SEASON ENDS

Frosh, Thursday afternoon at Davis Field, but came out on the short end of a 9-5 score. Heine Adams started for Alma, but was relieved by Ramsey in the 8th. Adams pitched good ball but costly errors lost him the ball game. Mack started for State and was relieved by MacArthur in the 8th. Bill Ramsey hasn't allowed a hit or a run in the last seven innings he has worked as a relief hurler.

State Frosh scored four runs in the first inning after two were out. The next two men walked and scored on a single. The next batter also singled, sending the runner to third. The runner came home on Johnson's error.

Alma got a run in the last of

on a walk and two hits. They garnered three more in the seventh, on a walk, two hits, and two er-

Alma scored in the last of the error, and he romped home on Plowman's triple to right field. Plowman came home on Humiston's long fly to contorfold. ton's long fly to centerfield.

Michigan State Frosh made two double plays-one in the last of the third when Adams lined to second baseman and Humiston was trapped off of first. Their second double play came when Johnson fanned and Adams was thrown stealing by the catcher.

HERE JUNE 26

Weeks' Program for H. S. Students Led by McCracken.

The Summer Conference of the Presbyterian Youth Synod of Michigan will conduct its annual religious week from June 26 to July 3 here at Alma college, to be attended by over two hundred and fifty high school students from prominent and less prominent Presbyteries of the state. The courses offered will combine religious sociology, Bible study, young people's work and general recruation during their stay here.

Ten leaders in church education will offer their services in the lecture and discussion courses at the college, coming from all over the state, and donating this time for the Conference, John McCracken, superintendent of young peoples work for the Michigan Presbyterian church, will officiate at the gathering and will be in complete charge of Alma's conference.

Four conferences will be held through July in Michigan; one at Lake Michiganni, in the Upper Peninsula, at Walden Woods in Jackson, at Petosky and at Alma.

The students will occupy the two dormitories and girls of the college will serve the meals in Wright Hall.

ART CLASSES SEE DISPLAYS

Miss Katherine Ardis' painting class made a trip to Detroit on Friday, June 2, to study various artistic works there. They visited the Detroit Federal Art Project where they watched sculptors at work. Next they went to the Na-yal Armory and met Mr. Hildelbrand who carved in plaster scenes of sailors within this building. Finally the group attended the Institute of Arts, and there saw a Wayne University exhibi-The day was concluded by having dinner at Betty Dick's

E

Scots in Sports *************

When the rain came last Saturday morning, causing the postponement of the Lawrence Tech, game, it brought the 1939 baseball season to an abrupt close. This season, the second for baseball here since 1929, but the first as a college-backed sport, was rather unsuccessful in games won and lost, but was successful in that it has firmly reestablished baseball here. It has also been a big factor in bringing back as an M.I.A. A. sport, a plan that is now afoot. The record for this year was three won and eight lost, victories coming over Michigan State Normal, Central State, and Grand Rapids C., while the Scots bowed to Hillsdale, Western Frosh twice, State Frosh twice, Central State, Grand Rapids J. C., and Lawrence Tech. The victory over Ypsi, a splendid 5-3 triumph, was the season's highlight.

The credit for baseball's comeback is due to Charlie Skinner, the administration, and Coach Max Davis. It was Charlies who got baseball started after a lapse of ten years, when he organized and managed last year's team through a tough seven-game schedule. This year he drew a really tough twelve-game card, and played on as well as managed the team. Without him we probably would not have baseball today, and so to Charlie Skinner must go a great deal of credit for the comeback and future of baseball at Alma. The new administration was very fine in its cooperation with the team. New uniforms, and a complete new set of equipment were purchased, and baseball was given a good start by the college. Credit and thanks should also be given to Max Davis who has coached the team for the past two years. Max gave his time and knowledge of the game, and did a fine job. He is very popular with the team and the boys hope he'll be back next season. Charlie Skinner, Chuck Humiston, and Tem Plowman are Seniors who have played their last game for Alma, but most of the squad is composed of freshmen and sophomores, so the prospects are bright for baseball next year.

With the sports calendar for 1938-39 brought to a close, we Player and Pos. can look forward to next year Adams, with football leading the way. The Hackenberg, Scots should go well next year under co-captains Smith and Mac-Garvah, and may be the surprise team in the conference. With veterans MacGarvah, Carter, Ziem,

Scot Golfers Rate Fourth in M.I.A.A.

Alma College's golf team finished in fourth place this year in MIAA competition. During the season the team won ten games, lost eight, and tied one. The team started off the season in a slump

realistic by the presence of the refugee students. Special emphasis will be given to meeting the needs of the refugees. Illustrative field trips will be made to the wealth of surrounding labor, agricultural, and metropolitan centers.

The student body will be stricted to fifty students, carefully selected to insure a representative group. The cost for the four weeks will be 305. A limited number of scholarships will be available. Students and groups inter ested in the camp should address inquiries to the Work Camp for Democracy, 2 W. 64 St., New York

Live snails are swallowed as a tuberculosis cure by poor whites in some parts of the southern United

Inhabitants of Trinidad have a three-in-one fruit combination that would be a God-send to soda jerkers who have to fill all sorts of combination sundae orders for college students. The monistera deliciosa, a native plant there, has the combined taste of bananas, pine-

Leather shoes are a rare luxury among China's poverty-ridden masses and are worn but once a year on birthday anniversaries.

· We wish to thank the Seniors and the other College students for their patronage and wish them a successful future.

COLLEGE LEADS

Will Officiate at Farewell.

church will this year be in charge of the college. Ktverond Anthony ha invited Dr. Dunning asd Prof. Fadden, who have borpe the brunt There it has to wash out the Hamilton to officiate. The service, which climaxes four years of townspeople.

The service will be held during the usual Sunday program next Sunday morning, June 11. The Alma College Chapel Choir will sing for the occasion.

Former Students

Donate to Library

The Alma College Library has recently received three gifts worthy of note. One is entitled "Angels Don't Marry," and other one act plays, written by .Mr. ami Mrs. Colin Clements. Mrs. Clem-1 ents was Florence Campbell, a I music student in Alma College in! 1914 and 1915.

The second is a book ••ntitled "The McDonald Telescope," commemorating the dedication and the formal opening of the McDonald Observatory of the University of of Texas, a gift of Warner and Swasey, Co., Cleveland, Ohio.

The third gift is entitled "Topical Review of American History," written by Clarence L. Williams, M \setminus .. who received his bachelor's degree from Alma College in I'Jliv.

A recent Mill Morrison quote: "Don't enumerate your poultry till the process of incubation has fully materialized."
