CHOIR TO GIVE SPRING CONCERT

Last Musical Event of the
Year Will Be Given on
Thursday, June 13.

The A Cappella Choir will bring its season to a close with its annual Spring Concert at the Presbyterian church Thursday evening, June 13, at 8 o'clock. Having appeared in several well received concerts throughout the year, Prof. Ewer considers it to have had a very successful season and is already making plans for next year.

After its appearance in Royal Oak, the sponsors of the concert decided to make it an annual event, and are planning for the choir's return next year. The delegates of the Federation of Music Clubs who heard the choir at Wright Hall were also well pleased. Word has been received from the president of the State Federation informing us that they are hoping to have our A Cappella Choir sing in Lansing next fall at the state meeting. If arrangements for the Lansing engagement can be made, the choir will face very keen musicians who will judge very sharply upon the performance.

The program for the Spring Concert has not yet been definitely decided upon. It will include, however, a group of negro spirituals, several numbers of religious character including the Latin "Emittite Spiritum Tuum" by Schuetky, and the beautiful anthem, "Beneath the Cross of Christ" by Welles. There will also be a group of folk songs, one of Russia, and another cleverly arranged song of Ukraine. Miss Roberts will play the organ prelude and offertory.

There will be no admission charge, but a silver offering will be taken. The money is to be used for music. The members of the Choir have worked hard all year and deserve the support of the entire student body.

Awards to Be Given in Thursday Chapel

The Chapel program on Thursday of this week will be devoted to the granting of the awards to various students and teams having won distinction during the past year.

Football, basketball, and track letters and sweaters will be given to those winning this honor for both the varsity and freshman teams.

The Student Council will also at this time give out the awards for boys' and girls' winning intramural basketball teams. Tex Walker's team will receive the cup for this year, while Charles Day's cagers and the sophomore girls' team will be given silver basketballs.

COMMENCEMENT SPEAKER

COL. FRANK KNOX

Dr. A. G. Studer is Guest Speaker at Recent Chapel

Dr. A. G. Studer, who has been for years a prominent figure in Detroit Y. M. C. A. work, was a guest speaker in a recent chapel program. Dr. Studer spoke of his experiences abroad in traveling to "the land of the midnight sun" and in visiting the world-famous Passion Play at Oberammergau.

Reliving the exciting moments of a five-day cruise along the extreme northern coast of Norway, Dr. Studer thrilled the chapel attendance with vivid pictures of lovely isles, the fiords with their miles of cliffs, snow-capped mountain peaks, tremendous waterfalls, and the awe-inspiring phenomenon of a sun which did not sink.

Passing from this phase of his trip, Dr. Studer briefly described the background of the Passion Play and a few of its many impressive scenes. In concluding, he expressed the wish that every student might some day visit both the land of the midnight sun, and the little village of Oberammergau with its Passion Play.

The program promises to be varied and interesting; the musical talent of the students of this campus is quite amazing. Prof. Ewer and Prof. Roberts will present not only students of previous recitals who will rise to further triumphs but also several new students who will make their debut this year. Their performances should be looked forward to with a great deal of interest.

Philos and K.I.'s Enjoy Week-End House Parties

Picnic lunches, swimming, hiking and canoeing were the order for the Philomatheans and the Kappa Iotas last week-end when they journeyed to Crystal Lake for their annual house parties.

On Saturday from 11 o'clock on carloads of Philos barged out to Crystal to enjoy the wonders of nature. The afternoon was profitably spent in getting scorched by the sun in the hopes of acquiring a tan, and paddling around in the galloping waves in the hopes of impressing the natives—and how those natives were impressed—but not by the paddling.

As the shades of evening filtered in upon the happy little group thoughts of food became very important. Weiners, buns, etc., were hauled down to the beach and soon the gals and boys (how they got there, we don't know) were crunching their food.

Evenings have a way of passing, and so came the morning. Golly did everyone look full of pep and vim. After all, sleeping three in a bed isn't what it's cracked up to be. Chanson rolls occupied the attention of everyone during the morning. The afternoon was spent in various youthful occupations.

Finally about 3:30 a rather swellish dinner was served. At least quantity made up for quality. The rain came too late to dampen anyone's spirits, and soon all were back in Alma.

SCOT THINCLADS DROP LAST MEET

Michigan State Frosh Out-
class Alma; Bussard Gets
the Only First.

