and we dedicate
to our president, Dr. John Stanley Harker, the 1956 Scotsman. Since the beginning of his presidency five years ago, Dr. Harker's initiative and his interest, in' Allina College have resulted in the building program we are now enjoying. He has worked capably and ceaselessly, and traveled much for our college; we are grateful to him for whatt he is doing for us.

Since this year's graduating class has been on Alma College's campus, three new buildings and a stadium have risen, and a fourth building is in progress. In the freshman year of the class of 1956 the Jerry Tyler Student Center, gill of Dr. and Van Dusen Commons, gift of Mr and son, was dedicated. Dusen, was completed at the beginning of their Bopho year, and in the fall of their beginning of heir sophomore of Mr and Mrs. William A banior year Bahlke Stadium, gift Reid-Knox Administration Building, wift Ars, while the Knox in memory of Colon Frank Kno wass. Annie Reid this year's senior olass gradurnk Knox, was being built. As will be ser completion will be near completion.

music educator's national conference

## student chapter

The Alma College Student Chapter 97 of the Music Eduator's National Conference is in its eighth year, having bee organized in 1948. The purpose of the MENC is to "provide professional background and professional associations during he college years." Those students who belong have all the privileges of music educators now in the field, with the excep tion of voting power
During the year several people in the music field, both professionally and as teachers, have spoken to the group and have familiarized them with current trends and materials in Miss Margaret VanderHart is the sponsor of the group.

The Alma Singers is a group of ten peo ple selected from members of the A Cappella Choir. They sang, as a group, in both the choir's Christmas and spring tours. They also sang at many public functions and for several service clubs in Alma.

## the a cappella choir

The A Cappella Choir under the direction of Professor Ernest G. Sullivan, finished their Silver Anniversary by adding luster to their already bright reputation.

The 1955-56 season was begun early in the fall with the choir making their initia -
The choir went on two tours this year to the cities of Michigan, Indiana, Ohio, and
New York.
During the Christmas tour, the A Cappella Choir sang in six Presbyterian churches,
and several high schools.
This spring, our choir traveled to Niagara Falls, New York for a series of concerts.
The year was climaxed, for the choir, by their annual picnic at Crystal Lake, and
they made their final appearance during Commencement week.

The Alma College Kiltie Band salutes you.

## letłer squad

The Letter Squad of the band made its debut this fall. The five girls, spelling out SCOTS marched in front of the band announcing the Alma Scots. The girls pe formed precision drills during the half-tim of all our home games, and at many game played at other MIAA schools.

## the kiltie band

During football season the kiltie band is one of the most colorful and interesting organizations on campus. Headed by its majorettes, bagpipers, and letter squad, it practices five hours a week for its weekly football halftime shows.

Af the end of the football season the band settled down to practice for its February 19 concert, but it took time out to sponsor a Bandance on December 9. In the spring the band played a campus day concert, and it played at commencemen
, president, Wendy Smith, secretary, Stu Young, librarian and Dick Watterworth and Spence Cordes, managers.

the kiltie lassies

Nine girls, selected from try-ous, made up the Kiltie Lassies this year. They danced the Highland Fling, accompanied by the bag pipes, at several football games, both at home and away. They also danced a several public functions, in and around Alma

## ¡udicial council

The Judicial Council is the governing body for the women on the Alma campus. It is composed of elected repre Bruske House, and from each corridor in Wright Hall. The council meets twice a month. It sponsors several ial events which are rapidly becoming part of Alma's traditions. The firstint Hall and Bruske, which pored sucesfal especially with the male students.

This year, Buddy Week was
Christmas party. Th last sos revived, culminating in the big Christmas party. The last social event, sponsored by the Council, was "M" Day during which the male on campu The Judicial

## el circulo espanol

El Circulo Espanol, meaning the Spanish circle, is the organization on the Alma College Campus for first year Spanish students. Next year however, the club will be open to all students who wish to speak Spanish
El Circulo Espanol meets every second Tuesday evening, under the sponsorship of Dr. Grace Nichols.

This year the whole campus enjoyed a film in Spanish sponsored jointly by the two Spanish organizations.
A party was held at Christmas featuring a Spanish pinata which was shaped like a large baloon, filled with gifts, and which was broken by hitting it with a stick, while blindfolded.

