PHI PHI ALPHA FRATERNITY HOLDS THE SEASON'S SECOND FINE SMOKER

Event of Thursday Evening Helps New Men to Get Acquainted

Thursday evening the Phi Phi Alpha house was the scene of one of the most enjoyable events in the history of the fraternity. More than 50 guests were present. The guests began to arrive about 7:30 and ere many golden minutes had elapsed the bridge tables were full and the game in full swing under the soft light from the new lamps recently acquired by the fraternity. It is reported that some of the guests were lured into participation in a somewhat trying ordeal by Ed. Wonzler. The larger number of participants the more trying the ordeal, so "Howdy" says. However, none of the guests suffered serious fatigue, for tho their mental and physical exertions were great they were offset and soothed by ever-present cigarettes and candy which were to be had in great abundance.

After two hours thus occupied the real program of the evening began. "Mac" McLellan, acting as toastmaster, introduced the president of the fraternity, Edward Gould, who welcomed the guests. Then the Phi Phi Alpha trio consisting of Robert King, John Menoch and Wm. Boyd, rendered several musical selections in a thoroughly delightful fashion. The trio was followed by Professor Clack who spoke in an entertaining manner on the "Benefits of a College Fraternity." Scarcely had Professor Clack resumed his seat when the lights went out and there appeared in the dull red glow from the fireplace, a bearded miser who gave in a thrilling style, "The Song of the Parson's Son."

Then, amid many a whispered caution, the guests were stealthily conducted thru the secret passage which led to the climax of the evening, the "bar." Here with true pre-Prohibition hospitality, "Kid" Johnson and "Spike" Peterson deluged the guests with pumpkin pie, doughnuts and cider with the generosity of the old Milwaukee barons.

This occasion marks the first "Openhouse" since the redecoration of the fraternity house, and it well fulfilled its function. Phi Phi Alpha is the oldest-incorporated fraternity on the campus and never in its history has it had a more successful smoker.

The faculty guests were Professors Kaufmann, Weimer and Clack.

The unselfish spirit of the occasion was extended to Wright Hall and the serenade was one never to be forgotten.

NOTICE

There are a few more lucky numbers left at the Antiseptic Barber Shop. Numbers were given out at the Pajama Parade. Better check up, each is good for a free hair-cut.

FIRST "COLLEGE NIGHT" AT PRESBYTERIAN CHURCH

The first "College Night" was held Sunday evening in the Presbyterian Church under the direction of Paul Heberlein, '31, and John Menoch, '34. After the opening hymn, Mr. Menoch read the 23rd Psalm as the Scripture reading, and Mr. Heberlein offered prayer. Mr. Menoch sang a solo, "Face to Face." Each of the young men delivered a sermon, Mr. Menoch choosing as his text the well-known John 3:16, and speaking on the importance of three words therein — love, whosoever, and believe. Mr. Heberlein spoke on "The Christian Life." He first showed how hard it is to live a Christian life, and the joy that comes from it.

This program was very much enjoyed by the students and Church members, and other equally good services will be given the last Sunday in each month.

NOTES ON THE GAME

Hats off to Eddie Reynolds, half-back extraordinary! He triple-threatened our boys into complete submission in the first half, and kept right on even after the first Alma touchdown. Let's hope we don't run into any more like him.

Ledvina, Clark, Smith and Dunlap also played mighty good ball. Six other Hillsdale men were not far behind, but the rest were not so hot.

The crack that Kip took on the knee in the Hope game kept him on the bench. Rehkopf is not yet in the best of shape, and McLellan has a bad ankle that continues to bother him. Novak's ornery knee has also failed to respond to treatment. However, the "hospital gang" lost one member when Loony returned to the starting lineup.

Tag Day Sponsored By Boosters' Club Sent Band To Hillsdale Saturday

It was decided last week that this year the Hillsdale game would be much more important than the Albion game and consequently the help of the band would be needed much more at Hillsdale. This happened in the middle of the week and the Booster's Club took over the responsibility of selling tags to send the band.

