rain, twenty-one representative students and nine faculty members enjoyed a satisfying pre-school "retreat" in the club-house of Conservation Park on the afternoon and evening of Wednesday, Sept. 15.

General purpose of the meeting was to provide mutual understanding and spiritual undergirding for the campus religious program for the coming year. The specific purpose was to preview the Alma Christian Association, new plan for the over-all organization of voluntary religious acbe launched this fall. The Religious Life Committee of the college, headed by Dr. J. V. Roth, Dean of Religion, has been at work on the new organization since last May.

Invitations to students attend-ing the "retreat" were aimed at getting representation from most of the campus organizations and the several denominational groups on the Alma campus. Faculty attendants were also present on a representation basis. The aim was to keep the total number down to a figure that would be in line with "discussion group" size. Response from both students and faculty requested to attend was excellent.

New Members to Be Feted at Party

The Drama Club of Alma College is launching an all out effort this week to interest members of the student body in its activities and to obtain new members in order to support the extensive program of dramatic entertainment which has been planned for the coming year. The membership campaign will close with an open house party during which the new members will have an opportunity to become acquainted with the veteran troopers of last year. During the 1947-48 term, the Drama Club presented three very

popular plays—the famous "Arsenic and Old Lace", "Papa is All", and "The Black Flamingo", a mystery melodrama. The Club also sponsored a night of one-act plays directed by members of the play production class

The Drama Club will also produce at least three three act plays during the year, according to officers of the group. These will be presented in the Alma High School Auditorium, and a public sale of tickets will be arranged as in the past.

Inmates Choose Pioneer Senate

The first formal meeting of the Freshman students quartered in Pioneer Hall was held at 9:30 p.

m., Thursday, Sept. 23.
First act of the body was to elect the Pioneer Senate for the school year. The duties of the Senate, as in past years, will be to function as the official host for all social activities held in the dormitory. The Senate will also operate as the disciplinary body of Pioneer Hall with full responsibility for the general conduct of the students living there.

The elected members of the Senate are as follows: William Waldrop, President. Members: Jim Price, Latham Selke, John Anderson, Harry Jessop, Bill Blewett, Dave Davis, Keith Van Duzen, and Fred Quintar.

Klaus H. Schaeffer will become Assistant Professor of Philoso-phy and Psychology. Mr. Schaeffer did his undergraduate work at Oberlin, has a Bachelor of Divinity Degree from Gettysburg Seminary, and a Master of Arts degrees in Philosophy from the University of Nebraska. Mr. Schaeffer comes to Alma from the college of William and Mary, Norfolk, Virginia.

The Speech Department has been augumented by the addition of Homer L. Paris. Mr. Paris is a graduate of the University of Denver and holds a Master of Arts degree from Michigan State College. Mr Paris' special re-sponsibility will be in the field of drama.

Mrs. Robert E. Rufener has been appointed Social Director and Instructor in Physical Education for Women. Mrs. Rufener holds a B. S. degree from Kirksville State Teachers College. She has taught at Melville high school, Skokie, Ill., and Kent University.

The Home Economics Depart-ment has been supplemented by the appointment of Mrs. Bruce Butler as Assistant Dietician and as Assistant in the Department of Home Economics. Mrs. Butler attended Alma for one year and

Roy W. Hamilton, who served for five years as President of the college, has returned, after a year's leave of absence, to head the English Department.

Chapel Programs List Schedule

Among the college activities which bring the large part of the college faculty together in frequent fellowship, the two regular religious chapel servcies each week stand out prominently. This year these services will regular-ly be on Mondays and Fridays at 11 a.m. On these occasions students and faculty members of the many denominations represented here meet for religious inspiration and expression.

The chapel services are under the general supervision of the Dean of Religion, Dr. J. V. Roth. He reports that the schedule from the opening of college to the Thanksgiving holiday is now largely completed, with numerous

EDITORIALS

GUEST EDITORIAL

Your editor has been kind enough to offer the editorial column of the Almanian to the President for his use in this first issue of the year.

There came to the President's desk recently the publication of Denison University, in which President Kenneth I. Brown, said to the students of his college what the President of Alma college felt it would be good for every college student to read. With adaptations to fit the situation at Alma the article is as follows:

ARE YOU WORTH \$480?

A Word to our Alma Freshman

Not, do you have that money in your bank account, but are you a reasonable investment for that amount? Would kindly strangers, interested in you as a future American citizen, be justified in staking you for further training to the cost of \$480 over and above anything you or your parents might contribute?