The year was climaxed with Internationa Night, at which El Circulo Espanol offered Spanish food.

## los buenos companeros

Los Buenos Companeros is composed of the advanced Spanish-speaking students on the Alma College Campus The club seeks to further the proficiency of its members in speaking Spanish and to acquaint them with the cus oms and traditions of Spanish and Latin American countries.
Dr. Grace Nichols is the sponsor of the club. She cooperates with the officers and members of the group to plan their activities. These activities have included a Christmas party for Mexican children in connection with the A.C.A., presenting a foreign film for all the student body to view, a Spanish dinner prepared and served by the club, and a booth at International Night.

## le cercle francais

Le Cercle Francais was organized in 1953. The purpose of the club is to encourage the students of the French Department to develop their ability to speak and write French, and to acquaint students with the literature, music, customs, and national history of France

Formal initiation was held in Van Dusen Commons, climaxed with a banquet and andle-light ceremony
The French Club sponsored a movie in French for the entire school, and from time to time guest speakers were obtained for their meetings, giving an even clearer insight on time guest speakers were oble France.

Miss Margaret Foley is the sponsor of this group.
die lustige gesellschaft

Die Lustige Gessellschaft, (the iolly company) was formed in November, 1953, to promote interest in the language and culture of the German people through special promote interest in the language and culture of the German people through special
activities. It is open to all German language students and meets the first and third activities. It is open
Tuesdays of each month
Some of the activities have included slides of Germany and Switzerland, talks on the folklore and customs of the country, and a Christmas party celebrated in German style. Refreshments, such as might be served in Germany at Christmas were served, carol wer sung German, and he story Ge in of Jesus was weld in German. The German Club also took a very active part in the International Night which was put on by the three language clubs in April
Officers of the club are: Isabel Coubrough, president; Bob White, vice-president; Bill Stanley, secretary; and Una Edwards and Pat Nunhoff, executive board.

Before we had time to take a deep breathe it was time to make preparations for Homecoming. It was a proud day when we saw three of our sisters riding on the Queen's float

The night that the witches were chasing the goblins, we entertained the campus crowd with our brothers, the Phi's, at the annual Halloween Party

The Luxury Liner provided an evening of entertainment before the grueling week of exams. A large crowd boarded the ship for dancing, refreshments, and a crew show. Before we knew it, it was spring and time for the Spring formal. The "charmin gals and their tavorite fellows enjoyed the last big social event of the year.

The week-end before spring finals we loaded up food from Saga, our bathing suits, and bed rolls and headed for dear ol' Crystal Lake. Around the fireplace we talked over old times and received some advice from our Senior sisters. We wished them all the luck possible and hope their further journey's will be happy

ambda Iota Tational literary honor society, was organized at Alma College in 1954, Mu Chapter. Membership is based pon scholarship and literary ability. Po ntial members must submit a paper of some literary research, to be read and ap proved by the members. Meetings are held only for initiation of new members. Officers f LIT are Gene Pattison, president; Mildred Ambrose, vice-president; and Edna Wil fiams, secretary-treasurer. Sponsors of the organization are Miss Margaret Foley, Miss Molly Parrish, and Dr Max Molyneux.

FIRST ROW, left to right: Gene Pattison, Edna Williams, Dr. Max Molyneux

The purpose of the inter--Fraternity Council is to care for all matters of concern to the three fraternities on campus, to settle matters of dispute, and to promote better fraternity relationships. The council consists of twelve representatives, four from each fraternity, and it handles all matters concerning pledging. The big item on the agenda is deciding when to hold the annual fraternity smokers.

Phi Sigma Pi, the honor society of Alma College, was organized in 1928. The obect of this honor society is to recognize and reward studious habits, cultural study, scholarly attitudes, and high moral chara ter. The constitution states that the affilia tion with Phi Beta Kappa is to be at al times the ultimate aim of Phi Sigma Pi. The members are divided into three groups undergraduate, alumni, and honorary. Undergraduate members are those of the Unior and senior classes who meet the unolastic requirements and character qualfications. At the Honor Assembly held form May students elected to this honor are - Mar a key, enscribed with Phi Signa aw which mey "We strive to excel in the Pi , which means
love of wisdom.

