## Scots Beat Central State Cagers 29-26

### Keglovitz, In His Own Front Room, Stars With 9 Points

The Scots revamped line-up rallied in the closing minutes Thursday night to avenge Central State's previous victory, to score a 29-26 victory at a Memorial gym. Steve Keglovitz, playing in his own front room, led the Scots' attack with 9 points, while H. B. Johnson and Art Smith scored the final points that led to the victory.

The Bearcats also presented a new line-up with Tope and Grimm as the only regulars starting. The Scots had piled up a 11 to 6 lead before Fortino, Ross and Young were inserted. Fortino and Ross dropped in baskets to give the Bearcats a tie at the halftime 14-14.

### Second Half Slower

The second half started somewhat slower with Keglovitz and Johnson keeping pace with Fortino in point scoring. Successive baskets by Fortino, Ross and Tope's long shot, put the Bearcats within one point of the Scots, but Art Smith's follow in shot gave the Scots the three point margin that won the game.

Alphonse Fortino led the individual scoring with 10 points with Keglovitz trailing by one point. Johnson and Ross followed with 7 apiece.

Referee—Loveless (De Paul).  
Score at half: Alma 14; Central 14.

Personal fouls: Wirick 2, Fortino, Ermick, Ross, Tope, Grimm, 2.

Croftchick 2, Young; Smith 2, Keglovitz 3, Fuller 2, Ewer 3, Johnson 2, Dawe 2.

Free throws—Central made 6 out of 14 tries; Alma 7 out of 11.

**Frosh Beat Legion**  
The shooting of Bob Adams and Jake Miller proved too much for American Legion in the preliminary, as the Frosh pounded out a 25-22 victory. Ford Croton, former Alma High star, dropped in 9 points for the visitors, but his team-mates were unable to contribute enough help. The Frosh led all the way from the first baskets by Adams and Miller, who scored 18 points between them.

## Zetas Hold Elections To Fill Vacated Positions

The Zeta Sigma Fraternity held a special election on Monday night, February 3, to fill the offices made vacant by members dropping out or graduating at the end of the first semester.

Arthur Boynton was elected vice-president of the society, the office formerly held by John Darbee, who graduated in February. He will serve in this capacity until the spring elections.

The other office that was filled at this time was that of Fireman, which was held by Louis Wiser during the first semester. Fred Meyer was elected to this position and will serve for the entire second semester.

## Students Vote To Curb Power of Supreme Court

The power of the United States Supreme Court to invalidate legislation has reached socially damaging proportions, in the opinion of American college students, and should be curbed without delay.

Revision of the constitution so as to check the power of the high court is favored by a majority of students, according to an Associated Collegiate Press survey just completed.

Remedies ranging from increasing the number of Supreme Court justices by naming liberal appointees known to have kept pace with the times to giving congress the power to reinstate legislation thrown out by the court are suggested by college leaders.

## 2 Intramural Games Are Forfeited Due to Storm

### Fortino's Team Defeats Vitek's Seniors 26-24 in Overtime

Tuesday's blizzard turned the third week of the boys' intramural basketball tournament into a "Comedy of Errors." Two of the four games scheduled were forfeited because the teams could not be gotten together while Fortino's juniors and Chet Currie's frosh both won their games.

The Fortino-Vitek game was easily the standout game of the present inter-class series with Ivan Storbeck contributing the two-point margin of victory for the juniors. The game went into an overtime period and was reminiscent of the old Zeta-Phi contests as 18 personal fouls were called on the members of both teams. The first half was comparatively clean while the desire for class supremacy turned the second half into a rough and tumble affair with Bruce York, senior, and Fraser Malcolm, junior, both being put out on fouls.

### Fortino 26, Vitek 24

At the end of the first half the seniors were leading 16 to 11 but the start of the third quarter found both teams fighting for the ball with the result that the score was tied up five times during the remainder of the game. With less than 30 seconds to go in the last quarter, Storbeck made a dog shot to tie the score at 24-24. In the first minute of the three minute overtime period Storbeck again came through with another basket which proved to be the winning basket.

