Alma College Alma Michigan

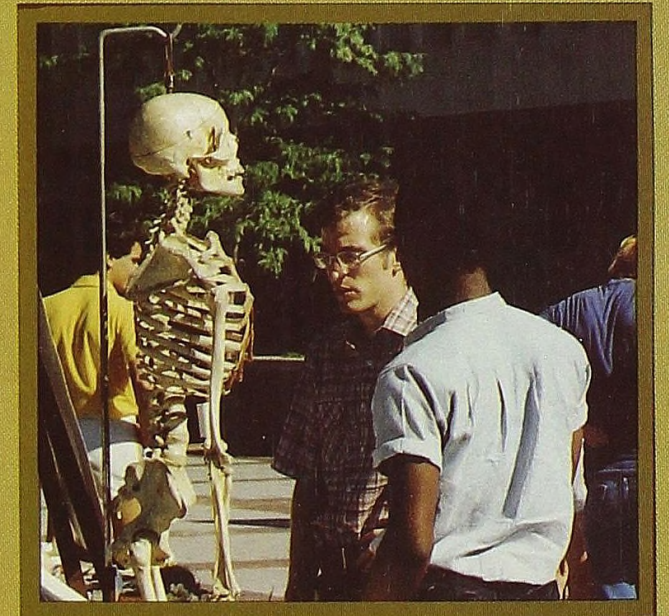

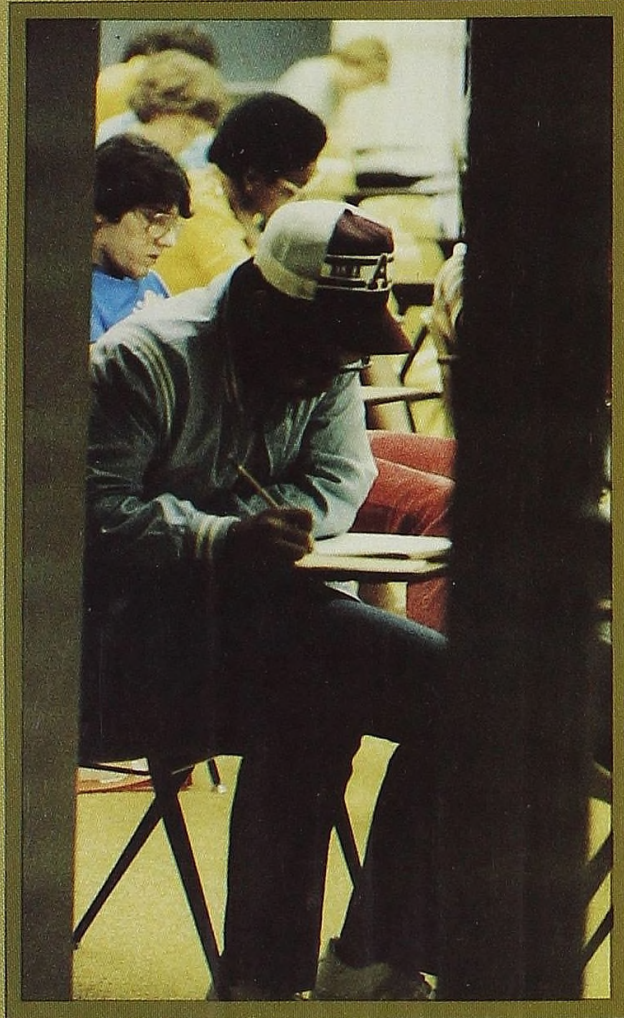

In this world of ours called Alma College, it is amazing how many things can change in the course of an education. Faculty and administration, graduation requirements, and college policies are altered and revised again and again. But somehow it seems, the more things change, the more they stay the same...

New Beginnings

CLOCKWISE: Freshmen and their parents at the Opening Session, the Activities Carnival in the library mall, the buffet on the lawn at the President's house, Orientation Committee members, another day-another placement test, President Remick, President and Mrs. Remick greeting parents at the reception following the Opening Session.

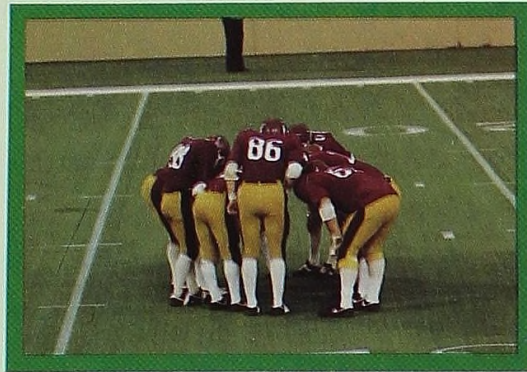

Along with a new president, came a new class of students. Pre-term gave both a chance to get adjusted to the campus and each other before the migration of upperclassmen to the area. The freshmen, besides taking a seminar, were required to take placement tests and then meet with their advisors to pick their classes for the term. And, as has been traditional in the past, each was invited to dine with the president, and was encouraged to take part in scheduled activities designed to get them in the swing of Alma College.

A.C. Goes To The

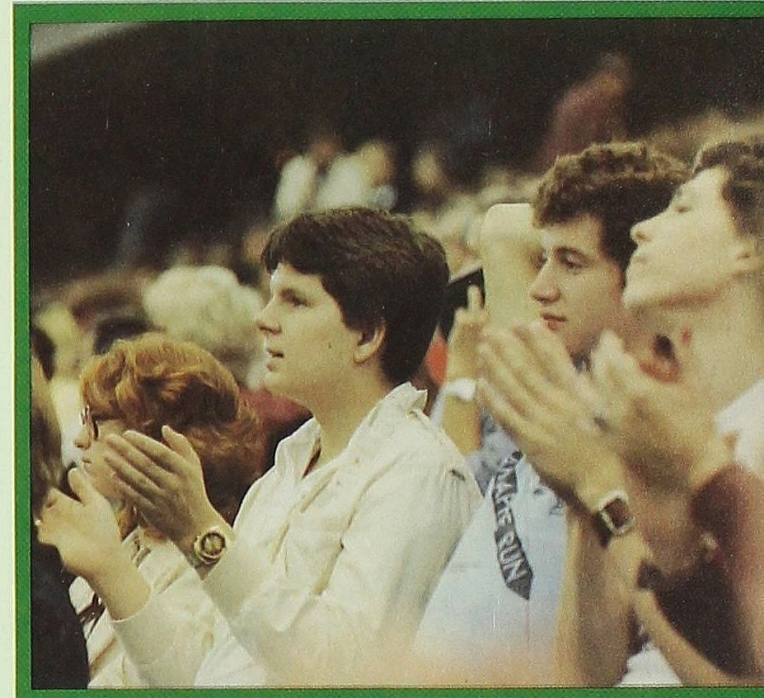

Dome

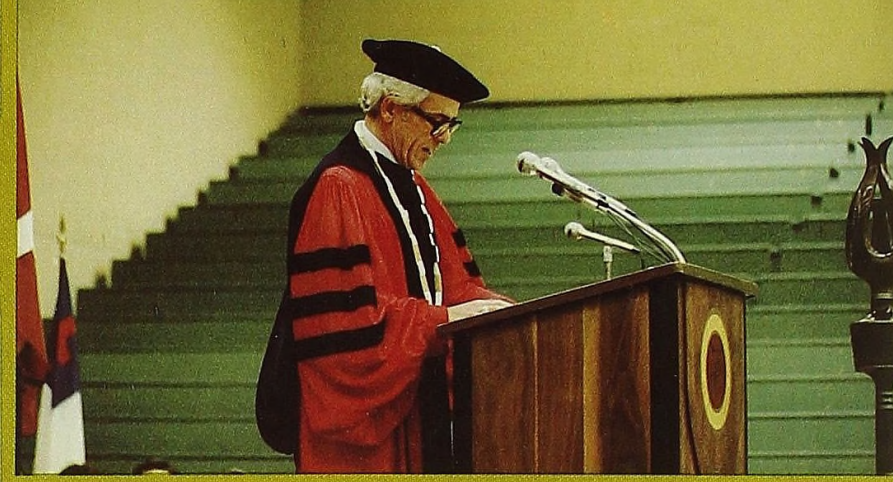

CLOCKWISE: The support from the stands; Janice Williams with the band during half-time; the Scots making their way out of their own territory; Bruce Gerrish, a voice from the announcers box; the cheerleaders; the strategy huddle; the team on the verge of a first down.

Football may have been the main attraction at the Pontiac Silverdome's First Annual Michi-Dome Classic on September 19, but part of Alma College was there for other reasons too. The estimated 3,000 Alma related spectators included the band, which gave pre-game and half-time performances, the Kiltie Dancers who performed with piper Joel Kimball, the admissions staff who talked to prospective students, and those who worked for the media service in the press box. The day ended, however, in disappointment as the Scots were defeated 10-7 by the Michigan Tech team.

He's a "10"

CLOCKWISE: Faculty and others who took part in the procession-
al, soprano Clamma Dale, the college A Capella Choir, Mrs.
Remick at the reception, the Alma College color guard, President
Oscar E. Remick, Kenneth D. Plaxton, Dr. Remick and President
Emeritus Robert D. Swanson.

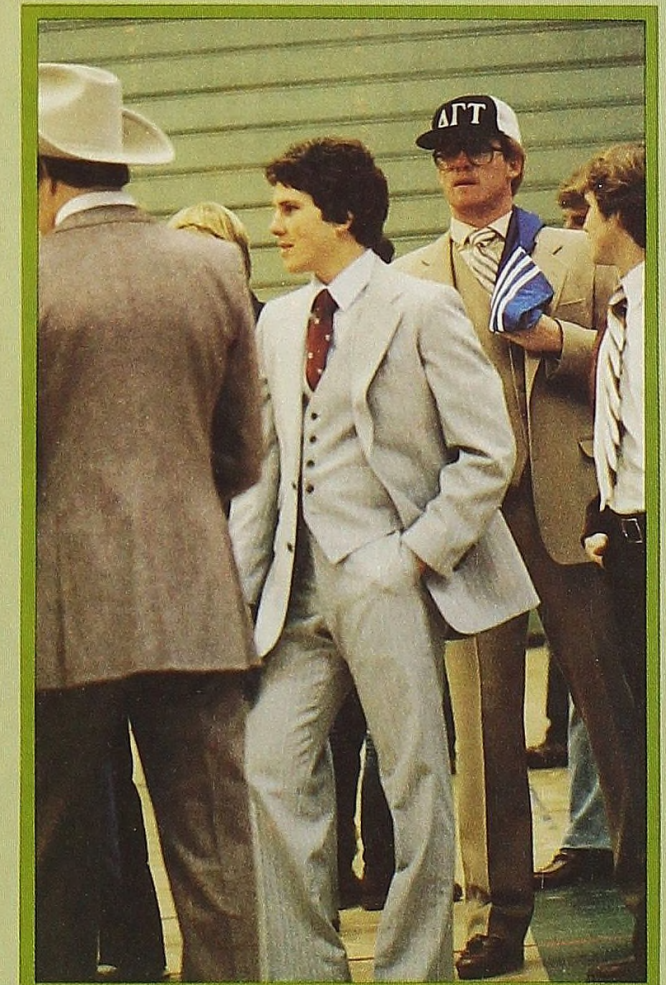

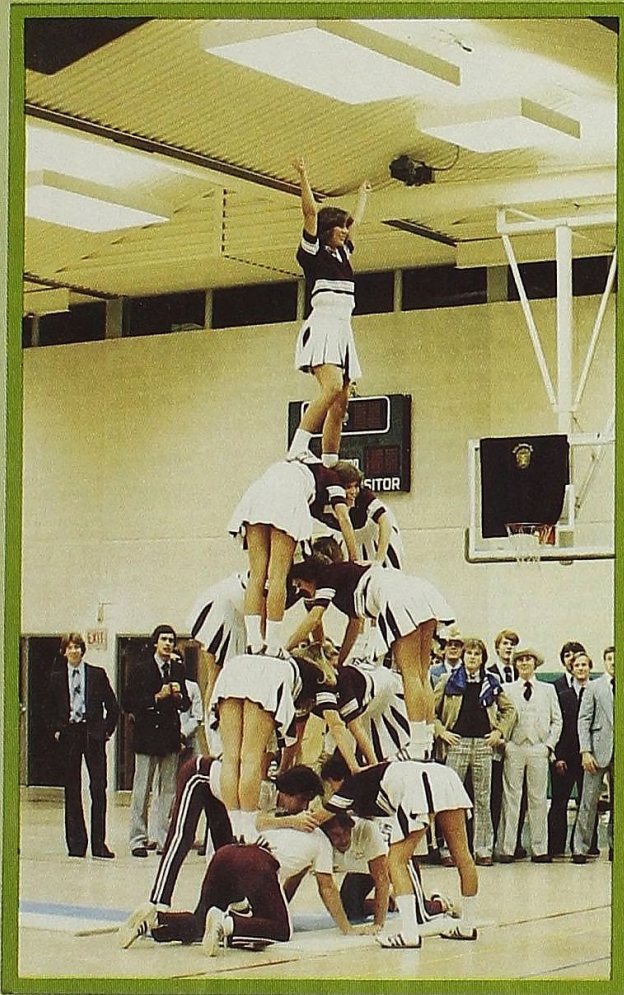

The inauguration of Alma College's tenth president in its 94 year history was held on November 7, with donors, trustees, alumni and 83 delegates from colleges, universities, and learned societies, as well as students and faculty, present. After spending 18 months on the search and selection procedure, Kenneth D. Plaxton, Chairman of the Board's search committee, said, "We are fortunate to have found in Dr. Remick a man who so fully embodies the principles of Alma College."

