## Prof. Clack Weds Son In Chapel

Anna Mae Carter, daughter of Mr. and Mrs. E. J. Carter, and Hugh Llewellyn Clack, USNR, son of Mr. and Mrs. Robert Clack, were married last Saturday afternoon in a beautiful ceremony at Dunning chapel. The groom's father read the service.

The bride, given in marriage by her father, wore a white satin gown with train and floor-length veil. She carried white roses.

Miss Elizabeth Miller, maid-of-honor, wore rose taffetta, trimmed with velvet. Bridesmaids were Miss Elizabeth Mayville, who wore blue; Mrs. Mildred Early, dressed in chartreuse; and Miss Betty Jane Phillips, who wore lavender. Miss Phyllis Walkendorf, dressed in blue, was flower girl.

Gordon Clack was his brother's best man. Ushers were Ralph Brown, Robert Phillips, Jack Howe, and Wynne Clack, brother of the groom.

Mrs. Paul Hurrell was organist. Before the ceremony, Miss Isabelle Purdy sang "With a Song in My Heart" and Miss Lois Fowler sang "Because."

Following the ceremony, a reception was held in the basement of the chapel.

Mrs. Clack, a senior at Alma college, will return to school following a wedding trip. Her husband, Pharmacist Mate 3rd Class, stationed at Port Angelus, Washington, will return to duty.

## "WHAT IS MAN?" TO BE DISCUSSED SUNDAY EVE

The Religious Life Committee has planned a series of meetings on vital contemporary issues. It is planned to discuss such topics as War and Peace, Naziism and Economic Issues from a Christian view point. This Sunday night the topic is "What is man?" The meetings will be held in the basement of the chapel at four-thirty o'clock. The meetings will be followed by the regular Sunday evening meal.

## PHI PHI ALPHA NEWS

The Phis have been having nightly "Music Appreciation Hours" in which they discuss the qualities and differences of popular and classical music. The gatherings are strictly informal, and everyone expresses himself strenuously, and usually simultaneously. "Rug-cutter" Mattison and "Shufflin' Gabby" Gillard beat out the rhythm to the popular favorites, and "Maestro" Jacque Hensel acts as guest conductor of Harold Hartt's symphonies and B. B. Baker's operas.

The Phis were surprised Friday with a short visit from Technical Corporal James Cotter, who is now an instructor in finance at Fort Benjamin Harrison in Indiana. Jim, known as "Pewamo," was graduated last June as an economics major, and was vice-president of Phi Phi Alpha and business manager of the Almanian. The Phi house underwent a thorough cleaning for a brief visit by Miss Miller last Saturday evening. "Ruthie" said the cleanliness was remarkable, especially since (at least, so said the boys) it is like that all the time!

## Christian Ideals Present New Road

"The key ethical message of the Bible is that man must always study carefully his relationship with other men," declared Dr. Frederick Roblee in his chapel address yesterday. Dr. Roblee stated that one of the greatest reasons for the present war is that men still think in narrow, selfish terms.

Dr. Roblee, minister of the First Presbyterian church of Bay City, is guest speaker for Spiritual Emphasis week. His talk yesterday was entitled "The Future's Broadening Way" and his text was Isaiah 40:3.

The speaker listed the three main topics of the prophets as man's duty to God, man's duty to man, and the meaning of suffering and its use as a means toward a goal. (Continued on Page 2)

## 98 MAKE ALMA HONOR ROLL

Six students earned a three-point average for final grades of the semester just completed. Those with an A average are Ann Carter Clack, Elizabeth Miller, and Virgil Weeks, seniors; Robert Milham, junior; Robert Howe, sophomore; and George Thompson, freshman.

A list of other students with a two-point or higher average follows:

**Seniors:** David Kinney, 2.86; Shirley Wenger, 2.86; Virginia Reiberg, 2.85; Edwin Bradford, 2.81; Janis Freiermuth, 2.71; Dona Peterson, 2.69; Wilber McCrum, 2.50; Edwin Owen, 2.40; Phyllis Koepfgen, 2.38; Katherine Peshke, 2.38; Mary Jo Furstenberg, 2.33; Silena Luchini, 2.33; Marjorie Croft, 2.27; Lois Ritchie, 2.26; William Pink, 2.25; Virginia Feighner, 2.21; Donald Allured, 2.20; Warren Heitman, 2.19; Donald Gillard, 2.18; Lois Hawkins, 2.18; Helen Dehnke, 2.14; Paul Hurrell, 2.11; Beverly Hopkins, 2.05; Richard Fishbeck, 2.00; Elizabeth Mayville, 2.00; Robert Hubler, 2.00; and Sutherland Hayden, 2.00.

