ALMA, MICHIGAN, TUESDAY, MAY 13, 1947

NUMBER 26

Helen Hayward Elected As Queen of Scots

To Rule over Annual Campus Day Festivities At College Wednesday, May 21.

Helen Hayward, senior from Detroit, will rule as Queen of Scots at the annual Campus Day festivities Wednesday, May 21. Elected by the student body, she will be attended by the following court: Seniors, Marion Morgan, Waynesville, N. C., Jean Patterson, Grosse Pointe Park, and Mary Ellen Thompson, Cassopolis; and juniors, Betty Ellis, Saginaw, Marilyn Temple, Detroit, and Orthella Anderson, Crosswell.

The coronation ceremony is scheduled for 1:30 in the afternoon in the Grove, with Student Council President Steve Nisbet, master-of-ceremonies.

Miss Markine Traynor, social director, and Elizabeth Whiting, Standish, social chairman of Student Council, are general chairmen of the event. Miss Jean Ann Barney, Saginaw, is in charge of decorations for the coronation, assisted by members of the women's physical education classes.

The Highland Fling is in charge of Helen Gracie, Detroit, and tumbling is being planned by Shirley Dittmar, Clawson. Co-chairmen of the maypole dance are Phyllis Stevens and Flossie Lifton, both of Detroit. Co-chairman of the freshman daisy chain are: Ella Orr, Farmington, and Virginia Bryan, Hazel Park.

The traditional tug-of-war between the frosh and sophomore men will be in charge of Coach Steve Sebo and Rocky Walker, Perry.

(continued on page two)

'46 Grad Gains Coaching Position

James L. Hicks

James L. Hicks, '46, has signed a contract to become head football coach at Fremont high school, Fremont, Michigan. He has resigned his position as director of the Alma Community Center which he has held for the past year, to become effective July 1.

Jim entered Alma College in the fall of 1939, following graduation from Mackenzie high school in Detroit. He was active in college athletics, making guard on the All-MIAA football squad and also participating in baseball and track.

In March of 1943, he was called to active duty with the enlisted reserve corps at Alma College. He served in the Pacific Theatre with the Army Air Forces from Australia to Tokyo, directing recreational activities for his squadron.

While on Leyte in the Philippines, Jim organized a baseball team which had quite a record. His secondary work in the AAF was in the communications branch.

Following his discharge from the AAF, Jim returned to Alma College to complete his education. He was a member of the 1946 Scots varsity track team.

Helen Hayward

Zeta Sigma Formal Held Sat. Night

The annual Zeta Sigma formal dinner-dance was held last Saturday evening at the Mt. Pleasant Country Club. Over fifty couples enjoyed dancing to the music of the Swinging Scots Orchestra.

Co-chairman of the affair, Dick Scheanwald and Bill Wendt made all arrangements, and each of the ladies in attendance wore gardenias and were presented bracelets as a memento of the occasion.

Chaperones for the dance were Mr. and Mrs. Richard H. Darbee, Miss Jean G. Fyfe, Mr. Gerald Butler, Miss Charlotte Klein, and Mr. Wendell Cole.

VETS MUST REGISTER FOR SUMMER SCHOOL

The following information is presented for those veterans intending to attend summer school this year. If the following procedure is followed the delay in procuring supplemental Certificates of Eligibility will be cut to a minimum.

1. A predated official notice of interruption from the institution accompanied by a completed VA Form 7-1908 and a written request from the veteran must be sent to the Veterans Administration.

2. Institutions must be informed that a request for a supplemental Certificate of Eligibility will not be honored unless it is accompanied by a predated official notice of the interruption giving the effective date as the end of the current school year.

3. VA Form 7-1908 must be executed by both veteran and Training Officer.

4. The veteran trainee must furnish a written request for the supplemental Certificate of Eligibility, stating therein that he intends to continue his present course of training at another institution, and the commencing date of the summer course.

The trainees, as well as the institution, should be made aware of the fact that another supplemental Certificate of Eligibility

(continued on page three)

Speech Dept. Banquet May 15

The Speech Department of Alma College will hold its annual banquet on Thursday, May 15, at 5:30 p.m. in the Chapel Recreation Room.