Friday morning the Ad Building was full of volunteers who approached everyone with a Maroon & Cream card bearing, "I Helped Send the Band to Hillsdale." The workers slogan was "Nothing under 10 cents."

Considering that the tickets went on sale just an hour before chapel, there was an astonishing number fluttering through the halls of learn-

ing by the end of the chapel period. By mid-afternoon the receipts had mounted to twenty-three dollars. Sis Campbell was "high point man" with something over eight dollars. She has winning ways with down-town merchants — that's where she made her haul. The tags only half paid for the bus, the rest of the money must come from other sources.

Much credit for our fine showing at Hillsdale is due to the band; their parading before the game and between halves was well done and they completely outplayed the Hillsdale tooters. The triple (or was it quadruple) time which they played for the team as they returned after the

HILLSDALE SEND-OFF

The pep-meeting which was held for the team Friday afternoon was rather sparsely attended but those present surely did have the pep and power. Such a send-off is one of the reasons why our team wins ball-games. They go to Albion Saturday — Let's give them another big boost.

TWO PROFESSORS HURT IN ACCIDENT

The joy of a big-game week-end was marred last Friday evening when Professor J. W. Ewer and Professor R. W. Clack, who were returning from officiating at a football game at Belding, in Prof. Ewer's car, were struck by another car, forced into a ditch, and turned over three times. Miss Alberta Gobel, '26, returning with them was only slightly bruised. Professor Clack suffered a compound fracture of the leg and was scraped and cut to some extent. Prof. Ewer received a gash on the forehead and is limping from bruises.

They were returning in the early evening from officiating a football game for Malcolm Gobel, '28, at Belding and had got six miles this side of Stenton on M 57 when a car coming from the other direction and with a trailer attached turned directly across their path, hitting the left front corner of Prof. Ewer's car. The impact broke the wheel and the tire and consequently the car was unmanageable. It was hurled down the ditch on the left-hand side of the road and on over toward a woods, rolling over three times and finally

ALMA FROSH DOWN FLINT J. C. "B" TEAM, 39 - 0

The Alma College Frosh defeated the Flint Junior College "B" Team, 39 to 0, last Monday. The Frosh started at the first kick-off and marched down the field for a touchdown. Leahy and Erickson alternated in carrying the ball and Stan Bussard finally plunged it over for the remaining yard. Flint's offense could not get started and Callahan punted to Leahy who returned the ball 19 yards. Clack then hit the center of the line for 52 yards and a touchdown. Erickson's kick was good for the extra point. Flint kicked off to the Class of '35. Leahy ran back 32 yards. With Erickson, Leahy and Clack carrying the ball, Bussard again carried the pig-skin over for 6 more points. Erickson's kick was wide. The score stood, Alma Frosh, 19; Flint Panthers, 0, at the quarter.

Hood replaced Brainard, and Flint received its first down of the game on a pass, Callahan to Hershey. For the remainder of the quarter no scoring occurred. Of the plays worth mentioning, Bussard broke up a Panther pass that looked like a sure first down. Leahy tore through the Flint line time after time. Sam Balfour replaced Hood, as the half ended.

Clack again scored at the start of the second half on a 30 yard run. Flint made their last first down, the second one shortly after. Leahy, Erickson and Bussard made successive first downs, as the quarter ended. So at the start of the third quarter, Erickson plunged over and kicked goal. Tuma replaced Leahy, Hood replaced Gallagher. The Frosh began another march down the field for their final touchdown, which was credited to Tuma. Brainard, Davis, Hinshaw, and Schoenhals starred for the Frosh in the line, while the whole backfield showed up well on offense.