Although Ralph Scheifley, the Scots' ace sprinter and hurdler, was held down to four points in the dual meet with Michigan State Frosh, he boosted his total to 85 points in the six intercollegiate meets this year. The State Frosh with better material both quantitatively and qualitatively swamped the Scots 106 to 25 in the final meet of the year.

Stan Bussard led the Scots against the State yearlings with a first in the javelin at 147 feet 11½ inches and a second in the shot put. These eight points gave him sixth place in the point scoring of the Scots for the year with 25¼ points.

Two new meet records were set as Waite ran the half mile in two minutes and two-tenths seconds. Russ Ludwig took third in 2:34.5, in the same time that Hall won the MIAA half-mile this year. The Frosh relay team of McLaughlin, McKenna, Hartson and Adcock beat out Alma four for the five points.

Scheifley ran second in the 220 low hurdles and third in the highs, and fourths in the 220 and 100 yard dashes. Ludwig in the half and Brenneman's third in 2 mile were the only other places that the Scots took on the track.

Riley Block took second in the pole vault, and Brenneman tied Guvkelburg for third. Bussard took a second in the shot, Bennett tied for first in the high jump with Kraft. Fuller and Lyle Roberts tied for third with Hartsock and Meadows of the Frosh. Bennett nosed out Fuller for a third in the discus. York took a third in the broad jump.

Five MIAA Track Records Held by Alma Still Stand

The M.I.A.A. meet held in Kalamazoo this year failed to change the records established by Alma. Lambony's record-making run in the 220 low hurdles gave Kalamazoo a tie with the Scots at five each for the number of records held.

McComb of Alma's 1910 class and Walker of Kazoo, '14, share the honors in the hundred at 10 seconds. Hillsdale and Albion each hold three of the remaining six records.

Other records held by Alma were set by Bentley, '25, in the 440 yard dash with a time of 59.7 seconds. Norman "Bull" Borton set the discus record in 1922 with a throw of 132 feet 7 inches, and the next year he jumped 5 feet 11½ inches for a new mark. The mile relay team of 1915 set a time that is still to be beaten when they ran that distance at 3:31.8.

33 SENIORS TO LEAVE COLLEGE

Bid Farewell to Buildings
Thursday; Col. Knox to
Speak June 15.

Thirty-three seniors, after completing their final examinations next Tuesday, will bid farewell to the Buildings of their Alma Mater at the promenade of the campus which will bring a close to the Senior Day of the traditional Commencement week program.

This day will begin with a breakfast at the home of President and Mrs. Harry Means Crooks and at eight o'clock the A Cappella Choir will give their Grand Concert at the Presbyterian Church.

Friday will be devoted to the Trustees and Alumni. At ten o'clock the Board of Trustees will hold their annual meeting and will lunch with the faculty at noon. In the afternoon there will be a golf tournament for students, alumni, faculty and trustees, and at four o'clock Dean Steward will give a tea for the Mothers of Seniors at Wright Hall.

At six the Alumni will hold their dinner and business meeting at the Odd Fellows Hall, and at nine o'clock President and Mrs. Crooks will hold a reception for all friends of the College at their home.

At nine forty-five Saturday morning the Academic procession will mark the beginning of the final exercises for the graduating seniors. They will proceed from Wright Hall to the Memorial Gymnasium for the Commencement exercises.

Colonel Frank Knox, '98, will give the principal address for this occasion, which is scheduled to be in at ten o'clock. At noon the graduates and their families, alumni, trustees, faculty families, and visiting clergymen will enjoy a Commencement luncheon in the grove.

The following are the members of the Senior class: Robert Anthonisen, Kellogg Beach, Lyle Bennett, Lora Boutin, Robert Brown, Stanley Bussard, Ward Campbell, Gordon Clark, Don Davis, James Day, Spray Dehnke, Ruth Dickinson, Paul Dittie. Gertrude Elliot, Jean Fowler, David Glass, Alvin Hill, Virginia Hill, Richard Johnson, Walter Emery Kendall, Marian Laman, Helen Lelsza, Florence McCallum, Marion Nummer, Myron Reyher, Florence Schwartz, Mary Smith, Dorothy Striffler, John Volk, Mrs. John Stanley Volk (Claire Wilson), Jess W. Ewer, Helen Walker, and Alice Woolley.

Schreibers Plan to Tour Northwest During Summer

"Nature and art are the two greatest teachers," is the belief of Dr. Schreiber, and that explains the presence of the house car in his garage, for he plans to spend the summer observing the natural and artistic beauties of this country with his family.

