NUMBER 24

SCOTS DEFEAT MUSKEGON J. C.

Alma Thinclads Pile Up 81 Points to Their Opponents 41.

The Scots took all but two firsts in the first dual track meet of the season last Saturday as they downed the Muskegon J. C. thinclads 81 to 41 on Davis Field. The Jaycees took a first in the broad jump, the last of the field events, and first in the relay, the last of the running races.

Ralph Scheffley led the individual scorers with four firsts in the two dashes and the two hurdles for a total of 20 points. Louis Wiser, in his first collegiate competition, took the javelin and discus for 10 points. Tilli led the invaders with the first the broad jump, a tie for second in the high jump, and a third in the javelin for 8 points.

The closest race of the day was the 440, in which Tokarz kept on York's heels throughout the race, but didn't have enough left to pass his rival at the tape. A mere three inches separated them at the finish.

Wiser won the discus with a toss of 111 feet 4 1/2 inches, while Lyle Bennett fell behind for a second with a toss of 111 feet 3 1/2 inches. Bennett took the high jump, however, with a jump of 5 feet 5 1/4 inches for first. Schopf and Tilli tied for second.

Riley Block won the pole vault, while the winner last year, Louis Osterhaus of Muskegon, was forced to tie with his team-mate, Schopf.

Hugh Brenneman passed Russ Ludwig in the third lap of the mile to beat him, but Russ came back in the 880 to maintain the lead throughout. Ken Ling was third in both of these events. No two mile was run, although this would have given the Scots nine more points.

Due to the absence of Max Dean and Wadgie Block, the relay team was weakened. Ken Ling and Hugh Brenneman, who had already run two races were drafted to pair with York and Cliff Mapes. Cayan, the Jaycees' lead-off man, took an early lead over Mapes, and although Ling maintained an equal pace with Meeske, Lewis took the lead over Brenneman and the race was won, as York had too big a distance to eat up.

The summary:

120 high hurdles: Won by Scheffley (Alma); second, Lewis (Muskegon); third, Meeske (Muskegon). Time 17 seconds.

One mile run: Won by Brenneman (Alma); second, Ludwig (Alma); third, Ling (Alma). Time 4:57 minutes.

100 yd. dash: Won by Scheffley (Alma); second, Bell (Muskegon); third, Cayan (Muskegon). Time 10.6 seconds.

440 yd. dash: Won by York (Alma); second, Tokarz (Muskegon); third, Mapes (Alma). Time 53.1 1/2 seconds.

220 low hurdles: Won by Scheffley (Alma); second, Meeske (Muskegon); third, Lewis (Muskegon). Time 27.3.

880 yd. run: Won by Ludwig (Alma); second, Brenneman (Alma); third, Ling (Alma). Time 2:12.8 minutes.

220 yd. dash: Won by Scheffley (Alma); second, Cayan (Muskegon); third, Bell (Muskegon). Time 24 seconds.

Shot put: Won by Bussard (Alma); second, Fuller (Alma); third, Walker (Muskegon). Distance 38'11".

Discus: Won by Wiser (Alma); second, Bennett (Alma); third, Heeling (Muskegon). Distance 111'4 1/4".

Javelin: Won by Wiser (Alma); second, Fuller (Alma); third, Tilli (Muskegon). Distance 139'11".

High jump: Won by Bennett (Alma); second tied by Schopf and Tilli. (Muskegon). Height 5'5 1/4".

Broad jump: Won by Tilli (Muskegon); second, Roberts (Alma); third, Lewis (Muskegon). Distance 19'9".

Pole vault: Won by L. Block (Alma); second tied by Osterhaus and Schopf (Muskegon). Height 9'10 1/2".

Relay: Won by Muskegon (Cayan, Meeske, Lewis and Tokarz). Time 3:37 1/2 minutes.

Individual points:	points

Drama Club Will Present "Cloud Burst" in Contest

On May 3 the Drama Club will present "Cloud Burst" at the Odd Fellows Hall for the contest of one act plays which is to be held there at the above date. Practice for this play is to begin this week under the direction of Malonya Wood and Dorothy Hannigan.

The cast of six will include Helen Jordan, Wayne Forrester, Herbert Peters, Arthur Smith, Tassie Jordan, and Pauline Dionese.

