## Campus Day Ceremony Will Be on Wednesday

Selected from among all the first year students will be crowned...

### A NOTICE TO ALL FUTURE TEACHERS

Those planning to take practice teaching next school year who have not made application through Professor Harlan McCall, Head of the Ed. Dept., should do so immediately. It is essential that all those taking practice teaching either register must sign up now.

People named: Marjory Fuller, 3rd grade, Greenville; Elmore Gierck, 2nd, Las Alamos; M. Melissa Nix, 4th, Mary; Joanne Preder, 2nd, Hazel Park; Pat Smith, 1st, Hazel Park; Dorothy Stuber, 1st, 1st, Crystal; Paula Sable, 2nd, Battle Creek; Muriel Smith, Home Ex. Jr. High, Battle Creek; Ryan Herman, Eng., North Central; Frank Lawton, Hist. and Soc. Coach, Inver City, Inka Oaks; Chena, Mex. Sr., Breckenridge; Hugo Salazar, Soc. St. 2nd, West; Ed. Caperton, 2nd, St. Joseph; Carl Ott, 4th, 1st, West; Mary Ann, 1st, 1st, West.

### THE QUEEN AND HER COURT

Included in this group of seven Alma College freshmen and sophomore members of the Campus Day Queen who will crown the 1957-58 Campus Day Queen at Alma College...

From Detroit: Gertrude MacLeod, Bernice from Detroit; Gertrude MacLeod, Bernice from Detroit; Gertrude MacLeod, Bernice from Detroit; Gertrude MacLeod, Bernice from Detroit...

## Faculty Organ Recital Will Be Held Tuesday

Public invited to event planned at First Methodist Church

Alma College faculty will present a recital at the First Methodist Church of Alma on Tuesday, May 21, at 8:15 p.m. The program will include organ compositions by outstanding composers of the sixteenth to the twentieth centuries. Professor Stewart has been a member of the Alma College faculty since 1945 as a teacher of Organ and Music Theory. He has the Bachelor of Music with Major in Organ and Music Theory, University of Michigan, Ann Arbor, Michigan, U.S.A. He is also a member of the American Musicological Association, the Michigan Music Teachers' Association, and the Michigan Organists' Association. He is currently completing his thesis for the Doctor of Education degree at Michigan State University. The recital will be held in the sanctuary of the First Methodist Church of Alma, 1st and 2nd streets, Alma, Michigan.

## MSAA Title Winners Will Be Selected

Students of these three titles will compete in the MSAA track and field championship meet at Central Michigan College on Thursday, May 23, at 9:30 a.m. in the M.S.C. Building Auditorium. Program: Sonata, Op. 18, No. 2 - Beethoven; Presto; Largo e mesto; Menuetto; Ronzo; Etude, Op. 27, No. 7 - Chopin; Scherzo in B Minor - Chopin; Sonata; Minuetto; Menuetto; Andante.

Mrs. Mary Nelson Stewart of the Alma College Music Department will play a piano recital at Central Michigan College on Thursday, May 23, at 9:30 a.m. in the M.S.C. Building Auditorium. Program: Sonata, Op. 18, No. 2 - Beethoven; Presto; Largo e mesto; Menuetto; Ronzo; Etude, Op. 27, No. 7 - Chopin; Scherzo in B Minor - Chopin; Sonata; Minuetto; Menuetto; Andante.

### Dr. McKeefery Elected President

Dr. William J. McKeefery

Dr. William J. McKeefery, Dean of Alma College, was elected president of the Michigan College Association on Thursday, May 2, at a meeting of the Michigan College Association held on the Alma College campus on Thursday, May 2, at 11:30 a.m. in the M.S.C. Building Auditorium.