The line-up:
Flint Panthers Alma Frosh
Shores LE Hinshaw
Squier LT Davis
Kapland LG Brainard
Hearsch C Schoenhals
McLeod RG Gallagher
Wilson RT Wahl
Spalding RE Hunter
Callahan QB Clack
Jubbly LH Leahy

LAST MINUTE TOUCHDOWN AND KICK PREVENTS ALMA DEFEAT

COLLEGE C. E. SOCIETY ENJOYS PICNIC UP-RIVER

Last Wednesday the College C. E. Society enjoyed the first social function of the new season. It occurred in the form of an outdoor picnic supper. Having escaped the shots of erring hunters, a jovial party of about 20 young people arrived at the sand banks above 3rd Grassmere with few and minor casualties. After securing the coffee and pushing Bob Lehner's car out of the sand each Endeavorer procured a roasting stick and then soup was on. Menu:

Roasted (blackened) Vienna Sausage a la carte, with mustard and pickles. Doughnuts, Bananas, Apples, Demi-tasse.

An excellent time was had by all.

Drama Club Picks Homecoming Play

The cast has been chosen and rehearsals are under way for the annual Homecoming play to be given at the Strand, November 13th. The play, "Three Live Ghosts," is a three-act act comedy of London tenement life by Frederick S. Isham. Members of the cast are William Johnson, Helen Long, Dorothea Prouty, Leslie Struble, Clarence Moore, Eugene Tarrant, Marion Mackenzie, Robert Randels, and Mary Painter.

Don Blackstone is directing the play. This is his first major production since becoming affiliated with the club last year.

Considering the cast and the type of play, Alma play-goers can expect an excellent performance. The play is rich in comedy and character delineation.

A regular business meeting of the Drama Club was held on Wednesday evening, October 14. The new members were formally inducted into the club. "Three Live Ghosts" was announced as the annual Homecoming play. Onilee MacDonald was voted an associate membership. The club elected Don Blackstone to the office of Treasurer.

The program for the meeting consisted of a paper by Mary Painter. This paper dealt with "Stage Make-up." It was announced that Clarence Moore would give a paper on "Acting," at the next meeting.

DOINGS OF THE FACULTY

PRESIDENT CROOKS TO HAVE BUSY WEEK

On October 29th President Crooks attends the meeting of the Michigan Council of Churches. November 4th he goes to Calvin College to attend the meeting of the Association of Non-State College Presidents. On the 6th he speaks at the 75th anniversary of the Wyandotte Presbyterian Church. On the 8th he speaks at the Caro Presbyterian Church.

President Crooks, Dean Steward and Professor Clack all spoke at the M. E. A. district convention in Saginaw Thursday and Friday.

Brown's Passing Is Main Factor in Alma Scoring

After being completely outplayed for three quarters, and trailing 13 to 0 at the end of the first half, Alma came back in the final period to score two touchdowns and gain a tie with Hillsdale in the game there Saturday. Borton scored the first on a line buck after Brown threw a thirty yard pass to Bushnell. A long pass from Brown to Dawson again put Alma in scoring position, and with twenty seconds left to play, Brown heaved another over the goal to Bushnell. Passes also accounted for both of Hillsdale's touchdowns.

Besides throwing his million dollar passes, Brown played brilliant football throughout the game, and his defensive work against Hillsdale's passing was as good as that against Hope and Olivet. First honors on the Alma team, however, go to Perry Grey, who tackled viciously and accurately whenever a Hillsdale player came near him. Borton also played a fine defensive game, and was Alma's leading ground gainer.

The chief causes for trouble in the Alma ranks were Ledvina and Captain Clark, who opened wide holes in the Alma line, and Eddie Reynolds, who galloped through those same holes for gain after gain, and who was personally responsible for most of Hillsdale's yardage.

Borton returned Ledvina's opening kickoff 25 yards to the 36. Four plays failed to make a first down, and Hillsdale took the ball on the Alma 44. Graham and Grey stopped two runs by Mobily, but Reynolds made a first down in two plays. Reynolds made 12 at left tackle and Alma took time out. Brown and Borton threw Reynolds for a 2 yard loss, and Grey smeared Ledvina on an end around play for a loss of 3. Reynolds kicked out of bounds on the Alma 18. A fumble on Brown's punt gave Hillsdale the ball on their own 18, but Reynolds galloped 25 yards on the next play. Dunlap made 4, and an offside penalty against Alma put the ball in Alma territory. Reynolds added 4 more. Borton stopped Reynolds twice, once for no gain, and once for a five yard loss. An exchange of punts put the ball on the Hillsdale 40. A pass from Reynolds to Ledvina gained 25 yards. Dunlap hit center for 3. Mobily went through left tackle for 6. Dunlap plunged all the way to the 12 yard line as the quarter ended.

