

Homecoming Has Snake Dance And Dressy Dance

Last weekend saw the culmination of all the plans for Alma's 75th Anniversary Homecoming.

Friday night featured a snake dance which had a fine turnout of over 300 students and an Alumni Banquet for the many returning alumni.

The Homecoming parade Saturday morning was based on the "Diamond Jubilee" theme. Antique cars from the Central Michigan Antique Car Club provided both atmosphere and transportation for various campus and guest dignitaries.

Miss Mary Hill, '93, "the most chipper lady I've ever known" according to Homecoming chairman Jane Walker, was Grand Marshall of the parade.

The Alpha Theta float took the Grand Prize; its theme was "Going Courting in 1886."

First place in the mens' division went to the Delta Sigma Phi fraternity for their "75 Years of Smooth Sailing." Alpha Sigma Tau's "Alma's Newest Diamond" won first place in the women's division.

Tau Kappa Epsilon took honorable mention in floats.

In lawn decorations the first place went to the Delta Sigma Phi fraternity for their entry of an animated Scottie dog.

Wright Hall took honorable mention for its 35-foot-tall Scotsman.

Several area bands presented a show preceding the game, attended by approximately 4,000.

At halftime, Queen Naarah Crawford, Cleveland junior, was crowned queen of the festivities. Esther Cornelius and Doug Porter were flower girl and crown bearer respectively.

In honor of Alma's 75th anniversary, a birthday party was held on Tyler lawn with a four-by-six foot cake, a replica of a football field, which was baked by Saga Foods. The Campus Wives served coffee, cider, and donuts.

The "Diamond Jubilee Ball," held Saturday evening, gave the final crowning touch to the day's festivities.

Perhaps the three most important dignitaries in the Alma College Diamond Jubilee Homecoming parade last Saturday were Queen Naarah Crawford, Dr. Stephen Nisbet, and Dr. Robert Swanson.

Queen Naarah contributed beauty to the success of Homecoming. Nisbet brought honor as an Alma alum who is now president of Con-Con

and president of the college Board of Trustees. Swanson contributed his usual joviality and, at the same time dignity, which is responsible for the attitude reflected in the Kiltie Band's salute at the halftime show: "Swanee, How We Love You."

Vol. 53—No. 5

Alma College, Alma, Michigan

Friday, October 20, 1961

Mailed under PL&R
34.65
Permit No. 37
Alma, Michigan

Same Thing - - New Location

Dr. Stephen Meyer, Business Manager, announces the relocation of the offices of the student publications. The almanian and the Scotsman moved last Wednesday from Hood 100 to 600 College Street.

The new residence, formerly called Hurst House, was recently purchased from Miss Louise Hurst and Mildred Shaw, both alumni of Alma College. It is on the site of the proposed Athletic Building, which is why the College bought the house and property when it was offered by Miss Hurst.

The Board of Publications House contains five rooms and a kitchen, and has an excellent hot-water heating system. Basically, the building has not been changed for its new occupants. Only additional lighting has been installed.

The almanian will have its offices on the first floor and the Scotsman on the second. The basement, which is separate from the rest of the house, is being used by the drama department for set storage and a workshop.

The publications were moved out of the Hood building in anticipation of the construction of a new library. When it is begun, Hood will be used to house books.

Alumni Reunions Well Attended

The class reunions on Homecoming were very successful, with many alumni attending these coffee hours.

The alumni in the 25 and 50 year classes had especially good attendance. The class of 1911 had about eight come to the coffee hour. Some 15 alumni turned out for the Class of 1936 coffee hour. More came as the football game started.

Well over 100 alumni were able to attend the coffee hour (See REUNION, page 3)

All almanian staff members meet Saturday at noon at our new office for a group picture. If your name is on the masthead, this means you!

Classes meeting at 10, 11 and 12 o'clock on Founder's Day, Thursday, October 26, have been cancelled. Some of these classes, however, will meet the preceding day, Wednesday, October 25. Students involved will be notified by their instructors.

Frosh Compose 40% Of Alma Student Body

Almost 40% of the Alma College student body is composed of freshmen. According to enrollment figures released by the Registrar's Office, Alma's 1961-1962 enrollment of 883 students is composed of 73 senior men and 49 women, 83 junior men and 66 women, 143 sophomore men and 104 women (a total of 247 students), and 173 men in the freshman class with 175 women.