Cyril Lewis led the senior scoring with 12 points while Storbeck made 9 markers to lead the juniors.

With Pete Ciccinnelli leading the way with 11 points and playing a fine floor game, the frosh team of Currie beat the faculty team in their first appearance of the season. The first half was all freshman while the faculty came to life in the second half to outscore the frosh, 18 points to 15. Prof Clack, as well as being the only faculty member on the team was the sparkplug of the faculty offense with 10 points to his credit.

### Bell, Adams Forfeit

Due to the fact that the faculty had only five men no one was put out on fouls although Bud Campbell set a new high for the season with 6 personal fouls during the course of the game. Incidentally the faculty team had 15 fouls called on them while the frosh had only 6 fouls among their seven players.

Floyd Boat's and Cassius Lea's sophomore teams both won their games by the forfeit route due to the fact that Bob Adams and Joe Bell had only a few members of their teams ready for action.

Ten times as many college students are using their libraries now as in 1925.

## Rev. Elliott to Lead Chapel Next Week

### Brooklyn Pastor Here for Religious-Emphasis Week

The Rev. Phillips Parker Elliott, pastor of the First Presbyterian Church of Brooklyn, New York, will address the student body daily in chapel during the religious-emphasis week, which the college will observe, starting Tuesday, February 18.

Rev. Elliott will remain in Alma from Tuesday through Friday. Besides speaking in chapel he will meet in conference with various special groups in the afternoons and evenings. Arrangements for these meetings will be made at a later date.

The task of addressing college groups is not a new one to Rev. Elliott. After completing his schooling, he spent several years as a College-Secretary for the Young Men's Christian Association and traveled throughout New England speaking to college students.

Rev. Elliott graduated from the University of Michigan. He then went to the Union Seminary in New York on a fellowship. Later he completed his studies at Oxford, England, also on a fellowship.

Though Rev. Elliott is still a very young man, being only in his thirties, he is considered by many to be one of the very promising men in the church today.

## K. I.'s to Give 10th Annual Valentine Party Saturday

Addison Reid and his orchestra will play for the tenth annual Kappa Iota Valentine Party, the third informal girl-bid dance for the year, which will take place in Wright Hall, Saturday night, February 15th. Dancing will begin at eight o'clock.

Miss Dorothy Glass as general chairman is in charge of all the arrangements. The orchestra was chosen by Josephine Elliott; Isabelle Palmer is selecting the programs; and Edith Walker is handling the ticket sale.

Mary Elizabeth Merrill heads the committee on decorations which are to be very new and elaborately different, for this being leap year the girls are out to do their best.

All the patronesses of the society have been invited to be chaperones for the party.

## A Number of Alma Grads Are Active in Home and Foreign Mission Fields

A number of the alumni of Alma College have distinguished themselves in the Mission field. From "The Year Book of Prayer for Missions" published by the Presbyterian Church in the U. S. A., we find the names of some Alma alumni taking part in Mission work.

Dr. Herman N. Morse, Alma '08, who is at the present time the administrative secretary of the Board of National Missions of the Presbyterian Church is one of the most outstanding.

He is author of several books, and one, "Toward a Christian America", is widely used throughout the U. S. as a text book in Missions. Other books of his deal with the work of the Church in industrial and rural zones. Besides this he has lectured at Auburn, Drew, Union seminaries and in Columbia University.

Some of the other alumni active in this work are Dr. Charles E. Scott of the class of '98, who is now serving as a missionary in China. Dr. Scott was a classmate

## Alpha Theta Pledges Are Initiated Monday

Rose and grey make-up boxes were given the new members of Alpha Theta when they were initiated Monday night. Dressed in the traditional white the new girls were honored by a special dinner table lighted by candles.

Following the dinner they were formally initiated and each presented with a rose. Those initiated were Margaret Campbell of Newberry, Jeannette Davidson, Sandusky, Helen Dawson, Sandusky, and Jeannette Verplank, Edmore.