That is the question which Alma College has been asking about every student applying for admission. That is a question which it would be well for the student-applicants themselves to ask.

Colleges are run on the thoroughly unbusiness-like basis of never asking the student to pay the full cost of his training. That is easily understandable in the case of those students of special ability whose parents are not able to afford college training for them and who, therefore, must apply for scholarship aid. But the principle also applies to the sons and daughters from families of means.

For example, at Alma the estimated educational cost per student for this year (1948-49) will be \$470; but the tuition fee for the year is \$350. Who pays the remainder? That is the investment which friends of Alma make in the student-members of Alma: \$120 for four years, or \$480.

Most of this money comes from current gifts from friends who believe that if Alma chooses her students wisely they are investing their money in America's future. Are you worth \$120 per year?

By special arrangement with the Presbyterian Board of good housecleaning spree in the sorority rooms. Then a business meeting to discuss our plans for Secretary of the Board's Dept. of Secretary of the Board's Dept. of Personnel, will address the chapel on Wednesday, Nov. 3, and the service will shift from Monday to Wednesday that week to suit Dr. Calvary Presbyterian Detroit, will be guest speaker, and on Nov. 12, the Rev. C. M. Muilenberg, pastor of Westminster Presbyterian Church of Lansing will address the meeting.

November 15 to 19 are the dates of this year's Spiritual Emphasis Week, with chapel services each day through those days. Guest leader this year will be the Rev. Dr. Frank H. Caldwell, President of Louisville Presbyterian Theological Seminary, who is a preacher of national reputation.

The Rev. Dr. John Gardner, a trustee of the college who is pastor of First Presbyterian Church of Midland, will speak at the chapel of Nov. 22, the last before the Thanksgiving vacation.

Chapel services are regularly brightened by the participation of the Alma College A Cappella Choir, which occasionally pre-sents anthems as well as regularly having other parts in the services.
Other special music is presented from time to time.

Later chapel services of the year will draw in a larger meas-ure on student and faculty leadership for the services.

Announcements

All students must bring their activity cards to college games in order to be admitted free of charge.

Mrs. Rufener, social director, requests that one representative from each fraternity, sorority, or other social group meet with her in Room 4, Arts Building, at 6:30 P.M., Tuesday, Sept. 28 to assist in drafting a social calendar.

The Registrar's Office calls no-tice to the regulation that no class may be entered after the first week of each term, and that, without the permission of the faculty, a students may not with-draw from any class after the third week without the penalty of failure.

Dr. Welch will address the Men's Club of the First Presbyterian Church of Alma Thursday evening at 6:30.

There is a general faculty rule that students are not permitted to operate cars while in attendance at Alma College except in cases of special need. Any student who is maintaining a car on the campus should apply at the Dean's Office for a permit. Everyone must reapply even though they may have had a permit last year.

Within the next week, pews will be assigned in the chapel for all students.

Scots Smash Detroit Tech In Opener

Penalties Heavy for Both Teams as Rough Play Prevails

The Scots blew the lid off the 1948 grid campaign in a meeting with the Detroit Tech squad in the Motor City on Saturday evening. Coach STEVE SEBO saw his men gain a decisive victory, 25-6.

In trouble almost immediately after the opening kickoff, the Scots were hard pressed in the early stages of the game. MERLE COSGROVE took the DIT kick-off on his own 16 ward line and reoff on his own 16 yard line and returned it to the 31. A gain of one yard was netted on the first down, and then REX ROSEMAN gained 14 more on a pass-off play. The Scots were penalized here for off-

On third down CHUCK SAX-TON tossed a pass to ROSEMAN that was good for 12 yards, but the Scots here received their second penalty, backfield illegally in motion. Roseman tumbled the ball on the next down on an at-tempted pass and DIT took over on about the Detroit 23 yard line. In exactly six plays and with the ball game only four minutes old, the Tech men had scored, leading the Scots 6-0. BILL ALFRED, left-halfback made the score in an end-a-round play, but the conversion attempt was wide of the up-

rights.

Still highly nervous in their initial start, the Sebo-men took the kick, ROY GRAY returning it twelve yards. COSGROVE made 3, REX 4, and then a fumble by ROSEMAN cost the Scots 8 yards. On 4th down, a quick kick sent the ball to the DIT 40, where the Detroit lads fumbled it, and then made a recovery.

made a recovery.

Setting up their own touchdown drive late in the first quarter, the Alma men got busy behind the fancy pass slinging of CHUCK SAXTON. Passing first to JOE THIBEDEAU, left end, 19½ yards were gained. The next down saw a pass to JOE CATAR-INO which netted ten more yards, and put the Scots on the DIT 4 yard line. CATARINO went around the right end for the score, the conversion attempt by KEN CORBIN being wide.