The freshman class is the only class with more females than males. A total of 348 frosh makes it by far the largest class.

College students represent 15 states and 14 countries. Michigan students number 777 or 88% of the entire student body. Among these, 183 come from Wayne County, 103 from Oakland, 74 from surrounding Gratiot, 41 from Saginaw, and 31 from Genesee.

Nine per cent of the students (83) are from out of state: 27 from New York, 14 from Ohio, 13 from Illinois, and Indiana, the fifth highest state, with 10.

Burma, Germany, Ghana, Greece, Hong Kong, India, Indonesia, Iraq, Iran, Jamaica, Japan, Korea, Liberia, and Palestine are the assorted homelands of the 23 foreign students at Alma this year who are 3% of the enrollment.

Students' religious preferences include Presbyterian 50%, Methodist 14%, Congregational 6%, Lutheran 5%, Episcopal 5%, Catholic 5%, Baptist 3%, and all others 12%.

Married men outnumber married women 32 to 10, and 68 men and 24 women commute to school each day.

There is also one veteran in the composite ranks of the Alma College student body.

NEW RULES

Frat Pledges' Grades Drop

Fraternity pledging does tend to lower academic standing.

This was the finding of Dean Kent Hawley as he studied the grades of last spring's pledge class. Men of the freshmen class overall raised their grade points by 12.6%. Sig Tau pledges dropped 9.4%, Delt Sigs dropped 10.9% and the Tekes lost the most ground with a 20.7% drop.

According to Hawley, the proposal to raise the rush requirement to a 1.25 grade point average would have little effect. It was the men with the best grades before pledging who dropped the most. Only one flunked out and none are presently on probation.

In an effort to reduce this tendency new rules have been approved by the student affairs committee. These include the requirement of a 1.0 at midsemester as a prerequisite to initiation.

Other changes include confining most pledge activities to the house and grounds and prohibiting all rides and off campus trips.

Both formal and informal pledge activities must be limited to one night per week. Hell week will be changed in both name and extent. It is to be known as Help week and modified to permit pledges adequate rest and study time. Hawley suggests limiting it to three days and placing it on a weekend.

AC To Receive Historic Marker

Alma College is to be the site of the Michigan Historical Commission's newest marker.

The four-and-a-half-foot plaque of green and gold is the 181st such roadside marker placed in the state. It will be dedicated following the Founder's Day convocation October 26.

The inscription in one-and-one-half inch letters reads: "On October 26, 1886, the Presbyterian Synod of Michigan accepted an offer by Ammi W. Wright of Alma of thirty acres of land, containing two build-

Founder's Day Thursday Commemorates A C Birth

Convocation, Honorary Degrees, Historical Marker Have Part

In this 75th anniversary year Founders' Day will be recognized by a special convocation, the presentation of two honorary degrees, and the dedication of a historical marker.

Founders' Day is to be celebrated on October 26, the day when the Synod of Michigan accepted Ammi Wright's offer of 30 acres of land and Alexander Folsom's offer of \$50,000 to operate Alma College.

The convocation will be held in the Chapel with Dr. Robert D. Swanson presiding. Proceedings will be broadcast over closed-circuit television for part of the student body.

All freshmen and band members are to report to Dow Auditorium at 10 a.m. Thursday for the televised convocation, according to Dr. Harlan McCall.

The convocation speaker will be Mr. Maurice Cole, chairman of the board of trustees' 75th anniversary committee. Dean William Boyd will present Dr. Frank J. Sladen as recipient of the honorary degree of Doctor of Laws (LL.D.). Rev. Raymond H. Swartzback will be presented by vice president Harold VandenBosch for confirmation of the degree of Doctor of Divinity (D.D.). The Choir will also participate

ings, and a gift of \$50,000 from Alexander Folsom of Bay City, for the purpose of establishing Alma College. The Synod had resolved: 'We will, with God's help, establish and endow a college within our bounds.' A charter was granted by the State of Michigan, April 15, 1887. Classes began September 12, 1887. In the first year there were 95 students and nine faculty members. Here the Presbyterian Church has fostered the pursuit of learning to the glory of God and the dignity of men."