## woman's athletic association

The Women's Athletic Association of Alma College is an active organization on the campus devoted to the promotion of ional activities Such sports included are: basketball baseball volleyball bowling and individual sports. Those who particiate in them are independent women, so pare in therbers, freshmen, and campus wives
This year, Alma had the honor of being he president school in the Athletic and Recreation Federation of Michigan College Women, an organization to promote good elationships among our colleges.
Some of the years' activities were a ime dance, Play days, and a spring tea. e year ended wirh a sports banque lected for the coming year.

alma christian association

As in the past, the religious life of the students of Alma College has been fostered by the Alma Christian Association.
The A. C. A. began the year with its annual fall pienic at Conserva fion Park where the officers for the year were introduced and plans were discussed.

The recreational program for the boys and girls of Alma was con tinued again this year, spearheaded by Bud Miller and Bob Benjamin Every Saturday morning the children come to the College gymnasium for games, under the supervision of various members of the A. C. A throughout the year a group of students have gone to the Masonic Home every Sunday afternoon

Again in cooperation with the sociology department, the A. C. A. sponsored the Christmas and Easter parties for the Mexican children in and around Alma. They also sponsored a rummage sale for the benefit of the Mexican children

During the year, several deputation teams from the A. C. A. went or various churches in the state to assist in the worship services and youth groups.

Again one of the most important programs of the A. C. A. wa sponsoring Religion in life week with Dr. Horton, an inspirational week for the entire campus.

The A. C. A. enioyed speakers from the
Star Commonwealth for Boys.

alpha psi omega

Alpha Psi Omega is the national honorary drama fraternity on the Alma Campus, the local chapter being Delta Beta. The purpose of the fraternity is to stimulate the public's interest in drama, and provide opportunity for experience and recognition for those students who are interested i dramatics. In order to become a member, fifty points must be achieved by active participation in the various fields of the theater.

On February 8, new officers were elected: Grand Director, Bill Farris; Grand Stage Manager, Bob Fritz; Grand Business Manager, Phyllis Dresbach.

For the first time in the history of the Delta Beta chapter, a play consisting solely of Alpha Psi Omega members was presented, under the direction of Professor Paul Storey, who is also a member.

The Highland Masquers, the Alma College Drama Club, came der a new sponsor and guide this year on the arrival of Professor隹 organization is mainly to present good theater. According to he audience's response, that is what the 1955-56 season consisted of The fall production was an English play of the late Victorian era An inspector Calis." It dramatically presented the age old message I am my brother's keeper.
 Department and a member of the Alpha Psi Omega national dramatic
fraternity directed Mr. Miner's production of the lovely poetic work A Child Is Born.

Vice-President, Dick Bathgate; Secretary-Treasurer, Phyllis Dresbach.

## debate

The debate squad has been on the go this year, par cipating in many tournaments. Out of these tournaments, many have emerged as star debaters. At the Chicago University Tourney, Isabel Coubrough and Bob White received an excellent rating, having won three debates out of four. At Ohio State University, the team of Bob Fritz and Tom Scholl went undefeated. At the state Novice Debate Tourney at Albion, the teams of Bob Beltz and Betsy McQueen, and Dick Heuschele and Joan Moore were undefeated.
The squad attended, in addition, the MIAA Debate Tourney, The Michigan State University Tourney, and the Flint J. College Tourney. All in all, this has been a successful year for the Scot debaters, under the direction of Professor Mikle

## biology club

The Biology Club was organized to give those students who are deeply interested in the biological sciences an outlet for expression, to promote the dissemination of scientific truth, and to encourage investigation in the life sciences.

The year's activities included preparation and presentation of student papers, field trips, project meetings, outside speakers, and social gatherings.

One of the highlights of the year was in the fall when the group made a weekend camping trip to Sleeping Bear Sand Dunes for a study of the life on the dunes. An outstand ing project of the club was the planting of several sassafras shrubs alo the base of the spruce trees at the sassafras of Bahke Field Some small tamarack trees were also pla along the edge of the baseball field.

Since the field of bioball field.