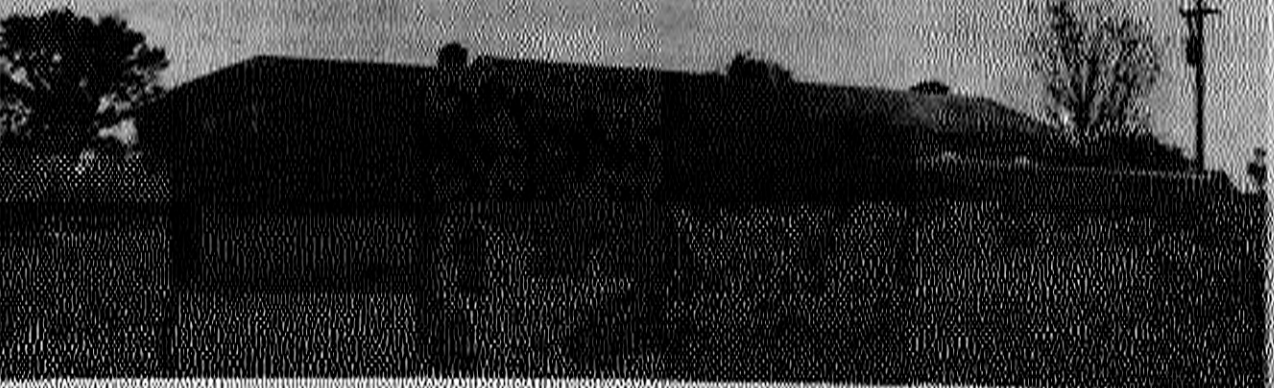

The MCA is composed of top administrative and faculty officers from all Michigan colleges and universities, both public and private and was formed to provide an opportunity for cooperative solutions to be worked out for problems common to all institutions of higher education.

Dr. McKeefery succeeds Dr. Gerald Osborn of Western Michigan University in the presidency of the association.

### Miss Central Michigan to Be Chosen

Twelve lovelies are entered in the pageant of which eight are college co-eds, two are career girls and two are high school seniors. The day's activities include a parade at 12:30 and a colorful pageant at 8:30 p.m. in the field house at Central Michigan College at which time the queen will be chosen and crowned. The affair is sponsored by the Mt. Pleasant Jaycees.

A scholarship, diamond ring and many other gifts await the new queen. She will also receive a handsome trophy as well as the title "Miss Central Michigan". Guests for the day will be Miss Marian McLaughlin, the present Miss America; Miss Shirley Swanson, Miss Michigan; and Miss Meredith White, present Miss Central Michigan title holder. Winner of the May 25th pageant will be entered in the Miss Michigan contest.

This is a view of the north and west side of the new Educational Wing of First Presbyterian Church of Alma which will be formally dedicated in ceremonies being planned for May 24. Most of above.

## LEST WE FORGET

It has been just a year ago that Dr. J. Stanley Harker announced his resignation as President of Alma College to return as head of his own alma mater. It was during his five-year tenure of this leader that Alma College enjoyed its fastest material growth. Four new buildings, a stadium and athletic field development, and other smaller additions were added to the physical plant of Alma during this period. A total of nearly 2 million dollars in improvements. In addition, plans for other needed new buildings were made.

Additional faculty, increased enrollments, and higher ranking students were also obtained. This leader and builder traveled tens of thousands of miles a year up and down, back and forth across Michigan as well as all over the country, promoting Alma College because of his belief in it.

Yet what do we have here on the campus today to actually remember and honor this man other than a picture on the back wall of Tyler Auditorium? To this year's seniors and the graduates of the past few years who really saw this educator in action and many of his visions realized, it would seem that more recognition than this is due.

The new girls' dorm, the last of the new buildings constructed under Dr. Harker's administration, is still unnamed. Is there anyone more deserving than he after whom to name this newest campus addition? I'm sure that any clear thinking upper classmen or recent graduate would agree.

Let's hope that the present administration and trustees realize this and give this recent Alma leader the recognition due by bringing him back to Alma and naming this new dormitory in honor of him on graduation day, June 8, 1957. A.G.C.

## Alma Is Member of Michigan Ass'n of College Student Governments

The Michigan Association of College Student Governments is a comparatively new organization which was established on March 24, 1955, when the Constitution was ratified by the seven representative colleges. The purpose of this organization is to draw closer together the member colleges so that they may compare and share their common and individual problems. The present members of the organization are Adrian College, Albion College, Alma College, Hillsdale College, Hope College, Kalamazoo College, and Olivet College.

Regular meetings are to be held bi-annually. At these meetings each participating college is represented by three members who present recommendations and problems for discussion. Special meetings may be called when necessary at the discretion of the president. The membership of these special meetings consists of the official delegate from each of the colleges as well as the executive officers of the organization.