SPECIAL NOTICE

Mr. John B. Swainson, Governor of the state of Michigan, will be present on the Alma campus Founder's Day, Thursday, October 26. He will participate in the dedication of a State of Michigan Historical Marker in front of "Old Main" at 11 a.m.

Smiling as true a true queen and her court Queen Naarah Crawford and court members should, even in spite of last Saturday's just-a-Sue Starrman, Linda Ross, Daniele Dyer, and little-too-crisp weather are (from right to left) Betty Nucci. (Photo by John Scholl)

a river at sunset, searching in the silence for strength and rest, the first thing that comes to his mind is that she's in a state of utmost desolate despair, then I thought that I could be pretty sure that he is one of those who never stands alone by wish. Later I thought that of course it may have been that he is not so, thinking and acting as he did only because as a policeman among people such as us, he knows that such thinking best corresponds with the reality in our culture. I hope this is the explanation, for if it is not, if the first is true, then he is missing so much.

Reunion

continued from page 1

and practice for the Alumni Choir, which was held from 11 a.m. to 12 noon on Homecoming Day. They sang after the cutting of the cake. The guest director was Dr. Eugene Grove, former director and Head of the Music Department from 1941 to 1953, who directed two of the four songs. They were "Salvation Is Created" by Tchesnokov and "Orchestra Song." Dr. Ernest Sullivan directed the Carl Mueller arrangement of "A Mighty Fortress" and a Negro spiritual called "Great Day."

Sullivan remarked, "One of the greatest rewards of the reunion was the pure enjoyment that the former members had in singing together again."

At the Tri-Beta reunion some 15 to 20 alumni were present. Some slides of previous field trips and other activities were shown at the coffee hour in the seminar room in the Dow Science Building. Attending were some University of Michigan students, various medical and graduate students and teachers of biology. Some of the students enrolled in Alma College brought their parents to the coffee hour.

UN Day, Week To Be Observed

Sixteen years ago representatives of fifty countries drew up a code of conduct for nations by which war would be outlawed and a better life assured for peoples in every country. This code, the United Nations Charter, came into force on October 24, 1945. Now the anniversary of that event is celebrated throughout the world as United Nations Day.

This day and United Nations Week from October 23-27 is being recognized on campus through several functions and special observances. These activities, including the all-school international dinner and several discussion groups on timely topics, will be announced as to time and place at the beginning of next week.

The observance of UN Day is in itself important, but the main purpose lies in the "follow through" which is given to it. One purpose is to make evident and visible our support of the principles and objectives of the United Nation, and most

important, to make people informed on the United Nations and its activities with national and foreign affairs.

As follow through, the annual international night will be held later this semester.

Russell To Form Duo-Piano Group

Anyone interested in performing duo-piano music is invited by the Department of Music to come to Chapel 4 on Wednesday evening, October 25, at 7:30 p.m.

This extracurricular activity is being planned for any who enjoy the relaxation of music and have the time and inclination to meet once a week to listen to and/or perform piano duos for the other teams.

As somewhat more than a beginner's technique is required, the group necessarily cannot include elementary pianists (or virtuosos either, unless they come in pairs).

The group will be sponsored by Dr. Paul Russell of the music department.

Tonight will be the first open house of the year for the Delta Sigma Phi fraternity and the Alpha Theta sorority at the Delt Sig house.

The open house will start after the movie at 9:30 p.m. and will last until 11:30 p.m.

Cider and conuts will be served and entertainment will be provided.

"8x8" AT 8

Experimental Film Will Show Sunday In International Series

The International Film Series continues this Sunday evening, October 22, with the showing of its third film, "8x8," at 8 p.m. in Dow Auditorium.

"8x8" is a German experimental film which is a recent work of Hans Richter, one of the "old masters" in the field of avant-garde movies. It is often called a "subjective" film and it has the story form of the avant-garde, that is, a story told through symbols.

The film has been called a fairy-tale for grown-ups and is based on the chess game as a symbol of the eternal conflict among men. It is made up of eight episodes in color moving from the chess board to the bull ring and from Venice to Vienna.

The kings and queens, knights and bishops, castles and pawns, are played by a host of internationally known painters, poets, composers and beautiful women, including Paul Bowles, Jean Cocteau, Marcel Duchamp, Alexander Calder, Yves Tanguy, John Latouche and Jean Arp.

