Campus Wives to Elect Officers

The first meeting of the year of the Campus Wives will be held Tuesday, October 21, at 8:00 p.m. in the Chapel recreation room. Officers for this semester will be elected, and all campus wives are urged to attend.

The club holds two informal meetings a month, one for social and business purposes, and one for order to hear a guest speaker.

The retiring officers are: Virginia Walsh, president; Helen Harsen, vice president; Billie Corbin, secretary; and Irene Turbin, treasurer.

Honorary members of the club are: Mrs. J. V. Roth, Mrs. Bernice King, and Mrs. Paul Rice.

A CAPPELLA CHOIR NUMBERS 48

One of the outstanding organizations on the Alma College campus is its A Cappella choir, under the direction of Professor Eugene F. Grove.

This group takes part in the religious chapels and also presents a Christmas concert and a Commencement concert each year. A spring tour is made by the choir during which they present concerts in many cities of Michigan. For the past two years they have broadcasted from WJR Detroit.

Members of this year's choir are: Gloria Anderson, Merrill; Orthella Anderson, Crosswell; Jean Austin, Detroit; Grace Avis, Morenci; Pat Axel, Saginaw; Rose Marie Balderson, Detroit; Bill Blewett, Detroit; Merrill H. Bogardus, Peekskill, N. Y.; Wilma Breu, Breckenridge; Virginia Bryan, Hazel Park; Clayton Bunce, Alma; Bob Christenson, Detroit; Elmer Coon, Flint; Bill Cornwell, Elsie; Phil Daab, McArthur, Ohio; Don Dougherty, Chicago, Ill.; Douglas Davey, Alma; Arlan Edgar, Ithaca; Stanley Felton, Crystal; Joyce Fischer, Blissfield; Nancy Fullen, Bay City; Stewart Grove, West Orange, N. J.; Martha Jane Haller, Milford; Helen Hawkins, Ecorse; Carroll Hyde, South Bend, Ind.; Donna Jensen, Alpena; John Kuhlman, Birmingham; Marilyn Mason, Detroit; John Metheany, Alma; Don Miller, Saginaw; Sally Miller, Fremont; Mary Ann Morris, Saginaw; Bill McFarland, Saginaw; Ann McKinley, Gaylord; Joyce McKinley, Gaylord; Vera Parsons, Pontiac; Jim Price, Petoskey; Glenn Sempsrott, Detroit; Wanda Sempsrott, Alma; Jean Slaski, Alma; Betty June Smith, Alma; Bertie Lou Swarthout, Saginaw; Tom Taylor, Peekskill, N. Y.; Duane Van Duzen, Belding; Beverly Winter, Flint; John Winterson, Wayne; Beverly Yoder, Alma; and Robert Zinn, Royal Oak.

FROM HUMBLE BEGINNING!

Hogan's Alley Built by Hardships

It is an accepted fact that all peoples have a historical background, and the residents of Hogan's Alley have one they can well be proud of. Our beginning got its start in the basement of Pioneer Hall. It was from here that a band of hardy men immigrated to what was known as GI HALL, but more popularly termed now as "SKID ROW." This handful of men packed their belongings, shed a few tears, squared their shoulders and started off across the wilds. They blazed a trail through the forest behind the administration building and crossed College Avenue without a single casualty. Leading off College Avenue was a wild trail upon which were found two long rambling huts, now referred to as barracks. In this remote region, due to necessity, our pioneers settled down and proceeded to develop a culture unparalleled in the history of Alma College. This historical movement took place during the first part of January 1947.

There were tremendous problems confronting these early settlers, but with true Almanian

RULES FOR PARTIES, DANCES, ANNOUNCED

All organizations planning parties, dances, etc., are informed of the following rules governing these various functions.

First of all, social record cards must be made out, with chaperones signatures included, and are to be turned in to Miss Jane Charlesworth, campus social director the Monday before the week end party planned.

Secondly, there is a definite rule stating how many chaperones are necessary for an affair, depending upon its size.