On the campuses of the colleges which are members of the M. A. C. S. G., or of any other college which falls within a certain population classification, one will find that certain problems will occur which have previously appeared on one of the other campuses. Because of our organization, the colleges that are faced with a unique problem no longer have to result to trial-and-error methods for solution. They can bring the problem before the membership of the organization and learn of the solutions which the other colleges worked out in solving the similar problem. In this way a more satisfactory solution may be arrived at with a great deal of time being saved. This type of discussion is also advantageous to those colleges who have not yet faced the problem being discussed. They will have a solution ready in anticipation of the problem. Thus every member benefits from the discussion.

Along with the factors which aid the various schools, there is also an intense desire on the part of the member colleges to draw together in a closer relationship. One method of securing this desired end is through a Sportsmanship Trophy which is being sponsored by the M. A. C. S. G. This trophy will be awarded to a member school by the Executive Board

of the Michigan Intercollegiate Athletic Association. This board consists of one faculty and one student representative from each of the schools, with both the faculty and student representative having one vote towards the award of the trophy.

Another proposed method to strengthen the relationship is a Newsletter which is in the process of being published. The Newsletter consists of news from the various colleges and correlated in such a fashion as to be of interest to the members in its entirety, and not just the section in which the news of their college appears. The third method to create closer relationship is the exchange of minutes from the student government meetings of each of the colleges. In this way the colleges can see the problems the other schools are facing and also the methods by which they are seeking to solve these problems.

The organization as it now stands consists of seven colleges, all of which are members of the Michigan Intercollegiate Athletic Association. To live up to the full potential and significance of the name of our organization, we are now trying to acquire new members. Colleges that have been invited to attend a special meeting at the Olds Hotel in Lansing on September 29, 1957, are Aquinas and Calvin Colleges from Grand Rapids, Ferris Institute from Big Rapids, and Immanuel Missionary College from Berrien Springs.

In acquiring new members, the size of the school is one of the problems involved. The problems and courses of action in a larger college would differ in extent and degree to those in a smaller college. By enlarging the organization, it is believed that we may better secure the desired results for which the M. A. C. S. G. was established.

### A Farewell to Ma

Next year we won't be living here,  
And be with Ma of Pioneer;  
But we have all enjoyed it a lot  
And we'll miss you more often  
than not.

To you Ma Kain at Pioneer Hall  
Goodbye to you from us all;  
May all your future be happy and  
bright

To you, our Ma, through day and  
through night.

—The Pioneer Men

## Dedication Services to the New Educational Unit

Sunday, May 26

The First Presbyterian church of Alma will hold special services of dedication for its new educational unit on Sunday, May 26th. Rev. Ralph H. Didier, Jr., of Le-Roy, Illinois, will be the guest preacher at both the 9:30 and 11:00 a.m. services on that day. A formal service of dedication will be held at 3:00 o'clock in the new building with members of the Presbytery of Saginaw and visiting ministers participating in the service.

The public is invited to attend the dedication and to inspect the new building. Tours of the educational unit will be conducted by members of the building committee under the direction of chairman Clarence Eddy. The women's association of the church will serve refreshments to guests attending the dedication, following the formal service. Members of the Presbytery of Saginaw will participate in this dedication service, including the moderator and the stated clerk. Dr. Henry W. Fischer, veteran member of the Presbytery, from Saginaw, will bring greetings, and the combined choirs will join in the special anthems for the occasion.

Plans for this educational unit were begun five years ago with a gift of \$10,000 from Mr. and Mrs. R. G. Swigart in memory of their son, David. A building fund gradually accumulated, which finally reached nearly \$50,000. This was increased by a special building fund campaign of last spring under the direction of Harold Trower and James McHugh. Pledges of \$151,000 have been made in this building fund campaign.

The building is of contemporary design by architect, James Morison of Detroit. The contractor is the Consolidated Construction Company of Bay City. The building is of concrete and steel construction with rose matt brick exterior and all aluminum windows and doors. Ample use has been made of glass and the Fellowship Hall is lighted with pastel-tinted windows.

