## Student Council Election set for Thursday

## OHIO U. TO AC. STEARNS JOINS FACULTY

MARK MORLEY

LOU TRAYCIK

HOWARD J. ANDERSON

Donald C. Stearns, a Montcalm County native now on the staff of Lake Superior State College in Sault St. Marie, has been appointed instructor in physics at Alma College, according to Dr. Swanson.

Stearns, 27, holds a bachelors degree from Alma College and masters degree from Ohio Univer-

sity. He has also studied at the University of Waterloo.

He was a graduate assistant at Ohio University from 1963 to 1966 and a teaching fellow at University of Waterloo during the 1966-67 academic year. He joined the Lake Superior State College faculty in September, 1967.

Stearns will join the Alma staff at the beginning of the 1968-69 academic year in September.

Campaigns began this weekend for the Student Council office posts of president and vice-president. Voting for candidates will be this Thursday, May 9, from 9-5 in the Tyler Student Council Office.

Only one candidate, Mark Mor-

ley, presented the necessary fifty eligible petition signatures to allow him to run for the top student position as president.

Two candidates, Lou Traycik and Howard (Howie) Anderson, will be placed on the ballot as

seeking the vice-presidential post.

Student Council will play a tremendous part in the implementation of the new community government next year. This election might be one of the most meaningful of Alma's future.

VOTE NEXT THURSDAY!

Mark Morley

The 1968-1969 academic year is going to be an important one for students of Alma campus. A very big first step has been taken.

The long-debated, and long-awaited community government has been adopted.

The new student approved activities fee is going to be bringing students both big name groups plus a widely expanded social program.

The students, and their Student Council, have a major role to play next year in seeing to it that the success of community government becomes a reality.

Next year students can make or break their opportunity to become truly involved in the decision-making of this college community. The way we can "make it" is by showing the "doubting Thomases" that stu-

Lou Traycik

At Flint U of M. for two years, I was vice-president of Student Council, chairman of Election Committee, and member of the Inter-College Board.

If elected, I would like to work: 1. As a team with Mark Morley as president... 2. To abolish per for women... 3. To give dorm councils the right to set their own hours and open-door policy. 4. To abolish present convo requirements. 5. To improve and expand the Greek system on campus.

Students are as willing and anxious to take part as we have claimed that we are.

I am convinced that one year hence community government will finally be more than a report, but rather a successful experiment in the process of becoming a campus reality.

Howard J. Anderson

I am a junior who for the past two years has served on Student Council as my class representative, in addition to being an active member of my fraternity. I'm not going to make any political promises about the great things I would accomplish if elected as vice-president, because I don't believe in committing myself to any course of action which might prove unfeasible. What I will say is that I am extremely interested in the new community government system and will try to do my utmost to make community government a success next year. I have been active in past student government and earnestly desire to be a participant in next year's government, specifically as vice-president of Student Council.

## Award winners for Convo tomorrow

Richard Myers, film-maker and teacher of art at Kent State University (Ohio), will present two film programs on campus Tuesday, May 7.

The first program will be at 3 p.m. in the A-V room of the library and will consist of three of his short films and commentary. The films of the afternoon program, in addition to being outstanding examples of contemporary, non-commercial film-making, treat certain aspects of contemporary art education. One of these films, Wood and Glass, was the subject of an article in School Arts magazine.

Mr. Myers' evening convocation program will be made up of three completed films and a film in progress. These constitute his major work of the past five years and represent his more experimental and ser-

ious endeavors. Two of these films, Coronation and First Time Here, were awarded first prizes at major film festivals at Ann Arbor, the Milwaukee Art Center and the Richmond Professional Institute.

Leading film critics and film-makers alike have been enthusiastic about Richard Myers' works. Pauline Kael called him the "major discovery of the Ann Arbor Film Festival." Amos Vogel of Cinema 16 and Lincoln Center selected his work, The Path, for distribution. George Manupelli, Director of the Ann Arbor Film Festival, ranked Coronation as "one of the two or three very best experimental films of 1965." Mr. Myers has presented his program of films and commentary for many film societies and at numerous museums, universities and colleges.

The Convocation program is at 7:30 p.m. in Dow Auditorium.

## Class officer petitioning begins

Petitioning for next year's sophomore, junior, and senior class office positions will begin today. Petitions for the sophomore and junior class office positions of president, vice-president, sec.-tres., and one Student Council representative; as well as senior class positions of president, vice-president, secretary, treasurer, and one Student Council representative may be secured from Tyler Booth. To be eligible, a candidate for any of the offices must be a student in good standing, a member of the class he (or she) represents, and secure 25-35 signatures of support from fellow class-mates. Campaigning may begin after the 7:00 deadline on Friday.