Pierson, D. Godfrey,

For the first time in several years, the Scot football team had good size and fairly good depth. Head Coach Lloyd Eaton and Backfield Coach Gary Stauffer, were confronted with whipping a group of inexperienced freshmen and some seasoned veterans into a well oiled team. With the season just half over, it appeared as though Alma was in for its best season in years after winning the first four games of the season. But after losing to Hillsdale, the eventual MIA game

In the first game of the year, the Scots encountered surprisingly little resistance as they romped to a $20-0$ victory over an offense starred Indiana Central team. Marv Raab Alma's Little All-American candidate, broke loose around right end and scampered 49 yards to pay dirn for 26 leod to first score. A recovery of a fumble on he lick 26 led Alma's next rouchdown as quarterback Dick Aylng dove atf 130 . Re sco. Ay ing in the alin帾 first victory

For the second game of the year, the Scots traveled the North country where they encountered Northern Mich an. This game saw Alma gain 366 yards on the ground and ring up a final score of $33-0$. The long trip to the frozen North, a game-long rain, and a Northern line that averaged 207 pounds posed little trouble for the Scots.

Marv Raab scored on runs of 10, 89, and 13 yards. Raab carried the ball only nine times but still gained 167 yards. Damon Colbert and Joe Emery also scored for the Sots, Colbert scoring on a 12 -yard end run, and Emery going 42 yards with an intercepted pass.

For the third game of the year, the Scots humbled the

Hornets of Kalamazoo 15-6. According to several of the Scot inemen, the Kazoo line was the toughest faced all year. Alma scored first when Tom Johnson blasted through the ine and sprinted 48 yards. The second quarter saw Kazoo ie it up but the Scots were not to be denied. After a short sustained drive, fullback Frank Lawrence banged over from he one. Ayling converted. Alma's final two points came as the result of a safety.

For Homecoming, Alma played host to an unusually strong Adrian team. Playing before a crowd of over 3,000, the Scots managed to down the Bulldogs by a score of 21-6. On the first play from scrimmage, quarterback Ayling hit Raab with a 39 -yard touchdown pass. Ayling's extra denied, the Bulldogs came back and scored on a 38 -yard pass play, however, the extra point was no good. The second pass play, however, hee entirely different as Alma dominated every department. After a 78 -yard drive, quarterback Ayling dove over from the one and added the extra point for a 14-6 score. Alma's final score came as a result of Bob Hill's 21 yard sprint around left end.

With Alma riding high on a five-game winning streak including a 49-0 rout of Olivet last year, the Hillsdale game proved to be the big game of the year. The Scots soon found out that this colossus from the South was every bit as good as its press clippings stated. Although Alma was defeated 27-20, they made the MIAA champions go all out to win The Scots, down by two touchdowns, fought to a one-poin defect early in the fourth quarter. But the powerful Dale held the determined Alma gridders scoreless the rest of the period. All of Hillsdale's touchdowns were scored by the Little All-American, Nate Clark. Raab scored twice and

League Meet

Although short on experience Coach Charlie Skinner's Cross Country squad never suffered from lack of hustle and determination. The hill and dalers showed rapid improvement as the season progressed, and they improved on their 1954 finish in the MIAA by taking sixth place in the eight team league.

The Scots ran a total of nine meets, besides the league run, winning two and losing seven. Victories came over Hillsdale and Adrian, while Central Michigan defeated the Scots twise, and Albion, Kalamazoo, Hope, Calvin, and Olivet each took one meet from Alma.

Outstanding runners of the season were Captain Carl Aumaugher, Larry Braak, Dick Vinciguerra; and Ray Dewey, who was described by Coach Skinner as the squad's strongest runner at the end of the season. The thin clads suffered a rude jolt in midseason when Aumaugher was forced out of action due to illness.

Varsity awards were presented to Carl Aumaugher, Larry Braak, Dick Vinciguerra, Ray Dewey, Larry Brink, Bob Rhodes, and Duane Aslyn at the end of the season. Already looking forward to the 1956 season, the squad elected Larry Braak team captain.

A great deal of credit should be given to the participants of the Cross Country team as they put in many hours of rugged practice each week in getting ready for the fourmile runs.