To start the second quarter, Dunlap and Reynolds made 4 in two plays. A pass, Reynolds to Dunlap, was incomplete, but on fourth down, Dunlap passed to Reynolds for a touchdown. Dunlap placekicked the extra point.

After Borton had returned Ledvina's kickoff 27 yards, Crissman recovered an Alma fumble on the 36. Mobily made a yard, and Hillsdale drew an offside penalty. Reynolds hit right guard for 3, and then passed to Ledvina for a first down. Dunlap made a yard, and two passes were incomplete.

Our Pep and Support Ties Hillsdale; It Will Be Needed Again At Albion

This Saturday the football team journeys to Albion to engage in combat with the team put out this year by Coach Daugherty. So far this season Albion's record is not impressive, having lost to Hope, Ferris Institute and last Saturday to Kalamazoo. However, the dope of the season never seems to work out in the Alma-Albion game, the rivalry between the two teams being enough to upset any previous accomplishment of either team. The feeling runs so high that this game is almost always the homecoming game of the home team; again this year we are called on to be the resistance before a crowd of returned Albion Alumni.

Last year's game which we won, 27-12, on the home field, was the first game in many years in which the

difference in score was more than one touchdown. Although this year's Albion squad is not so strong as last we still can expect a good hard battle.

Due to the fact that the Band went to Hillsdale this last Saturday they will be unable to get to the Albion Homecoming celebration. Their help was quite a factor in this game and there will have to be quite a number of students at Albion to make up for them. Everyone should go who can possibly make the trip. We have quite a sure chance for a tie for the M. I. A. A. title if we win and if in addition Hillsdale is beaten (that will be an upset) we may have the title. We have a good team and they need our support.

The one incident which marred our moral victory in the tying of the strong Hillsdale team was the conduct of the band after the game. It can, of course, be attributed to the intense strain of the game but the march across fraternity lawns can hardly be excused. A triumphal march through the streets of a town is quite permissible but to tramp so tauntingly across private property is much below the standard of college sportsmanship. Coming as it did after the end of such a clean, hard-fought and sportsmanlike game as has not been seen between the two schools for several seasons past, the incident was indeed unfortunate.

A happening of no small note occurred last week at Michigan State College when, because of recent injuries and consequent ill feeling, the Student Council declared that hazing of freshmen is now illegal and the sophomore-freshman rush is banned.

In a meeting of the Council with President Shaw on last Thursday all forms of interclass warfare and the accompanying brutality were barred forever from the campus in the interests of common sense and decency. Violation of the rules will meet with severe administrative action. Kidnapping, defacing of buildings with profane signs and handbills and other forms of hazing are done away with.

The action which abolishes an old-established tradition paves the way to better inter-class relationships. For years throughout the country there has been a slow movement toward abolishing hazing in its various forms and toward treating first-year men as human beings. This action in a school of the importance and size of Michigan State brings the question into deserved prominence. As in the case of most educational movements this started in the east and is gradually working westward. Within the last few years Alma has abolished hazing although the class rush is still carried on but in a much milder form than in previous and more barbaric times.

ALUMNI NEWS

ALMA ALUMNUS TO SPEAK IN CHAPEL THIS WINTER

The Rev. Charles Ernest Scott, '98, returned on furlough last July from his missionary work in China. He is active this fall in a campaign of the Presbyterian Board of Foreign Missions and this work will bring him to Alma sometime early in 1932. He has lately had published a book, "Chinese Twice Born." Rev. Scott has been for many years a missionary to China, at Tsinan, Shantung.

Miss Marjorie MacCurdy, '23, returned to Alma Sunday from Boston where she has been taking treatment for arthritis.

A letter from Miss Lilian Crandell, '06, reminds us that she is an assistant in the Grand Rapids Public Library.