**Juniors:** Warren Wille, 2.86; Duane Waters, 2.80; Christine Agorgiantis, 2.73; Maurice Willets, 2.60; Veda Crewe, 2.57; Jack Heimforth, 2.50; Donna Francis, 2.47; Barbara Malcolm, 2.47; Carl Wickman, 2.46; Marjorie Hines, 2.39; Frank Spadafore, 2.39; William Newton, 2.38; Beulah Brace, 2.38; Vera Baney, 2.35; Harry Dittmar, 2.33; Mary Catherine Bell, 2.33; Marjorie Kuehn, 2.32; Charles Pullman, 2.30; Mary Anne Bowen, 2.27; Harold Jacobs, 2.14; Kenneth Plaxton, 2.13; Lenore Meyer, 2.08; Jean Huff, 2.00; and Rama Kirkwood, 2.00.

**Sophomores:** Elizabeth Aron, 2.86; Lucille Brown, 2.68; Lois Fowler, 2.63; Isabel Purdy, 2.59; Myrton Leslie, 2.56; Betsy Ross, 2.56; Margaret Davis, 2.56; Helen Olander, 2.53; Shirley Sharpe, 2.53; Alma Barber, 2.50; Bruce Butler, 2.50; Gilbert Koch, 2.50; Emma Richter, 2.42; Margaret Jones, 2.36; Charles Rodgers, 2.29; Catherine Rowell, 2.26; Carolyn Sanford, 2.24; Patricia Williams, 2.24; Dorothy Strauss, 2.22; Nancy MacLoed, 2.17; Ruth Kreulen, 2.12; Janice Rorem, 2.06; Kenneth Swanson, 2.06; Helen Milham, 2.06; Charles Parrott, 2.00; and William Sellon, 2.00.

**Freshmen:** Doris Somers, 2.76; Ruth Edwards, 2.64; Betty Slatting, 2.59; Marlen Yoder, 2.59; Carolyn Ridley, 2.56; Jane Patton, 2.50; Lydia Sivani, 2.38; Marjorie McCarty, 2.31; Phyllis Babcock, 2.24; Marjorie Bow, 2.22; Dorothy Oliver, 2.22; Margaret Peshke, 2.06; Phyllis Johnson, 2.00; Margaret Mason, 2.00, and Robert Dengler, 2.00.

## Graduations, Enlistments Lower Enrollment By 10%

### Nine New Enrollments Bring Alma Total to 244

"The Administrative council is optimistic and pleased with the second semester enrollment," commented Professor Roy Hamilton, chairman.

"The enrollment held up remarkably well for the second semes-

ter," stated Registrar Robert Clack. "The shrinkage in the four college classes is exactly ten percent from that of the middle of last semester. The enrollment at that time was 271; now it is 244."

The present enrollment is comparatively high in spite of the men entering the armed forces, and the one senior man and seven senior women who completed their work at the end of last semester. The above figure does not include the extension courses in chemistry taught by Dr. Ralph Seifert and Dr. Sam Moffett at Midland, the special music group, or the half a dozen other special students who are not candidates for degrees.

### 95 Men in Reserve

However, about 35 men in the Enlisted Reserve corps are subject to call any time after February 15. About 60 other men belonging to the Navy, Marine, or Air Corps reserves have been quite definitely assured deferment at least until June.

Five new students have entered the freshman class: Kenneth Adler, Wilbur Armstrong, and Jean Paterson of Detroit; Theodora Miller of Romeo; and Wynne Clack of Alma. Four upper classmen who are former students have returned to finish their work.