Students Learn Huey Will Not Share Costs

University, Ala. — Huey Long may be all for sharing the wealth, but a group of fraternity men at the U. of Alabama recently discovered his plan doesn't include sharing the cost of telephone messages concerning the Kingfish's plan for solving America's economic ills.

As a result of a bull-session, the Alabama students decided to call Huey to straighten out an argument about his plan. The call was put through but one of Huey's assistants refused to call the Senator when asked to pay for the call.

Questioned by the assistant why Long should pay the toll, the students retorted, "Why we thought that if Huey believed in sharing-the-wealth, he wouldn't mind sharing-the-cost."

'THE BRAT' WILL BE SPRING PLAY

Production is Scheduled for May 17; Cast is Rehearsing Daily.

"The Brat", the spring play of the Alma College Drama Club, will be given at the Odd Fellows Hall on May 17th for the students and townspeople.

It is the story of a rising young author and his efforts to find an appropriate model for his story. It is a very clever comedy with Stephen, played by Tolmes Sullivan and the Brat played by Irene Folkert, supplying the laughs.

The play is going forward speedily under the co-direction of Hanley Rosenberg and Holmes Sullivan. Other members of the cast are: Wilma Wright, Alfred Jenkins, John Boergert, Madeline Bale, Dorothy Hannigan, Joy Olney, Ann Campbell, Bud Campbell, Margaret Randels.

This Week to Be Busy One for Pres. Crooks

This week is a very busy one for President H. M. Crooks. He will start Tuesday with a meeting of non-state college presidents in Lansing, Wednesday he will attend the Board meeting of the Presbyterian Seminary, Chicago, then the North Central College meeting in Ann Arbor the next day.

Friday he will go to Detroit and will speak to the alumni of Alpha Tau Omega in Detroit on Saturday. Pres. Crooks will close his week by speaking in the Congregational Church in Saginaw on Sunday.

"Brother, could you spare a dime so I can go to the J-Hop Saturday night. I can't miss that, you know."

STUDENTS VISIT IONIA HOSPITAL FOR THE INSANE

Sociology Classes Inspect Building and Are Shown Several Cases.

On Wednesday 38 students of the Sociology classes of Alma College visited the State Hospital for Criminal Insane at Ionia, an institution in which one out of every four inmates has been connected with a murder.

Though close inspection was impossible because of the large size of the group, for besides the Alma students there were some 40 visitors from Calvin College, the trip was one of the most interesting of the year.

The tour of the hospital began in the women's section. They passed through this part quickly and proceeded to the men's quarters where they were shown the workshops, morgue, medical rooms, etc. After this they were taken to the auditorium to witness a clinic of about ten cases.

Dr. Robertson, the head, explained the institution and then various persons were brought forth. Among the cases was a gangster who had been arrested 41 times in 4 years and convicted once. Another case thought he was running for President, gave a speech, but agreed to take it all back for 50c. A third thought all the time that he was going to be killed.

The outstanding case was that of a big negro, Samson Pangerang as he called himself, who was a wonderful speaker and had hallucinations that he was God. After this the group witnessed the new treatment for killing syphilis by the electrical fever method.

One could not offer a more impressive picture of the sordid and dreadful side of life than a visit to this institution of social misfits, and cast-offs. Though most of them come from other state prisons, they are of every color and from every walk of life. To get these people away from the world is perhaps one of the greatest services that the state performs, the only tragedy being that they seldom get there before committing some crime.

ALMA CATALOGUE APPEARS WITH NEW MAROON COVER

The Alma College Catalogue for 1934-35 has just come out all dressed up beyond recognition in a brand new maroon cover. During the week about one thousand catalogues will be sent out to high schools throughout the state. They will not be available to college students before a couple of weeks.

Kaufmann to Head Alma Beautification Program

It has just recently been announced that Dr. W. E. Kaufmann will act as a chairman for a central committee that will be in charge of the entire beautification program for Alma.

Dr. Hansford MacCurdy, head of the natural science department of Alma College, presented a very valuable discussion of trees and shrubbery before the Alma Civic Improvement League at their initial meeting. His talk dealt with the types of trees and shrubbery most suitable for this climate and some suggestions in planting.

The remainder of the executive group for this work is made up of two representatives from each club in Alma. This work is to accompany the beautification program for the Taft Highway.

