Scots victorious for sixth straight time

By Don Yehle

Adrian - Chris Clark scored three touchdowns and rushed for 143 yards in leading the Alma Scots to their sixth straight win of the 1967 season, 27-0, over Adrian. The win, coupled with Olivet's convincing homecoming victory over Hope, 46-21, sets the stage for next Saturday's Alma-Olivet contest which should decide the conference crown.

In Saturday's game, Clark scored his first touchdown eight minutes into the second period as he sprinted six yards into the end-zone. The Alma march consisted of ten plays, covering 50 yards. A Gordie Hetrick to Chad Creevy pass of 18 yards was the big play in the drive. Jeff Blough converted on his first of three point-after-touchdowns.

It took only six more minutes before Alma had run the score up to 14-0. Jack Prince, climaxed the 73 yard drive with a one-yard plunge. Earlier, Clark had added a 30-yard effort to bring the Scots close to the Bulldog goal, setting the stage for fullback Prince's score.

Alma, now fired up after a slow first quarter, put the game out of reach in the last minute of the half when Jim Ogg tackled Barry Beck, Adrian's punter, before he could kick the ball. The ball rolled back to the 15 and it took two plays before the Scotsmen pushed over the six points. The initial play saw end John Fuzak catch a Gordie Hetrick pass at the one yard line. Clark from there had no difficulty in scoring his second TD of the afternoon. Blough converted and the

SCOT CROSS-COUNTRY SQUAD LOSES MEET WITH ADRIAN

The Adrian College harriers utilized squad depth in defeating Alma's cross-country team Saturday before an Adrian homecoming crowd by the score of 22-33. The Bulldogs copped second, third, fourth, sixth, and seventh places in recording its fourth straight MIAA victory.

Freshman Don Yehle of Alma once again took meet honors crossing the finish line in 21 minutes 41 seconds for the four mile course. 'Bullet Don' finished 35 seconds in front of the Bulldog's Tom Swihart, last year's MIAA runner-up. The 12 m.p.h. wind took its toll as all times were much slower than expected.

Chris Marin took fifth place for the Scots with a time of 23:07. Frank Roder, Greg Ledy, and Jim McClain rounded out the scoring for Alma finishing eighth, ninth and tenth with times of 23:30, 23:34, and 23:53 respectively. Bruce Bean, Chuck Wiggins, and Mike Pettyjohn finished with times of 24:50, 25:28 and 26:01.

This was the first time this year in league competition that five Alma runners finished in the top ten in spite of the team's two one-point losses.

Alma will be seeking its first league win of the season this Wednesday at 4 p.m. when it hosts Calvin College at Bahlke Field. The Knights have already handed Albion College its first MIAA loss in three years by the score of 26-29. Alma lost to this same Briton team 28-29.

teams went to the lockerrooms with Alma leading, 21 to zip.

The teams played scoreless ball in the third period until Tom Jakovac, Prince, and of course, Clark, got Alma rolling again. Clark began the long eighty yard drive with a 27 yard burst. Prince went for 13 more. Then it was Jakovac's turn. Alma's little, speedy quarterback kept the ball on a pass-option play and raced almost 30 yards around left-end, before he was pushed out-of-bounds at the six. Clark tallied the final six points on a six-yard run. Blough's extra point attempt was blown to the left.

The stingy Alma defense, as well as this potent offense, held the Bulldogs in check throughout the afternoon. Adrian was able to gain but ten yards on the ground and none in the air during the

first half. In the second half, they gained 58 yards rushing and 20 passing.

Alma ground out 305 rushing, and 50 more through the air ways. Clark has 143 yards on the ground and Jakovac gained 35 yards in four carries, while freshman Prince had 58 yards to pace the Scots.

Interceptions were made by Denny Bongard, who caught a ball tipped by Greg Anderson, and another one was stolen by Anderson.

Other defensive standouts were John Miller, Dale Dillingham, Roger Frayer, Hetrick, and Robertson.

Now, it is Olivet who will be here for homecoming this coming Saturday. Alma will be in good shape for this big one, as they emerged from the Adrian game with no injuries except the usual bumps and bruises.

Fifth Column tackles six areas

Editors note: The Almanian would like to apologize for the name-calling it did in its last issues. S.W.I.N.E. is no longer the correct name for students wild and indignant about nearly everything. You will please refer to this group as the Fifth Column, who at their last meeting made the editor wild and indignant about something so trivial.

The Fifth Column met last Thursday with discussion upon the proposals for action made by the planning committee which met at Rev. Berry's last Sunday evening. There were six areas which were discussed: Community Government, Curriculum, publishing of a protest newspaper, establishment of a coffee house, student dress regulations, and a possible trip to the Ecumenical Institute in Chicago, sometime this term.

Another proposal to form a group to investigate the Open

Housing Bill which will soon be in the State Legislature, with possible action by an expression of the students to our state representatives. While the Column still stands, it voted to divide in these different areas, for study, discussion and whatever action need be taken. Their next meeting is scheduled for Wed, Nov. 1, when they will report as a whole.

October 24, 1967 marks the 22nd anniversary of the United Nations. In recognition of a special program on the U.N. will be held at 8:00 p.m. in the Audio-visual Room of Monteith Library.

The topic to be presented by Dr. Eugene Kolb, is 'Organizing for Peace'. The program will be followed by a reception for international students. All students are invited to participate in this community observance.

PROTEST MAGAZINE, COBB RESPONDS

Last week a flurry of petitions engulfed the campus protesting the Publications Board decision to change the 'Scotsman' format from a yearbook to a magazine.

The 'Scotsman' editor, Mason Cobb, commented that 'it is good to see students showing something other than indifference to the 'Scotsman' for a change'. He also said that he had heard no good arguments for retaining the yearbook format. Much of the opposition comes from ignorance of what the changes are going to be. 'I have heard that some people believe the format will be much like the 'Pine River Anthology'. I have also heard that people believe there will be no pictures. The 'Almanian' has published our changes so often, there is no need to repeat them,' Cobb said.

'I prefer to stress the continuity, not the change. The yearbook attempted to represent the spirit of the school through pictorial essays once a year,' Cobb continued. 'We are supplementing pictorial essays with written essays and appearing three times a year.'