Tancy Hoeflin, Leone Corbishly, Ken Hanson, Pinky Laird, Kaye Dukes, Gerry Detlof

## cheerleaders

Giving the football and basketball teams much needed encouragement are the Scot cheerleaders, under the guidance of Miss Dillinger, faculty advisor, and Pinky Laird, capain. The spunky crew follows the teams all over and adds color as well as noise, when it is needed most. At the home games, they keep a constant roar going, spurring our team to more vigorous fighting, and teaching new cheers to the crowd.

FIRST ROW; left to right: Coach Gary Stauffer, John Harris, George Carter, Ralph Springfield, Bob Saxton, Terry Knowles, Jim Ford, Ron Lude,
George Arrick, Bob Postma, Jack Acton, Bill Mclntosh, Captain Bud Miller, Stan Stolz, and Howard Wiley.

## basketball 55-56

The 1955-56 Scot basketball squad ran into many ups
and downs as they won ten of twenty-five games on their tough schedule this year. Although Coach Gary Stauffer's charges failed to reach the .500 mark, they still provided their fans with plenty of thrills in playing a schedule that included fourteen conference games, a tough three game road to the upper peninsula, and a holiday tournament.
The Scots finished in a sixth place tie with Albion in the MIAA, with a record of five victories and nine defeats. Alma showed a great deal of improvement in league competition as they won only one of seven games in the first round of play but came back to win four of their last seven league contests. George Carter was the individual scoring leader with 414 points for an average of 16.5 per game. He was the fourth leading scorer in the MIAA with 251 points. Ron Lude placed well up among the leaders in the rebounding department as he grabbed 280 rebounds over the entire season. Lude also scored 342 points to rank second on the team. Others who played a big part for the Scots were Captain Bud Miller, Bill McIntosh, Jim Ford, Dick Ayling and freshmen Stan Stolz and Terry Knowles. Stolz and Knowles both moved into the starting lineup near the end of the season and by their performances give Coach Staffer a bright outlook for the 1956 57 season. Only three-Bud Miller, Bill McIntosh, and Howard Wiley-were lost by graduation
The first game of the season found the Scots at Mt. Pleasant where the Chippewas cashed in on 44 free throws and a height advantage to smother the Scots 102-83. Captain Bud Miller led the scoring with 20 points.
Alma split its next two games, winning from Olivet 70-56 and losing to Albion 73-57 in conference games. The Scots then trounced Ferris in a non conference game $96-84$ with Ron Lude scoring 26 points.
 aged to road trip proved to be disastrous as Alma mantalented Knights This was followed by the three day trip to the Upper Peninsula where the Scots proceeded to lose all three games. Soo Tech gave an early indication of what was to happen when the small and speedy Hornets ran past the Scots 102-81. Michigan Tech then tripped Alma $84-67$ in a game that was marred by an ankle injury suffered by Miller that kept him out of action for the next three games. The final game of the northland trip resulted in another loss, this time to Northern Michigan 92-81.
After a short rest, and with a record of two victories in eight games, Alma traveled to Naperville, Illinois, for a holiday tournament. Indiana Central, one of the best small college teams in the nation, was the Scot's first tourney opponent. Indiana ran away from the Scots in the last half to score a $105-74$ viciory; however, Alma won the consolation title the next night by trouncing North Central 84-64. Dick Ayling pumped in 27 points to lead the way.
Alma started the new year off with a heartbreaking 71-69 loss to Hope, then undefeated in league play. Jim Buursma hit a jump shot, his only points of the game, with four seconds left, to pull out the Hope victory. Carter turned in the top individual scoring performance of the season with a 33 point effort.
With Lude hitting for 30 and Carter for 29 the Scots gained sweet revenge in their 100-79 victory over Soo Tech. Jim Ford did a great job on the boards to help Alma to its fourth victory of the season. Next Alma traveled to Big Rapids where they just managed to squeak through $69-67$ after