A large Tennessee sandstone fireplace, with three adjoining windows in pastel shades reaching from the floor to the ceiling and fronted by a planter box, forms the interest center for the large Fellowship Hall. This hall seats 500 people and adequately serves 350 for dining. A beautiful modern kitchen with all stainless steel equipment adjoins the Fellowship Hall, and a large stage adequate for any use is at the opposite end.

In addition to the Fellowship Hall, the building contains a large educational wing, offices, and mechanical and electrical facilities adequate for the addition of a church sanctuary. Architect Morison has used a naturally rolling site to create a beautiful structure, which blends harmoniously into the landscape and promises to be one of the beauty spots of the Alma area. An invitation has been extended to all the residents of the Alma area to participate in the dedication on Sunday, May 26th, at 3:00 p.m.

## Famous Word . . .

Dr. King: "In final analysis, all the factors and concepts should be considered."

Dr. Meyer: "Yes? No? All right then."

Dr. Kirk: "Good morning class. Open wide the window Mr. . . . The assignment is the next 300 pages."

Dr. Nichols: "Buenos Dias! Hay. La profesora es muy destraida. Dios mio. Hay."

Dr. Miller: "This is the course. This is where we will begin. God is eminent."

Mr. Storey: "Presumably."  
Mr. Bangham: "I always enjoyed . . . Heaven forbid."

Mr. Mickle: "Am I right? Any Mr. McCall: "Well, it doesn't meet professional standards."

Miss Pigg: "Be sure you join the association."  
Miss MacCurdy: "Sh."

## Professor Foley Elected State President

Professor Margaret Foley of the Department of Modern Languages at Alma College was elected state president of the American Association of Teachers of French at the Association's annual meeting, held at the University of Michigan

## A CARNIVAL IN TRINIDAD IS A JOYOUS EVENT

Among the numerous sights, customs, celebrations and things of this island which attracts thousands of tourists from the world over, Carnival stands out as being one of the most important festivals of Trinidad. Carnival was derived from the French words "Cras Brouler," which meaning adds up to, "without cares". This is an annual celebration held in commemoration of that day, very many years ago, when the heavy hand of slavery was raised from the backs of the wretched East Indians and Negroes. To show their great joy these people gathered whatever they could find around the place, cane-tops, pieces of iron, and paraded the streets shouting and singing. Carnival was thus started and through the years many improvements and changes have been made.

Monday and Tuesday of February are set aside for this great occasion. The festival opens legally on Monday morning at 6 a.m. This first part of Carnival is called "Jour Ouvert", or "the day opens". People fill the streets early in the morning, some have come from the disguise dances of the previous night, others have come from their homes. This is a most humorous thing to see. The disguises are so weird, people are dressed in every possible manner you can think of. A prize of a bottle of rum is usually given for the best band.

Later in the day the real bands come out. The main purpose of these bands is to have fun. However, the Tourist board in an attempt to attract tourists, offer prizes for the best disguised bands. There are many different groups of bands. You may have the historical bands, which I think are the most beautiful, and in these bands you usually see the splendor of Rome, the grace of the Egyptians, the might of the Vikings, the beauty of past Queens, the life of pirates or of the Middle Ages' heroes. Robin Hood is a favorite one, as if you were a military band, sailors, soldiers, tanks and jeeps all help to make a complete picture. You may also have the caribbals and savages, looking straight in the face. These bands have to be most colorful. The many colors used are green, red, blue and blacks. Strips, wires, feathers, and wooden weapons complete the costume. These costumes are sometimes quite expensive, the materials used are usually velvet, silk, blankets, wool and cotton. False hair is made from rope dyed black. Just imagine about 200 people jumping, prancing and dancing in a band. Green, red, blue, pink, orange, black and white all woven in a colorful blur before your eyes.

The steel band is an important part of Carnival. These bands supply music for the dancing on the streets. Usually every band has its own "steel" and they usually "beat pan" for the members of the band to "jump up" as it is referred to. The hard, sharp "pang-a-lang-a-lang-a-lang" of the "iron" can be clearly heard above all else. The five "ping-pa-pa-dang, da-da-dang" of the first pan plays the melody, while the "Pang-pa-dang-pa-pa-dang" of the second pan

on Friday, May 10th.

Professor Foley has been active in the affairs of the association for many years and was previously its president during 1942-43.