Rally - Runouts

Just as the Homecoming Pep Rally is a tradition at Alma College, so are the fraternity runouts. This year's rally saw the freshman class claim a victory over the senior class in the cheering contest, Jane Lippert crowned the 1980 Homecoming Queen, and twenty-nine guys accepting bids by "running out".

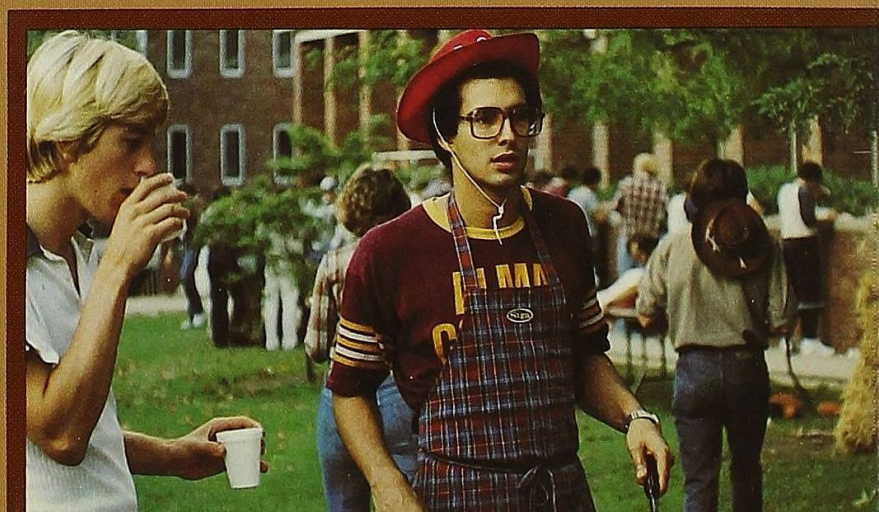

CLOCKWISE: The "pledge" line, the Alma College cheerleaders, Sue Button leads the senior class cheer, the band at the rally, Gary Guy and Brian Lambka, the pom pon squad in their first performance of the year, the Sigs in force.

"Wild Wild West"

CLOCKWISE: A Quackgrass; Becky Lamkin and the Chemistry Club's first place float; the Quackgrassers; Tim Irish and Steve Boff at the BBQ; Dean Gardner, Chris Fedewa and Jim Knighton on the TKE float; Libby Ritenour, Ann Simanek and Mary Frederick; the 1980 Homecoming Court: Queen Jane Lipfert, Laurene Kirchoff, Lori Yerrick, Karl Bradford, and Becky Gay.

"Wild Wild West", Homecoming 1980, was a knee-slapping good time. The Ronald Reagan movie, "Santa Fe Trail", was shown, there was a western BBQ with entertainment by an Appalachian mountain band, The Quackgrassers, and the Costabella Cloggers, and the traditional Saturday morning parade with the band in the lead. The week was finished off with the afternoon football game and the Hoedown Dinner-Dance at Valleyview.

Homecoming 1980

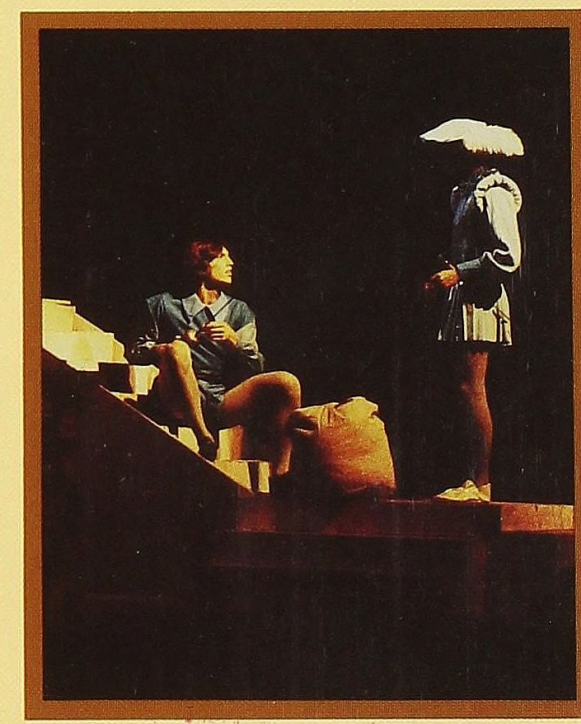

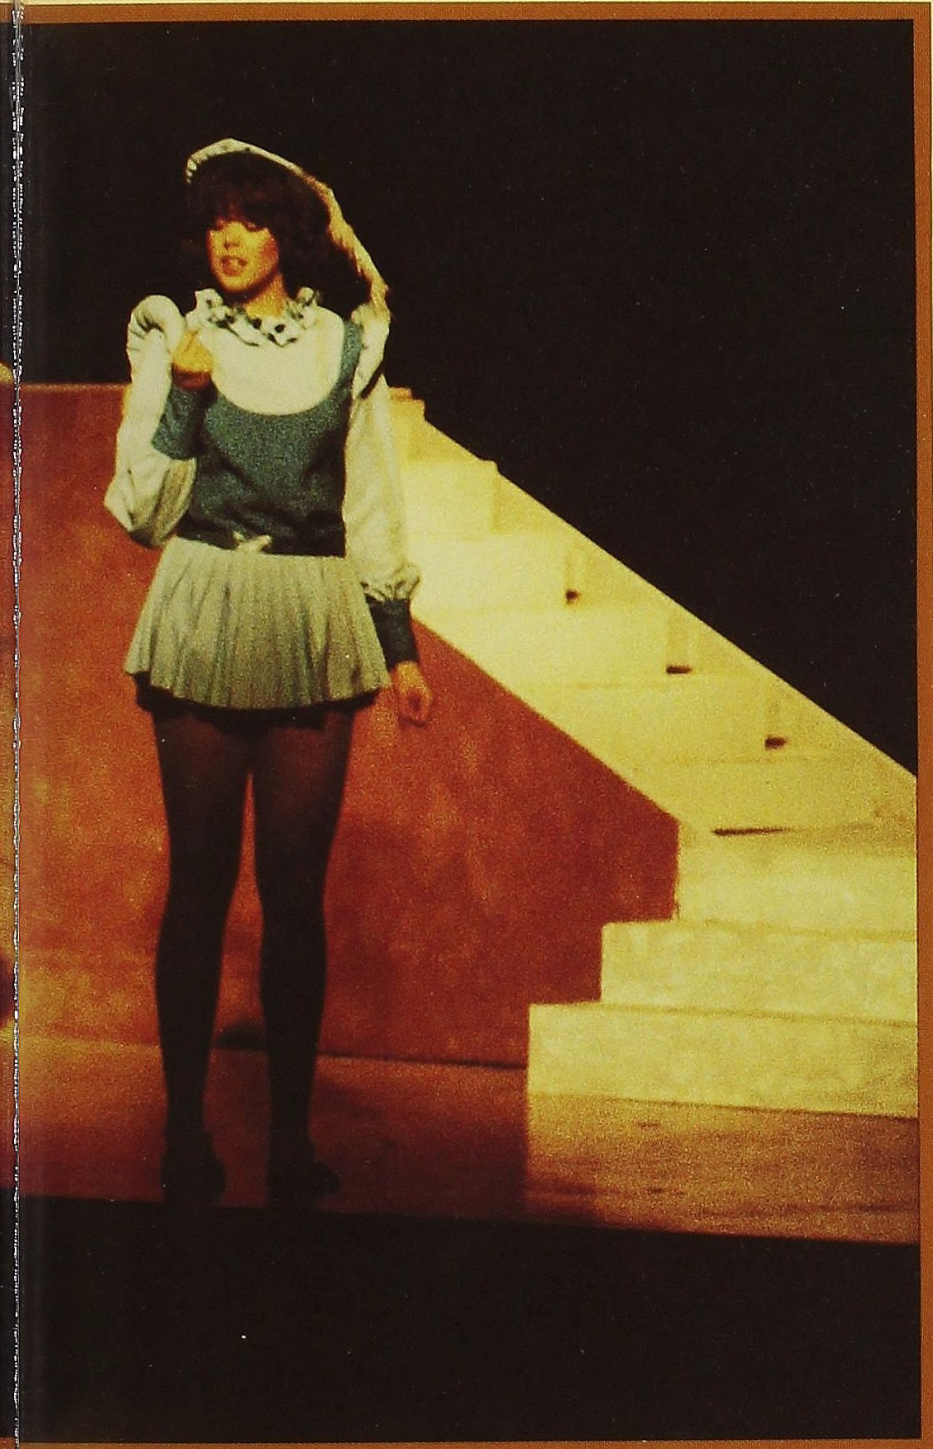

October 4. It was just another football Saturday for most. But for Alma College it was Homecoming 1980 and that meant a parade, the football game against Adrian, the band at half-time and the official crowning of Queen Jane Lippert by President Remick. October 4 also saw the downfall of the Scots, 31-3, at the hands of Adrian.

CLOCKWISE: Coach Phil Brooks, the Homecoming game crowd, Karen Weber cooking hot dogs for Saga, Queen Jane Lippert, the offense in action, the majorettes in the opening half-time number, the defense closes in.

Student Life: Changing Faces

Throughout our lives, people come and go. This is especially true in a campus community. Each year we make our way back to the old, familiar faces, and also find a new set ready to take the place of those who traveled on. And they do take the places vacated by others; and life at Alma College goes on as usual....

Working with deaf children in Saginaw was the highlight of the year for the mime troupe. The troupe taught the children the art of mime and then gave a major performance. Besides the performances on January 23rd and 24th on campus, the college troupe also appeared at many other locations around the state.

All of Alma's fraternities and sororities, and their new pledges participated in an excitement-packed weekend, which began Saturday morning with sorority wake-ups. As the evening progressed, spectators gathered in Cappaert gymnasium to watch the traditional and ever-unpredictable fraternity run-outs.

A.C.U.B.

Besides the movies and entertainment figures brought to campus this year, the Union Board Staff also initiated some fun of their own: Mud Wrestling. Co-sponsored by the TKE's the object was to see who could stay the cleanest. Also brought to campus was hypnotist John Greer. After attempting to put the whole audience under, he selected eight people and performed his feats on them. Not only did they see Farrah Fawcett and Robert Redford in the audience but they were four years old. For the second year, ACUB sponsored the College Bowl competition. The college champions were the ZE team which then went to the regional finals competition in Hiram, Ohio. They placed fifth out of seventeen teams.

Sports: Changing Seasons

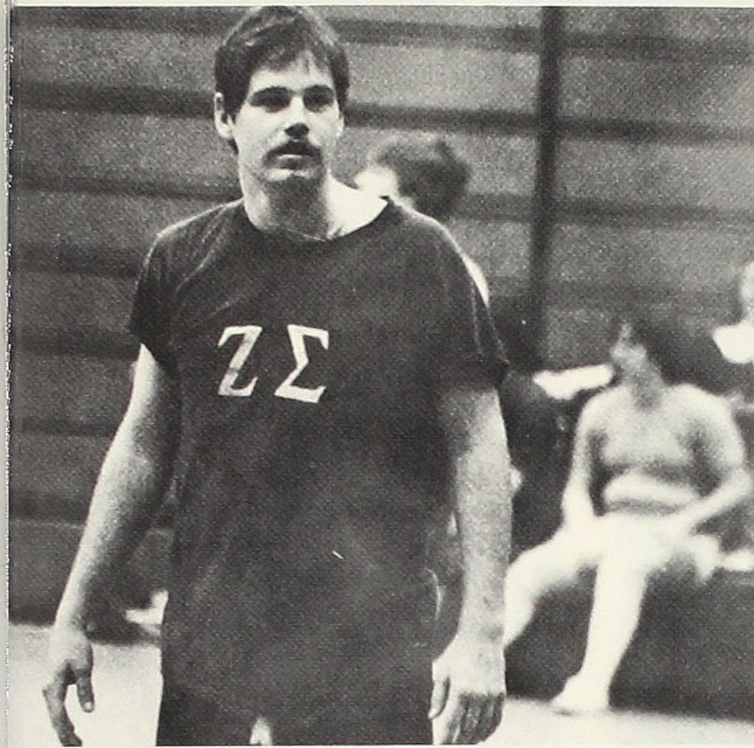

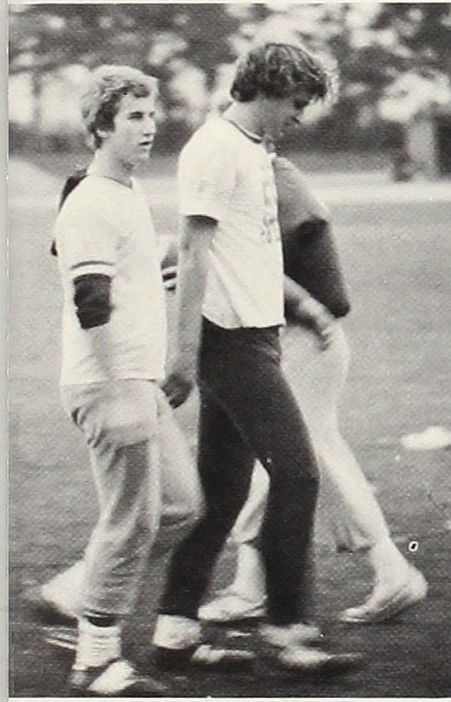

Each change of season brings a new set of muscles that must be whipped into shape. If only they would stay that way for next year...