## 5 Students Obtain All-A Standings Last Semester

### 28 Gain Privileges of Unlimited Cuts With 2.5 or Higher

Three of the five students achieving the honor of obtaining an all-A record last semester were seniors. Claude Knight, Lester Dankert, and Russell Ludwig took the honors for the class of '36, while Opal Hines, junior, and Irene Folkerth, sophomore were the other two 3.00 students.

Altogether there were twenty-eight who received averages of 2.5 or better, carrying with it the privilege of unlimited cuts. Here again the seniors lead with 12 above 2.5; the freshmen and sophomores each had six; and the juniors trailed with four.

This year the men led the field all around. Three of the 3.00 students were of the male sex, and they also accounted for sixteen of those students receiving 2.5 or better.

The standings of those students receiving a 2.5 or higher are submitted by Prof. Clack as follows.

## Albion Host to Men Debaters on Feb. 14

### Alma Teams Will Meet Det. Tech in Practice Debate

With only one veteran reporting for active service, the debating squad will open its season on February 13 in two non-decision debates against Detroit Institute of Technology, at Detroit. The debates are in preparation for the annual tournament of the Michigan Intercollegiate Speech League to be held at Albion college, Friday, February 14.

William Hood, junior, is the only veteran to represent Alma against Detroit Tech. Debating with him on the affirmative side was Ralph Daniels. On the negative team are Robert Sayles and Thomas Nurnberg. They debate the question: "Resolved: that congress shall be empowered by a 2-3 vote to overrule decisions of the supreme court."

Alma will be represented by two negatives and one affirmative team at the annual tournament of the Michigan Intercollegiate Speech League, at Albion, Friday, February 14, in which 16 colleges will take part.

According to preliminary information received by Mr. Karl F. Robinson, of Albion who is the tournament manager, about two hundred debaters will compete in at least fifty debates.

Included in the institutions which will send representatives are the 15 members of the league and Northern State Teachers College, which for the second successive year will enter the tournament as a guest.

On the affirmative Alma will be represented by William Hood and Ralph Daniels. On the negative side there will be Robert Sayles and Thomas Nurnberg and George Walker and Richard Neville.

Other debates scheduled for the year include debates with Michigan State College on February 28th and March 14th, and with Detroit Institute of Technology on March 13th.

## 11 New Students at Alma For The Second Semester

Eleven new students entered Alma College at the beginning of the second semester either to begin or complete their college courses, while five of those who enrolled last semester have transferred or temporarily dropped out.

The new freshmen are Marion Fortino, Alma; Edward Carpenter, Detroit; Henry Tanghe, Detroit; Bert Angelus, Alma; and Morley Webb, Wheeler. Joe Kennedy of Mt. Clemens has returned to Alma College, having completed his first semester as a freshman last year.

There are five new upperclassmen. Richard Darbee of Clawson, brother of John Darbee, who graduated this February; Kathleen Pesek of Detroit; and Bernice Mieczkowski of Detroit are the new sophomores, and Charles Lowry, Midland, and Richard Kennedy, St. Louis, the juniors.

Those who left the campus at the end of the first semester are Louis Wiser, Alma Block, Bill Hopkins, Elizabeth Houser, and Hazel Redman. The first two are planning to return in the fall, and Bill Hopkins has transferred to Michigan State College. Miss Redman's absence this semester is due to illness.

## One Alumnus Is Married; Another Father of Girl

From the alumni records we learn that Alvin Hill, Alma '35, was married on the 31st of December, 1936. Another alumnus, George E. (Jack) Frost, is the father of a baby girl, Judith, who was born December 7th.

## Scots to Meet G. R. Junior Wednesday; Hope Monday

Wednesday the Scots journey to Grand Rapids to meet the G. R. Junior College in the second of the home and home series. The Scots met the Jaycees in the first game of the season and severely trounced them. The Jaycees plan a revenge that will set a new time high in scoring.

The Jaycees presented a good scoring five here before, but could not cope with the hot shooting of the Scots that evening. Mel Fuller was the hottest with 17 points to his credit. Riley Block, Clyde Dawe, and Ben Ewer all contributed to the total.

