President Remick was pleased with the out come of the convocation.

Cenennial
Convocation
Brings
Surprises

Centennial Convocation was the kick-off to the centennial week This year's the centennial week. This year s convocation will be one that will be in the memory of all of years. Former President Swanson years. Former President Swanson as well as Former Secretary of
Education Terrance Bell helped in the celebration of our college's history. The two-hour ceremony was full of interesting commentary and awards. The entertainment was provided by the New World String Quartet and Alma College Choir.

On behalf of the student body, Student Congress President Larry Baker, top, accepts a large check from GTE for students ssistance during the flood.

Dr. Bell, the evening's guest speaker, center eft, addresses the issue of "Excellence in Education"
T. Solarin, conter $r$ isht was one of many prominent guests of the evening.

The Centennial Convocation featured a per formance by the Alma College Choir.

Students, alumni support rally and dedication
(Clockwise below)The Alma Colleg cheerleaders rose to new heights to hype the crowd at the pep rally; Pep rally MC Mike Skinner gets a hand in firing up the crowd
from the Scottie Dog: Spirited soccer playe from the Scottie Dog; Spirited soccer player
Brian Fuller, Kirk Miller, and Paul Masnjak did not need cute cheerleaders or hyper mascots to get them psyched for the Homecomeing game.

Carr leads the Kiltie Marching Band Carr leads the Kiltie Marching Band Spirited alumni join the Kiltie Band during the pre-game show to perform the Alma College Alma Mater; People of all ages within the community joined in the
festivities, including these Kiltie dancers The atmosphere at the Homecoming game was very intense as President Remick
dedicatated the new field dedicatated the new field.

through the line to sack quarterack Rob Stewart.

Clockwise) Running back Mitch Beekman is up-footed as he rushed up the field; Steward drops back for a short pass to the outside; The
hand off is made to Beekman behind the line; Senior Dave Beleutz heads up the field in an attempt to gain yards.

Injured Ulrich hurts Scots offense

The first homecoming in our new stadium proved to be unseccessful for our Alma Scots. With senior quarter back Dean Ulrich our with an injury, sophomor quarterback Rob Steward and the offense were unable to move the ball, and the Scots fell to Albion.

Sophomore Kathy Maxwell, right, takes a seat to watch the parade
Tracey Nicholson, Trisha Powell, and Jenny Miklosovic, below, were so excited to be car
rying the Panhellenic Council banner in the Homecomeing parade that they burst into
song. song.

Events bring student body and community together

Homecoming Day 1986 is one that will be put down in the record books at Alma College. The day was mark ed with many events which included the parade, the homecoming game, the announcement of king and queen and finally the dance as the climax. Hundreds entered the gym which was turned into a magical fairyland to hear the sounds of the Glen Miller Orchestra to top off the evening.

The 1986 Homecoming King and Queen: Eric Miller and Simone Heidrich.

The Glen Miller Band's saxophonist wails for the dancing enjoyment of the crowd at the
Homecoming dance.

Simone Heidrich was crowned the 1986 Homecoming Queen during the half-time festivities.

Cheerleaders Julie Miller, Cheryl Perez, B Schultz, and Marty Stack show their spir in the Homecoming Parade.

Hidden cameras were able to catch Gary Garner sneaking samples of the chapel cake
before the dance began.

## Campus make-over

The school year of 1986-87 saw many campus changes. The major additions to the college campus this year were the new opening of Balke stadium and the renovation
of the library. Mother Nature was not to kind to the campus at the start of the year when it was hit with 27 consecutive days of rain, but the foundation was firm and the campus survived the worst flood in Alma in almost 100 years. Once the weather
 pictures show

## "Run-Outs Revived"

Clockwise from opposite page)Members of the Theta Chi fraternity anxiously await their new pledges; Aidan Lysaght and Evan Vlaeminch reveal to the crowd what way they are going; Jeff Garno keeps the crowd in suspense waiting for the right time to reveal his decision; Members of the Sigma Alpha Epsilon fraternity climb the walls in an effort to display their flag; Sophomore Phil Pattengale joins the Sigma Chi
fraternity during the fall run-outs; and the Zeta Sigma fraternity cheers on the rushees.