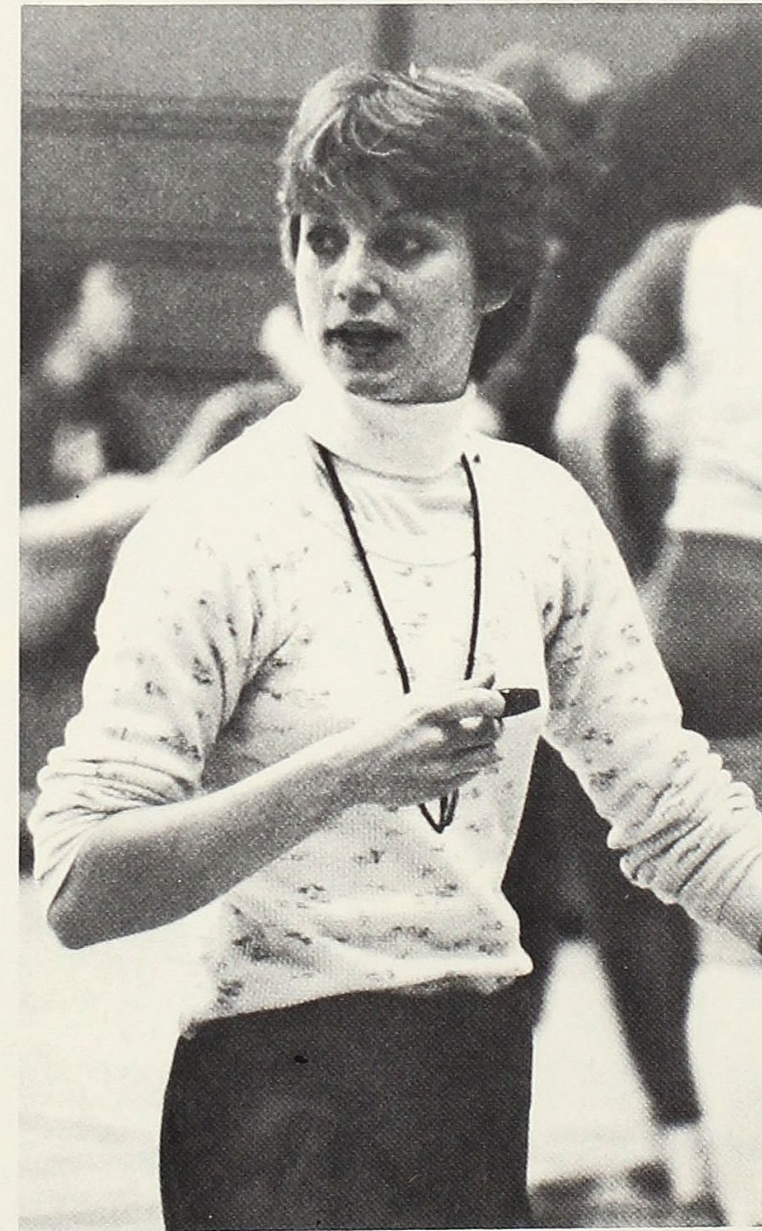

Clockwise: The J. V. Basketball team, the Soccer team, the Volleyball team, Mike Learman, Heidi Klein, the Fieldhockey team, Bruce Gerrish.

For the first time in three years, there was a touchdown made in the Snowbowl which pits the AO's against the AZT's. It was the AZT's that made the touchdown giving them an 8-0 score which put them on top.

Intramurals

For those students who can't hack the strenuous workouts of a varsity sport, intramurals provide a way of keeping active and having fun. I.M.'s range from football and basketball to volleyball and bowling.

This year a men's flag football team had the opportunity to participate in the second annual 1980 Micholob Light NYFL Sugar Bowl Classic in New Orleans. Although they didn't come out on top, they received the Sportmanship Award.

Wrestling

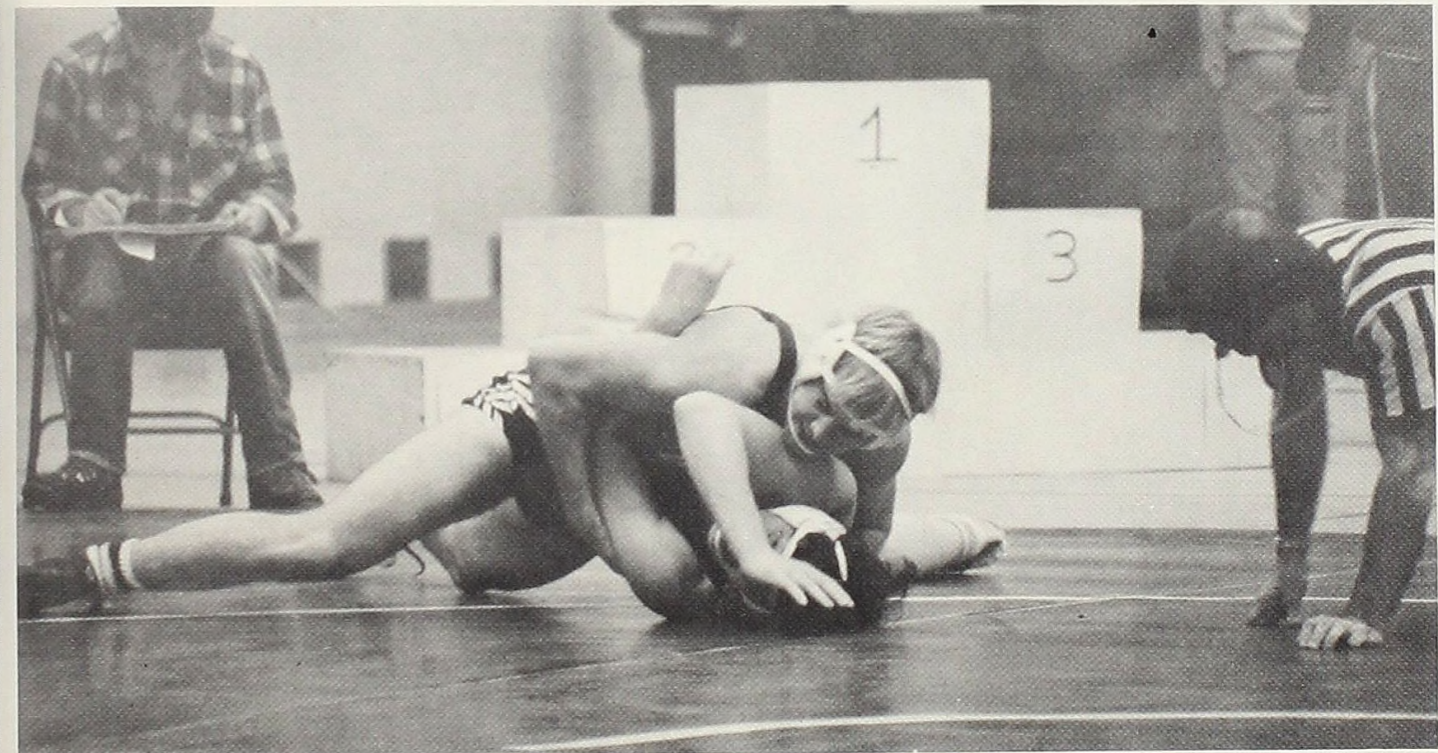

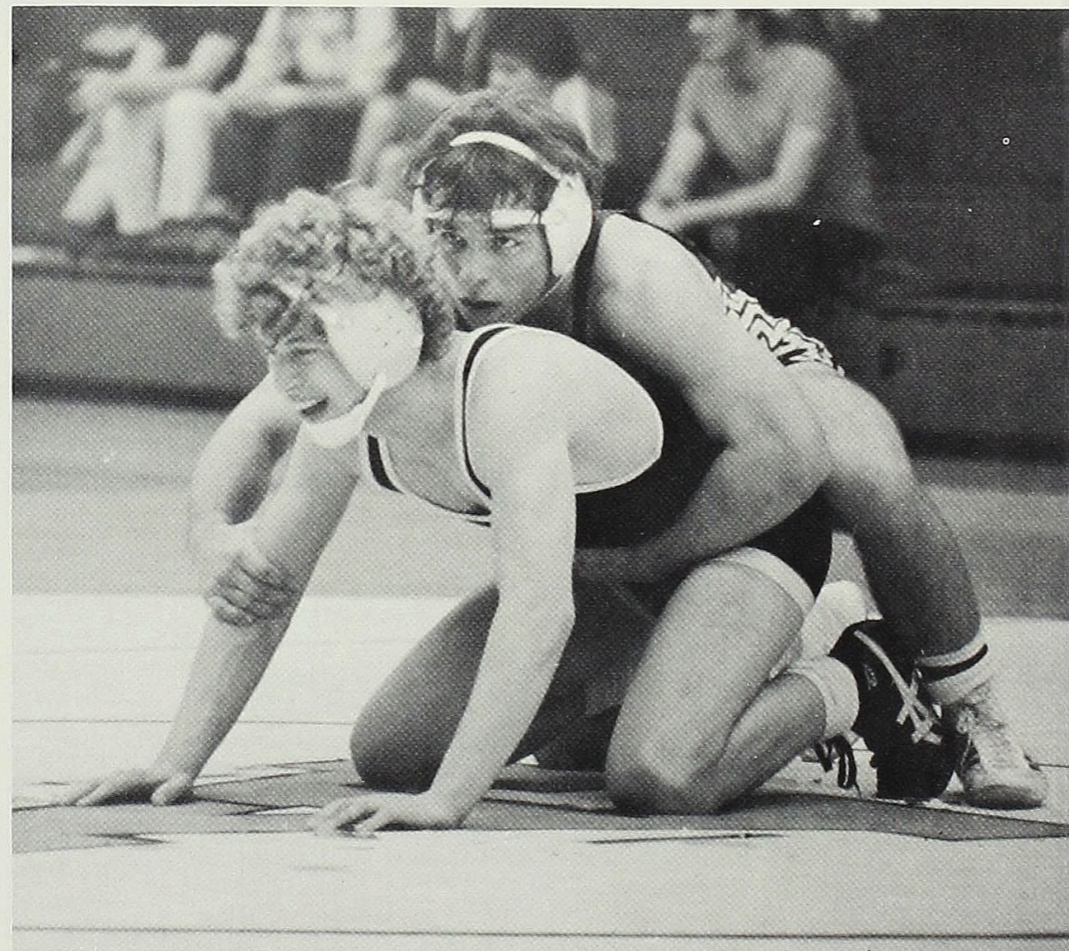

Neil Tuomi, **Most Valuable Player**
 Andy Beachnau, **Most Improved Player**
 Dan Coon, **Coaches Award**

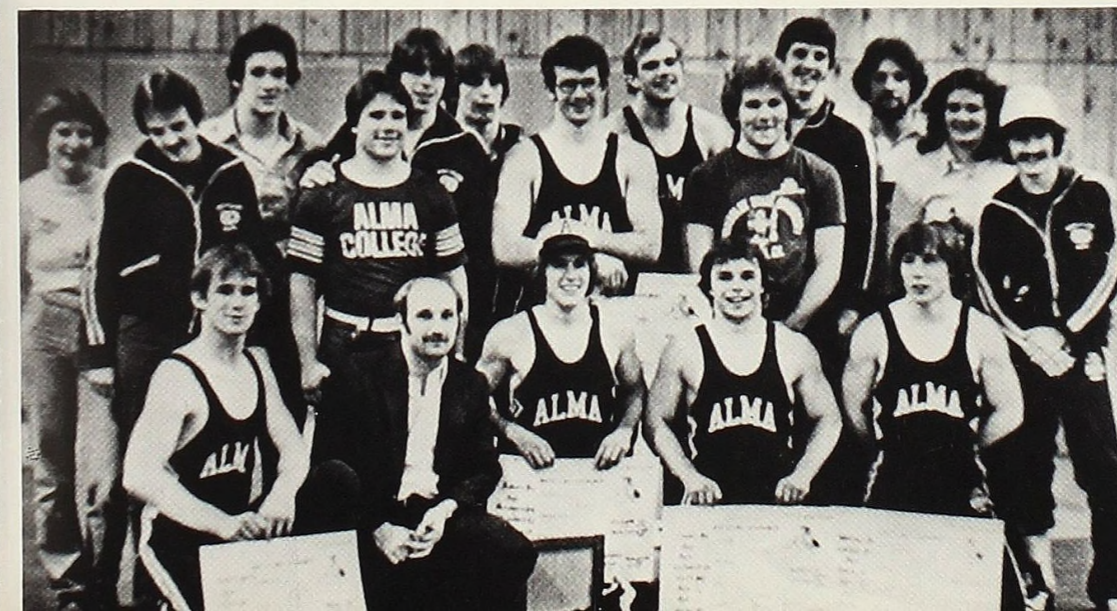

'We've now established ourselves as the dominant small college wrestling team in the state of Michigan,' boasted Coach Bruce Dickey after a banner season which included a 10-3 dual record and Alma's first MIAA Championship in history. Alma's realm of power extended further beyond the state as the Scots defeated nationally ranked Olivet 22-20 enroute to knocking Olivet out of the driver's seat of the league for the first time in 10 years. Aside from being the only MIAA team to beat Olivet in a dual meet in 10 years, the highlight of the season was running away with the league meet taking championships in 6 out of 10 weight classes.