The Scots will be hindered by injuries for the Jaycee game, as Ben Ewer and Johnny Johnson will be laid up. Ben broke a small bone in his foot and Johnny smashed a toe in the Central game. Both are limping around, but plan to see action as soon as possible.

Monday night, the Scots will entertain the Hope Dutchmen in the Memorial gymnasium. The Dutch do not like Alma, for since time immemorial, the Dutch have never won a football game here, and have won only one basketball contest. That basketball game was four years ago, when the Dutch won out 30-27. The year before the Dutch were nosed out 44-43, and the year after the Scots swamped them with a State championship team. Last year the Dutch pulled up with a lead in the first half, but Lyle Bennett's three baskets gave the Scots enough incentive to go on and win.

Coach "Bud" Hinga had a potential championship team this year, but dropped two games to Olivet and Albion. A victory over Olivet in the second game puts the Dutch back near the top. With a victory over Alma, the Dutch will be in a good position at least to challenge.

## IRC Is Given New Books by Carnegie Endowment

The already rather good sized library of the International Relations Club has just recently received an addition of five current books of an international character from the Carnegie Endowment for International Peace.

The books received are: Peace and the Plain Man, by Norman Angell; Democratic Governments in Europe; Labor's Way to Peace, by Arthur Henderson; International Security, by Philip Jessup; and The Treaty of Versailles and After, by Lord Riddell.

There were also nine pamphlets given to the club as well. They include Rivalries in Ethiopia, Abyssinia and Italy, The Formation of Capital, America's Capacity to Produce, International Economic Relations, United States and Neutrality, The Price of Peace, Germany's Foreign Policy, and Most Favored Nation vs. Preferential Bargaining.

These books are kept in the Library and are available to any- one.

## Alma Soc Class Offered Urban Sociology Seminar

Mr. Henry D. Jones, Director of the Dodge Community House in Detroit, offered an Urban Sociology Seminar for the students of Alma College visiting that institution between semesters. Those attending this year were Betty Chapin, Hoyt Reagan, and Clarence Clohset.

The seminar lasted for two days. The first morning was devoted to the mapping of the community for houses and institutions, and the afternoon was spent visiting the factories of the neighborhood and discussing centers of interest. In the evening the activities of the Dodge Community House were observed.

The following morning the Polish, German, and Czechoslovak colonies were visited. The afternoon of the second day was given over to a discussion of the various public agencies in the community such as the health and welfare agencies and the Juvenile Court.

This same seminar will be offered sociology students who will visit the Dodge Community House at a later date.

## Contest Judges Award Jack Seig First Prize

The Almanian contest judges emerged from behind closed doors Saturday morning after sleeping all night to—no, not to announce the winner—but to get to breakfast, for Jack Seig had been awarded first prize the night before.

Mr. Seig's writing talents were wasted on the following nonsense:

### ON GOING BAREFOOT

Bare feet always remind me of soft butter—they both spread well. Feet, however, make a more artistic job of it. They have that certain something butter lacks; an appeal, a "come-hither" look. What could be more satisfying than coming face to face with a nice plump foot? Bare feet have something (I don't know what, but they've got it.) If you can gaze upon a pair of firm, life-loving little feet, and then say unflinchingly, "Aw, pooh, I hate bare feet," then you, my friend, are a man of poor taste and no friend of John Greenleaf (Barefoot Boy) Whittier.

**Miss Brody, Mr. Stulberg To Give Recital Monday**

Program to Be Given at Three o'Clock in College Chapel

The Womens Club and the Art Club of Alma will present Miss Beatrice Brody, contralto, and Julius Stulberg, violinist, in a recital to be given in the College chapel Monday afternoon, February 17th, at three o'clock.

They are both members of the Michigan State faculty. Miss Brody has appeared three times with the Detroit Symphony Orchestra and twice with the Ypsilanti Symphony Orchestra. She is contralto soloist at the Metropolitan M. E. Church, Detroit, and for the past two seasons has been contralto soloist at the Bay View Assembly.