Ralph Springfield game. Dick Ayling led the scoring with 24
game. Dick Ayling led the scoring with 24 es The Scots lost their next three games, all MIAA contests, to Hillsdale, Kalamazoo, and Adrian. The Scots blew a six point lead with three minutes to go at Kalamazoo to go down their fifth league loss. The Adrian game was a thriller from start to finish, but Adrian put on a late surge to win
Alma broke its losing streak by defeating Northern Michigan 79-73 in a game that wasn't as close as the score indicates. They followed up with a 71-66 league victory over Albion. The Scots then played host to Calvin and trailed by only two points at the half but the Knights' height began to tell in the second half as they went on to nip the Scots 76-60. Carter led the balanced scoring attack with 15 points.
Hope trounced Alma 86-69 at Holland but the Scots came back to upset Kalamazoo 59-56 in a home game. Adrian, led by Henry Hughes' 35 points scored the last league victory over the Scots by a $86-71$ count. Carter scored 27 points in a losing effort.
Victories over Hillsdale, 76-67, and Olivet 73-57, boosted Stauffer's squad into a sixth place tie with Aldion. Carter was again the offensive gun, scoring 26 and 24 points in the two games.
In the final game of the season the Scots again fell victim to too much height as they lost to Central Michigan 84-79 after putting up a tremendous first half struggle.
We take our hats off to the Scots who fought every minute of every game this season.

Well over 300 "would be athletes" took part in the men's intramural athletic program with football, volleyball, basket ball, bowling, and soffball being actively participated in Mr. Gary Stauffer was the head of the intramural program being ably assisted by Bud Miller and George Carter. Eight teams were entered in the football league with the championship being won by the Delt Dodgers after a playoff with the Phi Phieffers. The Delt Dubbers finished in third place Immediately after football ended a sixteen team volley ball league was formed. The Bouncers finished first, the Del Sig Spikers second, and the Delt Dodgers third.
Basketball and bowling took over at the beginning of the second semester. There were sixteen basketball teams entered Each team played a fifteen game schedule. The championship hadn't been determined when the annual went to press. The bowling league had eight team entries who bowled two afternoons each week for seven weeks.
The intramural program provided plenty of physical and competitive activities for the men who were not on the varsity squads.
intramurals

Among the most interesting and active extra-curricula activities on the campus is the intramural sports program for women. It is under the direction of Miss Kathleen Dillinger, the WAA, and individual team captains helping in heir particular sport
The women are given WAA credit if they wish for participating in games. The team sports offered are basketball volleyball, soft ball, and bowling; the individual sports in clude ping-pong, tennis, archery, and badminton
Any woman on campus may participate in the sports. Most of the sports have teams representing the three soror ities, the campus wives, freshmen, and upperclassmen in dependants.
This year the Volleyball championship was won by Alphe Theta and the Basketball by the Sportsmen. The Softball championship game is played off on Campus Day.

## alma college construction

Five years ago President J. Stanley Harker and Architect Lewis J. Sarvis, Alma class of 1918, laid out a building program for the college which would meet all requirements for a rapidly growing student body. To date, three units have been brought to completion: the Jerry Tyler Student Center, Van Dusen Comons, and the Reid-Knox Administration Building. The fourth unit, the new women's dormitory is now under construction, and it will be ready for use on September 1, 1956
Next on the list of buildings for which there is a most pressing need are a new science building and a new fine arts building, plans for which are already drawn. Their erection now depends on the raising of necessary funds, a project which, it is hoped may be accomplished in the near fưre.
These six units-three completed, one under construction, and two projected-are
only the core of the present program. With enrollment now limited by existing facilities to 750, a figure which can easily be growth assured in this already strong and vital college, who can say what will be necessary ten or twenty years hence? Certainly, the answer to this question will not be entirely a wait-and-see attitude for al ready additional plans are forming in ad ministrative minds and taking shape on paper-plans which will in every way permit the college physical plant every way permif in the comple cirle of hioh academic and sound material facilities
Lewis J. Sarvis has been the architect who designed the Jerry Tyler Student Center,, Van Dusen Commons, Reid-Knox Building, and the new women's dormitory. All these four and the Chapel were built by Miller-Davis Company

## alma małer

Loyal hearts will cherish ever
Thoughts of thee throughout the years,
Pledging thee our fond devotion
Guardian of our hopes and fears.
Alma, Alma, sing of Alma Mater
Thy loyal children chant thy hymn of praise.
Memory holds a cherished picture
Jungle, grove and campus fair,
Sons and daughters ever faithfu
Hail thee one beyond compare
Alma, Alma, sing of Alma Mater
Thy loyal children chant thy hymn of praise.

June 2, 1956