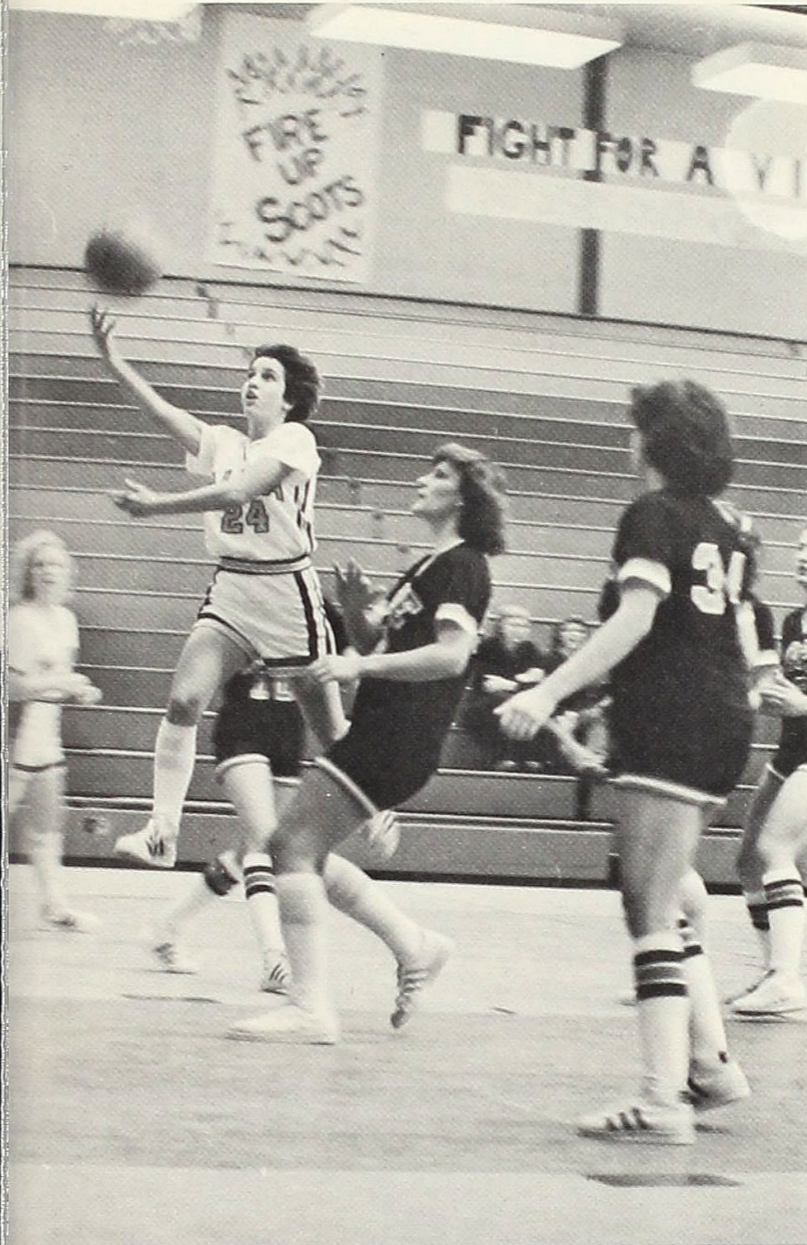

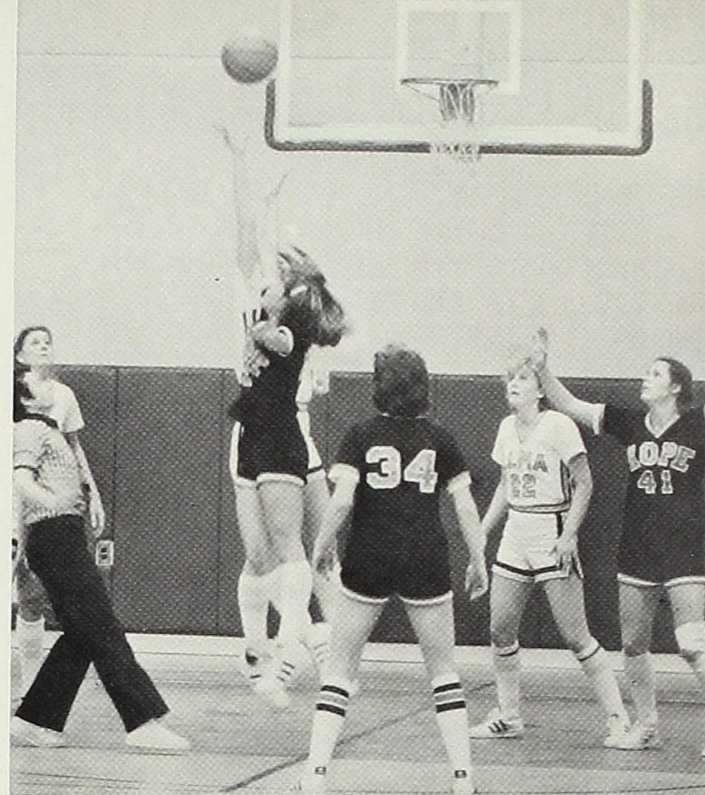

Gary Adams, Jeff Soper, Andy Beachnau, Neil Tuomi, Dan Coon, and Chris Miller each gained league titles and thus qualified for the NCAA Division III tournament.

Neil Tuomi will be the only Scot lost through graduation. Tuomi finished a brilliant four year career by compounding an 18-2 record on the way to being named the MVP of the league, another first at Alma.

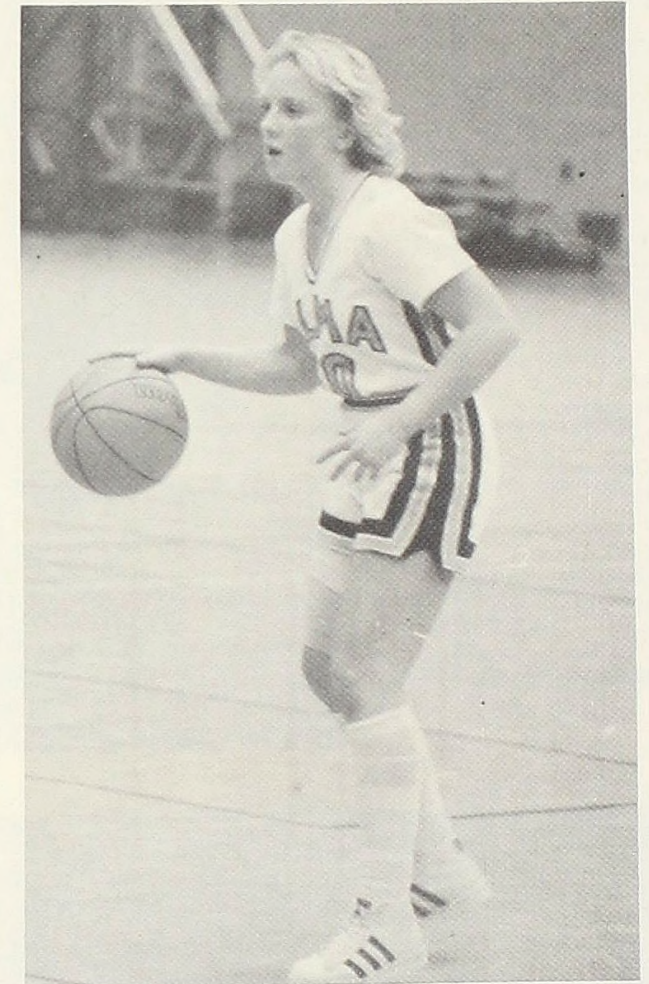

First row: Neil Tuomi, Coach Bruce Dickey, Captain Gary Adam, Jeff Soper, Andy Beachnau **Second row:** Dan Harp, Jeff Golembiewski, Captain Dan Coon, Mike Munyan, Eugene Esquiardo **Back row:** Manager Mary Tuomi, Greg Hatcher, Craig Bauer, John Monica, Chris Miller, Matt Kennedy, Frank Goodrich, Statistician Maxine Button.

'We played with a tremendous amount of dedication, enthusiasm and effort. A record is not always indicative of the success of a team. My players and I look at the year as a tremendous learning experience,' reflected Coach Tuite on the season. The team, led by co-captains Lisa Kapp and Linda Ban, ranked 4th in the MIAA with a league record of 5-7 and an overall record of 6-12.

Men's Basketball

A rebuilding Scot basketball team, under new coach Chris Ragsdale, finished fourth place in the MIAA with a 5-7 record while tallying a 9-13 overall mark.

Despite a relatively unimpressive record, the cagers pulled stunning upsets on the road against both Hope and Calvin who eventually shared the league crown with Albion.

Individually, Jeff Meath earned first team All-MIAA honors and established himself as the fourth leading scorer in Alma Scot history with 1208 points. It came as no surprise that Meath was chosen by his teammates as the MVP on the squad. Bruce and Scott Parkes were selected as Honorable Mention All-MIAA.