The detailed registration in the four college classes is as follows:

	Men	Women	Total
Seniors	27	21	48
Juniors	36	19	55
Sophomores	39	32	71
Freshmen	37	33	70

**Total** . . . . . 139 105 244

With these who finished their courses January 30th, the graduating class in June will probably have 56 members, 28 men and 28 women. It will be the first time in recent history of the college when men graduates have not outnumbered the women by a considerable margin.

## Debaters Have Full Schedule

Alma college debaters face their heaviest schedule during February when they will compete in contests at Michigan State, Albion, and North Manchester, Indiana. Inspired by a fine turnout of new talent and the return of twelve veteran debaters, the squad is drilling hard under the watchful eye of Professor Wesley Rowland, director of forensics.

All students interested in entering the oratory, or prose and reading contests are urged to see Professor Rowland.

The complete speech program for the second semester is as follows:

Feb. 13—Men's tourney, Michigan State

Feb. 20—Women's tourney—Albion

Feb. 22—Oratory, local contest

Feb. 26, 27—North Manchester tourney

March 5, Oratory—Kalamazoo  
March 10—Local contest (Interpretive reading)

March 12, 13—Kappa Delta tourney—University of Detroit

March 13—Freshman tourney—Kalamazoo

May 7—Prose and Poetry reading—Michigan State

## KI TO GIVE FACULTY MEN COFFEE THURSDAY

Dispensing with tradition and custom in favor of originality, Kappa Iota will entertain the faculty men of Alma college at a coffee Thursday evening at the home of Coach and Mrs. Gordon A. Macdonald.

As the details are a closely guarded secret, we can only disclose the fact that the affair is being planned as much from a man's viewpoint in regard to food and entertainment as a sorority could plan.

Committees under social chairman Beulah Brace are headed by Lois Fowler, Patt Williams, Marjorie Croft, and Betsy Ross.

## LIBRARY AIDS EARLY TERM PAPER WRITERS

You've decided to surprise everyone and get to work early on those term papers? Why not drop around at the library for some help. There you will find handy mimeographed copies of sample entries for setting up a bibliography.

Directions are given for references from books, parts of books, joint authors, encyclopedia articles, and periodicals, complete instructions are given for footnotes referring to books, periodicals, anthologies, and collections. In addition, explanations are given for abbreviations commonly used in footnotes and bibliographies.

## A CAPELLA CHOIR TRYOUTS START

Students interested in applying for membership in the A Capella Choir may try out now. Professor Eugene Grove will be in his studio in Clizbe house Wednesday between three and five o'clock and Friday between two and four o'clock for trials.

## TALE OF A CITY

Starting next week in five installments

Gestapo: "Warsaw is really ruled by the Gestapo, a law unto itself." Once it became settled in a former ministry on Szucha Street "with some one thousand officers and five thousand troops, no life could be called his own."

## Frosh Have Their Day . . .

"Each college is made up of four classes—seniors, juniors, sophomores, and freshmen. And of these, the freshmen are the lowest."

Poor, lowly freshmen that we are, we have just spent one semester of a dog's life in Wright hall. For a whole semester we have been beaten into submission

and told of our worthlessness by seasoned upperclassmen. First they called it freshman hazing, then they called it discipline and showing the freshmen the ropes. But by whatever name it was graded, it was a constant grind of 11 o'clock curfew, opening doors, and more doors, speaking to people whether or not they ever bothered to answer, and standing back while upperclassmen sauntered past. Then to further improve our minds and characters, we were subjected to lectures, browbeatings, and duckings at frequent intervals.

But now the worm has turned (speaking figuratively, of course). Due to some complicated seasonal affairs called "rushing," we have suddenly been treated like equals or even better, by upperclassmen, whom we have become aware of as sorority women. Never in our lives have we felt so important—spreads, cokes, favors and flattery have been piled at our feet for the past week.

## Drama Club to Choose Three Act Comedy

A comedy will be chosen for the three-act play to be presented by the Drama club, March 19. Jim Hupp, Dona Peterson, and Lydia Silvani will choose the play.

Shirley Wenger and Harry Morley have been appointed to determine who are eligible for membership in Alpha Psi Omega, a national dramatics society.

There will be a meeting of the club at four o'clock this afternoon in the speech room. Club dues for both semesters should be paid at once.

