yards, but clipping brought the ball back. Ewer then ran to his left and tossed a thirty-two yard pass to Leroy Block who calmly trotted across the goal line for the only score of the game. Block's pass for the extra point was grounded in the end zone.

Dannells replaced Cronin as W. Block kicked off to Hillsdale. Joe Harrison took the ball on his 27 and returned it to his 36. Daglow replaced Stickney. After an Alma offside penalty, Ben Ewer stopped Cole after a two yard gain. Danniels smacked center for 3. Harrison took the ball on a spinner for 10 yards through left guard. Nardi grabbed Harrison's pass for 6 yards. Dannells was stopped at center by Erickson. Block intercepted Harrison's pass on the 45 to end the threat. Bennett replaced Clack at end. W. Block failed to gain on an end around. Score at half: Alma 6, Hillsdale 0.

**Third Quarter**  
Again W. Block kicked to Hillsdale, Cole taking the ball on his 10 and running it back 19 yards. Danniels hit center for 2, and Cole outran all the backs but Riley Block for 20 yards. Bennett intercepted Harrison's pass on the Alma 45. Block was stopped at left tackle by Babcock, but Glance smacked the other side of the line for 8. Ewer slid off the same tackle for 8 more. Keglovitz added 2 at center, but Block lost it at tackle. Ewer was also stopped, so Block punted to Harrison, who fumbled and was finally thrown by Dean on the 4 yard line. Graham replaced Harrison. Cronin added 1 at center. Cole faked a punt and went through left tackle for 13 yards. Cronin and Graham added 6 yards between them. Cole punted to the Alma 42. Block lost 3 on a spread formation when he slipped. After an unsuccessful pass, Block punted out of bounds on the Alma 47. Four line bucks gave the Dales 11 yards.

Then Graham was stopped at center by Bussard and Glance. Cole passed out of bounds, and Linton gained only 1 yard on a lateral around left end, so Cole punted to the Alma. Block returned the punt to mid-field, Cole coming back 12 yards. Bussard stopped Cronin on a line thrust, but interfered with Linton on a pass, so Hillsdale was given a first down with only a four yard gain. Cronin made it another first down with a ten yard gain through left tackle. Dawe replaced Keglovitz. Block got Graham in the open, but Hillsdale was penalized for holding back to the Alma 31. Cronin got 2 at left tackle, and a pass, Cole to Beckett netted 9, but Block grabbed Cole's pass on the Alma 10. Block punted to the Hillsdale 45, Cole returning it to the Alma 45 as the quarter ended. Score, Alma 6, Hillsdale 0.

**Fourth Quarter**  
Vitek replaced Mack. Block regained possession of the ball as he recovered a fumbled lateral on the Alma 45. Ewer lost 8 on a reverse as Simons came barging in. Ewer got back a yard and Block picked up 14 at right tackle, but Block was forced to punt out of bounds on the Hillsdale 31. York replaced Ewer. Graham quick-kicked on the first play to the Alma 17. Dawe picked up one at center, but Glance lost it. Block gained two at tackle and then punted to Linton who was downed in his tracks on the Alma 47. Cronin picked up 14 yards in two line bucks. Graham hit one side and then the other for 9 yards. Cronin made it a first down on the Alma 18. Graham and Cronin on successive line bucks carried the ball to the Alma 1. Washburn then recovered Cole's fumble on the four yard line.

McConeghy replaced Cole who was injured. Block immediately punted to McConeghy who returned the ball 9 yards to the 29. Fuller stopped Cronin for no gain. Graham gained only one. Bussard intercepted Linton's pass on the Alma 28. Dawe was stopped at right guard, but Block plunged through right tackle for three. Glance added 1 before Block punted to Linton on the Hillsdale 45. Harrison replaced Graham and his first pass was grounded. Clack nabbed him for a 10 yard loss on the second one. Linton's pass was also grounded. Clack and Fuller blocked Harrison's next pass. Washburn grabbed it on its way toward the ground and dashed 15 yards toward the goal line, but he was caught from behind and downed on the two yard line as the game ended. Final score, Alma 6, Hillsdale 0.