Among the 65 at the President's dinner to Premier Laval last week was Col. Frank Knox, Alma, '98.

Some of the people who went into Detroit after the game, report having seen Ed Karpp, '30. He is with the White Star Refining Co.

President and Mrs. Crooks were luncheon guests of Miss Landwehr, former Alma teacher now at Hillsdale, with President and Mrs. Spencer of Hillsdale and certain members of the faculty.

NATIONAL BROADCAST AMERICAN LIBERAL ARTS COLLEGES ON NOVEMBER 14, 1931

On November 14 there will be a nation-wide broadcast sponsored by the American Liberal Arts Colleges over the National Broadcasting Company and associated radio stations.

The broadcast represents a concerted effort to interpret to the American public the aims, achievements and needs of the liberal arts college and to enlist the sympathetic co-operation and support of the people in the enhancement of the services these colleges are rendering.

It affords an exceptional opportunity for each individual college to present its own specific achievements and needs to its own immediate public. This should be done by means of local program presented in connection with and against the background of the national program headed by President Hoover, supported by collateral activities both before and after the broadcast. In fact the underlying purpose of the national broadcast is to focus attention upon the individual college and this can be accomplished successfully only thru the vigorous co-operation of each college president and associates.

The president, the alumni secretary, the college professor, the college student, student publications, local newspapers, local service groups and community organizations, churches and all others interested in the college should be called upon to co-operate in making both national and local broadcast a definite success.

Flagitator par pari reffitit.

It was recently brought to my attention that we really know very little about our own state. This summer one of our students mentioned this fact and suggested that we should have various students from different parts of the state tell of their locality, its beauty spots, local color and perhaps geography. The chapel talk given by our Caspian representatives represented as a fruitful part of their summer program for the children a course called "Know Your Michigan." Do you know your Michigan?

We have representatives now in school from most parts of our state. If these people who have had either by virtue of travel or residence experience with Michigan which would be interesting as well as educational were to give a series of lectures to the student body I have no doubt that one-half hour per week would be well spent. This period should of course be conducted as a lecture course during chapel hour, not as a special chapel service or student chapel since its aim would not be as much spiritual as entertaining and educational.

I wonder whether anyone else has anything to say on this subject?

If you have any question or fact of any kind which you wish discussed in the Almanian I shall be pleased to do my best provided I think it will be of interest to at least one other student besides myself (it may be the one who hands the question in.) Remember your name need not be connected in any way with the discussion although you should submit your name with the question so that I will be able to interpret any hidden meaning or ask advice as to the discussion. Any phase of College, City, State or National life or policy makes acceptable material.

The following were present at the Parent's Day game or over the weekend:

On behalf of the student body the Boosters' Club wishes to thank the merchants of Alma for their hearty and generous contributions toward the fund to send the band to Hillsdale.

NOTES ON THE GAME

(Continued from Page 1)

All the evidence points to the fact that the crowd from "Michigan's peepiest college" completely outvelled the Hillsdale three thousand.

The prettiest play of the game was Blackstone's pass over the goal between the halves.

Brownie knows right where the corner of the field is. He sent one punt out of bounds on the Hillsdale four yard line. He also made interceptions No. 4 and 5 during the course of the game.

Believe it or not, Bill Bushnell can catch the passes. He caught four of Brownie's tosses, three of them for gains of twenty yards or more.

Seems to me I remember Bud Dawson catching a pass, too.

Among those who should have been mentioned in the Detroit papers for outstanding service in the line was "Al" Wilkas, who kept Clark, Hillsdale's 6 ft. 4, 230-lb Captain, busy all the time.

A wise one the spectators missed: Brooks (of Hillsdale to Potter): "Wat you tink o' that, t'irteen 'n nuttin'?"

Later: "T'irteen 'n six, dere goes your ball game."

Potter (on Hillsdale's 8-yard line when Brooks was going out because of injury): "Stick around awhile and we'll make it 't'irteen 'n t'irteen."

Mr. Brooks' reply is not on record.