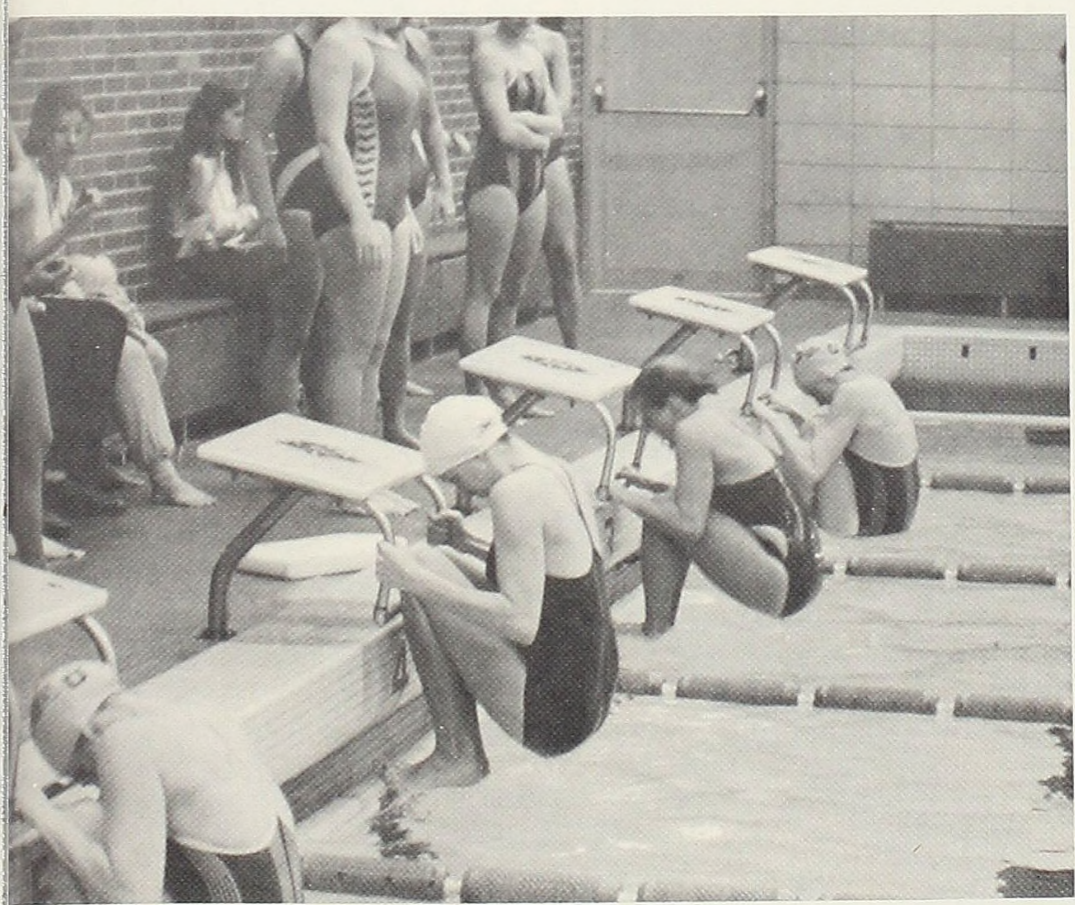

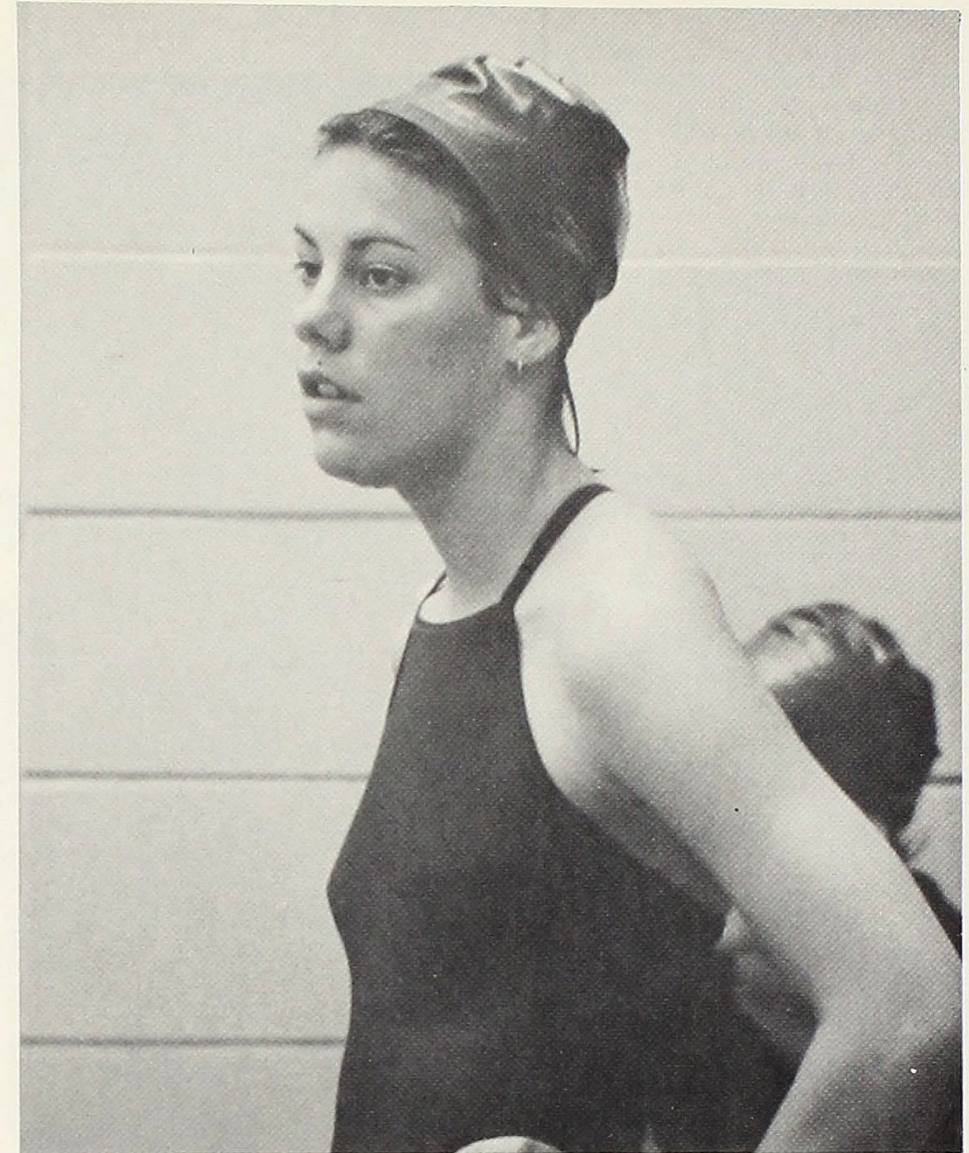

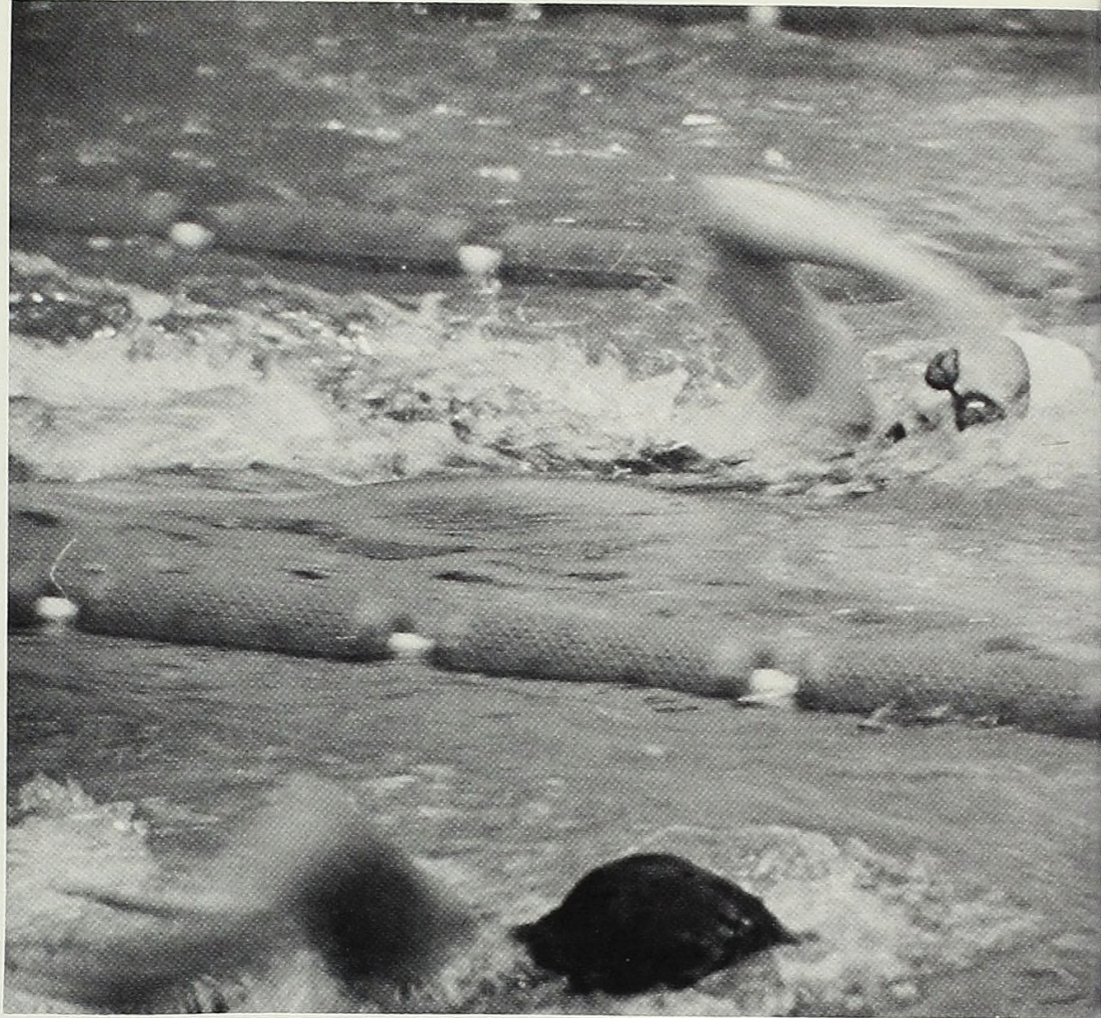

Back Row: Head Coach C. Ragsdale, Marty Spencer, Jeff Holcomb, Dean Gardner, Luke Stefanovsky, Scott Parkes, Nick Hufnagel, Bruce Pfeifle, Steve Spaulding, Mark Apsey, Kevin Deline, Assistant Coach S. VanderHyde, Trainer Mark Pardee. **Front row:** Tri-Captains Tom Bay, Jeff Meath, Bob Schikorra.

In his career at Alma Bailey was four times selected to the Division III All-American team on the one meter board and two times All-American on the three meter board. Such diving accomplishments are a first in Scot history.

Team Awards went to Scott Bailey as Most Valuable Player, Randy Davis as Most Improved Player and Jeff Pasche was named Most Dedicated Player.

The Alma College baseball team rallied through what proved to be its greatest season in Alma history. Aside from gaining its second consecutive share of the league crown, the Scots were invited to participate in the NCAA Division III Tournament where they earned a second place finish in the Mid-East Regional.