DON KAY FAMED IN U. S., EUROPE

Band Was the First One to Be Picked for Detroit DeMolay Party.

This year the J-Hop committees concentrated their efforts on the selection of an outstanding orchestra, and they found the answer to all their prayers in the person of Don Kay and S. S. Scythians, a band of European and American fame.

This orchestra is one of the most popular bands in the collegiate world, but are equally in demand elsewhere during the winter months, which they spend in this country. In the summer they tour Europe, going back and forth on board the S. S. Scythia.

The DeMolay of Detroit selected this orchestra as the first band to play for their Annual Spring Frolic, Friday, April 26, which is one of the largest parties around Detroit in the Spring. They will come directly to Alma from Detroit. Two pianos, many novelties, and very fine singing are the features of the band in addition to very beautiful music.

They have been a very popular orchestra in various hotels throughout the country. The Book Cadillac, Detroit, the Hayes, Jackson, the Kellogg in Battle Creek, and the Statler in Detroit are places where he has been featured in Michigan. In addition he has played numerous engagements in New York, Chicago, Cleveland, and Toledo.

NOTICE
In last week's Almanian the by-line "By Arthur Boynton", appearing under the head "Our Doctor's Thesis" was a mistake, an oversight in proof reading. The author of that column is none other than Anon.

JUNIORS READY FOR BIG PARTY

J-Hop Decorations Nearing Completion; Rumors Leave Us All at Sea.

This week will find the juniors completing the job of transferring the Memorial Gymnasium into the S. S. Merry music, on the deck of which will be given the Tenth Annual J-Hop this Saturday, April 27th, at 8:30.

Although the various committees and the general chairman, Cyril Lewis, are keeping mum as to the details of the decorations and the other plans for this party, we have been able to eke the information that the gymnasium is to be converted into the deck of a ship, which has been christened by someone the S. S. Merry music.

The good old gym as been the scene of a good many outstanding dances in the past years, but it has always been the J-Hop that everyone looks forward to as the best formal dance of the year. In spite of the fact that those in the "know" prefer to keep silent, you may rest assured that the Royal

ALUMNI
Attempts are being made to make the J-Hop the spring homecoming. The advertising committee have sent invitations to all those whose addresses they could secure that graduated in the last four years. We, however, wish to extend this invitation to all alumni and former students of Alma College. Already a number of graduates have signified their intention of returning, and it promises to be a real reunion for many. Tickets may be reserved by writing Cyril Lewis, Alma College, or calling 333. The admission has been reduced to three dollars (\$3.00) a couple this year.

Class of '36 will live up to tradition and present Alma with the highlight of the social season this Saturday night.

For the past few weeks the decorators have been seen plodding wearily home about twelve o'clock after toiling afternoon and night. Occasionally you may hear them ask the color of sea water or mention something about life-preservers, but for the most part they leave us all at sea when we begin to question them.

Katherine McKay and her committee will provide another feature for the party in the form of very novel dance programs, while the orchestra will furnish more souvenirs, which they will bring with them from the Cunard liner, S. S. Scythia.

The ticket sale, which is being managed by Earl Tomes, started last week, and already there is a good advance sale. The price is only three dollars a couple this year, which is the cheapest that the J-Hop has ever been.

All in all from what we hear from others, from what we see in the papers, from what we know, and from the looks of the moon lately the Class of '36 will be in full stride when they present the J-Hop this Saturday.

Don Kay to Play Maroon and Cream and Two Songs Written by Floyd Clark

Among the many features of the J-Hop this Saturday night, April 27th, will be the playing by the orchestra of two songs written by Floyd Clark and the College song, the Maroon and Cream.

Last week the orchestra leader wrote Cyril Lewis for one of the College songs, and the committee picked the "Maroon and Cream", which was written by Professor Hamilton some years ago and was recently arranged by Ted Heth. The orchestra will play this piece for the Grand March.

In addition the committee requested that the orchestra play "Taxi Dancer" and "Let's Get Together," which were written by Floyd Clark and also arranged by Ted Heth. The last two numbers were featured in the recent student musical comedy, "As Thousands Guff".

Freddie Knorr, the leader of the orchestra, was more than willing to play these two numbers during the course of the evening, and he has offered in addition to give his opinion of the songs as soon as he has played them.