1. Two faculty members for small, closed house parties.

2. Three faculty members for open parties or dances in chapel rec room.

3. Four faculty members for open dances in the gym.

Car Permits Are Issued for Year

The car permits for the current school year have been issued. These are to be attached to the windshield where they can be seen readily.

Some students who had permits last year have not applied for new permits thinking that their old ones would serve. They are hereby informed that all must reapply this year. Blanks are available in the Office of the Dean.

It is necessary that all students who plan to operate an automobile in Alma or vicinity make application for a permit in order that their cars may be registered. If a permit cannot be granted then a notation will be kept of where the car is stored and the students will be expected to refrain from using their automobiles for local trips in town or to the campus.

The faculty rule regarding the operation of automobiles is as follows: "Students will not be permitted to possess and operate automobiles in Alma, while attending Alma College, except in cases of special need. The faculty agrees that the Dean will be free to grant special permissions when evidence of sufficient need is shown. Special consideration will be given to (1) students who commute or live beyond walking distance from the College, (2) married students whose wives or husbands are with them in Alma, and (3) mature students, twenty-six years of age or older."

The cooperation of all students in carrying out this regulation is solicited.

WOMEN'S BATON CHAMP AT ALMA FRIDAY

Miss Evelyn Thurman

Miss Mary Evelyn Thurman of Chicago, Women's International Baton-Twirling Champion, will appear as a guest artist with the Alma College Kiltie Band, October 25th, between the halves of the Adrian game at Bahlke Field.

Miss Thurman has won over seventy-five first places in baton-twirling contests and was awarded the Women's International Championship at the Chicagoland Music Festival in 1943. Since that time, she has taught baton-twirling at Kent University, made personal appearances throughout the Middle West, and now teaches girls physical education and baton-twirling at the Niles Township "Million-Dollar" High School in Chicago.

Miss Thurman recently appeared at the Iowa State Band Festival in Mason City, Iowa, and she also led the parade in the Soap Box Derby in Akron, Ohio, last summer. This will be her first appearance before a Michigan audience.

MEET THE FACULTY

Miss Jane Charlesworth

Getting the Alma College social program into full swing after being on the campus only two days was the job handed to Miss Jane Charlesworth, new director of women's physical education, and her IAOD, campus social director. In the short month she has been with us, she has ignited us all with her ready wit and exuberant personality.

Born in Guttenberg, Iowa, Jane Charlesworth spent most of her early life there, graduating from the local high school. She attended Grinnell College, Grinnell, Iowa, majoring in musical education and voice. A Bachelor of Music degree was awarded her after four years of study.

Continuing her education, she entered Iowa State Teachers College, Cedar Falls, Iowa, and later University of Wisconsin, Madison, Wisc., and St. Ambrose, Davenport, Iowa.

Grant Wessel Receives TKA Honors At National Speech Meet

Grant Wessel, Saginaw, was rated one of the ten "superior" discussion participants among the 100 students representing ten colleges at the sixth annual Tau Kappa Alpha Regional Congress, held at Purdue University on Thursday and Friday, October 16 and 17. Other Alma students who received high ratings were Guile Graham, Flint; Virginia Smith, Mayville; Beverly Adams, Mason; and Jane Haller, Milford.

Alma was represented at the two day conference by Grant Wessel, Saginaw; Virginia Smith, Mayville; Guile Graham, Flint; Beverly Winston, Detroit; Nan Harden, Saginaw; Peggy Powers, Flint; Kathleen Shaw, Detroit; Bette Adams, Mason; Dorothy Dugal, Traverse City; and Jane Haller, Milford.

Among the participating colleges were Alma, Butler, Earlham, Evansville, Hanover, Indiana, Indiana State, Manchester, Purdue, Wabash, Western Michigan, and Denison.

The sessions on Thursday morning were devoted to committee hearings on Federal World Government, Russo-American Relations, Cost of Living, Compulsory Arbitration, and Control of Atomic Energy. Virginia Smith acted as chairman of the committee on Federal World Government.