## Dear Committee:

There are certain persons on campus "with a passion for anonymity." These people seem to believe—rightly so—that the Almanian has more than a smattering of writings from Delta Gamma Tau men. Perhaps these writers don't realize the facts! Early last semester the editor sent letters to all campus organizations requesting that they turn in their publicity, writings or whatever they may wish to appear in the paper. Since that time he has turned down only one piece of copy which, in the news world, was dead. It was more than three weeks old, not only that, it did not reach his hands until after the copy deadline for the issue.

January 31 at 10:30 P. M. there had been written and turned in to him but two articles other than straight news—one being the Zeta Sigma news. During his time as editor there has been no copy turned in by the Student Council, none by the Co-op Council, none by some of the other organizations on campus. If they cannot turn in copy at deadline time—Friday evening before the issue—why should not the organization which is willing to be of assistance turn in the copy. Certainly the editor would have been happy and glad to make up a non-partisan paper, but this is impossible with the lack of cooperation which has been received lately.

When there is copy, the Phi Phi Alpha fraternity writes the best. In as much as they have interests in such important organizations as the Student Council, why do they not turn in material from this? Last year Bruce Mellinger did a notable job for this organization in his weekly Student Council Notes.

Until there is more cooperation from campus organizations, the editor cannot guarantee the non-partisanship of the paper. Moreover, any criticisms of the paper, which at any time are certainly welcome, that are not signed can only show one thing, the weakness of the persons responsible for such criticism.

## Men Get Brush Off for Night Shirt Party

Did you notice that many of the men on campus were tagging it last Friday night? Seems the WAA, which organization includes every lassie in Wright Hall, was giving a bang-up party in Ye Olde Chapel Rec Room . . . President Lenore K. Meyer for once could just sit back and watch the unfolding of a very successful affair . . . She had turned the planning of everything over to a very capable group of frosh who took over beautifully . . . They put all the things into this party which makes every WAA party something to look forward to . . . The three main ideas behind these get-to-gethers are: a theme which will enable the gals to let their hair down, good food, games and dancing.

The theme of the party required all those attending to wear their flashiest PJs, or "Look Pert in Your Nite Shirt" to quote one of the posters . . . we would say the flashiest outfits were worn by Dottie Oliver and Allison, whose polka dots helped brighten the aspect of things we're sure . . . To Wadley we can only say Wow! Such sophistication! . . . Janie Patton came looking for all the world like Topsy, but cute in spite of it all. Ah, this natural beauty . . . We've never saw Rama look more loovely . . . The final fashion note is that Red was the predominant color . . .

Coffee and sugar donuts amply filled the food bill . . . The games were a riot in every sense of the word . . . Most memorable sight—Marge Bow and Jeannie Macdonald vying for that last chair. Guess who won? . . . The dancing was a mixture of Virginia Reel and jitterbugging with a dash of the Conga on the side.

To finish up the evening those

brainy frosh presented a sort of skit written and directed by Lydia Sylvania . . . Dottie Oliver was the heroine, a victim of too many spreads, and her nightmares were very realistically depicted by her supporting cast, Nettie Wilson as Hermes; Nan Finlayson, Jo Hardy, Amy Middleton, and Allison Smith as apparitions (whatever that may be), and Lydia did a fine job of reading the script . . .

Well, Lennie, you may give WAA a pat on the back . . . It was a grand party.

## REV. ROBLEE

(Continued from page 1)

He asserted that these three ideas are directly applicable to the present times.

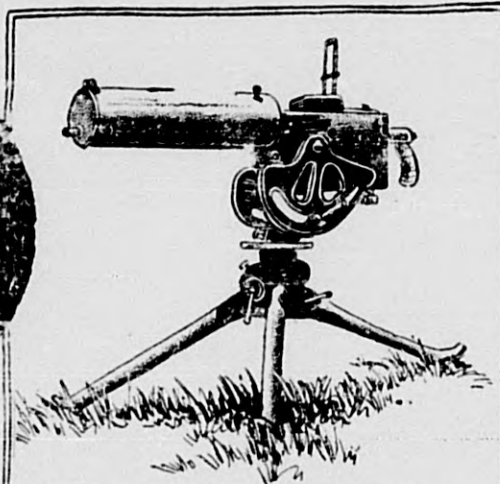

According to Dr. Roblee, our duty to man is, as the text suggests, to prepare the way to God. Our duty to man is to study the economic productive possibilities and moral issues, and to strive for race equality as a means of establishing a just and lasting peace. Using as an example men from his own parish, the speaker stated that many who are fighting in the war are fighting not just for self, family, home, or nation, but for God. They are using their suffering to bring men to God.