She joined the Alma College faculty in 1926 following graduate study at the University of Illinois; Columbia University; the University of Geneva, Switzerland; the Sorbonne in Paris; and the Institut de Phonétique in Paris.

helps the tune along. Then the "Boom-Boom-Boom" of the base ties up the loose ends. The mystic music of the Calypso drums throws a light of unmatched difference to anything else even met.

There are also individual "masses", people would spend months making one costume. A Red Indian's headdress alone takes about five months to be assembled. Thousands of beads, feathers, strips of velvet and silk, tin and gold strips, pieces of wires, and a good sturdy frame of bamboo are a few of the necessities in the building of a headdress. Sometimes these are so large and heavy that they are moved about on wheels, the player stands inside the structure. During the individual "masses" played, robbers, Indians, devils and Ju-Ju are the most common. The costumes of both band and individual are made more beautiful each year, due to the prizes which are offered for the best band, costume or originality.

Carnival time is a time of great festivity and joyous reveling. People from all over the island take part in it. They also "play mass" or just look on. A young Trinidadian would not be considered a real "Son of the Soil" until he has "played mass". It is a time when people get together and just "live-it-up." This revelry continues without stopping, from noonday morning to 12 midnight. When Carnival is over people return to their homes in different parts of the island. On Wednesday evening they return to tasks and start preparing for next year's celebration.

Just before "Jour Ouvert" we have the Carnival show and a Carnival queen is chosen from the plethora of beautiful girls who parade the stage in their beautiful gowns. The queen is chosen according to her beauty, body personality and her interests. Usually the queen's prize include a trip abroad, a motor car and a house.

### Scots Hold M.I.A.A. Lead at Halfway Point of Schedule

With six straight MIAA victories the Scot baseball squad now has the last half of the schedule to complete, starting with another twin-bill at Kalamazoo Saturday. Olivet will be entertained at Alma next Wednesday and there still remains a postponed double-header at Adrian to end the campaign in which Alma is seeking its seventh straight league title.

Supposedly the three teams of Calvin, Albion and Hillsdale were the roughest foes on the road this spring to that seventh championship and if this is the case, then the remainder of the schedule should find Alma in good shape. But the Scots haven't been hitting with any great consistency, picking up only five blows in the first game of the double-header last Saturday at Hillsdale and bagging ten in the second.

Both games resulted in Alma victories, Ralph Springfield gaining a 3-1 decision in the first encounter on a five-hitter and Albie Roman having an easier time in the second, winning 11-3 after his mates gave him an 8-0 lead in two innings.

In that first win, Alma counted all its runs in the second inning as Lynn Hahn opened with a single and was followed by a one-baser for Rosengren, an error on Frank Pierson's ball, then singles by Springfield and Bob Hill. Both teams had five safeties but the Dales made three errors while the Scots had a clean bill of health.

After connecting for a pair of runs in the opening inning of the night-cap, Alma plated six tallies in the second frame, the big blow being a bases-loaded double off the bat of Lynn Hahn for three of the six scored. Roman, who failed to hit safely all last season—aided his cause materially with three-for-three in this game while Bill Klenk also had a trio of safe knocks and Charlie Morrison two in four trips to the plate.

Results of other MIAA games aren't fully available due to the various postponements of the spring but these two losses were the first for Hillsdale and helped to drop the Dales from a first place tie with Alma. By continued win, the Scots can be certain of the title this year and the interval between league tilts will make it possible for Coach Charlie Skinner to start his two aces, Springfield and Roman, against other conference teams. Following the Olivet game here May 20 the Scots have three other home dates later.

Score by innings:  
Hillsdale . . . . .000 001 0—1 5 3  
Alma . . . . .030 000 x—3 5 0  
Taylor and Tallman; Springfield and Pierson.  
Alma . . . . .260 003 0—11 10 1  
Hillsdale . . . . .001 020 0— 3 7 0  
Roman and Pierson, Dice; Rull-edge, Sander and Delbore.

### Tennis Squad Wins and Loses

Bowing to the perennial MIAA champions of Kalamazoo 7-0 last week the Alma college tennis squad counted this same 7-0 shut-out over Olivet at Charlotte on Saturday. The victory kept the Scot conference record even at 2-2 and brought the overall season's record to 2-3 for this spring.