Professor Wesley Dykstra, chairman of the International Series, says of this film and its subjectivity: "The subjective film bears much the same rela-

tion to ordinary pictures as poetry does to prose. Its successful realization, therefore, depends upon the sensitivity of the artist and his ability to project affectingly his own private vision. It requires of the spectator a unique participation, both emotional and intellectual."

Hans Richter began his film experiments in Germany in the early 1920s, where, as one of a group of abstract painters, he began exploring the problems involved in developing visual themes in the manner a musical theme evolves in the symphony or the sonata. In his later works Richter has moved away from the abstract film to a more symbolic-representational style. "8x8" is one of these latter films.

Although series tickets have been sold out, a limited number of single admissions will be available at the door just before 8 o'clock. The cost will be \$1.

The remaining films of the series are "Tight Little Island," an English comedy, November 9; "The Blue Angel," a German drama with Marlene Dietrich, November 19; and Ingmar Bergman's "The Seventh Seal," December 3.

STUDENT COUNCIL

October 17, 1961
7:00 p.m.

The meeting was called to order, the invocation was given, the roll was called, the minutes were read and corrected.

The Building and Grounds Committee reported that black top sidewalks will definitely be put in between Gelston and Newberry and Mitchell Halls.

It was recommended to the Academic Affairs Committee that they collect All School Reading recommendations from the Student Body, that they obtain a statement of the Chapel cut policy and enforcement procedures, that they obtain a statement of the reason for required chapel and investigate the possibilities of voluntary chapel, and that they obtain a statement of the convocation attendance policy.

The Student Affairs Committee reported that it has recommended that fraternity pledging be extended to a six week period and that a pledge must have a 1 point average at mid-semester exams in order to go into the final week of pledging. It was moved and seconded that the Student Council give unanimous approval to the stated recommendation. The motion was unanimously passed.

Mike Gibson was appointed chairman of a Special Committee to investigate dorm judicial procedures and propose appropriate changes.

The Amendment to Article V, Section 2 of the constitution concerning the creation of the Student National Affairs Committee was unanimously passed.

The Amendment to Article II, Section 4, of the constitution concerning Fraternity and Sorority representation was unanimously passed.

The Social Director, Miss DeLeon, made certain recommendations to the council regarding Queen elections. It was proposed that each queenship be limited to one class, and that each girl be limited to one number of courts, she might sit on any number of courts. It was moved and seconded that a committee be set up to investigate the procedures of electing the major queen elections on campus. The motion was seconded. It was moved that the motion be moved, seconded and defeated. The major motion was passed. Hal Waller was appointed chairman of the committee and Bob Sherman, Jean Cook, Sue Heet, Mary Ann Miller, R.T. Knapp, and Bonnie McBane were appointed members.

Jim Lynn moved that the executive committee hold an open session to formulate proposals for an agreement with the almanian regarding release of Student Council news and then meet with the almanian staff to discuss these proposals. The motion was seconded and passed.

An Amendment to Article VI of the constitution outlining the duties of the Student National Affairs Committee was proposed, seconded, and tabled.

It was moved and seconded that the Student Council send 6 people to the fall regional assembly of the N.S.A. at the University of Michigan and allot \$48 for registration fees plus any additional funds needed for transportation. The motion was passed.

It was moved and seconded that 5 of the 6 openings be held open to Council members unless not filled by Tuesday, October 24. The motion was passed.

It was moved and seconded that a special committee be set up to investigate policies on requisitions for food and rooms for special banquets. The motion was passed. Judy Gable was appointed chairman of the committee.

It was moved and seconded that the discussion of the health service be tabled until the next meeting. The motion was passed.

Consideration of school rings, a Greek week, and additional speakers in the union was proposed. These suggestions were assigned to the proper committees.

The meeting was adjourned.
Respectfully Submitted

Scotsmen 8, Bulldogs 7 In Homecoming Success

by Dick Lee

Alma College's football team won their first game of the 1961 season over a tough and determined Adrian Bulldog eleven last Saturday, 8-7. It was the crowning achievement which helped make Homecoming 1961 a ringing success. The game was played before a home crowd of about 7000 fans, friends, and visitors.