This morning Dr. Roblee spoke on his own spiritual development and reasons for being a Christian. Tomorrow his message will concern the human response to God.

A University of Kentucky student newspaper survey concludes that women students are "exhibiting more spunk, courage and bravado than the manly male" under war conditions.

NO COLLEGE HAD A PHYSICIAN ON ITS STAFF UNTIL AMHERST APPOINTED DR. JOHN W. HOOKER IN 1859!

IF EVERY COLLEGE STUDENT IN THE COUNTRY BOUGHT JUST ONE \$25.00 WAR BOND, IT WOULD AMOUNT TO ENOUGH MONEY TO BUY 5000 MACHINE GUNS!

ALL CITY COLLEGE OF NEW YORK BUILDINGS ARE CONNECTED BY TUNNELS . . .

ONE PERSON IN FORTY IS A COLLEGE OR UNIVERSITY ALUMNUS!  
(APPROXIMATELY 5 1/2 MILLION)

## Knowsey Knews

Well, here is another week again. I wonder if the wedding Saturday has had any effect on any the campus Casanovas. We heard Bruce Lindley say that it looked darn good to him. (Applications will be in order for a new nurse). Liz, after a big struggle, caught the bridal bouquet. Wonder what Don will have to say when he hears this.

It sure seems funny to see the Frosh ruling the roost around here now. All we can say is that they had better take advantage of it for it won't last long.

We hear that Jim and Ken have an addition to their room. Well, it is nice to have a girl's picture even if it is another fellow's fiancée. We saw Neil out with Jan the other night. (if at first you don't succeed, etc.)

Now that Tubbs is happily "pinned," who's next? We saw Morley and Elliott in the old chapel the other night. You're wrong, she was singing to him. (touching?) Ed Owen and Rama look darn nice together and it seems good to see Ed out and around.

Here's hoping that Hartt enjoys Valentine's day to the very utmost. Wonder what happened to Le Duc's romance. It virtually brings tears to our eyes that we no longer see Miss Four-by-Four (Myrt) and Mr. Five-by-Five (Sud) together.

## FROSH GIRLS

(Continued from Page 1)

And the wonderful food these older girls can throw together is certainly something to dream about. To think of the delectable dainties we've been missing for a whole semester truly breaks our hearts, which are easily influenced by food.

For the sake of peace and well-being in our food-conscious minds, we wish someone would confirm or end the rumors we've heard that upperclassmen have not always spent most of their time preparing and eating such delicious food. However, be it permanent or temporary, here are some little frosh that are all for this "rushing" business.

"What sorority do we plan to pledge?" Of course we haven't had time to decide yet, but why rush these things—we've got a whole night to toss about in before the day we must state our choice—sometime in the distant future. Until then, it's a wonderful life!

Two hundred twenty-six of the University of New Mexico's 1,200 students are from states other than New Mexico, and five are from foreign countries.

Publication of "Writing From Observation," a textbook in freshman English, written by members of the Wayne university department of English, is announced by Harcourt, Brace and Company.

## Cheers For Cooks

We have cheered our teams loud and strong for their swell work but now the time has come, we think, to direct our cheers to a different part of the campus—the kitchen.

With rationing and so many shortages of certain foods we know it is tough to please everyone all of the time, but Miss Miller (Our Ruthie) is doing a fine job.

Behind the scenes are Mrs. Elliott, the head cook, and her assistant Mrs. Lindsey. Those chocolate eclairs, good pies, and hot rolls are all the products of Johnny the baker. The salads are the work of Mrs. Pease.

You of the kitchen staff are all doing a swell job and we don't want your work to go unheralded. Keep it up!

## International Relations Club Meets Monday

The International Relation Club will meet Monday, February 15th, in the Chapel Recreation Room at 4:00.