The annual banquet was held on Thursday evening. Dr. Alan H. Monroe, Chairman of the Department of Speech, Purdue University, acted as toastmaster. Greetings

were extended to the colleges by Dr. Frank C. Hockema, Vice President and Executive Dean of Purdue University. Grant Wessel of Alma was the only student speaker at the banquet. He spoke on "Increasing the Prestige of the Active Chapters." Dr. Lionel Cracker, Denison University, National Secretary of Tau Kappa Alpha, addressed the group on "The National Organization; Functions and Goals." He told the group that Tau Kappa Alpha now had 104 chapters in colleges from coast to coast and that TKA was the only speech society to be accepted by the Association of College Honor Societies. He also announced that the National TKA Congress and Discussion Conference would be held at the University of Indiana, on April 22, 23 and 24.

Thursday afternoon and Friday morning were devoted to legislative sessions. Bills which had been discussed and completed in committees were presented to the Congress for discussion. Students had an opportunity to emulate the entire Congressional function.

The students of the speech department are now turning their attention to the next activity of the Michigan Intercollegiate Forensic League. This will be a discussion festival held at Western Michigan College, Kalamazoo, Michigan, on November 15. The topic for discussion will be: "What should be done to insure peaceful relations among the nations of the world."

BA, BS Degree Candidates Are Eligible for Special Scholarship

Twenty-six new graduate fellowships, each of which will pay full tuition and \$750 a year for three years, are being offered to college seniors this year for the first time by the Pepsi-Cola Scholarship Board.

Like the four-year-old Pepsi-Cola four-year college scholarship program, winners of which are now attending 152 colleges, this new fellowship program has as its purpose the discovering of students of unusual ability and helping them to secure further education. Both programs are administered by an independent group of educators known as the Pepsi-Cola Scholarship Board and are offered as a service to American youth by the Pepsi-Cola Company upon the recommendation of its president, Walter S. Mack, Jr.

Any college student who will receive a bachelor's degree during the school year 1947-48 from a college or university in the United States may apply for one of the new fellowships, according to an announcement made by John M. Stalnaker, professor of psychology at Stanford University and director of the Pepsi-Cola Scholarship program. Winners will be selected on the basis of their promise of outstanding achievement in later life as evidenced by their under-graduate records and recommendations as to character, personality, and qualities of leadership, the announcement states, and the fellowships will be limited to those students who have financial need.

The fellowships may be used at any accredited graduate or professional school in the United States or Canada and in any field of study which will lead to an M.A., Ph.D., M.D., or other advanced professional degree. Fellowship holders must enter graduate schools no later than the fall of 1948 and they must pursue a continuous and normal program of work.

Six winners will be chosen by selection committees of professors from each of four geographic regions, and two Negro winners will be selected from graduates of Negro colleges in the United States.

Negro seniors in other colleges will be eligible for the six fellowships to be awarded in that particular region.

Seniors who wish to apply for one of these fellowships may obtain application forms from the dean of their individual colleges or by writing to the Pepsi-Cola Scholarship Board, 532 Emerson Street, Palo Alto, California. Completed applications with official transcripts of credits and other required information must be received by the Board not later than January 1, 1948. Winners will be announced March 15.

NOTIFY DEAN RICE IF ADDRESS CHANGES

Students are requested to inform the Office of the Dean of any changes in address. Frequently, attempts are made to reach students through the Dean and a failure to have the proper address on file would prevent his being able to be of assistance. A number of students did not put down their specific campus addresses when they registered. They gave instead their box numbers in the Administration Building. Any who did this are urged to come to the Dean's office and give their correct address. Emergencies may arise in which someone would want to reach a student immediately. The proper address will assist immeasurably in making this possible.

WAA WILL MEET TO ELECT OFFICERS

An organizational meeting of the Women's Athletic Association will be held Thursday afternoon at 4 in the Chapel rec room. At this time, officers for the present school term will be elected. Following that order of business, plans for a women's intra-mural program will be formulated. Miss Jane Charlesworth, Women's Athletic Director will be in charge of the meeting.

to purchase tickets to school dances and a few girls condescended to even dance with them. Sometime later, Wright Hall girls were given permission to date these men, and after a trial period, the girls ceased wearing side arms, such to the kitchens' relief. With this concession the semester ended.