It was the cleanest Hillsdale-Alma game we've seen. It was hard-fought but there was no noticeably intentional rough-stuff. The attitude extended to the crowd and its behavior was excellent. Let's hope it is the beginning of an era of fine feeling between the schools.

Someone of the team reported that in a huddle the team's fighting word was, "We can't slack up on that crowd and the way they're standing by us!" That is a spirit that wins games over great odds and it shows the necessity of the crowd backing the boys up every minute of every game.

We were impressed with the odds when before the game we saw the grave "Reserved for Alma" at the Sigma Delta Phi house. The "For Rent" sign after the game was, on the other hand, very cheering. The boys who saw it said that the white casket (white washed?) which was waiting on the sidelines was also a cheerful spectacle.

Barcus, who covered the game for the Detroit News, said early in the struggle that if the crowd's yelling and spirit would win the game Alma should lead by four touchdowns. Thank you, sir.

Seventeen persons ate dinner at Wright Hall Saturday night. Some, of course, had gone home but most of the absent were at the game.

Present at Hillsdale were Harry Helmer, '08, former Alma coach; Leo Miller, '20, of football fame; Carl Gussin, '30, star in football, basketball, baseball and tennis; Alan Dean, '30, basketball player; Ellsworth Simmons, star in football and basketball; Dr. Bernard Graham, '26, and Mrs. Graham; Mr. L. B. Albaugh of Marshall; Louis Baldwin, '32; Charles Goodenow, '29; Carson Clapp, '30; Lorimer Mason, ex-'34; Mr. and Mrs. Mackenzie of Detroit; Mr. and Mrs. Leadbetter of Detroit; Mr. and Mrs. Borton of Alma; Dr. and Mrs. F. J. Graham of Alma; Dr. and Mrs. Lehner of Alma; Floyd Vine, ex-'33; Dr. Higelmire of Alma.

This year Alma participates in 4 Homecoming games. The first one, Hillsdale, ended in a tie but since Hillsdale had counted on winning, it may be considered as "wrecked." We have a chance to wreck another at Albion this week. The game with Central State November 7 is the Mt. Pleasant Homecoming and we are making no forecasts about the outcome of that game. Our own Homecoming is November 14 with Kalamazoo and this will be quite an even fight but we hope it will be the only successful Homecoming of the four.

COME ON, GANG! LET'S BEAT ALBION. EVERYONE WHO CAN BE SHOULD BE THERE.

Record of Alma-Albion Games

Here are the scores of the Alma-Albion football games since 1904. Of the twenty games Alma won seven, Albion twelve and one was tied:

	Alma	Albion
1904	0	27
1911	0	9
1912	19	7
1913	33	0
1914	0	21
1915	7	7
1916	10	27
1917	0	7
1918	no games	
1919	0	55
1920	0	48
1921	0	44
1922	0	6
1923	6	0
1924	0	3
1925	0	12
1926	12	6
1927	7	0
1928	6	9
1929	12	0
1930	27	12

In 1926, 1927, 1929 Alma took the championship and in 1930 we were co-champions (with Kalamazoo.) Albion took the pennant in 1928. The Alma-Albion game has been the deciding factor in the M.I.A.A. race for a good many years. This year gives us a chance of evening up the score a bit as Albion is conceded to have a team weaker than usual and Alma is admittedly quite strong. However, "all signs fall in dry weather."

LIBRARY NOTES

Recently published volumes have been received for the reference sets of the Dictionary of American Biography, and for the Encyclopedia of the Social Sciences.

Students will find both these works very helpful for reference in their general and in their special college studies.

An inquiry has come to the Librarian from the American Council of Learned Societies, as follows:

"May we ask you a question about the Dictionary of American Biography?"

"The main idea back of this publication was that it would be almost invaluable for libraries.

"You have now had some of the volumes for long enough to get an idea of their usefulness. Is the D. A. B. proving up to the expectations of the Learned Societies which backed its publication?"

"We shall appreciate your estimate of this work."

If the students who use this work will kindly advise the Librarian as to their estimate of the work, an interesting reply to this inquiry might be possible.