Alma took over the ball in the second quarter following a fumsecond quarter following a fumble by DIT, and again passing became the important factor in the victory march. CATARINO went around end for 2 yards, lost 6 on the next play, and then a beautiful pass from SAXTON to COSGROVE, good for a forty yard gain netted the second Scots score of the ball game. The half-time score stood at 12-6 with the local boys holding the advantage. The second half was more or

The second half was more or less a repeat of the first, with the ball changing hands many times. The Scots were able to pile up ten first downs throughout the game as against 8 for DIT.

MAN, Rex catching the ball in the end zone. Conversion attempt was defeated when ROSEMAN attempted to run the ball through. A penalty against Tech gave Alma another try, and this time the kick by SAXTON was good, Alma taking a 19-6 lead.

Alma's final score came when ROSEMAN ran from the 28 to the 4 yard line, gained ½ yard more on the next play, and then JOE SLOTNICK, full back, made the final 3½ yards to paydirt. Conversion attempt by SAXTON was

The evening's play wasn't any too brilliant for the Scots. The line was cold in the first quarter, with many openings apparent as the Tech men came through. Passers were continually rushed and as a result, much yardage lost. Fumbles also proved costly as over 30 yards were lost in this

The passing attack by the Scots proved to be the downfall of Tech. proved to be the downfall of Tech. Chuck Saxton passed for a total of 113½ yards to be the big gun in the Alma onsluaght. Ferris No Easy Mark for Alma

As always, rough Ferris Institute eleven arrives on the Alma scene Friday night to tangle with the local squad in a non-confer-ence tilt. Coach Steve Sebo will rely upon practically the same starting line-up which saw action in the DIT contest.

The Ferris gridders met Alma's neighboring school, Central Michigan last Tuesday and fell by a 28-7 score. Their line is big, but lacks the speed necessary for a smooth working outfit. However, Coach Steve Sebo is expecting no pushover, and his charges are because of the steven and pushover, and his charges are being put through the same toughening paces that have characterized the training program to date.

Much work has to be done with the line. The "Michigan" system of offensive and defensive teams is used to some extent by the lo-cals, but lack of capable replace-ments necessitates placing some men in the same positions throughout the game.

The Alma backfield is alive, and with the passing ability of Chuck Saxton, the running of Hester, Roseman Slotnick, Cosgrove, Catarino, Gray, Vaughn and Conway, the Scots should gallop to another victory. Last year these two squads were rated about even when they met in seaabout even when they met in season finals for both teams, but the Scots eked out a 7-0 win which the Ferris eleven is hoping to

avenge.

I TRIED to write a column for the paper last year but old cue-ball, who runs this graveyard of grammatical errors, said I was too "tactless," and closed the iron door to me. Now, bless his barren top-side, he's given me another chance. Believe me, from here on I'm the soul of diplomacy (unless, of course, you TELL WILLIAM. I just can't keep a secret. Honest, boss!) Please drop your undercover dope in the Almanian copy box located next to the mailboxes. I want to know about every little breeze that ruffles the calm waters of our existance here on the campus. Will you help?

FIVE CENTS will get you a cup of coffee in any hash joint in the city. Where do they get that seven cents for a mug of the poor man's opium over at the Union? I wonder how a good five cent bottle of coke would taste-piping hot w/ sugar and cream. This is a crisis and calls for drastic action!

RED CHRISTENSON brought back a classic from Detroit. A woman lay dying. Her husband kept the vigil at her bedside. Near the end, she drew him close and whispered, "George, will you do me a favor after I've gone?

"Of course, sweetheart, anything."

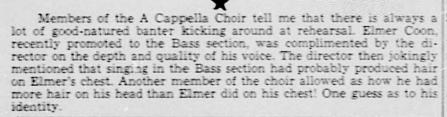

"Will you ride with mother in the funeral procession?"

'What do you want to do, SPOIL MY WHOLE DAY?"!

I think it's high time that someone leap to the defense of the Frosh. The sometimes brutal treatment they receive at the hands of their betters is certainly unjust and reflects to the discredit of the Sophomore class. For example, the other evening I watched a group of nine sophs completely surround forty-eight freshmen and subject them to some pretty forceful treatment. In self-defense, I recommend that the frosh organize into groups of twenty and go from class to class en masse. You never can tell when you're liable to meet up with a Sophomore lurking in the halls.