Miss Foley will give the background for the Free French Movement. The latest international relations books will be reviewed by Shirley Wenger.

Everyone is invited. This should prove worth-while especially in the present day.

Wayne university recently received a gift of \$500 to aid in development of a branch of the Hooker Scientific library.

# Scots Break Even for Away Games

## YPSI DEFEATS ALMA IN CLOSE CONTEST

Alma's Scots lost their fourth straight road game last Thursday when they went down to defeat before Michigan Normal in a close contest 48-41. This was the same Ypsi team which Alma defeated in the second overtime game by a score of 53-51 just three weeks ago. Coach Macdonald's experiment which put Dud Emling at forward and moved Bob Howe back to guard worked so nobly against Western State last week that it was continued in the two games this week.

The Scot attack was clicking at the start of the game and Emling scored two quick dog shots while Wares connected for one to give Alma a 6-0 lead. Sampier hit a streak of one hand push shots and Ypsi led 11-9 but Fortino sank 3 free throws in a row to make it 12-11 in favor of Alma. Normal

called time out and when play resumed they showed some beautiful teamwork and scored on a pass from Shada to Nemeth who tipped in a dog shot. The game reverted to a race horse type of ball and by half time Ypsi had forged their way into a 24-21 lead.

### Second Half

In the second half Ypsi pulled out to a 31-25 lead only to have Emling and Wares collaborated to tie the game at 32 apiece. However Gilday, Normal's high scorer, racked up 3 quick dog shots and Ypsi took a lead which the Scots couldn't threaten for the rest of the game. Jake and Hoppy Howe scored four more points each but this wasn't enough to overcome the lead which Normal had built up and the Green and White emerged victorious by a score of 48-41.

Gilday, Normal forward, was high point man with 17 points. Emling picked up 14 points for Alma and was by far the best man on the floor with his passing and bucket shooting.

In defense of the high scoring Howe Bros. it might be added that Jake and Hoppy were forced to play this game under the strain of knowing that their mother was lying in a hospital bed, having just undergone a serious surgical operation.

### Box Score:

Alma	G	F	T
J. Howe	2	3	7
Emling	7	0	14
Wares	5	1	11
Fortino	2	3	7
B. Howe	2	3	17

# Scots Take Rough Game from Albion

## ALMA CAGERS GAIN WIN IN MIAA GAME—63-49

The Alma Scots made it two games in a row last night by taking a victory from Albion 63-49. This game left Alma very much in the race for MIAA laurels. The game was fast and rough all the way, with each team scoring freely.

Wauthier opened up the scoring by potting a long shot from the floor. Bob Howe tied it up with another long. Then Bensley and Isaacs put Albion in the lead 6-2 and Bob Howe sank another long for Alma. Albion took time out and when play resumed Emling tied up the game with two buckets. The game was close in these early minutes with both teams bidding for the lead, although Alma held it most of the way. With Alma in the lead 12-10 Jack Howe began to get hot and sank two dogs, and the Scots retained their lead. Wares sank one and Jack came back with two more baskets making the score 18-16, Alma's favor.

Isaacs sank a long for Albion and Fortino clicked for his second bucket of the evening. Jake Howe scored ten points in a row, he flipped a one hander from the corner, then stole the ball for a dog and put in 3 longs. The score was 30-20. Bucky Walter put in a long from the side and Isaacs sank a dog, just before the whistle. Score at the half, Alma 32, Albion 22.

### Second Half

At the beginning of the second half the game became a race horse affair with Albion getting hot. Isaacs and Nester did the scoring in this spree but Howe, Fortino, and Wares combined to keep a 7 point margin on the Alma side. With all members of the Alma squad clicking and playing hard consistent ball they kept increasing their lead over the Britons. The Albion boys were trying hard and the game was shifted from one end of the floor to the other with each side slipping in buckets from all angles.

Then the game developed into a battle royal and there was plenty of rough playing during these last minutes and two players were ejected from the game. But the Scots couldn't be headed off and went on to a 63-49 victory. Jake Howe took the scoring honors with 26 points while Isaacs was high for Albion with 20 points. It was a good game for the Scots and if they play the same brand of ball against Hope they will stand an excellent chance of getting a share of the MIAA championship.

