After the first flash,  
life settles  
around guitars  
and gaming tables  
or alone —  
singularly  
or in books

Time becomes occupied  
by bog trips and  
puckered pumpkins  
cozy concerts  
fix-up, paint-up  
and preparations for  
fun ahead

Who ever chose that day  
must have been covertly  
influenced by the history  
that encompasses us.  
The Roman calendar  
brought ides in October  
as well as March, and  
Webster defined moratorium  
as the authorization to delay payment.  
What fate  
What debt  
is ours to assume  
or to consume with the rest —  
Or was the confrontation  
a re-establishment  
of common ground?

SIX CHARACTERS IN SEARCH OF AN AUTHOR

# The Honorable Julian Bond

J MEMORIAL CHAPEL, ALMA COLLEGE, ALMA, MICH

I may be able to speak the languages of men and even of angels, but if I have not love, my speech is no more than a noisy gong or a clanging bell. I may have the gift of inspired preaching; I may have all knowledge and understand all secrets; I may have all the faith needed to move mountains--but if I have not love, I am nothing.

Love is patient and kind; love is not jealous, or conceited, or proud; love is not ill-mannered, or selfish, or irritable; love does not keep a record of wrongs; love is not happy with evil, but is happy with the truth. Love never gives up: its faith, hope, and patience never fail.

Tonight we are going to have some fun with hypnotismmmmmmmmmmm

At the end of the day  
it's natural to  
kick off those smelly old boots  
and let them lie,  
as it were,  
outside your home —  
home for a year for us — Alma.

And even though they aren't mine,  
no, they were left by a dear friend,  
the feeling is still there;  
one of over and done,  
of joy and regret . . .  
but to many others,  
just like the flowers

planted.