It didn't take long for the football team, and most folks in the stands, to realize that Adrian wasn't going to be a pushover. Bruce Norton, Adrian's passing quarterback, struck through the air for two long passes early in the opening minutes of the game. The two passes covered 44 yards each, the second aerial resulting in the lone Adrian touchdown. Dale Bachman converted the extra point and Adrian led 7-0.

The whole of the first half from this point on was entirely a defensive game. Alma's strong defense held Adrian in

check, and Adrian's strongest weapon, the quick kick, kept Alma deep in their own territory all afternoon. At halftime the score remained 7-0.

1st Place Alma To Battle Kazoo

Alma travels to Kalamazoo College this Saturday to meet the Hornets in the second MIAA football contest for the Scotsmen. By defeating Adrian last Saturday, Alma is tied for the league lead with Olivet and Albion. All three teams are undefeated.

The game against Kalamazoo will be the Homecoming game for the Hornets, and a rough test for Coach Smith's Scots. The game will start at 2:00 p.m.

In the third quarter of play the defensive teams dominated action again. Neither team could get a substantial drive going, and it looked like this might be the story of the game.

The final minutes of the game provided most of the excitement for the Homecoming fans. An attempted quick kick by Adrian's Jim Hoke with 3:02 left to play in the game, backfired on the Bulldogs. Defensive left end Ken Renaud, co-captain of the Scots, broke through the offensive line and blocked the kick.

The ball hit the ground and bounced toward Ken, who alertly fielded it and sprinted into the end zone. With the cheers of the crowd ringing in their ears the Scots decided to gamble on the two-point-after touchdown play. This particular play cost them a victory in the first game of the year against Ohio Northern University.

Van Mulligan was elected to carry the ball. He took the handoff from quarterback Ebright and started to the right.

Finding a wave of tacklers waiting for him, Van cut back to the center of the line, lowered his head, and carried half a dozen blockers and tacklers into the end zone with him.

Adrian threw everything they had offensively against the Scots during the remaining three minutes of play, but the inspired Scotsmen were equal to the task. Van Mulligan intercepted a last ditch pass late in the game, and Alma's offense ran out the clock. The final score—Alma 8, Adrian 7.

After the game Coach Arthur Smith had this to say among the shouts and festivities of a steaming, happy locker-room; "No one should feel bad about winning this one. It was a gift, sure, but we've given a few games away too. This is the same score that started our losing streak; now we'll start our winning streak in like manner."

It's Ladies Night In Volley Ball

Last week several exciting and close games were played in the women's intramural volleyball competition. The Gelston 3 team beat Newberry. Newberry won over Gelston 4 and the Alpha Thetas won over Gelston 1. The Gelston 3 team lost to the AS'Is and the Faculty wives lost to the KIs.

On Tuesday, October 24, at 7 p.m. the Gelston 1 team plays the Gelston 4 team and the KIs play the Alpha Thetas. On Thursday, October 26, the KIs play Newberry at 7 p.m. and Gelston 1 plays Newberry at 7:30 p.m. At 8:30 p.m. the Faculty wives meet the Gelston 3 team and at 9 p.m. the Faculty Wives play the Alpha Thetas.

Director of Social Activities Miss Alicia deLeon wishes to publicly extend warm thanks to all committee members and especially to freshmen whose co-operation, collaboration, and long unrewarding hours of work made the Homecoming Celebration something more than a superficial success.

Tuesday, October 24, is the last night for new members to join the Choral Union. Rehearsals are from 7:30 p.m. to 9 every Tuesday in the Chapel, in preparation for Handel's Messiah which will be given Sunday, December 10.

The chorus now numbers 130 voices. A minimum of seven rehearsals is required for this year's performance. Any who anticipate singing with the choir are urged to attend this week's rehearsal.

Thinclads Lose To the Bulldogs

Alma's Cross-Country team lost a dual meet to Adrian College on the home course last Friday, 25-36, despite the individual efforts of team captain Warren Slodowske and Jerry Smith. Warren took first place with a time of 22:15, and Jerry finished second, with 22:21.

Adrian placed their runners in the next seven positions and won the meet.

Tom Bailey finished third for Alma, and John LaRue finished fifth. Earl Wilson, running for the Harriers. Earl was injured earlier in the year. Cross-country Coach Wayne Hintz, says he expects big things from Earl when he is able to give one hundred percent.

Alma's next meet is on Saturday, during the halftime of the game with Kalamazoo College.