How many are using this work and also the Encyclopedia of the Social Sciences? Don't forget to browse among the books in the Reference Room during some of your leisure time. Pleasure of a lasting kind may thus be found—free!

CAMPUSOLOGY

Wanted—
Less competition on Borton's part. —Alfreda.

A moustache with fewer vacancies. —Luginbill.

A glass that won't slip out of hand and fewer flies in the cream. —Star Boarder.

Less flit and warmer mornings. —16,000,000 flies.

A cow that will give five gallons of milk, a hay rack and a few hives. —Howard.

A seven cent nickel, so I'll have 5 cents left for a coca-cola, after buying a stamp for Jean. —Fischer.

Prof. Wise is an example of the way the game affected most people: He said that football games usually bore him but that one didn't. Our proof: the way in which he leaned over the fence blasting on his clarinet after the second touchdown.

Did you ever hear of a person using a victrola to entice girls? Just another case of the spider and the fly.

Miller, it seems, has the edge on Bort, seeing Borton doesn't eat at the Hall. Competition makes all 3 hearts involved beat heavier. Horn in there, Charlie, don't let Norman stage a "come-back."

Coming from Church last Sunday, Kippert, upon approaching Royer, merely ducked, and passed under unnoticed.

Tri-State Logan is now the team mate of All-State from Grand Haven.

The championship of the X.U.V.G. Z. A. A. A. A. was determined in a gruelling battle in Little Grand Circus Park last Wednesday afternoon. The Goldbrickers, coached by Past Grand Master Sharp, were in poor shape due to lack of practice, and just prior to the game, their captain, Austin Leadbetter, was declared ineligible as a professional Goldbricker. Because of these unconquerable odds, the All-Irish team, under the direction of All-State from Grand Haven, won two out of three rubbers.

Crawford was penalized four times last week for taking too much time in the huddle.

PUZZLE DEPARTMENT

Believe it or not, this was taken from the Math., '31, textbook—there really is an answer:

"A man considers buying a piano now. Let P be the probability of its giving him t years hence, a degree of happiness valued at some rate (\$1 per year) which varies with t. Discounting on a 6% basis, what is the probable present value of the piano to him for the next fifteen years?"
Take it home and try it on your own piano.

Puzzle — Find Art and Mary Lib. Two guesses; remember the floor plan of the outside. (We are a little late getting this one in.)

Stan Grimm, in the Kalamazoo College Index, (issue of Oct. 23):—"The M.I.A.A. spotlights this week are focused on the Hillsdale-Alma struggle. Neither team has received an M.I.A.A. defeat this season and it is probable that the winner of this game will be the champs at the end. Both teams are made up of experienced players, but Hillsdale has the edge when it comes to weight. Judging from previous scores made this season, Hillsdale is the favorite to win. After defeating Chicago, Denison, Oberlin, and Kalamazoo, they should be able to add Alma to their list of victims. However, after a very bad start, Alma has defeated both Olivet and Hope with comparative ease and may surprise the Hillsdale heavies."

HOMEcoming PLANS

The big feature of the program for many students and alumni will doubtless be the football game with Alma College, traditional Central Michigan rivals of Central State on the gridiron. Central and Alma have clashed on the football field eight times in the past eleven years; Central has won six games, Alma one, and one was a tie. Alma's squad will come to Alumni Field resolved to tip the balance a bit more toward the Presbyterian side, while Central will be determined that they shall not pass.—From Central State Life.

"The price of the tickets will be \$1.50, a price well within the range of all considering the good time to be had. This will be the great and only chance in which we may have a combined celebration of our victory over Alma."—The Hillsdale Collegian in its issue of Oct. 22.

From the Hillsdale Collegian, issue of Oct. 22: "Saturday Hillsdale meets the strong Alma team. This team is well on the way to another M.I.A.A. championship. It depends on this game if Hillsdale is to win the conference title this year. This is the hardest game of the season. The visitors have a lot of trick formations and a world of plays that should test the real power of the Hillsdale outfit. If the Blue and White win this game they should go through the season undefeated."

plete. Passing again on fourth down, Reynolds threw one thirty yards to Pellegrin for another touchdown. Dunlap's pass for the extra point was grounded.