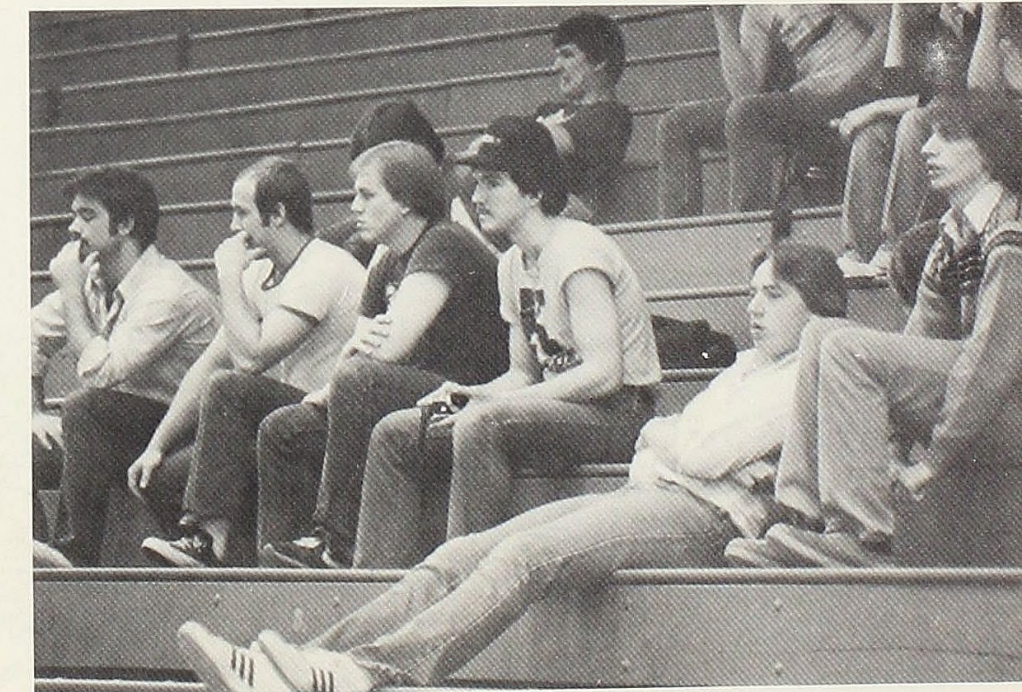

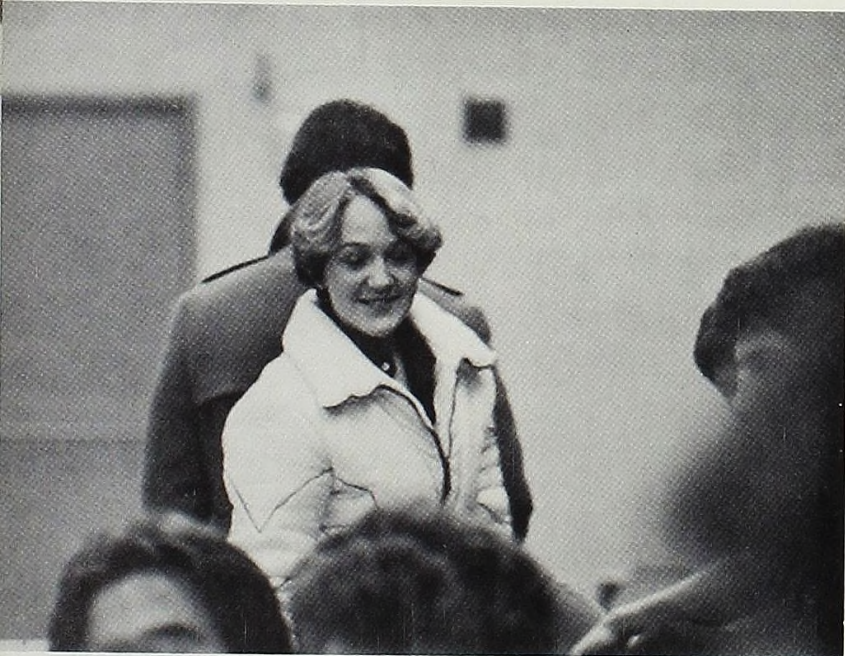

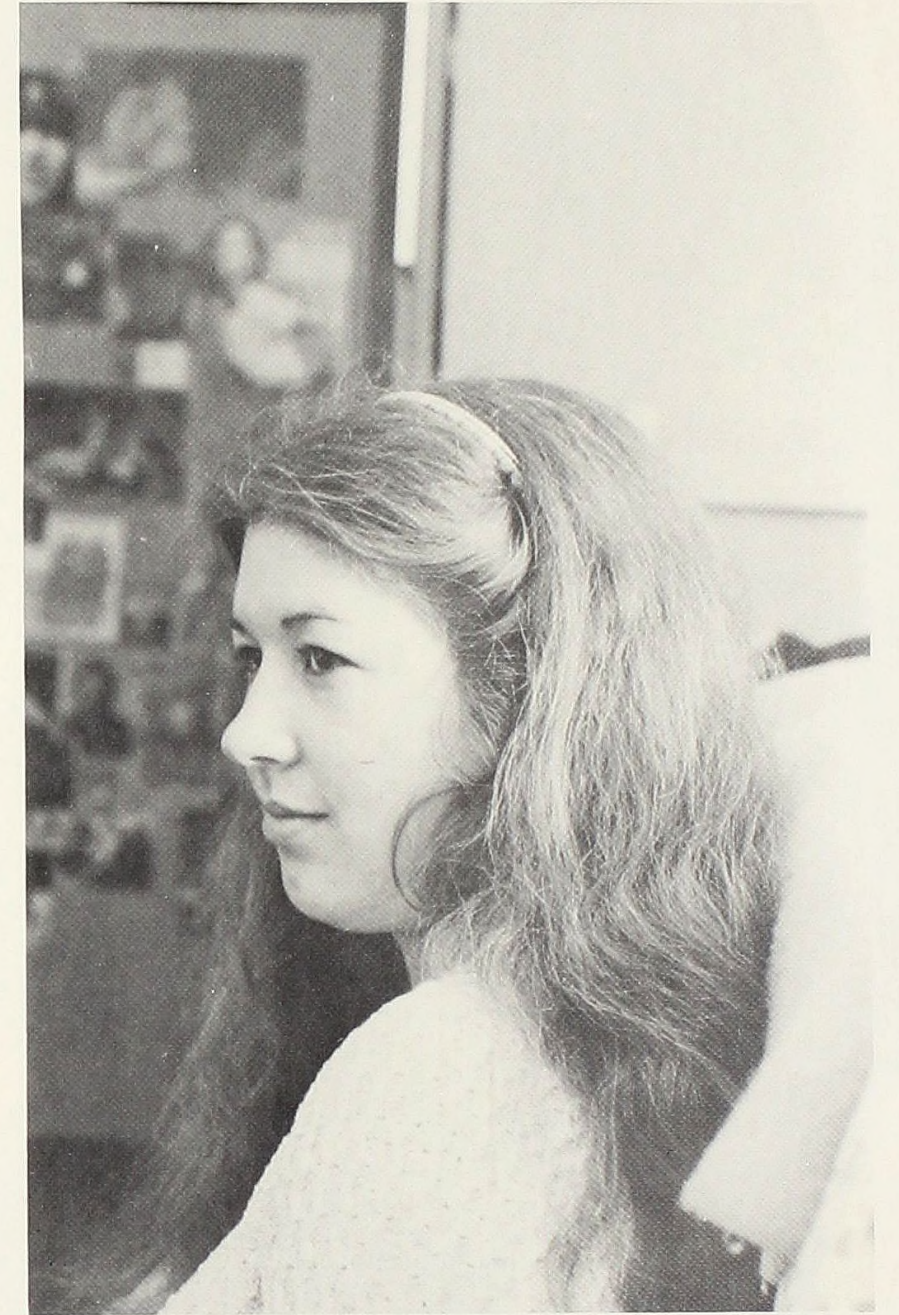

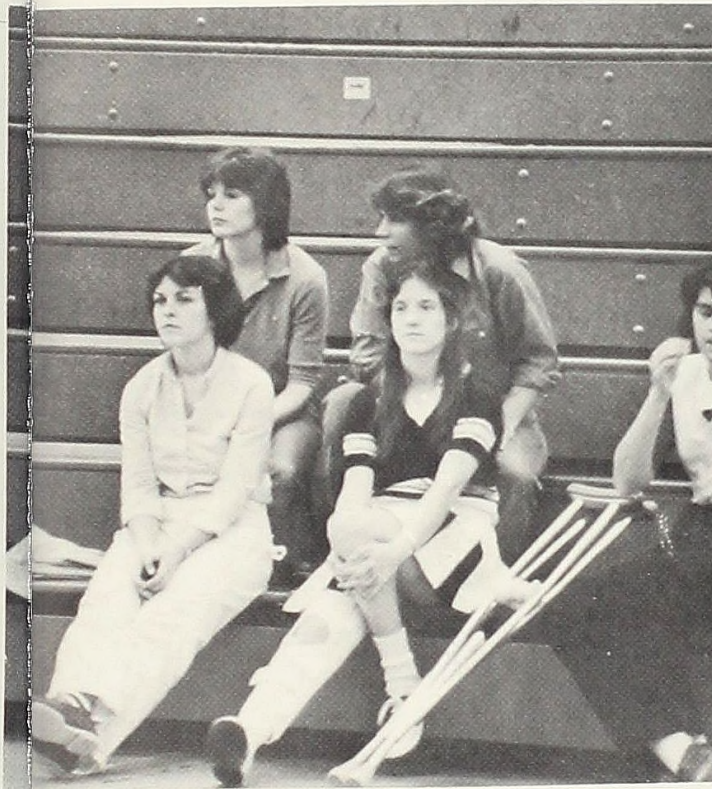

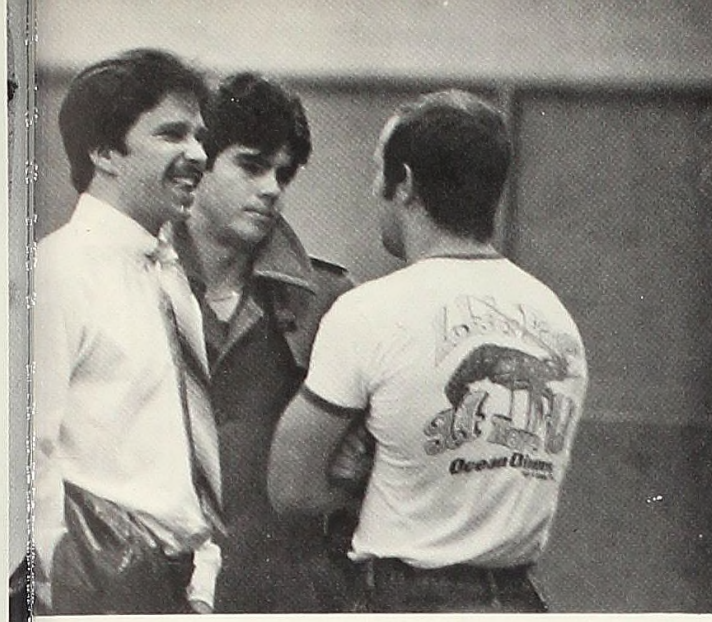

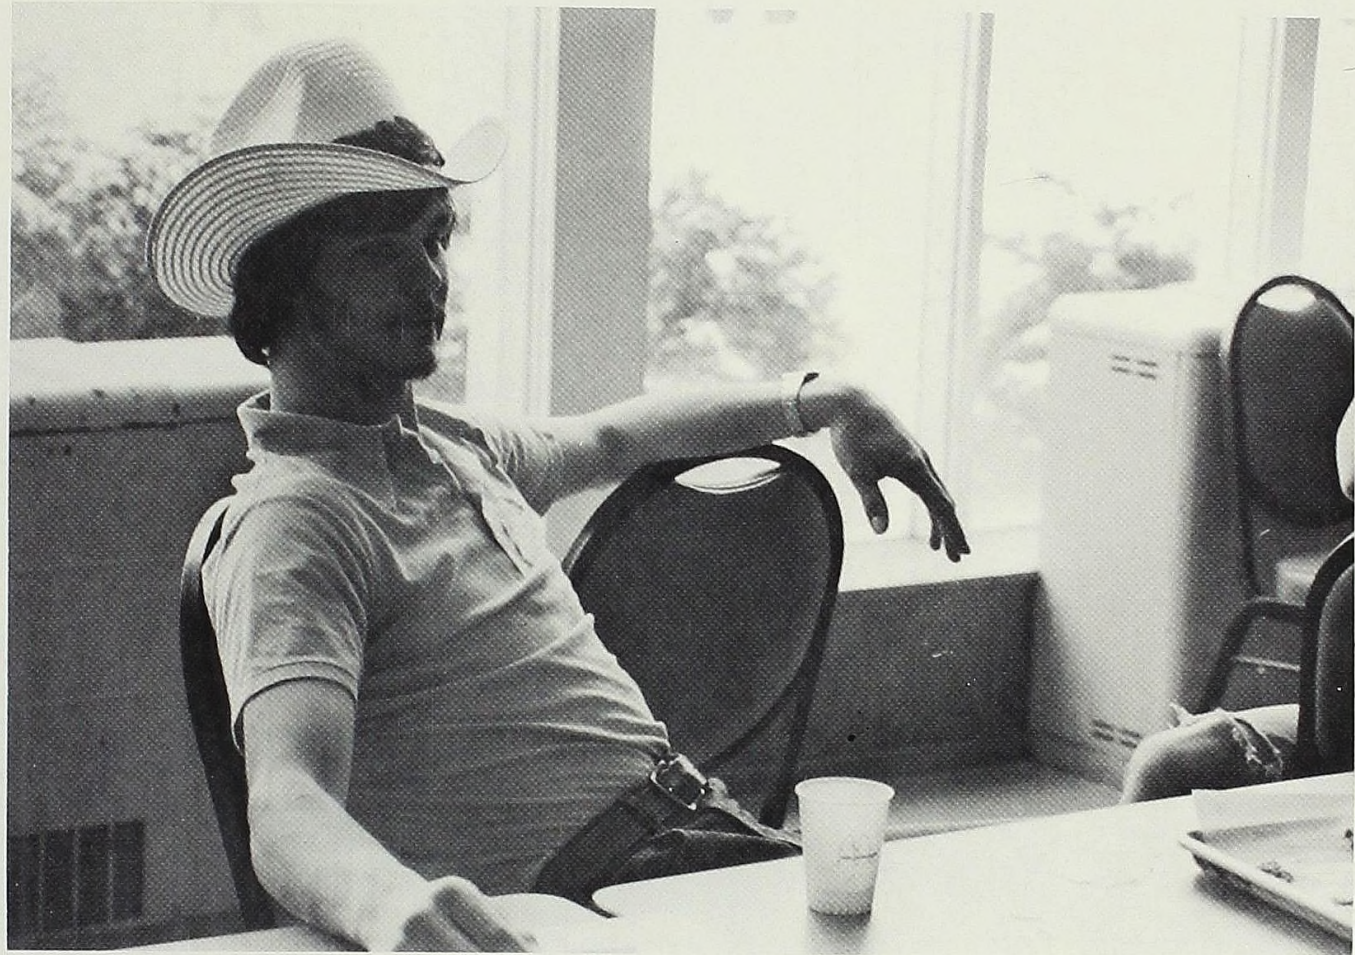

The NCAA tourney brought much excitement, such as a 4-3 ninth inning victory over Wooster, the fifth ranked team in the country.

Bill Bardwell became the first baseball player in MIAA history to be selected as the MVP of the league 2 years in a row.

Bardwell tallied 22 career wins against just 5 losses, which is a Scot record.