Annual awards will be presented to first year debaters; and Robert Nixon, Detroit and Grant Wessel, Saginaw, will become members of Tau Kappa Alpha, National Honorary Speech Fraternity.

Those who have participated in forensic contests during the year will be invited guests. Outside guests will include Dr. and Mrs. Roy W. Hamilton, Dr. and Mrs. Josiah V. Roth, Dr. and Mrs. Paul Rice, Mr and Mrs. Earl Peterson, Mrs. Irene Harwood, Mr. and Mrs. Reid Brazell, Dr. Lyder Unstad, Miss Jean Fyfe, Miss Charlotte Klein, Mr. and Mrs. William McFadden and Professor and Mrs. Westley Rowland.

The program will consist of the presentation of awards, music, and an address by Dr. Roy W. Hamilton.

HIGH SCHOOL SPEECH CONTESTS MAY 16

The forensic contests of Region D of the Michigan High School Forensic will be held Friday afternoon, May 16, in the Alma College chapel, under the direction of Professor Westley Rowland. Contests will be held in original oratory, extempore speaking, dramatic declamation, and oratorical declamation.

High schools which will be represented in the contests will be Standish, West Branch, Coleman, Clare, St. Louis, Ewart, McBain, Reed City, White Cloud, Big Rapids, and Midland.

Participants in extempore speaking will be Kenneth Sivier, Standish, Robert Sanborn, Clare, Joanne Brown, Big Rapids, and James Clark, Midland; In oratorical declamation, Tommy Shannon, Standish, Jean Vanderpool, Coleman, Eva Mae McLachlan, Ewart, Myrtle Beyer, Reed City, and Wilma Rutherford, Midland will be the participants. Competing in Dramatic Declamation will be Biddy Monaghan, West Branch, Ann Bicknell, Clare, Nelva Belkema, McBain, Bernice Frantz, White Cloud, Barbara Biery, Midland. Participants in original will be Pat Sullivan, West Branch, Jacqueline Hawkins, St. Louis, Pauline Peel, Ewart, Saloce White, White Cloud, and Doris Gross, Midland.

Judges for the contest will be

(continued on page three)

Co-Editors Chosen For Frosh Edition

Virginia Smith, Mayville, and John Metheny, Alma, members of the freshman class have been selected as co-editors of the "frosh" edition of the ALMANIAN to be published next Tuesday. Art Fowler, Lake Orion will assist them as Sports Editor.

The traditional green edition of the campus publication will appear with all news stories and special feature articles written by members of the freshman class.

Virginia Smith- Grant Wessel Gain National Speech Honors

Virginia Smith, Mayville, and Grant Wessel, Saginaw, were rated "superior" discussion participants among the 120 students representing 20 colleges at the Seventh Annual National Discussion Conference of Tau Kappa Alpha, national honorary speech fraternity, held at Western Michigan College on May 8, 9 and 10. Miss Smith was rated the highest of any woman participant and, along with Mr. Wessel, had a point score of 402 which in the total ranking tied them for fourth place.

Because of the outstanding work of Miss Smith, she was asked to participate in a broadcast over WKZO, Kalamazoo.

In addition to his outstanding work in discussion, Mr. Wessel won second in the national after-dinner speaking contest. He was defeated by one point by Jack Padgett of the University of Denver.

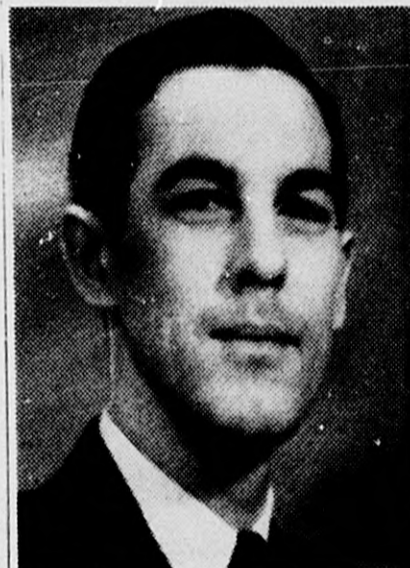

Alma was represented at the three-day conference by Grant Wessel, Saginaw, Ned Lawson, Alma, Al Kligman, Hazel Park, Bette Adams, Mason, Beverly Winston, Detroit, Jean Messecar, Alma, Virginia Smith, Mayville, Nan Harden, Saginaw, Doris Miner, Saginaw, Art Fowler, Lake Orion, Ed Rouleau, Alpena, Joyce Gardner, Walkerville, Bill McMillan, Farmington and Robert Nixon, Detroit. Miss Jean Fyfe, Dr. Lyder Unstad and Professor Westley Rowland accompanied the group as critic judges.