There's No "Bull" in This Ad.

EVERY STUDENT GET A STUDENT

STUDENT PROPOSALS

During the past week a number of proposed changes in chapel and class attendance have come from the students, since the administration sought to learn the extent of this feeling by asking all students who desired a new arrangement to hand in letters to the faculty.

Though an objection by a large majority might indicate a weakness, the lack of it should not make any proposal worthless. Mass action seldom exists without being stimulated by a minority, and such action has been taken or planned by those making proposals. However it must be remembered that less than 20 per cent of the students are the aggressive ones as far as campus problems are concerned. For these reasons we suggest that any proposal be judged by its merits and not majority support.

Naturally none of these proposed changes are vital. The College will continue with or without them as it has for fifty years. They may be desired by enough people so that certain students have taken it upon themselves to submit a proposal for faculty consideration. Whether the faculty should take it up or not should depend on whether it is an intelligent and expedient plan or just some individual's safety valve releasing.

Weimer Sent Interesting Pamphlet for Ec Students

Last week Dr. Weimer sent from Washington, D. C., two copies of the publication entitled "A Positive Program for Laissez Faire" by Henry C. Simons, recommending it for the economic students to read. It is the type of books used in the Gov't. FERA Colleges.

In Dr. Weimer's own words, "this pamphlet, I believe, is the best statement of 'problems' and

'ways out' that has appeared, and the bank plan is fast becoming famous.

"Simons is a former instructor of mine and a personal friend. He is a disciple of Knight, and his pamphlet presents pretty much the view of a part of the 'Chicago group'."

There are two copies of this pamphlet on the campus now, and those desiring to read them will find one on the reserve shelf in the Library and the other in President Crooks' office.

G. J. MAIER

Scots at Kalamazoo With Hope Saturday

Saturday the MIAA track season begins in earnest, as Alma and Hope meet the Hornets in a triangular meet at Kalamazoo. The Hornets as the MIAA defending champions are the favorites with the Scots second. Hope with Joe Esther, former MIAA mile champion and Douma, who placed in the dashes last year, is expected to make the meet very interesting with points here and there.

The Hornets, coached by "Chet" Barnard have had a corner on the MIAA track and field title for a number of years. The competition has been getting keener as Hillsdale and Albion have increased their program.

Lampboy is the Hornet's big hope in the hurdles, as he took both events in the indoor meet at Hillsdale last month. Bussard defeated Cameron for second place in the shot put and should do it again. Bennett was nosed out in the high jump, but since then he has regained most of his old time form. York may surprise the spectators in the quarter mile, while Brennehan and Ludwig will make the competition plenty keen in the distance runs.

With Dean and W. Block back in for the relay, the Scots still have a chance for first, although Kalamazoo with several indoor races behind their quartet is favored.

La Royale Societe des Swipes Enjoy Banquet

Last Tuesday evening at 6:15½ o'clock, the twelve regular members of the Royale Societe des Swipes from the vicinity of the College campus held their annual banquet in the main dining room of Wright Hall.

It was the largest stomach packer that they had witnessed for many a moon, and right from the beginning of the bell there was a constant grabbing and nudging, as forks and knives flashed before open mouths. Nothing could stop that massacre of juicy steaks, washed down with coffee, tea or milk. I'll take cocoa, please!

They entered the Hall dressed in dark suits, white shirts, and black bow ties. Of course they had shoes on. They sat down amidst a thunder of applause from the other tables. On the wall in back of the table was the Swipes' banner and pennant of deep black and dark brown.

The table was fit for a king. The Pot-Wallopers had given each Swipe a large candy Easter egg adorned with their names. Such names as John Volk, Kelly Beach, Stan Bussard, Jim Day, and Cac Erickson could be seen for the seniors; Cy Lewis and Dutch Ludwig for the juniors, and Dawe, Malcolm, Reed, Sayles and Bowen for the sophomores.

Every swipe gives three rousing cheers and hearty thanks to Mrs. Scott, Mrs. Elliot, the Pot-Wallopers, et. al. for the most wonderful banquet that ever greeted a swipes' eyes.

College Observes Easter With Annual Breakfast

In a room filled with the colors of a morning sun, singing birds, and yellow daffodils Alma College observed Easter with the traditional Easter Breakfast for students, faculty, alumni, and friends in the dining hall of Wright Hall.