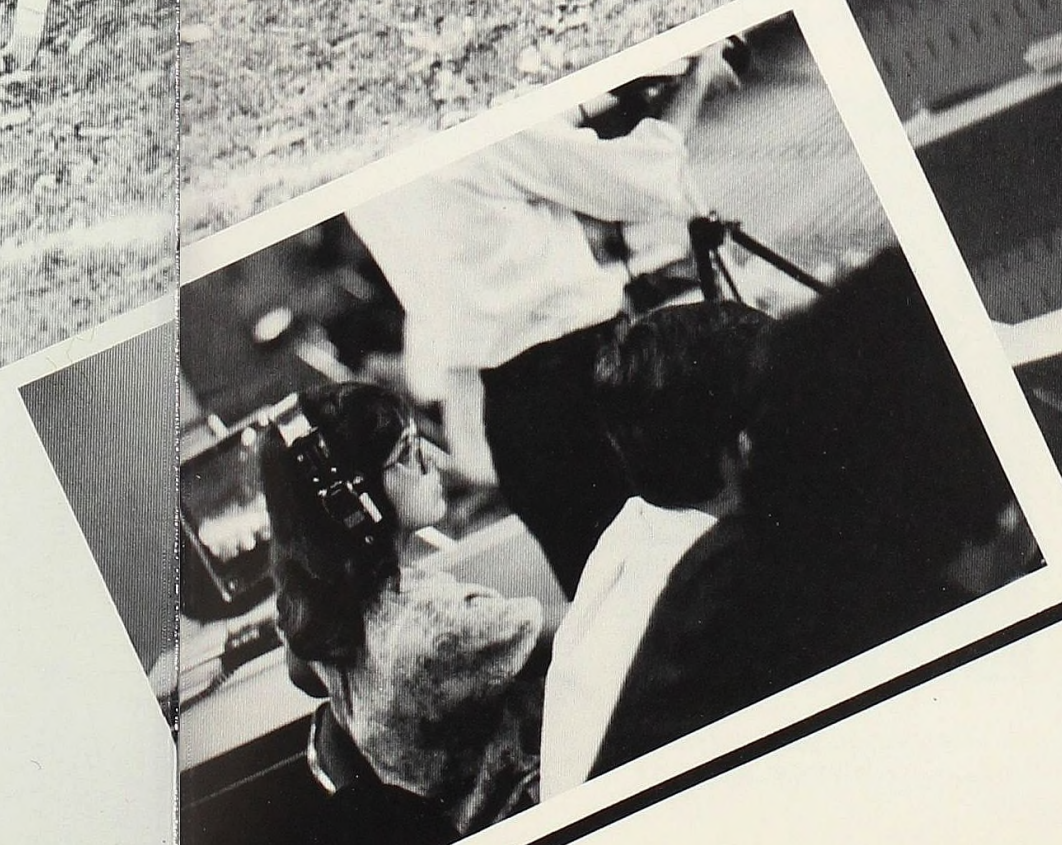

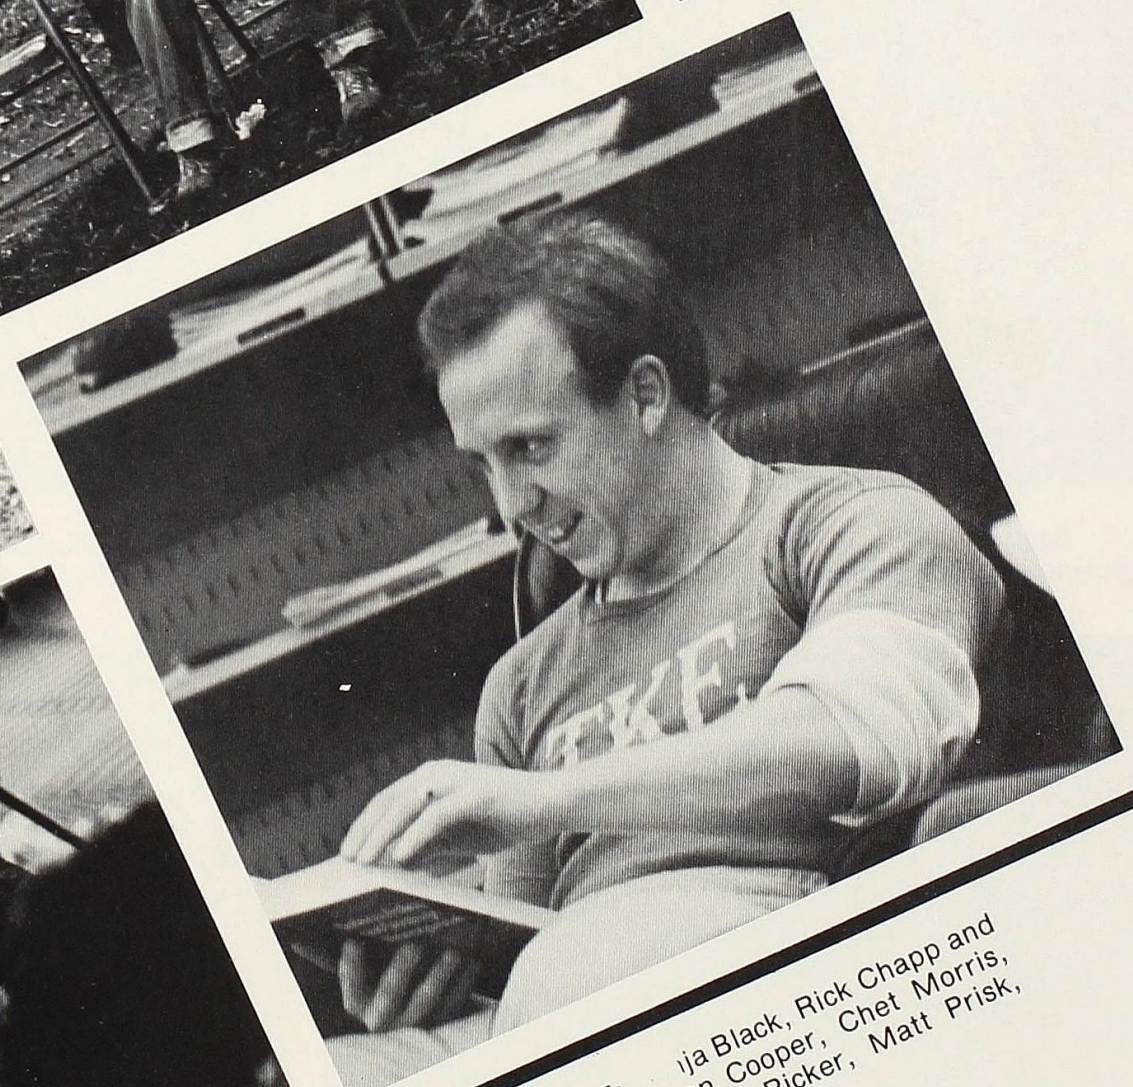

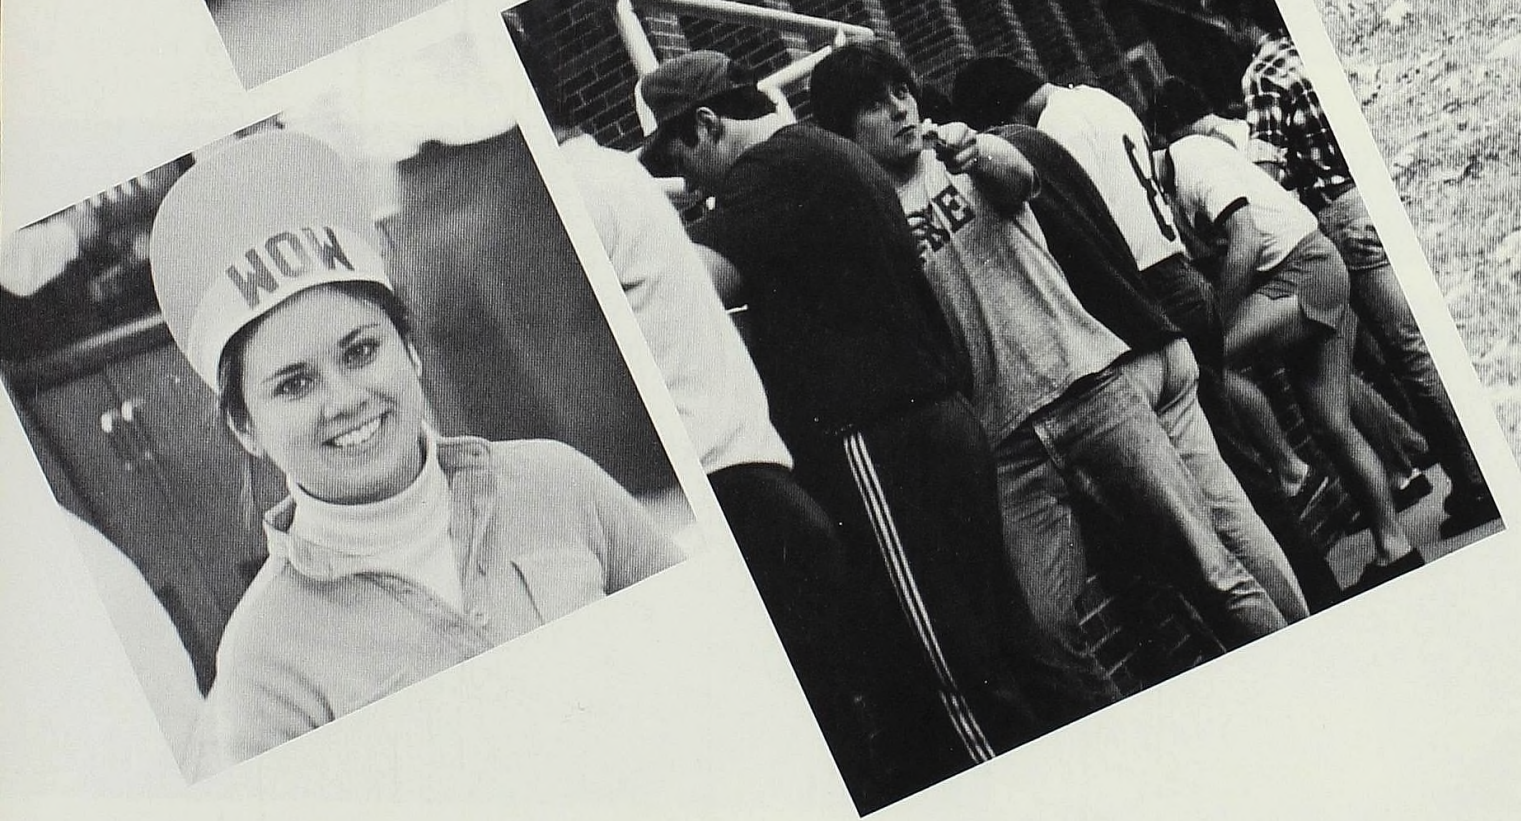

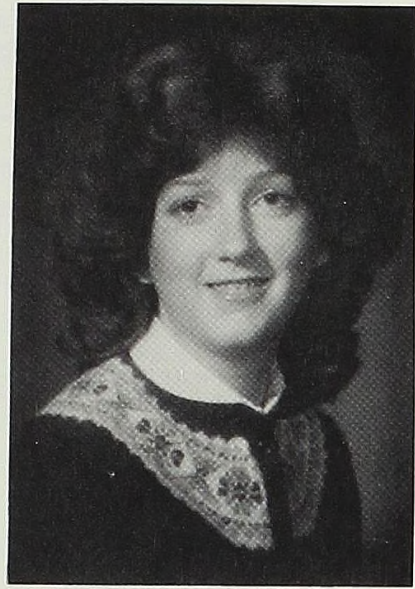

Seniors:
 They came to Alma College with the hopes of finding a direction to take their lives and now, after at least 36 hours in an academic major, untold hours of academic cramming and as a result of academic successes, they must, once again be...