The new era (September '47) on Hogan's Alley history owes all its present culture and benefits to the pioneers of last semester. It was because of them that the school decided to give the boys a "break". The finest gravel from Pine River was conveyed and dumped along the barracks to form a grade "A" gravel road, which runs between the married quarters and GI HALL and is now known as "Hogan's Alley." A section of the famous Boardwalk at Atlantic City was transported here and now skirts the barracks. Permanent desks were installed in our study rooms, and finally, last but not least, we have been provided with janitor service.

We owe an eternal debt of gratitude to the first settlers of GI HALL, for truly these men rank among the "greats" of Alma College for it was due only to their super-human fortitude that made our place what it is today. Where else could George Vinson have a neighbor like Fritz Adams? Or Fossitt a roommate like Womack? And for further evidence of class, Hogan's Alley houses the sophomore class president, his honor, Bruce Brown.

Some of our hardened veterans are still with us and are enjoying the fruits for which they fought, but the majority in residence now are replacements that have been brought up from the REPLACEMENT TRAINING CENTER AT PIONEER HALL.

These men will continue to carry on the tradition of their predecessors and are already envisaging the day when the bees will come to play with our petunias.

After a short period of time, teaching position in Davenport, Iowa, public schools, instructing in music and physical education. In 1942, following three years of teaching, Miss Charlesworth answered the call for Red Cross Recreation workers.

During the next five years, she traveled about the country a great deal. She was assigned to work at many different army and navy camps, among them being, Camp Crowder, Joplin, Missouri, Camp Walters, Mineral Wells, Texas, Camp Ellis, Peoria, Ill., Army and Navy General Hospital, Hot Springs, Ark., and Great Lakes Naval Hospital, Great Lakes, Ill.

Miss Charlesworth left Red Cross Service early in September, and came directly to Alma College, she having obtained the position on the faculty previously. She has taken a great liking to the work and to the surroundings, expressed in her own words as, "I am very happy at Alma. Within the short time that I have been here, I've developed a strong sense of belonging, the feeling that I am a member of your large family."

Scots Outscore Grand Rapids J C

Roseman, Cosgrove, Hester Make Alma Scores in 24-13 Victory

The Alma Scots outscored Grand Rapids Junior College, 24-13, last Thursday night before nearly 2000 furniture city grid fans. Rex Roseman, former Grand Rapids Union halfback, paced the Scots, scoring two touchdowns and heaving a lateral to Stan Hester for a third. Merle Cosgrove plowed over from the four yard line for the other one. The game see-sawed back and forth and the Scots had to come from behind twice before pushing over two scores in the final period to sew up the contest.

Alma tallied first, needing just three plays from scrimmage after the opening whistle. The Raiders received and punted to the Alma 49. Rocky Walker, on the first play, scampered thru a hole in the J. C. line, cut to the outside, and raced 39 yards to the Grand Rap-

ids 10 before being pulled down. Walker picked out four on the next play and then Roseman went off tackle for the score. Dixie Howell's try for extra point was blocked.

The Alma attack bogged down after the initial scoring thrust and neither team threatened during the remainder of the period although one potential Alma scoring drive was halted when Roseman fumbled on the 28 and Bernie Kisielewski recovered for JayCee. Early in the second canto the Raider forwards broke thru and blocked Roseman's punt, recovering the pigskin on the 34.

Taking to the air the Raiders immediately tallied the tying touchdown. A twenty yard aerial from Cal Miller settled into the waiting arms of Burt Helder and the latter looped 13 more for the T. D. Frank Nawara's placement sailed over the cross bars and Alma trailed 7-6 at the half.

The hot-and-cold Scots lost no time in regaining the lead in the second half. Taking the opening kick-off on the 15 Roseman returned to the 42. In eleven plays the Sebo-men had a score, Roseman banging over from the one. A 17 yard line buck by Hester and a 26 yard pass from Roseman to Fred Fyfe ate up most of the yardage in the scoring drive. Howell's kick was low and Alma led 12-7.

Grand Rapids dominated the play during the rest of the quarter but failed to score. One threat was stopped when Bucky Walters intercepted a pass on the 22.