### CAMPUROLOGY

We can understand why campusology used to be so good when we see the old alumni again.

Osterhouse cried for Bob Mack Saturday, and then before her tears were dry he was running around all sound and o. k.

It's too bad you couldn't place your bet on Mack last Friday, Roudy.

We've heard it rumored that certain people had a real good time at the dance last Saturday.

Darbee says he is not particular about marrying a girl with both brains and money. He's got the brains.

We're still wondering why such a big powerful man would need a police dog.

Nice boys from Hillsdale: Ewer goes to congratulate one on his playing and the fellow takes a pass at him.

Alma team plays over their heads to beat Hillsdale. We mean this literally, for as you remember we won on a pass.

Everyone including Rimrod did their part to make this a great homecoming.

The Tex Walker-MacCreedy affair seems to be taking a more serious turn every week-end. Won't be long before it will be turning in the direction of the museum.

Why do they put the Hillsdale sign there, daddy (overheard Saturday).

We hope you didn't get the wrong one Sunday, Marjory.

Judy Volk looks like father, but has mother's red hair.

Come lads and lasses, swing along the land,  
Stroll real slow with your heads mighty high,  
Pretty soon 'twill snow as pretty soon 'twill rain;

The campus is quiet, the sun's in the sky,  
Come, Miss Glass and Betty Fraker too;

Hall folks watching to see what you do;  
Isn't any harm in walking two by two,

So swing along, lassies, swing along,  
So swing along and tag along,  
So swing, tall and spring, along the lane.

Louise Hurst.

Wholesale camping makes it difficult to keep tab on the offenders.

We only heard, but it was a pretty loud whisper, that our Ellen is engaged to her Dick.

We can't say so much for Bull Smith's cheer leading, except that it was funny.

Vivian H. went home this

week-end, and now she's humming "I'll be faithful." Crazy, isn't she?

Eleanor says she felt conspicuous on the horse Saturday, but how does she think the horse felt.

We bet that Sullivan had a few lines at the end of one act that were forceful if not part of the play.

Too lazy to eat and too hungry to sleep—the sad, sad plight of a college student.

Ivan Storbeck goes home every other week to see his Betsy's hazel eyes. Ah, me, such is life.

Clack clucks to see his little Clacks click—with the marks. Two children in the honor society makes one proud papa.

Woolley gave Bob Mack a new name the other day because he never shaves. Moses is his selection.

And all this time Ruth Dickinson has been going with Peter Drury, and our snoop knew nothing about it.

The old regulars that were seen once again at the dance were:

Mr. and Mrs. Volk in person  
Mr. and Mrs. Marin  
Bob Cant and Gretah Wilson  
Jake and M. Lundbom  
York and Marion Day  
Vitek and Spendlove  
Spray Dehnke and Balfour  
Thurlow and Tommy Croton  
King-McCallum (of course)

Frosh—You Seniors sure take life easy.

Bussard—Yes, even when we graduate we do it by degrees.

There is a fortune for the man who can eliminate that "morning after."

We almost forgot Norma's beautiful smile, but only temporarily.

Introducing ladies and gentlemen Mr. P. E. Dawe.

#### MY POT

Now I den my little pot.  
(If you ask me, they're not so hot.)  
But what a lucky frosh I am,  
I do not have to wear a tam.  
The doggone thing is awful small,  
It does not seem to fit at all.  
It only covers one small spot,  
That silly, little, green, frosh pot.  
And when I waik across the street  
I tip the thing to those I meet.  
Perchance I don't. My arm is sore,  
But there's a place that will hurt me more.

# Fair enough—

**WE** tell you that Chesterfield Cigarettes are made of mild, ripe tobaccos. We've told you about the paper—that it's pure and burns right, without taste or odor.

We have said that Chesterfields are made right. The tobaccos are aged, then blended and cross-blended, and

cut into shreds the right width and length to smoke right.

These things are done to make what people want—a cigarette that's milder, a cigarette that tastes better — a cigarette that satisfies.

*You can prove what we tell you about Chesterfield. May we ask you to try them — that would seem to be fair enough.*

*Strictly on their merits*