Wake-Ups gather sororities together
(Clockwise below)Gamma Sigma Sigma active Lucinda Hamlin keeps tabs on her new pledge during the traditional wake-up breakfast; Roommates, now sisters, Amy Kunse and Mary McDonald demonstrate the true meaning of friendship; Mary Sweet gets a big welcome hug into a break from breakfast for a hug; New AXiD pledges Mary Sweet, Kelly Long and active Michelle Matlenga stop for a picture; and AGD actives Alison Flagg and Betsy Fleming welcome in Ruth Acton.

A lot of hard work and dedication went into the preparations for the Centennial dance. Those people who worked behind the scenes devoted many hours of their time to transform the gym into a beautiful spectrum of colors and balloons. The time that was given th this event payed off in the fact that the gym could not even be recognized as a gymition includof the cutting of a cake resembl ing the chapel, music provided by ng the chapel, small speech provided by President Remick

Centennial Preparations Pay-Off

Homecoming Committee members Lisa Elbers and Erin Shirey take time off from placing balloons (top left).

Homecoming Co-Chair Sarah Sarchet tries tie down her set of balloons (above)

A quick glance of the set-up before the night started (top right). The packages and chairs eagerly await to be placed (above).

A feast fit for a king or queen

After the teams competed in their games, they were treated to a pig roast by SAGA.

## SENIORS

The senior class of 1908, and the orchestra playing at the centennial graduation.

Kelly Mitchell shows how yummy SAGA can be.
Students look over the selection of food at the pig roast.
Cheryl Perez tries to eat and keep warm at the same time.

Alma College Senior women of 1914 leave Wright Hall and head
to Commencement exercises. to Commencement exercises.

Members of the Student Army Training Corps during World War I pose for a photo in front of the Hood Building, which served as their barracks.

In 1887 Alma College opened its doors with August F. Bruske's statement of the purpose of the College's proposed academic program. It stated that Alma was to be a Christian college that would offer a liberal education to deserving young people
Alma s first thirty-four students were offered five basic categories of instruction from which to choose. These included Mental and Moral Philosophy, Classical and Modern Languages and Literature, Mathematics and Natural Philosophy, Natural Sciences, and English Language and Literature. At this time there were no majors or departments; students merely took the college curriculum
Within the College there were several other elements, which were created primarily to support the College. These elements included the Normal Department, the Commercial Department, the ment. These departments were headed by members of the faculty, but were taught by part-time ment. These departments were headed by members of the faculty, but were taught by part-time than the College itself.
The Normal Department was established in order to train teachers. It did not, however, last long. In 1894 it became part of the College curriculum. Also available to students were the Commercial and Art Departments. The former concentrated on training students in the principles of business In 1912 the Commercial Department, and two years later, the Art Department, were terminated. Also available to students was the Training Department, which was developed in order to train kindergarten teachers. Students involved in this program even had their own society -- the Froebel Club.
One of the most popular departments on campus was that of Music. Even people not registered as Alma students took lessons and earned certificates. At one point in its history, it even reached conservatory status.
The Preparatory Department was designed to prepare students for college work. This was an especially critical department because at the time, few rural schools offered work beyond the eighth grade. Each year, half of Alma's freshmen were graduates of its Preparatory Department.

## Students In Pursuit Of Excellence

Alma's academic programs have changed considerably in the past one hundred years. There are now over thirty disciplines, not to mention a wide variety of interdisciplinary courses and programs of emphasis, for the College's one thousand students to choose from. Although Alma's programs have changed, its goal -- to provide a liberal education to all who desire it -- has not.
Alma has long been known for its students great achievements. Understandably, many of these One such person was Frank Knox. In 1898, when war breke out persons away from the Alma campus. Frank Knox, along with several other Alma students, left campus to enlist. When he was in Tam pa, he was introduced to Lieutenant Colonel Theodore Roosevelt Roosevelt's Rough Riders were in Tampa at the time and had a few vacancies in the resiment. Knox, who was atta unit at the time, took advantage of the opportunity. After serving as a Rough Rider Knox became the head of several newspapers, including The Chicago Daily News. In 1936, he was the Republican candidate for vice president of the United States. Four years later he was appointed Secretary of the Navy by President Franklin Roosevelt. Frank Knox is just one of many Alma students to become a success outside of the college community.
Education takes on a much more meaningful role when it is combined with leadership. For this reason, Alma College awards the Barlow Trophy to one graduating senior each year. This individual must not only be in the top ten per cent of their graduating class academically, but also have played and important role in shaping Alma's campus life.
Frank Knox, Barlow Trophy recipients, and others like them from Alma's first one hundred years are sure to be joined on the 'Success List' by many who will pass through the Alma College campus in its next century.