The Hornets of Kalamazoo gave notice they will be tough contenders again for the MIAA title next week by allowing the Scots only one set in the seven matches played, that being won by Alma's Bill York in the fifth singles match which he dropped to Chuck Nesbitt 4-6, 6-1, 6-0.

But in the Olivet match Saturday conditions were merely reversed with the Comet squad gaining wins in only two sets for the seven matches. Results of this match showed Bob Darbee d. DeRyck 6-2, 6-0; Harry Andreason d. Graham 6-2, 6-4; Jerry Schubel d. Weaver 7-5, 6-2; Dick Johnson d. DeVoss 6-3, 6-3; Bill York d. Kuy-pers 6-2, 2-6, 6-2.

In doubles Schubel and Andreason d. DeRyck and Graham 6-1, 5-7, 6-1; Darbee and Johnson d. Weaver and DeVoss 6-3, 6-3.

Phone 198 413 Wright Ave.

### Trackmen Lose to U. of D.

The Scots' trackmen were able to win only four events as the University of Detroit went ahead 79½ to 50½ in the dual track meet.

Pacing the winners in the 100 yard dash was Titan Sprinter Bob Lippitt with the time of 9:8.

Breaking his own old mark of 44 feet 2 inches was Larry Essenschmayer heaving the shot 45 feet 2½ inches. George Arrick took second.

Dick Vinciguera and Fred Immer traded first and second places in the mile and two mile. Vinciguera won the mile in 5:04.2, while Immer ran the two mile in 11:12.3.

Ernie Merithew was the Scots' other first place winner in the high jump with a leap of 5 ft 9 inches. Ernie also placed second in the pole vault.

Bob Luedtke finished second in the low and high hurdles races. Monroe Bellar held down second place in the 880 yard run. Frank Lawrence took second in the javelin throw.

### Golfers Capture One But Lose Two Matches

#### Conference Losses Suffered to Dales, Kalamazoo Squads

A non-conference win and two losses to other MIAA squads came to the Alma College golfers this past weekend, Ferris being victimized by the Scots 11½ to 3½ but losses of 15-0 to Hillsdale and 12½ to 2½ to Kalamazoo also being suffered. In matches with other conference teams, the final results count half toward the league championship, the other half being based on the team result in the MIAA meet due for May 17 and 18.

In the Ferris match played on Pine River County Club course, Bob Postma with an 84 and Gordie Snyder with an 83 split their points with Opie Wiest and Don Werbelow, respectively, to give the Bulldogs 3 of their points, the other half coming in the No. 4 match which Bill Jones won with an 81 to 85 by Ross Alexander, though they halved the first round. Dick Ayling with an 84 took all 3 points from his match as did Tom Johnson with his 88.

In the Kalamazoo match four of the five Hornet golfers shot in the 70's while at Hillsdale all five Dale team members were below 80 to whip Alma soundly in both meets. The 2½ points Alma garnered in the Kazoo encounter came from Gordie Snyder with his 80 as against the 82 from Bob Urschlaitz.

The 80 of Snyder was low for the Scots though medalist for the day was Jack DeKreek with a 74.

### Dales Capture 4-3 Tennis Win Over Scots Monday

Hillsdale took three of the five singles matches and one of the two doubles to capture a 4-3 decision over the Scot tennis squad on Monday afternoon at Hillsdale. All matches went in straight sets except for the No. 1 singles match which the Dales' Jerome won from Bob Darbee as the East Jordan freshman carried the match to three sets before bowing 5-7, 6-4, 6-1.

Results of the other matches showed Harry Anderson (A) def. Taviallali 6-3, 10-8; McIntosh (H) def. Schubel 6-1, 6-3; Zuckerberg (H) def. Johnson 6-0, 6-2; Bill York (A) def. Broock 8-6, 6-4. In the doubles Jerome and McIntosh teamed to defeat Andreason and Schubel 6-4, 6-2; but Alma's Johnson and Darbee defeated Zuckerberg and Taviallali 6-2, 6-2.

### Bad Inning Causes Downfall

#### U of D Collects 7 Runs in First for 9-0 Win

One bad inning, the first, when seven walks, an error and a couple of hits pushed across 7 runs brought the Scot baseball team their third loss of the season last week against the University of Detroit nine. Gus Armstrong was on the hill for Alma during that one inning nightmare and was followed by three other hurlers who limited the Titans to just three hits and another pair of runs for the rest of the game.