Among the participating colleges were Notre Dame, Purdue, Manchester, Muskingum, Denison, South Dakota, Cornell, Kalamazoo, Western Michigan, Wabash, Evansville, University of Denver, Roanoke, Rutgers, Stephens, Bridgewater, and Texas.

Alma College had the distinction of having the largest delegation at the conference.

The question of discussion at the conference, which was divided into 6 sub-topics, was "What Should Be Done to Settle the Conflict Between Management and Labor."

Steve Nisbet Wins Dempsey Award

Stephen Nisbet, Jr.

Stephen Nisbet, Jr., son of Mr. and Mrs. Stephen Nisbet, Sr., of Fremont, Mich., was elected as the most outstanding athlete of the Class of 1947, Alma College, and is to be awarded the Jack Dempsey-Adam Hat Sports Trophy. Election for this honor was held last Thursday morning in a special chapel program.

Steve won his first varsity letter as a member of the Alma Scots track team in 1943, when, running for the first time in college, he won both the indoor and outdoor mile and two mile championships in the Michigan Intercollegiate Athletic Association.

While in service with the Marine Corps, Steve ran as a member of the Oberlin (Ohio) College cross-country team. This team won the National Junior AAU championship in 1944.

Returning to Alma College in the spring of 1946, Steve ran the half-mile, the mile, and the two mile as a member of the 1946 Scots varsity track team. He is defending champion in the two mile for the MIAA meet to be held this Friday, May 16, at Kalamazoo College, Kalamazoo.

Last fall Steve led the MIAA in the 4 mile cross country run, and is listed as reigning champion.

This is the first award of the Jack Dempsey-Adam Hat Trophy to a Scot senior. The trophy is handsome looking, and is now on display in Coach Sebo's office. It is to be awarded annually to the senior elected by the student body as its most outstanding athlete. Alma College is one of the more than 400 colleges and universities which is presenting the trophy to one of its seniors this year through the generosity of Jack Dempsey and the Adam Hat Company.

DR. ROTH IN DEMAND AS GUEST SPEAKER

Dr. Josiah V. Roth, Dean of Religion has the following speaking engagements listed for the next three weeks.

On Wednesday, May 14, Dr. Roth addresses the Women's Association of the Presbyterian Church at Northville, Michigan.

Thursday, May 22, Dr. Roth will deliver the commencement address at the Crystal High School, Crystal, Michigan, and on Thursday, June 5 he will be the commencement speaker at the Carson City High School, Carson City, Michigan.

Watson Snow Brave Flames

Chuck Watson and Buzzy Snow turned out with the volunteer fire department of the City of Alma to fight a small fire which broke out on the roof of Wright Hall yesterday afternoon shortly after 3 o'clock. Damage was very slight, the fire being confined to a small portion of the roof.

Chuck and Buzzy were helping in the spring cleaning of the Phi House when someone noticed smoke drifting over from Wright Hall. Upon closer investigation, it was determined that a small fire had developed in the eaves in one corner of the roof.

A call to the local fire department brought the new fire truck speeding to the scene, and when the ladders had been raised, Chuck and Buzzy were among the first to climb up.

Buzzy returned to the ground just before the ladders were taken down, but Chuck remained on the roof for a few minutes longer, which necessitated him returning to the street via the halls of the Girl's dorm.

It was rumored that the fire was touched off by sun-bathers. Enough said!

DETLOFF, McMAHON SPIN OFF ON BIKE

Danny Detloff and Paul McMahon borrowed the ALMANIAN bike yesterday afternoon, and in less than ten minutes had a fender with an auto downtown. Danny and Paul suffered no injuries, but the bike came out minus three spokes in the front wheel, and a bent frame. Needless to say, the editor is not very happy.