Late in this period, after Jim Wood had intercepted one of Roseman's tosses on GR 40, the Raiders began to move. Straight running plays moved the ball to the Alma 41 as the quarter ended. After a five yard penalty, the Blue-and-Gold gridders, again found a weakness in the Alma pass defense. Cal Miller tossed to Ed Olman for a first down on the 23 and then after a fifteen yard penalty for unnecessary roughness against Alma, Helder hit Burt Brown in the end zone with a nine yard aerial and Grand Rapids grabbed a 13-12 lead. Nawara's kick was low.

But the Grand Rapids jubilation was short-lived. The savage Scots, with Hester and Cosgrove rolling up the first downs, scored in 10 plays. Hester returned the kickoff 26 yards to the Alma 41. Roseman made a first down in three plays and then Hester and Cosgrove took over. The latter picked up 11 yards in two "T" formation hand-offs. Hester rocked off tackle for 13, made nine more on the same play, and Cosgrove, drove for a first down on the Raider ten. In two plays the hard driving Petoskey freshman bowled over for the third Alma touchdown. Howell's kick was no good.

Bucky Walters set up the fourth touchdown late in the final stanza when he intercepted Helder's pass on the GR 24. Roseman and Hester made five yards on two line plays and then teamed up for the fourth Alma tally. Roseman bucked into the line, turned and lifted a lateral to Hester out in the flat and the Pontiac powerhouse bowled over

CHUCK MARTIN

Chuck Martin, Clawson, suffered painful injury in the Scots tilt against Grand Rapids JC last Thursday night. In the last play of the game, Chuck tore some muscles in his left knee which quite possibly may bench him for the remainder of the season.

An end candidate last year, Chuck was this season shifted to quarterback, and in the four games to date saw much action.

After the final whistle of the JC contest, Chuck left the field, and it was only when attempting to go up the steps at the far end of the field that his leg gave way on him. He was removed to a Grand Rapids hospital, where he spent Thursday night. Friday afternoon, Coach Steve Sebo drove to Grand Rapids and brought him back to Alma.

three Raider tacklers as he stormed 19 yards down the sidelines for the marker. Inevitably, the Scots missed the extra point.

The game turned into a rough, bruising battle in which tempers flared and pushing was evident; each team was penalized once for unnecessary roughness. Chuck Martin, Scot blocking back, suffered a serious knee injury, torn knee muscles.

First downs were nearly even: Alma 14, GRJC 11. The Raiders completed five of 11 passes while the Scots broken even in six attempts.

The line-ups:

DELTS, PHIS, TAKE INTRAMURAL LEAD

The five-team intramural touch football league got under way last week, with the Phis and Delts leading the league, each running two games. The other three teams have each suffered one defeat, while the Zetas were defeated twice. The games are played under the rules of "Texas football."

Phis Win Opener
The Phis won the league opener downing Skid Row 18 to 6, Johnny Wilkins scoring the first touchdown on a sixty yard run. Dave Walsh passed to Wilkins in the end zone for the second touchdown. Bruce Brown scored the final touchdown for the Phis on an intercepted pass. Warren Eilber scored the Skid Rows only touchdown on a pass caught in the end zone.

Phis Defeat Zetas
The Phis by their running and passing defeated the Zetas 24-0 in the second league game. Willie

Hepner with an intercepted pass raced twenty yards to score the first touchdown. Mike Budge passed to Wilkins in the end zone for the second touchdown and Budge made the score of 18 to 0, when he dashed around right end to the goal line. The final touchdown came as a result of some dippy-doodle passing, Walsh to Budge, to Brown, who passed to Fred Arnold for the score. The Zetas failed to score as a result of the Phis strong defense.

Delts Win Two

The Delts won their first game on a forfeit because of the Zetas' failure to have eight men on the field at game time.

The Delts chalked up their second win Wednesday night, defeating the Gremlins 12 to 6. No scoring in the first half, the second half saw the Delts complete two touchdowns within five minutes. Larry Lines intercepted a pass and raced forty yards for the first score. A few minutes later Art Fowler passed to Dick Carr for the Delts' second touchdown. Dean Ferris scored the Gremlin's only touchdown on a forty yard pass.