Petitions may also be secured from Tyler by students who wish to represent the student body at

at-large representatives to Student Council. At-large candidates must be in good standing, secure 25-35 signatures from freshmen, sophomore or junior students, and will act as representatives of the college student body as a whole. These petitions will likewise be due Friday, at 7:00, at which time campaigning may begin.

The election process will begin with the filing of petitions for the various offices. The deadline for the filing of petitions is Friday, May 10, at 7:00 p.m. in the Tyler Booth. Students may contact their advisors prior to May 10.

# 4 way smear over Olivet, tennis, track, baseball, goif

## BASEBALL DOUBLE-HEADER 4-0 2-1

Behind stellar pitching performances by Mike Weatherwax and Dan Curran, the Alma baseball team dumped Olivet twice last Saturday. Weatherwax humbled the Comets by hurling a one-hitter as the Scots rolled to 4-0 in the first game. In the second inning Alma grabbed a 1-0 lead when Pete Schmidt drilled a single to score Roger Frayer. The Scotsmen then erupted for three more runs in the seventh to put the game on ice.

Curran started on the mound for Alma in the second game, and

proved to be equally as stingy, allowing Olivet only two hits. Runs in the second and fourth innings gave Curran all the cushion he needed, before Olivet managed to score once in the fifth. After that the Comets were unable to put together another threat, and Alma held on for a 2-1 triumph.

The double victories gave the baseball team a 10-9-1 overall mark and a 4-4 record in the MIAA. Wednesday the Scots take to the road for a twinbill with Hope.

Athletically speaking, Olivet experienced one of the most miserable weekends of all time at the hands of the Scots. Besides Alma's twin victories over the Comets in baseball, the Scot golf, tennis and track teams also chalked up wins.

In golf, Coach Smith's crew stomped Olivet 15-0 as the Comets finished 48 strokes behind the victors. Jerry Knowlton posted a 76 to take medalist honors.

The track team, too, had no trouble as they overwhelmed Olivet 102-43. Hilary George shattered the school javelin throwing mark as he winged it 173' 10". Brock Higgins blazed for double 200s in the 220 and 440 dashes, and Steve List followed suit with 40s in the low and high hurdles. Both Higgins and List were also on the winning relay teams for the 220 and 440.

The tennis team completed the onslaught by stomping Olivet 9-0.

## LANZILLOTTI TO DISCUSS POVERTY

"Economics and the Poverty Problem" will be under the scrutiny of Professor Robert F. Lanzillotti at a convocation tomorrow, Tuesday, April 7, at 10 a.m. in Folsom 101.

Professor Lanzillotti is chairman of the economics department at Michigan State University. A Berkeley Ph.D., he has been a

consultant to the Justice Department and the Federal Trade Commission, and an expert witness before Congress.

After tomorrow's two convocations, four more plus the Honor's Convocation remain. The attendance requirement is three plus the Honor's Convocation.

## CAMPUS NOTES

Tyler Board is sponsoring "The New World Singers" Concert Saturday night at 8:30 in Tyler Auditorium. This versatile group sings in the style of "The New Christy Minstrels," "The New Society," and "The Backporch Majority." They have been featured throughout ski resorts in Michigan for three years. Tickets for the eleven piece group will be sold for \$ .75 per person at the door. Plan to enjoy an evening with "The New World Singers."

Letters of application for the various community government student positions will be received next week, May 13 through May 22. There are twenty-four available student positions. Interested students: next Thursday's almanian will give the details. Start thinking about it now!

Following are the school systems, businesses, industries or government agencies that will have representatives on campus for the week of May 5:

- 5-6 Ovid-Elsie Schools - Elsie
- 5-8 Deckerville Schools

For the week of May 13:

- 5-14 Lincoln Park Schools
- 5-16 West Bloomfield Schools - Orchard Lake

DOUD DRUGS

In the early morning of Sunday, April 21, 22 books were taken from a black Ford in Wright Hall's parking lot. These were history volumes dealing with the Quakers and Puritans for the completion of a take-home mid-term in history. Keith Pohly and Nancy Woelfel, in whose name these books were checked out, are responsible to three libraries for this collection: 14 from C.M.U. Library, 7 from Monteith, and one from the Macomb County Library. They are due Tuesday, May 7.

The estimated cost of the missing property legally constitutes a felony of grand larceny. Keith and Nancy are only interested in having all these books returned. Those who have the books may return them anonymously by placing them in the Monteith book deposit slot.