Editorial

THERE COMES A TIME

Next week the green edition of the ALMANIAN appears on the scene, the "Frosh" edition, which is to be representative of the ideas of the freshman class.

In years past, the freshmen have considered it a privilege and accepted it as a grand opportunity to show the rest of the school just what it could accomplish as a class. The edition can be written in its entirety by two or three persons, and such has been the case in some instances. The criteria, however, of a good freshman edition would be wholehearted cooperation by at least 50% of the frosh in the make-up of the paper.

Thus, those of the Class of 1950 have a challenge to meet. The opportunity is not one to be missed.

Do you have constructive ideas for the betterment of the school, and in this case specifically, the school newspaper? Are your gripes just automatic responses? Are you willing to help?

The editors of the frosh edition will need as much voluntary help as they can get. There are any number of small but important jobs that go into the publishing of a paper. Alma College awaits the next issue of the ALMANIAN with great expectations, as the largest freshman class in its history takes over to express what they themselves expect in the school paper.

Lots of luck frosh!

PHI-LIP

Bicycle riding has taken the spotlight lately. No doubt you have seen some of the boys out riding around the local metropolises, some being so brave as to venture out onto the open road. Take Steve Nisbet and Bill Davis, for instance, they rode over to St. Louis with Dockie and Donna just for a warm coke. They must have wanted that coke awfully bad, that kind of thing could run into work for my money.

With the Phi formal in the near future, there is quite a bit of preparation going on around here and it looks like it will be a gala affair. Art Freet is doing most of the work and he's doing a real fine job too.

According to the latest rumor, the old mansion is about to get a face lifting in the way of a paint job. I won't say that it needs it or anything like that but it ought to look quite nice by the time we get through. There have been a few suggestions for other improvements, too, that may be put into effect before long and then we will be real proud of our humble message.

DELT NEWS

Yale Glee Club or Delt Glee Club, what's the difference? We have both, plus the Whiffenpoof Song at the mansion on the corner of Center and Maple. Come on over some time and join in the song fest.

Believe-it-or-not Section

Dick Hook cleaned his car. Waite Palmer gave up a night's studying for a bull session. Ed Peshke got up before 7:00 a.m. Bill Cornwell stayed home from the golf course one day. Handsome Jim Davison combed his hair in the mirror without admiring himself. Bud (big brute) Kohler let a mere sailor and dogface toss him out of an upper bunk. Show the girls your skinned legs, Bud.

We welcome back a former Delt, Barney Roepke and a prospective student, Day DeVine. I noticed they were admiring the beauty of the paddles. Believe me, that isn't all they are used for.

Orchids to Glenn Sempsrott and Wanda Bigler on their marriage. The best of luck to you both.

Orchids also to James Davidson and Miss Martha Bradsher, both of Flint, on their engagement.

"The Wedding Bells Are Breaking up That Old Gang of Mine."

GI HALL

Whether you have realized it or not, the end of the Spring session is in sight. Our boys are making their summer plans, the most definite being the California trip planned by Bob Gerholz. Most of the boys plan to earn a few dollars to help finance next term and a few will take to summer school. (This does not necessarily mean that they have a fond attachment for their studies).

Don Womack and Bob Rudisell have been feeling pretty spry lately. Don's been turning cartwheels since Helen was elected Campus Queen. I don't know what to attribute Bob's reactions to, all I know is that he's been high-jumping over everything possible—everything, that is, except a certain picket fence. Trousers are rather expensive these days, aren't they Bob?

QUESTION OF THE WEEK: Dick Wing, did you have a good time last Saturday?

HELEN HAYWARD

(Continued from page one.)

Mrs. Julia Roecker and Donald Converse, Alma, head the art committee, and music is being planned by Professor Eugene Grove and Philip Daab, McArthur, O.

Trophy and softball awards will be presented during the Campus Day ceremonies.