"See your own country first" has always been his motto. He advises all to observe and know by seeing the culture and natural phenomena of America before going to Europe.

His trip as planned will take in the northwestern part of the United States. With a desire to see the remote and uncommercialized places, he has equipped his car to carry supplies for eight days or more, so that he may leave the beaten paths and explore and excavate about the country by himself.

A rifle, a diary, and a camera will make up the most important part of his equipment, for he hopes with these to bring back a good account of his travels to be added to his present collection.

Miss Ward to Entertain Alpha Thetas With Tea

An afternoon tea and a breakfast for their mothers will be the last of the social activities of the Alpha Theta Literary society for this school year.

On Saturday afternoon of this week at 4 o'clock Miss Ward will entertain the members and patronesses of this society at a tea in her home.

On Saturday morning, June 15, the members of the Alpha Theta society will give a breakfast for their mothers at Wright Hall.

THE DICKIE MEMORIAL ROOM

This year Alma College was very fortunate in receiving as a gift from Mrs. Dickie the furnishings for a special room in Wright Hall, which was to serve as a memorial to her husband, the late Dr. James Francis Dickie of Detroit.

Prior to the gift the College did not recognize the need for such a room, but since completion, the room and its furnishings have been used numerous times by the various organizations on the campus. Sororities, music groups, faculty, the International Relations Club, and other groups have all made use of Mrs. Dickie's gift, which has made their affairs far more pleasant than before the room was available.

We wish to express our appreciation to Mrs. Dickie once again, though the best way that this can be shown is by the use that the students and faculty have made of this gift. The generosity of Dr. and Mrs. Dickie has provided Wright Hall with one of its finest features, and we are all truly grateful.

FAREWELL

In less than two weeks the commencement exercises will mark the end of another year. Thirty-two seniors will pass from our numbers, and all will bid farewell to their Alma Mater and go on their individual ways for the summer months.

To you who will graduate this June and leave to take up your work in the world we say farewell, but embodied in that farewell is a prayer for your future happiness and success. We hope that you may serve as enlightened men and women in a world that is in so great a need of such persons. Carry with you the Christian ideals in whatever walk of life that may be yours.

As the time comes to part, let us forget the trivial things that may for the moment divide us and that are after all very unimportant, and close the year in the same spirit of friendly cooperation with which we began in the fall. And as we say our farewells, let them not be said with a tone of finality, for the graduates still have just as great, if not a greater, part to play in the progress of our institution. It is as one—faculty, students, and alumni—that we build.

Thelma Von Eisenhauer To Sing in Alma Friday At Presbyterian Church

Mrs. Thelma von Eisenhauer, soprano, and Mr. F. Dudleigh Vernon, organist, will give a joint recital at the Presbyterian church Friday evening, June 7, at eight o'clock.

Both are musicians of distinctive ability. They come here under the auspices of the Methodist church and are donating their services as a benefit to the Methodists in their efforts to replace their building which was destroyed by fire early this spring. Alma is seldom able to present artists of such distinction, and their recital should be of great interest to all who love good music.

Mrs. von Eisenhauer possesses a beautiful lyric soprano voice, having had extensive experience as a concert, oratorio, and church singer. For several years she has been soprano soloist at the Metropolitan Methodist Episcopal church in Detroit, and has appeared a number of times with the Detroit Symphony Orchestra. For the coming summer she will be connected with the Bay View School of Music at Bay View, Michigan.

She received her early musical training at the University School of Music at Ann Arbor, and at the Detroit Conservatory of Music.

Mr. Vernon is organist at the Bay View Summer School and also at the Metropolitan Methodist

church at Detroit, one of the most important positions of its kind in the country. He has a studio at Jackson and also is head of the Organ Department at Albion College.

Seniors to Hear Possible Candidate for Presidency

The Commencement exercises for the class of 1935 will be especially distinguished by having one of the most potential candidates for the Republican presidential nomination, Colonel Frank Knox, as the main speaker.

According to the New York Times, numerous Republican leaders, and several outstanding political writers in popular periodicals, Colonel Knox is one of three who stand the best chance of being nominated by the Republicans in 1936.

Col. Knox left Alma in '98 to join up with the Rough Riders under Leonard Wood and Theodore Roosevelt. This association is naturally no drawback in the present race.

Further qualities and facts that make him very desirable include his liberalism but his opposition to the New Deal. The fact that he is in the central west and situated in a state with a large electoral vote are other things that the Republicans can not overlook.