A lateral and a forward pass took Alma into Hillsdale territory after the next kickoff, but they lost the ball on the 41 yard line. The quarter ended a few plays later, just after Bushnell had caught a 20 yard pass from Brown.

Reynolds returned a punt 25 yards in the third quarter, and with some help from Dunlap made two first downs to take the ball to the Alma 25, where it was finally lost on downs. Borton and Graham made 7, and an offside penalty gave Alma a first down. Brown passed to Potter for another. Hillsdale took time out. Bushnell made 6 on a reverse, but a pass failed and Borton was stopped with a 2 yard gain. Brown kicked outside on the Hillsdale 23, and the slippery Reynolds, who by this time had grown quite obnoxious to the Alma crowd, sprinted through right tackle for 15 yards. There followed an exchange of punts, and Brown intercepted a pass on the Hillsdale 46 just before the quarter ended. Alma could not gain, and Brown kicked out of bounds on the Hillsdale 4 yard line. The effect of the kick was lost when Dunlap smashed through left tackle for 12 yards in two plays. Reynolds kicked to his own 41. Brown and Borton made a first down. Brown passed to Bushnell for thirty yards and a first down on the one yard line. On the second play, Borton went over left guard for a touchdown. Three Hillsdale men were through to block Brown's kick.

Brown kicked off over the Hillsdale goal line, and the ball was brought out to the twenty. Reynolds went through left tackle for twenty yards. Reynolds made 5 more, and Dunlap made it a first down in two plays. The Hillsdale drive was stopped on the Alma 45, and Reynolds kicked outside on the 29. A lateral and a quarterback sneak gave Alma a first down. Wehrly fumbled a lateral pass and Mobily recovered for Hillsdale. Alma took time out. Dawson threw Reynolds for a 5 yard loss on an end run. Dunlap passed to Reynolds for 3, and Reynolds kicked to the Alma 17. Borton was hurt after making a two yard gain, and two passes were incomplete. Standing on on his own 5 yard line, Brown kicked to the Hillsdale 21, where the ball was downed. Dunlap made 5 over right guard, but Reynolds and Dunlap were stopped on the next two plays. Reynolds' poor kick went outside on the Hillsdale 35. Borton made one at right tackle, and Brown shot a long pass to Dawson, who was downed on the 8 yard line. Bushnell failed to gain at right end, but Hillsdale was penalized 5 for offside. Two plays lost 12 yards, and things looked pretty bad for Alma. But Brown dropped back to the 20 yard line and tossed a pass over the goal line to Bushnell, and to finish the job, placekicked the tying point. Reynolds returned the next kickoff some forty yards as the game ended.

coming to rest on the back of the top.

Prof. Clack was the first to speak, and asked if either of the others were hurt; when they answered "No," and in turn asked him he said, "I think my leg is broken." He had been riding directly behind the "jump" seat of the coupe, which was turned forward but with the impact fell back, catching his ankle and foot beneath it. Prof. Ewer got the car window open, got out, helped Miss Gobel get out and then pulled out Prof. Clack. When help arrived they were taken into Stanton where the leg was set and other medical attention given, and later in the evening were brought into Alma.

Professor Clack is now at the Gratiot County Hospital where the seriousness of the fracture has necessitated several X-rays and the keeping of a weight on the foot to keep the bone from knitting shorter. Miss Gobel went home Friday night with a slightly wrenched back, and Prof. Ewer was enough recovered that on Saturday morning he went with the band to Hillsdale and even marched with them although with a noticeable limp.

No arrangement has been made as yet about Prof. Clack's classes.

first touchdown was inspiring and inspired.

For many years now we have had a band which looked up to none among the colleges of the state. This year is no exception. The Hillsdale band was quite paled by the contrast, especially since they did not march.

The game away, to which the band usually goes, is Albion, but this year Hillsdale needed them more and the depression is on; they probably won't get to go to Albion, even though it is their Homecoming.