Changing Ideas

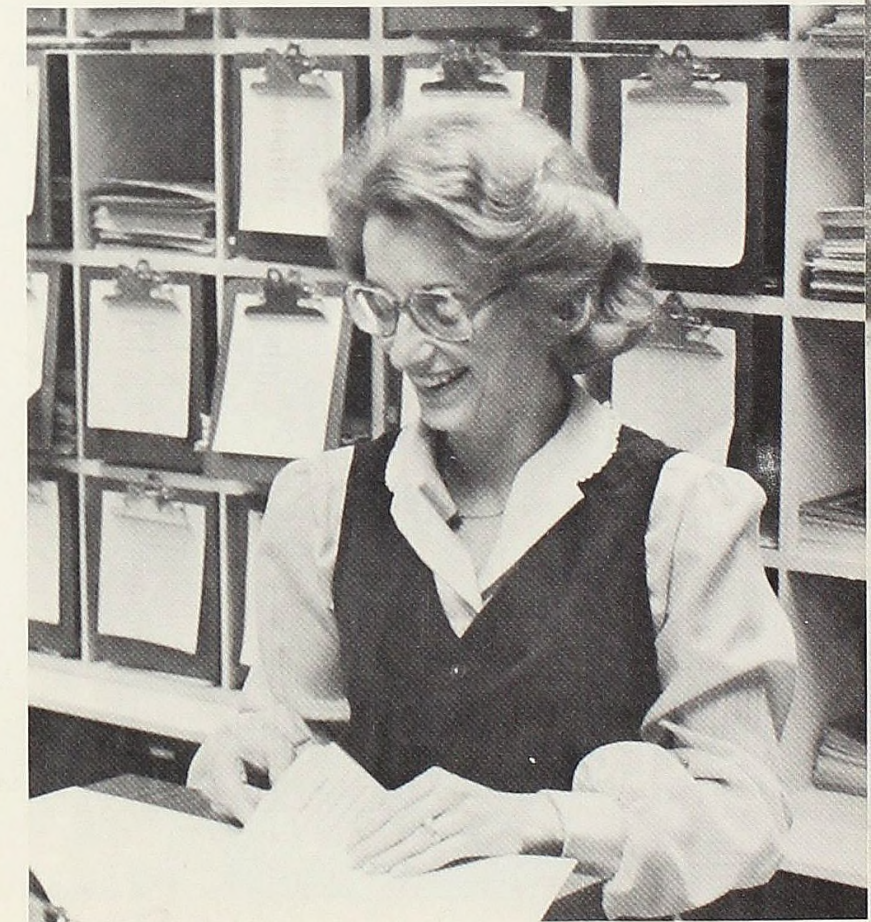

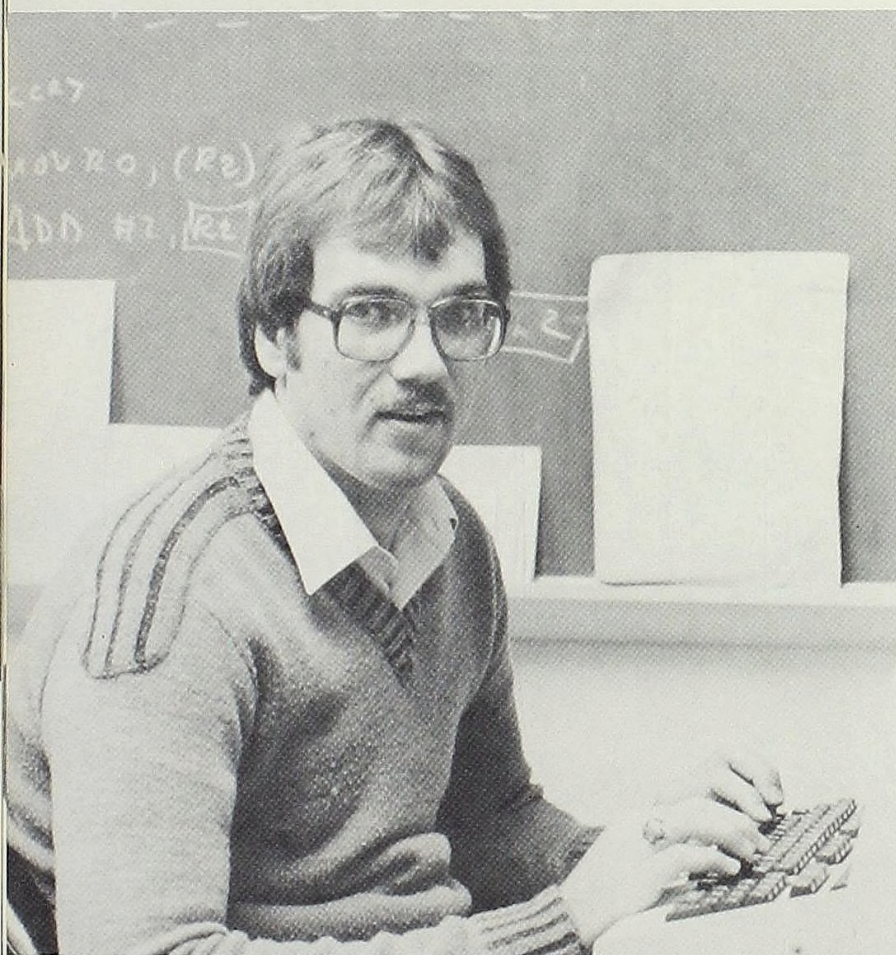

Few people have the opportunity to affect the minds of future generations like the faculty and administration of schools across the country. Each student comes to school with his/her preconceived notions of what the world is or should be. Professors have the ability to open minds to new perspectives, thereby modifying and sometimes even completely changing the ideas of their students. Such power—and yet they are people, too.

The College

and the Community

No school can survive without the support of the surrounding community. Just as the college is constantly changing to fulfill student needs, the city tries to please everyone by constantly revitalizing itself with new businesses. The college and the community, working together, help each other accomodate the students of Alma College.

Spring Term: Change of Pace

There is nothing more looked forward to at Alma than a change to the "rest and relaxation" atmosphere of Spring term. In other words, what's a book?!

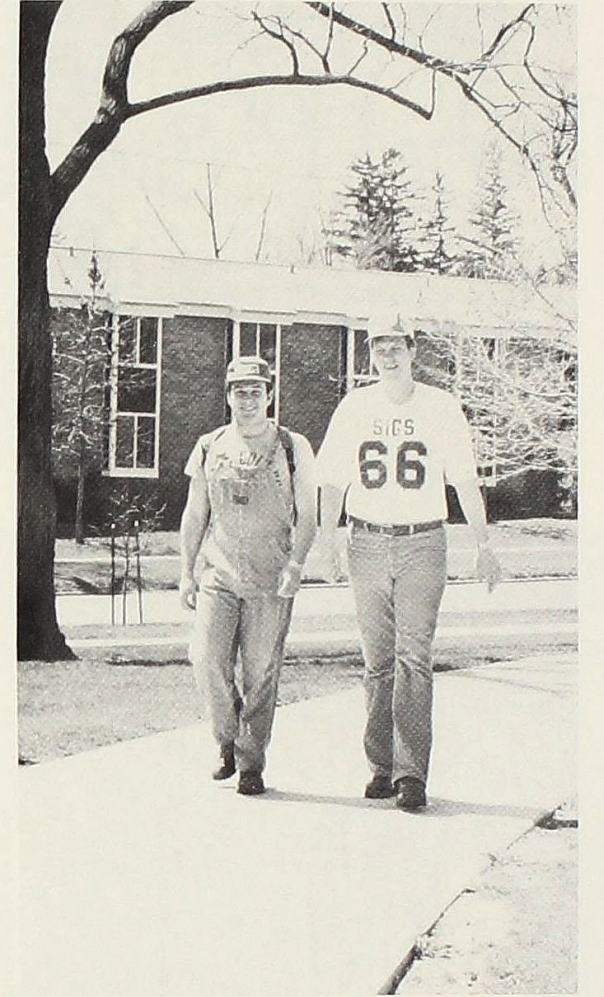

Clockwise; Enjoying the sun and warm weather, the concert on the football field, Mitch Harlan, Robert Ode, the Bio. 110 Square Dance, Kandi Laird.

Lawn Concert

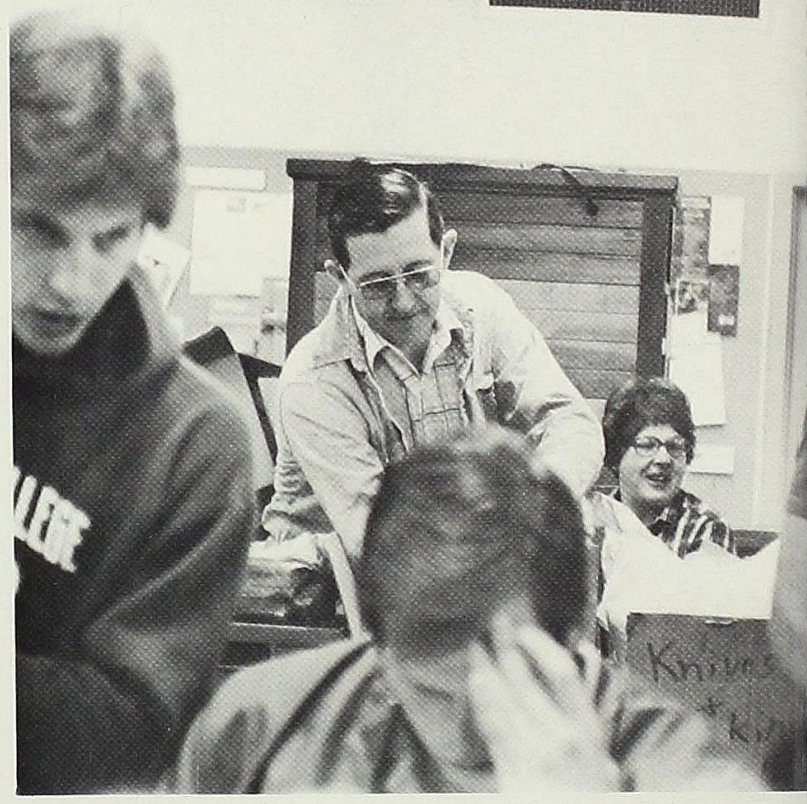

Robert Ode

Former Iranian hostage Robert Ode gave a public presentation for a crowd of 1,000 people May 14. During the presentation, Ode, the oldest of the 52 hostages held for 444 days, was given an honorary Bachelor of Arts degree from the college and a legislative tribute by Representative Richard Allen.

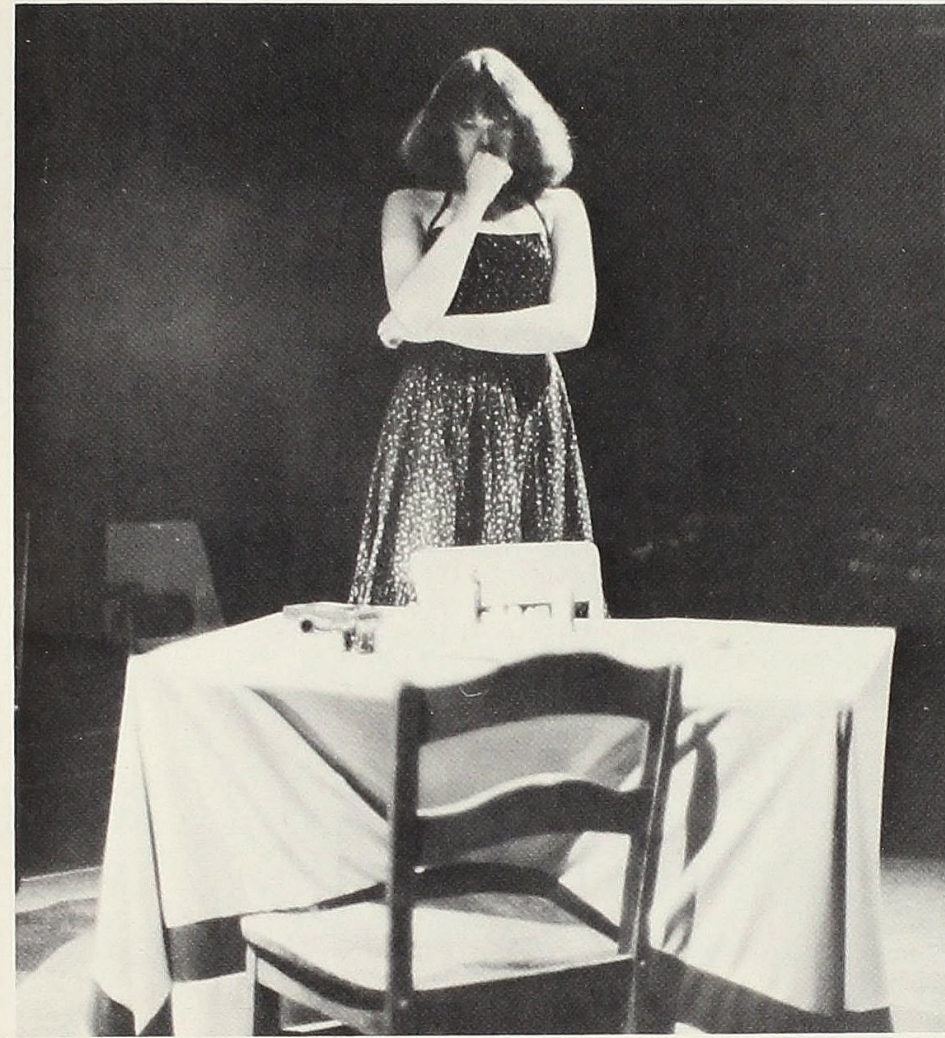

Bio. 110 Spring Flora

A change from the regular classroom setting, Spring Term allows a more first hand view of a subject. Dr. Kapp's Spring Flora class took a trip to Kentucky to see plants different than those that exist in this area.

Spring Term Celebration

The Spring Term weather is a welcome change from the rest of the year. On Sunday, May 17, the weather was nice enough to hold the Chapel Service outside. Most of the service was music including brass, guitar, and song.

And so another year, very similar to those that have passed, has come to a close. As the students progress another year forward in their pursuit of a future, the seniors go out in the "real world", and a new class prepares to come in as freshmen. As always, the college rolls on. The more things change around Alma College, the more they stay the same.