Faces and Places

R. Jay Smith

Some guy in China once had the right idea when he said that "one picture is worth a thousand words." With slight alterations and modifications of this idea, I believe that an entire philosophy of life could be built around this phrase. Take for instance our chapel speakers this year, or for that matter the past fifty years. They have all been fine and sincere men with a profound message to offer. Perhaps their ideas were obtained through experience, or maybe insight and intuition or perhaps they just read them out of a book. But the old Chinaman was still right—One "living example" is worth a thousand sermons. That is why we are so extremely impressed when men such as Lt. Whittaker and Joseph Schnitzler get up before us to give a chapel address. We can see in them the "living example" of all the philosophical and religious expoundings that we have here-to-fore heard. Of course we can't all build our codes completely on such "living examples" for our personal or even distant contacts with them are few and far between. However time tried the idealistic philosophies of most of our chapel speakers may be, it is still refreshing to us to hear such men as Mr. Whittaker and Mr. Schnitzler, to prove to us that righteous integrity is not entirely a matter of simple faith as many would have us believe but also an iron constitution and will, plus a trust in ones self to overcome all odds. It is not that we have any complaint against righteousness for righteousness sake, but rather that too many people stand as the symbol rather than the example.

Next to track and baseball and of course a few unmentionable things, tennis seems to be about the most favored among the spring sports. It's a game not only for boys but also for the girls which makes it twice as much in demand. Despite its popularity, how many

decent tennis courts do we have? Not one. It would take just one day for the cement court to be patched and dried. There is room for three good clay courts which could be rolled, marked off and ready for use in three days. New nets and benches are also badly needed. It can't be that the school is financially unable to do this. It appears to be simply a case of lack of initiative.

Because of the recent announcement concerning Dean Harwood's leaving Alma College to be married, it seems as though a slight obituary should be published. Not for the Dean, of course, but for our school, for I am sure that a little of Alma College will die when she leaves. Who among us do not consider her our personal friend as well as councillor.

I can remember my first associations with the Dean. It was the night before a big college dance and she was needling me to hurry up and get a date. She insisted that she would take things in her own hands if I didn't act promptly. Having been informed (and rather recently at the time) that there were only three horrible and evil things in the world, the boogieman, castor oil and Deans of Women, I was not too eager to comply to any of her wishes. Since that time I, (and I know nearly everyone in school) have come to consider her the warmest and most personal of friends, one who in complete rapport with you can share your troubles and live them with you and help you find a solution if humanly possible. As well as being the Dean Mrs. Harwood has proven to be a charming college hostess and an inspiration to the college girls. We extend to you, Dean Harwood, the best of luck and a most happy marriage.

The little "Green Edition" will appear through the courtesy of Ye Olde Freshman Class next week. So no Fs and Ps will appear at that time.

GIRL BID --- NO STAGS

IN THE PRESS BOX

by Bill Cornwell

Friday, May 16 is the biggest and most important day of the spring sports season as far as Alma College is concerned.

For that's the M.I.A.A. Field Day at Kalamazoo when the Scots will compete in golf, track and tennis.

The Scots will find the going rough throughout the annual event. The golf team will lay its title on the block, the track team will fight an uphill battle and the netmen are in the least enviable

position of all. At this writing the favorites must be classed as follows: golf, Alma; track, Albion; tennis, Kalamazoo.

Successfully defending the golf championship will be more difficult than many rabid golf fans imagine. The Scots will meet heavy opposition from Albion, Kalamazoo and Hope, especially the latter school which upset them a couple of weeks ago.

Nevertheless, the local linksmen look good enough to bring home the bacon. The steady shooting of Wally Moore, Cliff Bedford and Chuck Kegal seems to hand Alma the edge, despite the less consistent firing of Barry Laur, Bob Crozier and Russ LaMore. The latter trio will stage an 18-hole medal playoff this week to determine the fourth member of the quartet making the trip to Kalamazoo.

The Scots will warm up for their title defense by playing Hillsdale at the Pine River Country Club today and Olivet there Wednesday.

Albion and Alma will fight for the track title with the well balanced Britons ruling as favorites, due to their impressive victory in the indoor meet. The other M.I.A.A. representatives appear out-classed.

Although the Scots boast veteran cindersmen like Steve Nisbet, Art Teixeira and Arlan Edgar, their over-all strength is woefully lacking, particularly in the dashes.