## Burr Manby Voted Most Valuable Player

Burr Manby, captain elect of Hillsdale grid team, was awarded the MIAA trophy as most valuable football player. Manby, star on the Dale eleven, was given this high award by the ballots of the various teams in the league. He is a leader on the campus in social activities and is President of the Delta Tau Delta Fraternity. He was the best man on the Dale team when they met the Scots here at Alma and is regarded highly by the Scot eleven.

Our own Darb Tait placed a close second in the balloting and should be given much credit for the success of the Scot eleven this past year.

Having outgrown its office space occupied since 1922, headquarters for the University of Michigan ROTC is now housed in a former fraternity house.

# SCOTS TO MEET HOPE; WESTERN

## Deciding Game of M.I.A.A. to Be Played at Alma

During this coming week the Alma Scots will have two games which will undoubtedly be the toughest of the entire season. They play Western Friday, on the Broncos' home floor and it has been on this floor that the Broncos have really hit their peak. Then on Monday the Scots meet the Dutchmen from Hope here in Memorial Gym. This game will probably decide the winner of the 1943 M. I. A. A. basketball championship.

The game on Friday with Western will be another grueling contest with the Broncos having the advantage of playing ball on their home court. Since being defeated by our Scots, the Western team has regained its winning ways and will be plenty tough to stop this second time. Harold Gensichen, Western's cage star, will be at his best on the home court. It has been on this floor that he has played his best games. The hugeness of that hardwood court is made to order for his type of play. Any of those remembering last year's game at Kazoo will know that the gym at Western resembles a coliseum in size and gives the home team a decided advantage.

### Hope Here Monday

On Monday the Dutchmen will be here for the game at 8:00 with the Scots. The Scots defending champions of the MIAA will be trying to avenge their earlier defeat at the hands of this Hope team. By doing so they will have a chance of at least splitting a tie for the 3rd title in a row in basketball for an Alma team. When the two teams met earlier in the season, the Dutchmen couldn't seem to miss the bucket. Every shot they took seemed good and their passing was perfect. Even their own coach admitted that he had never seen them click so perfectly.

On the other hand the Scots were in the midst of a slump and couldn't get clicking. It is hoped that with the Hope team playing here the tables will be turned and Alma will turn it on with something resembling their Western victory on their last appearance at home.

With games like these scheduled there isn't a person on campus who can afford to miss the home game with Hope. You won't see better basketball anywhere in the state.

## Co - Rec

The Riverdale high school girls' basketball team defeated Alma college girls 12 to 4 last Thursday evening.

The lineup for Riverdale was Brownridge, Rockefeller, and White, forwards; and Fisher, Elaine Schnepf, and Kellicut, guards. Eleanor Schnepf substituted. Rockefeller was high scorer for Riverdale with 6 points.

The Alma college lineup was Coley, Kirkwood, and Silvani, forwards; Wilson, Edwards, and Wadley, guards. Substitutions were Wunderlich, Buff, Patton, Smith, Bow, Titus, Finlayson, Taylor, Middleton, and Bowen. Smith and Edwards scored.

The game was refereed by the Riverdale coach. Marie Monteith was timekeeper, and Helen Olander was scorekeeper.

Junior College by the overwhelming score of 73-46. The Scots had earlier defeated the Jaycees in Alma by a 75-28 count. The Alma attack still rather ragged but it was improved over the Ypsi game.

J. C. employed a zone defense and from the start of the game it was a field day for the Alma forwards. When the forwards were tied up they flipped the ball to Hoppy Howe at guard and he pushed in long shots. Hoppy started the scoring with a long shot, followed by Emling on a dog shot. Emling scored on two foul shots and a dog. The Scots held a 15-6 lead. Simon and Tews scored four field goals and Jake scored on a beautiful hook shot. Score: Alma 17, J. C. 14. Katz entered the game for Emling and immediately scored on a southpaw shot from the corner. Hoppy and Katz scored two more each, then Jerry tipped in another just as the half ended to give the Scots a 39-22 lead.