Wrighteou's Hall Whims

Has anyone seen Theodosia K. Hiccenbump, Alcoholics Anonymous, and A. Drinker? They have left their mark on the bulletin board on third floor along with a representative of the American Dairymaid's Association. Come on kids, come forth, we're all curious to know who you are.

If the football men could have only heard the cheers that went up Thursday night when the girls in Wright got word that Alma had won the game. A thousand pardons to those who were awakened by the din.

Are there any apples on the trees outside, boys? Al and George seem to be the best qualified to tell us. How those two can climb trees!

Want to learn to dance? Flossie was giving lessons the other night to all comers in the middle of the hall. Reason, plenty of room there.

"Here comes the bride." Second floor was the scene of a mock wedding Thursday night. The bride was attractively dressed in a gown of lace curtains and carried a beautiful bouquet of kleenex. The wedding party included a groom, best man, bridesmaid and a preacher. You can bet that Lil Goodwyn, Libby Williams, Nancy Heering, Sue Flannigan, and Jane Kohler had a hand in the celebration.

Welcome back Suds! It seemed like old time to have you back on the campus this weekend.

The first big birthday party in

the dining hall this year was in honor of Bob Wolfe and Tom Williams. Tom and Bob were buddies in the navy and are now room-mates at Alma.

Happy anniversary, Sue and Jack! Those flowers look lovely on the desk in Sue's room.

We're glad to see that Nan is her old cheery self again except for a bandage here and a limp there.

Friday and Saturday jeans and slacks reigned in the dorm. We especially noticed Jocelyn Larrabee, Helen Welte, Pat Newell, and Jeannie Craig before they took off for the parties.

Heard the latest Scot football yell? "Get that quarterback."

PIONEER PRATTLE

Al Kurrasch had a "dream" the other night. He dreamt that he was battling through several mid-semester exams. Got up in a cold sweat, realized it was only a dream, and paused for a few minutes... in prayer. "Thank God, it was only a dream!" A reminder: Al won't have to "dream" come October 31st. It'll be the real thing.

Record for drinking the most milk at one sitting goes to Jim Crossman. The boys watched him gulp down eight half-pints of milk at lunch time. He would have drank more, the boys said, but Jim had a one o'clock class and didn't want to be rushed drinking another four. Rumor has it that the Business Office is looking for a healthy cow, just for Jim. At this rate, they're losing money. Oh, yes, he ate a complete lunch.

The boys around "Pot Palace" took a vote the other day to determine the "cutest couple" on the campus. Consensus gives the honors to Matt Ingham and Jeanne Minard. Need more be said?

Heading the dance class on Monday and Thursday nights is frosh Bill Baxter. Step up, folks, and learn Bill's magic step.

Things are buzzin' round Pioneer. What's this we hear about a Sadie Hawkin's Day Dance and Race... also about a "Variety Show?"

Everyone seems to want to know who the "Filthy-Five" are. So far we can name just four. Bill Waldrop, Don Carey, Richard Faulkner, and Merrill H. Bogardus.

Roy Dunn, Don Cappaert, and Lee Proctor, in room 210 in Pioneer, are very cozy. Say that if they get their fourth roommate, he'll have all the room he needs, hanging from the chandelier.

On the count of one, sweep dust under rug. On count of two, throw wastepaper out window, on three count, open door and be ready for inspection. This is what happened last Monday when Housemother, Mrs. Kain went on her routine inspection of rooms. She stated that the rooms were in order, but reminded, all, to leave their rooms unlocked everyday between the hours of 11:00 a.m. and 11:30 a.m. Everyone's help in conforming to this rule will be appreciated, said Mrs. Thomas Kain.

THERE WILL BE A MEETING OF ALL FRESHMEN IN THE OLD CHAPEL ON THURSDAY, OCTOBER 23 AT 8 P.M.

Question of the Week at Pioneer: When will the Frosh Class paint the "smoke-stack" and where will the Sophomore Class be while this task is being done?