Coach Bill LaPaugh's men meet Grand Rapids Junior College at Davis Field this afternoon.

The tennis team faces the toughest hurdle. The inexperienced group is comprised of Gerry Lacey, Marv Lefens and the Izadi brothers whose best will not be enough to compete with the strong Kalamazoo Hornets, the overwhelming favorites.

Matches today and Wednesday will keep the netters busy until Field Day time. They tangle with Hillsdale today and Olivet tomorrow, both away.

Cindermen Whip Lawrence Tech

Taking nine firsts, tying for a tenth, the Alma Scots cindermen swamped the Lawrence Tech Blue Devils in a dual track and field meet held Saturday afternoon at Davis Field. Rex Roseman, Grand Rapids, led his team in point scoring with 17½. The Scots piled up a total of 94½ to 27½ for the Detroit team.

Roseman scored first in the 120 high hurdles and discus, 2nd in the shot put, in a tie for 3rd in the broad jump, and a tie for 1st in the 220 low hurdles. In the last three dual meets for the Scots, Roseman had scored a total of 57½ points, which represents more than any one of the three opponents to date.

Bill Dykema, Palmyra, N. Y., took first in the mile and two mile runs. Arlan Edgar, Ithaca, took first in the broad jump, finished in a dead heat with Roseman in the 220 low hurdles, took third in the pole vault, and tied for second in the high jump.

Art Teixeira finished first in the high jump with a leap of 6' ½", and second in the 120 high hurdles. Stan Hester clicked off a winning time of 24.3 in the 220 yard dash, and finished second in the 100 yard dash.

(continued on page four)

Central Hurler Stops Scots, 7-1

by Bill Cornwell

The mighty bats of the Alma College baseball team were stilled by Bill Winters' superb no-hit pitching performance at Mt. Pleasant last Friday afternoon as the Central Michigan nine defeated the Scots, 7 to 1.

The sophomore right hander faced only 25 batters over the seven inning span, walking two and fanning the same number. His shutout was marred by an unearned run which crossed the plate in the third inning.

The setback, the first of the season, left the Scots and Central all square for the game with one victory apiece. The spring was originally scheduled for Thursday but cold, rainy weather decided otherwise.

George Vinson, ace of the Scots mound staff, was the victim of Winters' masterpiece. He pitched a better brand of ball than the score would indicate but six bases on balls, coupled with faulty support, proved his undoing.

Vinson's wildness was a potent factor in Central's four run spree in the fourth frame which broke a 1-1 tie and put the game on ice. Three passes and a like number of hits were combined in that costly inning when nine Bearcats strolled to the plate. Two more runs for good measure were added to the scoring column in the sixth on another walk and three hits.

Alma's lone tally was scored by Dave Walsh who got a life on shortstop Joe Embling's error, took second on Vinson's sacrifice, and romped home on third baseman John Parfitt's wild heave down the right field line of Johnny Wilkins slow roller.

The score by innings:
Alma 0 0 1 0 0 0 0-1 0 0
Central 0 1 0 4 0 2 x-7 9 3
Batteries: Vinson and Walters; Winters and Lockman.

Thetas' Lead Co-ed League

The round-robin tournament arranged for the Women's Intramural Softball teams is not going exactly according to schedule. The girls have had quite a time getting started due to the inclement weather of the past two weeks.

The Alpha Theta's, defending champs, have won 3, and have lost only to the Kappa Iota team by a score of 9-8.

Sigma Philo women have come out on the short end of the score in two games, but are determined to keep in the fight for the 1947 "Little brown jug" awarded to the tournament winner on Campus Day.

JoAnne McDonald is pitching for the Independent team, and is causing her opponents a lot of worry these days.

With the keen competition that is so apparent, the results should prove very interesting.

SPEECH

(Continued from page one.)

Dr. Herbert Curry and Professor Emil Pfister, both of Central Michigan College of Education, and Professor Westley Rowland, Head of the Department of Speech, Alma College.

The public is cordially invited to all of these contests and there will be no admission charge. Contests will start at 1 p.m.