**Second Half**

J. C. grabbed the honors at the start of the second half. Tews, J. C. forward, made four quick field goals enabling Bay City to pull up to 41-31. Alma then came back with Hoppy and Jake scoring seven buckets between them. Jake, Dud, and Hop scored in quick succession. With Alma leading 66-36 the varsity went to the showers and Katz, Budge, Hanna, Yoder, French, and Walters finished the game. Yoder made two buckets, the first on a beautiful pass from French after the latter dribbled the length of the gym.

Hop and Jake Howe came back gain top honors in the box score, to gain top honors in the box score, netting 20 and 15 points respectively. Emling again showed well scoring 13 points to tie with Tews, J. C. high point man.

ian" awards Orchids 'n Onions to some of the fellows. Well, that is all well and good but the gals feel that they rate an award too, so suppose we do something a bit different this week and hand out a nice, big, beautiful turnip to Miss Jean Smith's girl Junior Commandos. The old saying that "you don't get blood out of a turnip" is certainly being put to shame at Alma college.

The girls tell us that Miss Smith is a wizard at rigging up new exercises for them to try out. They go to every commando class with the fullest expectations of having to walk across the gym ceiling on their knees or some such horrible trick.

All joking aside, though, we salute all you brave Junior Commandos for sticking to it regardless of the resulting aches and pains. We might add also, just to give you renewed faith, that your leader, Miss Smith, reports to us that you are all coming along fine and will some day be able to show your strength with pride. And to you new girls, please don't back out—some day you'll look back and laugh at yourself for the weakling that used to be you.

*The Navy Goes to College*

WASHINGTON—(ACP) — As students left the nations' campuses for holidays at home, the Secretaries of War and Navy— with approval of Manpower Commissioner Paul V. McNutt—announced the long-awaited college training program for service men and servicemen-to-be.

Loose ends of the dual program still need to be tied together. For example, just how men are to be chosen for the college work isn't yet clear.

Which colleges will be selected for training centers is another unanswered question, although secretary of Navy Knox has said "We will give special consideration to those (colleges) with meager financial resources whose existence is threatened by the war."

Main provisions of the plans, as they affect both Army and Navy, are these: Army men 21 years and under, and Navy men 22 and under, may apply for the college work.

Nothing in the new plans will affect existing contracts of Army or Navy with colleges.

Men selected for college training will wear uniforms, be on active duty and receive service pay. Soldiers will go to school as privates, seventh grade; sailors as apprentice seamen.

Civilian professors will do most of the teaching.

Main provisions of the Army plan, known as the "Army Specialized Training Program:"

Men chosen for college training will be drawn from enlisted men who are taking, or have finished, basic training. Exceptions are medical, dentistry and veterinary students in the enlisted reserves who will continue their studies under the new program in an active duty status.

Medical, dental and veterinary students not in the reserves may finish another semester of college. After that, they apparently will be subject to selective service and will have to qualify for training under the new program in order to continue their education.

Pre-medical and pre-dental students and junior and senior engineers, whether or not they are in the reserves, also may finish another semester in college.

All other students in the reserves may expect to be put on active duty soon. All other students not in the reserves are subject to the draft—now.

The Navy's side of the new program is known as the "Navy College Training Program."

Normally, students in this program will be picked during their senior year in high school.

At a "date to be announced," all V-1, V-5 reservists in college will be placed on active duty as apprentice seamen, and V-1's and V-7's then may continue their studies under the new plan at least through their junior year. Those who qualify as medical, dental, engineering and theological students may complete their professional studies.

V-5's may complete the year "current at the time of their enlistment or transfer to V-5."

Students now holding probationary commissions may resign "at a date to be announced," enter the new college program, and be commissioned again later.

**MANPOWER PLAN**

Now that general outlines are drawn for the Army-Navy college program, the War Manpower Commission is working on a similar plan which would provide college training for prospective civilian war workers, including both men and women.

This plan should take up some of the slack in college enrollment, which has dropped about 14 percent in the last year. That's assuming the government finances such education. Extent of financing depends upon how much money congress will appropriate.

Principal courses of study probably would be medicine, chemistry and engineering, although McNutt has said liberal arts will not be overlooked.

Wesleyan university has recently added a navy pre-flight school.