This event began at nine o'clock. The College Choir sang as the people took their places at the big "E" shaped table, which was decorated with nests of colored eggs, daffodils, yellow candles, lavender favor cups, and toy rabbits harnessed to a cart full of Easter eggs.

Before the breakfast Dr. Crooks read the scripture and after the prayer, Professor Ewer sang a solo, after which Miss Hannah Spencer gave a solo on her violin. The breakfast was then served by swipes, wearing many-colored chef hats for the occasion, and consisted of grapefruit cocktail, scrambled eggs, ham, hot-cross buns, sugared doughnuts, preserves, and coffee.

This climaxed the Easter week services at Alma. During the week the chapel hour has been devoted to sermons on the last days of Jesus Christ. On Good Friday there was a three hour service at the Presbyterian Church, for which school was closed in the afternoon. Sunday there was the usual service at the Presbyterian Church at eleven o'clock and a vespers service at four-thirty.

Jean Currie Elected Kappa Iota President

Jean Currie was recently elected president of the Kappa Iota Literary Society for the spring term. The other officers selected at the same time are as follows:

Vice President—Alice Woolley.
Recording Secretary—Charlotte Striffler.

Copres. Secretary — Mary E. Merrill.
Sentinel—Jane Rice.

College, Friends Hear Student Music Recital

The joint recital of Miss Mae Nelson, pianist, and Mr. Elwin Carter, baritone, given during the chapel hour on April 10, was received with enthusiastic applause by a capacity audience, many of whom were outside guests.

Miss Nelson, accompanied at the second piano by Miss Grace Roberts, played two movements of the Mendelssohn Concerto in G Minor. The first movement, Molto allegro con friocol, was executed with remarkable skill. The Andante movement, following in marked contrast to the mood of the first with graceful phrasing and beautiful tone color, showed truly artistic interpretation.

Mr. Carter, accompanied at the piano by Miss Nelson, sang in French the beautiful recitative aria, Vision Fugitive, from the opera Haradiade by Massenet; and also the Green-Eyed Dragon by Charles.

These two very talented young musicians are well equipped for brilliant careers; each has the ability to rise to great heights, and Alma is proud to claim them among their students.

Brenneman Wins First in Divisional Contest For the Peace Orators

Alma College, represented by Hugh Brenneman, won first place in the divisional contest of the state peace oratory, which was held in the Presbyterian Church House at Kalamazoo on Monday, April 15.

The contest was sponsored by the Speech Department and the International Relations Club of Western State Teachers College. The six schools in this divisional meet were Calvin, Grand Rapids Junior College, Muskegon Junior College, Olivet, and Western State Teachers College.

The title of the winning oration was "The New Causeway". Calvin, represented by John Huizenga, won second place with an oration entitled "The Price of Peace". Rex Orton of Western State State Teachers College took third with the oration "Collective Criminals".

Mr. Brenneman will again represent Alma in the finals, which will be held by the Intercollegiate Peace Association in Ypsilanti.

CAMPUSOLOGY

Three little maids
All dressed in blue
With many-colored waists
And anchors on them too
Appeared in Wright Hall
On Wednesday so gay
To hear the praises of us all
At least so they say.

Boyibus kissibus sweet girlorum
Girlibus likebus, wantum someorum
Papabus hearibus loud smackorum
Kickibus boyibus out the doorum

We hear the Brinker's new name is Fido. Just whistle girls and he will come running.

This oath of allegiance business will have its difficulties. How are they going to support what they don't know anything about, and why should they support it if the government doesn't.

Every swiipe but Dawe was able to go to the show after the banquet—what is this power Jane.

Well, Andersen, they say variety is the spice of life.

Boy were things quiet this week,

"Some hot news, copper. They're going to pull off the J-Hop Saturday. You better be there."

but maybe that was because everyone that might do something was campused.

And then there are those people who want to know just who Wadge's assistant is—Temple or Tindall. Maybe the answer depends on which one is around.

We almost forgot about Hill and Glass holding hands on the soc trip, but then it is being done in the best of families, so what.

This party business is just another exchange problem—one J-Hop bid is selling for one formal bid at the present quotations.

To whom it may concern: G. Guider was not campused.

Glad to see you back with us again Pat.