Linksmen Split In Weeks Contests

The Scots golfers broken even in their two matches this past week, defeating Adrian College 12-0 last Wednesday, and dropping a close one to Central Michigan on Friday, score being 14-13. Barry Laur, Flint, won medalist honors for the Scots in their shut-out victory over Adrian with his card of 77.

The Adrian match was played at the Pine River Course in Alma, under conditions quite definitely wintry. Often, holes were played in a flurry of snowflakes. Wally Moore, Middleton, with a 78, picked up three points from Ossie Evans who had an 86. Russ LaMore, Saginaw, 82 garnered another three points from Junior Stack's 89. Barry Laur, medalist for the day, gained three points from 87 shot by Bob Stuckwisch. Chuck Kegal, Detroit, completed the shutout by scoring an 80, good for three more points, over Jack Chanten's 87.

The perfect weather of last Friday afternoon evidently affected the Scots, and the match was undecided until the very last of the three foursomes had dropped their final putt.

Wally Moore and Chuck Kegal playing in number one and two slots respectively, picked up six points out of a possible nine against Mickey McMillan and Bill Theunisson. Moore after a bad first nine came back in one over par figures to finish with a 76 but collected only one point as Central's number one man, McMillan had a 72. Kegal played good steady golf, and collected 3 points on a 75 from Theunisson's 80.

Cliff Bedford, Alma and Barry Laur picked up three points in their match with Jack Keyser and Tony Madja. Bedford with a 78 gained 2½ points as Madja shot an 81. Laur running into difficulty due to the small, fast, tricky greens, wasn't able to pick up a point with an 82, compared to Keyser's 78. In the best ball matches, these two Scots were able to pick up ½ point.

Russ LaMore and Bob Crozier, Ithaca, picked up four points from Al Raisanen and Leo Fleming. LaMore's 83 dropped three points to a 78 by Raisanen. Crozier and Fleming both had 79's to give each 1½ points. Fleming dropped to a 6 foot putt on the 18th green, which if missed, would have given the local golfers a victory. On the best ball match, LaMore and Crozier picked up 2½ points.

Tuesday, May 13, the linksmen will meet Hillsdale College in a match at the Pine River Course. The following day they travel to Olivet College for a match, and on Thursday and Friday of this week they will defend their MIAA crown over the Kalamazoo Country Club Course at Kalamazoo.

Stiffest competition for the title is expected to come from Hillsdale and Hope. Wally Moore and Chuck Kegal are among the favorites for the individual medalist title.

SUMMER SCHOOL

(Continued from page one.)

should be procured at the conclusion of the summer session before the veteran can re-enter training at any institution other than the one attended during the summer session.

ANNUAL PINAFORE PROM

MAY 16th

Netmen Defeat Adrian, 4-3

The Scots netmen traveled to Adrian College Saturday afternoon, and with warm weather prevailing, chalked up a slim-4-3 victory over the Bulldogs. Darius Izadi and Page Dinnell paced the win, second in varsity competition this year for the locals.

Each of the Scots played good form, playing excellently throughout. The match was hotly contested, and Izadi and Dinnell won both their singles and doubles.

Bill Harsen and Marv Lefens scored the deciding points with their victory. Their steadily improving doubles play adds much to the team's balance.

Today the netmen are at Olivet College, and tomorrow afternoon they journey to Hillsdale College. Thursday, they meet with the other MIAA schools in the annual field day competition.

Wrighteous Whims . . .

Virginia Will

T'was the night before time to make the deadline,
And all through the dorm,
The students had been stirring
From early morn...
A diller, a dollar, an 11 p.m. scholar,
What's the news of the week, is what I began to holler...
It is an old custom which began in the days of yore.
Engagements—yes, Cupid has caught two more,
What a surprise did meet Mary Ellen Thompson's eyes, when she opened her room door.
It had been decorated with signs expressing best wishes and happiness for her and Bob for evermore...
The ambitious Phis are as merry as can be,
They got out their ladder, their paint and some brushes,
And then the painters yelled, "Hey, don't rush us".
The gals of Wrighteous were on the roof a-gettin' a tan,
Said the Phi painters, "We're working as slow as we can,
And the ambitious Phis were as merry as could be. Coincidence?...
Now some may have heard this and others may have not,
So please bear with this bit of essay, eh what?
"Men are what women marry. They are divided into three classes: Husbands, Bachelors and Widowers.
A bachelor is a man whose mind