Women's League Gives Spring Sport Dance

The Memorial Day holiday was ushered in last week when the Women's League gave a spring sport party in the Memorial Gymnasium on Wednesday, May 29.

It was an informal stag-dance. Slim Ruggles and his orchestra provided the music. Jane Allen was general chairman for the affair, and Opal Hines was chairman of the orchestra committee.

Chaperones were Dean Steward, Professor and Mrs. Jesse W. Ewer and Professor and Mrs. W. E. Kaufmann.

Students Forced to Earn Own Way Through School Excel in Marks at U. S. C.

Students who are forced to earn their way through college tend to excel both in scholastic ability and achievement those whose expenses are paid by parents, according to a survey just completed at the University of Southern California.

Comparisons were made between Trojan students participating in the Federal government's program of part-time jobs for college men and women and those who were not engaged in SERA projects. From data secured from freshman scholastic aptitude tests it was found that SERA students made an average score in the tests of 72.12 as compared to 70.53 for the non-SERA students.

During the first semester of the 1934-35 school year scholastic achievement records of 424 SERA students revealed that as a group they surpassed by 33 per cent of the range between the marks of C and B a group of 498 non-SERA students selected at random.

This difference was accounted for by the greater earnestness of purpose in the one group and not to their scholastic aptitudes.

Claude Knight is Elected President of IRC Tuesday

Claude Knight was elected president of the International Relations Club for next year at the banquet given by Dean Steward last Tuesday night, marking the final meeting of the year.

Seated at a table decorated with the flags of all the nations the group enjoyed a dinner of fruit, filet mignon aux champignons, Pemmies de terre frites, Mais Beurre, Salads Alpine, Petits pains, Beurre, Confiture, Creme glatee avec chocolat, Gateau, et Cafe. In the center of the table was a large cake decorated to look like the American flag, and miniature world globes were the favors.

The Club completed its activities for the year by presenting the Memorial Day Chapel. Alfred Fortino was the principal speaker for this occasion and gave a most interesting talk on the Mockery of Mankind in the Great World War. The program began with the singing of "America" and then after a short Memorial Day poem, General Logan's Orders dedicating the first Decoration Day in 1868, were read. Between this and Mr. Fortino's speech there was a silent pause in honor of those who lost their lives in past wars and John Boyd blew faps.

REFLECTIONS

As I stand, or rather sit, at the end of another year and look back, I can't help but think that maybe I made a mistake in writing that editorial on Elections. At least the wrong people, as far as I was concerned, took the advice to be sure and vote. But of course the fact that nearly a hundred persons did not vote provides me with a good alibi, for I can assure myself (even though no one else will believe it) that they would have all voted for me.

Seriously, though, it has been a most enjoyable year. Every member on the staff and a good many other students have given willingly of their time and effort, and together we have tried to put out a paper that would live up to past standards at least.

There are those to whom I want to give special thanks for the work they have done this year. Bud Campbell has given me the

greatest assistance with his stories on the sport activities of Alma College. Earl Tomes' editing several Almanians has been most helpful, and Florence Schwartz, Jane Allen, and Dorothy Hannigan have handled the news from the sororities and Wright Hall. Others are Alfred Fortino, Dan Tenney, Genevieve Guider, Hanley Rosenberger, Claude Knight, Ted Heth, and George Walker—only to mention those who have all year helped in publishing The Almanian.

Spring seems to be the time for honors. Now that the May Queen has been chosen, we have the task of selecting the candidate for the Scattergood cup. Two years ago it was William Goggin, while last year Miss Edith Davis was awarded the honor, and this year it will be _____?? Your guess is as good as mine.

Every campus selects one or more "queens" during the year for this or that. But we like especially the newest queen at the U. of Indiana. She is the "Needle Queen," and instead of parading

about with only a bathing suit on, (not you, of course, Florence) the stipulations are that she must wear a complete dress—a home-made dress at that! The best dress wins the award. And doesn't that give you a back to the soil and pancakes for breakfast feeling.

Pre-Medical Club Elect Officers for Next Year

Last week the Pre-Medical Club of Alma College held the final meeting of the year and elected officers for the school year of 1935-36. The following will take office next fall for the entire year.

President, Claude Knight.
Vice-President, Ronald Bowen.
Secretary and Treasurer, MacDonald.

This year with the cooperation of local doctors the club have had some very interesting meetings. Most of the work is devoted to pictures on various phases of medical practices.
