The year following the Pep Jug's birth brought with it an unforseen complication. The night of the 1967 Pep Rally found the Class of '70 the winners of the cheering contest ... and found the venerable year-old Pep Jug missing. AC's highly-trained security police went into immediate action and effectively recovered the esteemed prize from Tom Kell, a dastardly fellow who had taken it upon his own unethical shoulders to deny the Class of "70 its richly-deserved recognition. Needless to say, this episode only served to reinforce the place of the P ep Jug in the hearts of Alma's students, and as if in response, the Class of '70 went on to triumphantly cop the coveted compensation of the cheering contest each successive year.

Today the preemptory presence of the Pep Jug at each Homecoming pep rally is a firmlyentrenched and duly supplicated tradition. In

Plough, Gazmararian and Strait, and two student members of the Homecoming committee, Bill Birdsall and T.J. Webb. When questioned as to the relevence of the somewhat archaic trophy to today's sophisticated, fastpaced world, Mr. Webb staunchly defended the jug's inspiring traditional value as well as the part it plays in helping to give the uninitiated freshmen a certain sense of direction. In Mr. Webb's words, the Pep Jug "gives the freshmen a chance to feel a part of the campus. It is one of the first opportunities for the frosh to compete as a whole against the rest of the campus." It is apparant that these sentiments are shared by a very large percentage, if indeed not all, of Alma's campus. With such staunch and unwavering support, the Pep Jug will never fall from its pinnicle of success as one of Homecoming's most widely-loved traditions.

by Linda Heiss Homecoming This Year Different, Yet The Same

Homecoming '70 is here. It is everywhere and excitement has been building all week. Floats are being made, dates being found, voting, and no one can escape without feeling the importance of this week.

"The Ingenious World of Invention" is this year's theme and decorations and floats all revolve about the volumes of inventions.

The excitment began Monday when the ten senior girls who would run for the Home-coming queen were elected. Marsha Andrews, Helen Bendall, Sarah Conyers, Nancy Davison, Dee Ellis, Jan Hoekje, Judy Kebler, Sally Noland, Heather Neary, and Sue Bile were chocen as the cutstanding representatives from the Senior Class Pike were chosen as the outstanding representatives from the Senior Class.

Wednesday was another important day for these girls because the queen's court was elected. Jan Hoekje was chosen our queen in that election.

The pep rally followed dinner and there were the traditional skits, the bonfire, and the pep jug contest. The energy and enthus-iasm were channeled into the snake dance which wound through town and covered the campus. After all the excitement, the queen was coronated in Tyler which was followed by more celebrations and fun.

Today is the climax of all the activities of the past week. The parade, with the

floats carrying the queen and her court, competition floats made by the fraternities and sororities, pipe bands, and antique cars, begins at 10:00.

A picnic lunch will be held behind Hamilton Commons after the parade featuring good food. Time for the beginning of the game, in which the Scots are going to ground the Flying Dutchmen is 2:15.

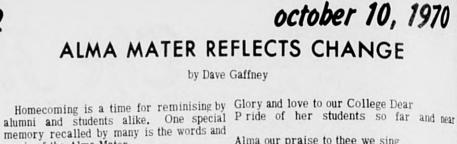

All of the Cinderellas and their P rince Charmings will be at the dance which begins at 8:30 and ends at the magical hour midnight. Music will be provided by the 6th Generation and tickets are only \$1.50 for each couple.

There will be other activities such as the lawn decorating contests and a great deal of time has been spent in preparation. There can be no doubt that Homecoming '70 will be an event to remember for a long time.

Where Are They Now

22

Once again this year a heinous crime has been perpetrated on the Alma College campus. Each year some devious student devises a plan for kidnapping one of our permanent residents, but this year, not one but many of our residents are missing. The kidnapping of stunning Mary C. Gelston, ravishing Helen Newberry, dashing Jerry Tyler and debonaire Henry Mitchell, took place on the night of October 3, 1970. What has happened to them? Where is there room for one student to hide so many well-known personages? But was it ONE student? These are the questions puzzeling everyone.

MARSHA ANDREWS

Pleasant and petite, Marsha Andrews is a Music and French major at Alma from Flint, Michigan.

Marsha likes music with a capital M. She is a member of the Alma Singers, a select group of singers from the Alma College A Capella Choir, and she plans to further her music career in graduate school.

Living with a French family in Paris, Marsha spent her junior year studying abroad under the Alma College Program for Studies in France. She travelled, and had the opportunity to shush down Swiss slopes. Along with singing, skiing is one of her favorite pastimes.

JUDY KEEBLER

Working with children is keeping Judy Keebler occupied this fall. She is presently student teaching at Edmonson Elementary School in Detroit. She is an Elementary

Education Major from Potterville. Vivacious and friendly, Judy was chosen Campus Day Queen last spring. She is a past Resident Advisor from Newberry Hall and Alma Cheerleader. Sports play an active role in Judy's life, but she likes to relax by baking, and by knitting.

HOMECOMING QUEEN JANN HOEKJA