Mr. Stulberg, a student of Michael Press for several years, has given concerts in the cities of Michigan with great success. A Battle Creek paper says: "It is safe to prophecy that Julius Stulberg will go far and achieve fame in the musical world. He possesses talent in a marked degree. He is ambitious and wholly devoted to his art."

Mr. Archie Black and Mr. Joe Evans will be the accompanists.

The two clubs will have the Child Study Club, the faculty, and students of Alma College as guests besides those invited by the members. The following program will be given.

**Couples Brave Storms To Attend Phi Dinner-Dance**

Thirty-five couples braved the cold and stormy weather to attend the annual Phi Phi Alpha formal dinner-dance at the Midland Country Club last Saturday night.

The dinner, scheduled for seven, was held up until eight due to the difficulty that many encountered getting through the snow-drifted and icy roads. By eight those present decided that they made a quorum, and before the first course was finished every seat was occupied.

Dancing followed the dinner and continued until twelve. Addison Reid's orchestra furnished the music.

For those who attempted it, the problem of returning was even more difficult. Lawrence Phillips and Prof. Kaufmann were the victims of the elements and had to be towed out of a ditch before getting to Alma. All but one car was

accounted for Monday, however.

Guests included Ben Leyrer, Jean McGarvah, Bob King, Florence McCallum, Bob Randalls, Bill Goggin, Patricia Fitzgerald, Charles Smith, Charlotte Striffler, Bob Culver, John Boyd, Florence Gunsell, Marion Laman, Marian Nummer, Jean Speerstra, and Margaret Iseman.

Dr. and Mrs. Kaufmann and

Professor and Mrs. Clack were the chaperones.

**A LIGHT SMOKE**  
of rich, ripe-bodied tobacco

Over a period of years, certain basic advances have been made in the selection and treatment of cigarette tobaccos for Lucky Strike Cigarettes.

They include preliminary analyses of the tobacco selected; use of center leaves; the higher heat treatment of tobacco ("Toasting"); consideration of

acid-alkaline balance, with consequent definite improvement in flavor; and controlled uniformity in the finished product.

All these combine to produce a superior cigarette—a modern cigarette, a cigarette made of rich, ripe-bodied tobaccos—A Light Smoke.

**Local Orators To Speak  
In Chapel This Thursday**

Winners to Speak at District  
Contest at Alma March 6

Long weeks of hard work and assiduous practice will come to a conclusion Thursday, February 13, when twelve students successively step to the chapel platform to compete for prizes in the President's annual oratorical contest.

The contest is to be divided into two groups, one for men, the other for women. A first prize of twenty dollars, and a second prize of ten dollars is to be awarded to the first two places in each division. The women's contest is to be held at 4:00 o'clock. The men's contest is to take place at 8:00 p. m.

Professor Charles D. Broken-shire will act as chairman while the judges will be Miss Josephine D. Banta, Miss Margaret E. Foley, Professors Wilford E. Kaufmann, Hansford E. MacCurdy, and George B. Randels.

Besides the twenty dollar prize, the winner in each division also gains the right to represent Alma

College in the divisional contest which is to take place this year at Alma, on Friday, March 6th.

"WE KEEP THE SPOTS"

*By mild ripe  
tobacco we mean  
just this —*

**FIRST**—ripened in the sunshine...  
and picked leaf by leaf from the right  
part of the stalk when fully ripe.

**THEN**—each day's picking cured  
right by the farmer . . . at the right  
time and in the right way . . . no  
"splotching" or brittleness, but every  
leaf of good color and flavor.

**FINALLY**—bought in the open  
market...re-dried for storage...then  
packed in wooden hogsheads to age  
and mellow for two years or more un-  
til free from harshness and bitterness.

*That's what we mean by mild, ripe  
tobacco. And that's the kind of to-  
bacco we use to give Chesterfields  
their milder, better taste.*

Picking leaf tobacco in the  
"Bright" tobacco fields of  
Virginia and the Carolinas.

Type of barn used for "five-  
curing" leaf tobacco.

Hogsheads of leaf tobacco  
"ageing" for two years in  
storage warehouses.

*Outstanding*

.. for mildness  
.. for better taste