But the damage had been done, plus the fact the Scots were able to solve the offerings of John O'Donnell for only four safeties, and a 9-0 loss was the result. O'Donnell limited the Alma hits to four batters, Dave Zittle, Lynn Hahn, Stan Stolz and Bob O'Boyle while twelve went down by strikeouts in the nine inning affair.

The two teams will play a return game on the Alma diamond May 27 to give the Scots chance to avenge this loss.

Alma . . . . .000 000 000—0 4 4  
Detroit . . . . .700 002 00x—9 5 0  
Armstrong, Woodruff (1), Ford (7), Rohn (8) and Pierson; O'Donnell and Foster.

### NAIA Colleges to Hold Track Meet

Central Michigan College will play host to the first annual State NAIA track meet June 1 with all 12 member colleges expected to compete.

Winners will represent the State in the National NAIA meet June 7 and 8 in San Diego, California.

Michigan colleges competing in the State meet are Eastern Michigan, Central Michigan, Ferris, Hope, Calvin, Alma, Northern Michigan, Kalamazoo, Adrian LIT, Detroit Tech and Hillsdale.

Eastern Michigan, headed by the talented Hayes Jones, and the Chippewas, defending IAC champs, are expected to pace the field.

### Ferris Avenges Early Golf Loss

With Don Werbelow, former Alma high school golfer, firing rounds of 37 for medalist honors with a 74, the Ferris Institute golf squad avenged an earlier season loss to the Alma golf team 13-2 at Big Rapids Monday afternoon. The best Alma could offer was ten strokes higher as both Gordie Snyder and Dick Ayling carded 84's for medalist honors for the Scot five.

Points were gained by Alma however, from Bob Jones in the No. 2 spot and Harry Vitek in the No. 5 position, each picking up a point in their matches.

### Alma Wins Two as They Drop Kalamazoo in M.I.A.A. Race

The Scots won two more baseball games Monday, a grand slam homer in the bottom of the seventh winning the first 8-7 and then the night-cap was taken in easier fashion 6-1. Albie Roman was the winning hurler in both games, taking the first game in relief and going all the way in the second for the victory.

Kalamazoo was the opponent for the day, the Monday contests being carded because Saturday's rain caused postponement and it leaves the Scots with a pair of games yesterday here with Olivet and two more today at Adrian to wind up the MIAA campaign. The thin pitching staff of Coach Charlie Skinner will have a real workout this week as a result, though the next games will not come until Monday when Ferris is encountered in a twin-bill at Big Rapids.

The Scots were home team in the first game of Monday's double-header and got off to a fast start after the Hornets had scored once in the top half of the frame. Dave Zittle opened with a double, and was promptly scored by Chuck Morrison's single. He was sacrificed to second and after Stan Stolz was safe on an error, Bill Klenk blasted one of Gary Brown's offerings over the leftfield wall for three runs.

#### Big Seventh

Two more counters came for the Hornets in the second and the game continued 4-3 for Alma until the top of the seventh when Kalamazoo collected four hits, combined with two errors, to plate four runs of Ralph Springfield, Gus Armstrong and Roman who finally put out the fire.

But the Scots did not quit as Don Rohn, batting for Roman, singled to open the bottom of the seventh. After Zittle flied to left, Bob Hill walked, Morrison got his second single of the game to load the bags and Lynn Hahn blasted one down the right field line to clean the sacks. A lapse of memory on the part of Bill Vild, Hornet catcher, allowed Hahn to continue from third into the plate for a homer and the winning run as he left his station after the third run scored, thinking that was enough to win for Alma. Hahn scored as the second baseman had the ball on a relay and waited desperately for someone to cover the plate to cut down Hahn.

#### Easier Win

The second game was Alma's all the way as the Scots counted two runs in the second on a pair of errors and a single by Hahn, then followed with three more in the third to ice the game. Zittle started this with a single, was sacrificed by Hill, scored on Morrison's double and he in turn came home on Hahn's single. A double by Stolz plated Hahn for the third run and more than enough to win as Roman effectively scattered seven hits, walked none and was in