At last, Mary Catherine Craig finally learned to ride a bike, but she can't keep her eye on spectators and trees at the same time yet.

Don't forget the J-Hop.

IR Club Lays Plans for Model League Assembly

The International Relations Club is once more preparing itself for the annual Model League Assembly which is again to be held at Ann Arbor. At the last meeting of the club the latest correspondence from the secretaries of the Assembly in Ann Arbor were read and assignments were made to the members to work on the various committees. Myron Ryher and Mack Crooks are to work on the committee dealing with the question of the Saar and the Revision of the Covenant. George Walker, Claude Knight and Constance Clack are on the International Munitions Traffic committee. On the committee dealing with the Balkan problems Alma will have Ormel Willets, Louise Hurst and Jane Wright. Al Fortino, Art Boynton and Earl Tomes will serve on the Council which will probably discuss for its main topic the Italian-Abyssinian situation.

In preparation the committees named will prepare papers on their respective subjects and read

them before the club at some later meeting when there will also be discussion about the subjects concerned. Later, if it is possible, the best of these may be read in chapel as a part of a student chapel program.

Special Program Instead of Intermission at J-Hop

According to announcement by Cyril Lewis, General chairman for the J-Hop, there will be no intermission during the dance for persons to leave the gymnasium.

Dancing will stop for an interval, however, while the orchestra renders some of their novelty numbers. Arrangements have been made with the orchestra, and they have planned a special program for the time.

Clippings

By Arthur Boynton

Societies have come and gone in the history of Alma College, but Zeta Sigma, Alpha Theta, Phi Phi Alpha, and Philomathean have managed to weather the years. In 1910 history tells us that in addition to the above four there existed the Classical Club, the Scientific Society, the Euterpe Society for musicians, and the Froebel Society for girls in the kindergarten department—all of which have passed away.

Out of the past we learn that Bud Campbell is following in the footsteps of his father, for Roy (Coach to you) in addition to being one of THE letter-men of Alma was also THE sports editor of the Almanian.

Dr. George B. Randels, who graduated from Alma with the class of 1900, was the first alumnus of Alma to receive his Ph. D. He was awarded this degree from the University of Pennsylvania in 1909. When the college celebrates its fiftieth anniversary in 1936, Dr. Randels will have completed his 25th year as a professor at Alma, having been given the chair of Pedagogy and Psychology in 1911.

Spring again and the wing-foots all over the country have started to work for new records on the cinder path. There are two records, however, which were set last year, that may never be equalled let alone beaten. Glenn Cunningham's 4 minute and 6.7 seconds mile and Ben Eastman's half mile in 1 minute and 49.8 seconds will probably remain for our grand-children to aim at.

Profs Make Poor Scores on Tests Outside Field

Princeton, N. J. — Princeton's professors may know their own subjects but when it comes to other fields, they're not very brilliant, the results of a questionnaire given a group of them proves.

The avowed purpose of the exam was to demonstrate "the inability of most modern scholars to answer comparatively simple questions outside their own fields" and the Princeton Alumni Weekly observes editorially that "some of Princeton's most distinguished teachers made lamentable scores."

Spring Formal Clothes the Fashion for J-Hop

What to wear to the J-Hop? If you've got three dollars, you could get in with track shorts on perhaps, but it may interest you to know that this party will be a spring formal.

Attire for the men may consist of full-dress (if anybody has one), white flannels and a dark coat with or without a dress shirt, tuxedos, dark suits, white coats with flannels or tuxedo trousers, or any other combination suitable for such an occasion.

Famous words of Prexy, Clack, and MacCurdy: "Hair today and gone tomorrow."

"Sure, enjoy yourself," said Jim. "It's a ding good cigarette."

I was working way late at the office one night and ran out of cigarettes. When Jim the watchman came through I tackled him for a smoke.

"Sure," says Jim, and he handed over a pack of Chesterfields. "Go ahead, Mr. Kent, take three or four."

Jim said he'd smoked a lot of cigarettes in his time, but he'd put Chesterfield up in front of any of 'em when it came to taste.

... "and they ain't a bit strong either," is the way Jim put it.

That was the first Chesterfield I ever smoked. And I'm right there with him, too, when he says it's a ding good cigarette.

Interesting—how people find out about Chesterfield