is filled with obstinacy and whose soul is filled with suspicion.
Husbands are of three varieties: prizes, surprises and consolation prizes.
Making a husband out of a man is one of the highest arts known to civilization. It requires science, patience, persistence, faith, hope and charity.
If you flatter a man, you frighten him to death; if you don't you bore him to death. If you permit him to make love to you, he gets tired of you in the end; and if you don't, he gets tired of you in the beginning.
If you believe all he tells you, then he thinks you are foolish; and if you don't, he thinks you are a cynic.
If you wear gay colors, rouge and a startling hat, he hesitates to take you out. If you wear a little brown turban and a tailor-made suit, he takes you out and stares all evening at a woman in gay colors, rouge and a startling hat.
If you join the gaities and approve of him smoking and drinking, he says you are driving him to destruction; if you don't approve, he vows that you are snobbish.
If you are the clinging vine type, he doubts whether you have any brains, and if you are a modern, advanced and intelligent woman, he doubts whether you have a heart. If you are silly he longs for a bright mate, and if you are intelligent and brilliant he longs for a playmate.
Most men are like worms in the grass; they wriggle around awhile—then some chicken grabs them. Having something to do,
I bid good night to you,
And having no more to say,
This column should end anyway.

SCOTS TRIUMPH OVER BULLDOGS

Four first places by Rex Roseman, junior of Grand Rapids, paced the Alma College Scots win over Adrian College last Tuesday afternoon in a track and field meet run off at Island Park, Adrian. The Scots piled up a total of eight first places to win by a score of 73 1/2 to 57 1/2 for Adrian. Roseman finished first in the shot put, discus, 120 high hurdles, and 220 low hurdles, gathering 20 points for Alma.

Veterans' News

There are still some veterans entering educational institutions without proper certification and approval by the Veterans Administration, VA officials point out.

Veterans who do not obtain proper VA certification, officials stressed, cannot receive subsistence allowances, and the schools cannot be reimbursed for their tuition.

All veterans are requested to be certain that their entrance into training has been approved by the VA either under Public Law 346 (G. I. Bill) or Public Law 16 (Vocational Rehabilitation Act.)

Male veterans with non-service connected disabilities, under existing laws, cannot be treated in private hospitals or by private doctors at federal expense. They are entitled to treatment for non-service connected disabilities in VA hospitals when beds are available.

Student veterans wishing to make a change in the course of training they have been pursuing under the GI Bill must make such a request in writing to VA.

Women veterans are entitled to the same medical care for service disabilities as male veterans, according to VA. In addition, female veterans may be hospitalized in civilian hospitals if medically emergent, upon authorization by VA, for non-service connected disabilities, but not for pregnancy. In non-emergent cases which are not service-connected in nature, women veterans will be hospitalized in accordance with availability of beds in VA hospitals.

If the student veterans has not been successful in his original training program, arrangements are made for him to meet with a vocational advisor to discuss the requested change and entrance into a new training program.

Should the vocational advisor feel that the veteran can proceed successfully in his newly chosen field, a supplemental Certificate of Eligibility will be issued indicating the remaining amount of training to which the veteran is entitled.

MAY 16th

Strictly Fresh

MEDICAL science has finally produced hardening of the arteries in dogs. No wonder they get mad!

The Massachusetts legislature finally got around to adopting a free speech amendment to the State Constitution. Probably it was inspired by Boston legislators wanting to retaliate for some of the cracks people make about their city.

Mrs. Winefred B. Loggans, a home economics expert, told the National Food Show in Chicago that the best thing for getting and holding a husband is good cooking. As we all know, many a man's head can be turned by an attractive dish.

John Ebersold, president of the National Restaurant Association, states that surveys show restaurant coffee is better than coffee made at home. A lot of housewives may call him a drip, but remember, he urns his living on coffee.

About everybody but the participants says the Moscow Conference was a failure. Apparently they were so busy arguing over the treaties they never got around to the woulds.