Frank Knox, an Alma alumnus, served as a Rough Rider and as the Republican candidate for vice president in 1936.

## A Victorious Century

Soon after classes began at Alma College in 1887, students began organizing athletics. Although Alma's main emphasis has always been on academics instead of athletics, the College's teams have fared well in competition. In fact, the first decade of football saw the team accumulate a record of 33 wins, 15 losses, and 3 ties. While some of these wins were over teams from Alma and Ithaca High Schools, others were over competitive teams from schools such as Michigan Agricultural College, which is now known as Michigan State
Athough most of early attention to sports at Alma was given to football, basketball became increasingly popular on campus in the late 1890's. Most of the attention given to this sport, surprisingly, was directed toward women's intramural competition.
. Davis Field, was constructed for use by the baseball, football, track, and tennis teams. This was also the year that the College broke its affiliation with the three-member Central Michigan Interolle not only became affiriated with the MIAA, but also won the MIAA championship in football. It was merely the first in a long series of Alma championships.
Over the years, the Alma athletic teams had been given many different nicknames by many different individuals. Finally, in 1931, students voted on a nickname for their teams. They were given three choices - - the Maroons, the Thistles, and the Scots. The Scots proved to be the student body's favorite, and it has remained the nickname of Alma teams ever since.
While men at Alma had many opportunities to become involved in Alma athletics, women had very few ( except intramural competition ) before World War II. After the war, however, women were given the chance to compete in basketball, volleyball, archery, and field hockey. Between the and in ing grown to be a very imp grown to be a very important aspect of campus life.

These dedicated Alma players could overcome even the harshest conditions.

Alma's fir (at left in top row) later coached football at Notre Dame.

Not all students who enjoy athletics, however, have the time or ability or desire to play on the College's teams. For these reasons, intramural sports were created. They have been around since the earliest days of the College and were the only form of athletic competition available to women before World War II. Intramural competition includes: football, volleyball, basketball, bowling, softball, baseball, and walleyball. Intramurals have made it possible for a greater number of students to become involved in athletics. They have made athletics at Alma an even more important aspect of campus life.
Sports became such an integral part of life at Alma College between 1912 and 1917 that all freshman and sophomore men were required to participate in athletics because the College's goal was to create physically efficient individuals -- not merely to create a few stars.
Alma has, however, produced its share of stars. Among them are Bob Bruce, a baseball pitcher in the major leagues; Jim Northrup, the Detroit Tigers hero in the 1968 World Series; and Denny Stolz, who eventually coached football at Alma, Michigan State, Bowling Green, and San Diego State.

The sports programs at Alma have gone through many changes over the years. They have grown significantly to include football, golf, soccer, men's and women's cross country and track teams, field hockey, volleyball, men s and women s basketball and swim teams, softball, baseball, and men s and women's tennis. The additions and improvements of athletic facilities, coaching staffs, and individual sports themselves have only strengthened the importance and excellence of athletic programs at Alma College.

Young Team Shows Promise

The men's swim team continued to show promise and strength during the 1986-87 season. The men finishd in sixth place with an overall record team was young with only a few returning swimmers a wealth of experiance was gained by all. They look forward to next season with enthusiasm.

## IM Sports Remain Popular

This year's intramural sports were a popular study break for all who participated. As in the past there were five sports offered for flag men and women. They were: flag football, vowling vall, basketMany students participated and enjoyed getting together for some friendly competition. The Greek organed roles in providing teams for each sport.

valuable trackster for the 1987 season.

Teresa Wood eyes her approach to the high jump.

Scots Have Trying Season

The men's tennis team had a very difficult season this year. They finished in fifth place overall and they took fifth place in dual meets with a record of two wins and four loses. The team also placed fifth in the MIAA Championships with a total of $1 \mathrm{~A}^{1 / 2}$ points. Although they had a trying season will the team shows great potential for next year.

Steve Cannon works on the techniques of his serve.
Scott Taylor waits for his opponent to return his serve.

Coaches say the darndest things...

"This is the first time in several years that Alma has had two runners in the top ten".
-Coach Charles Gray
"The team had come a long way since the beginning of the season when no one knew each other yet a bond began to form.
-Coach Lori Swanson
"Sure, I wish we could sit here with a victory,, but know how far we've come as a program. -Coach Ralph Pimm
"The swimmers had their best times of the year
so far." Coach Kathy Davis about the Albion meet

## CAMPUS EVENTS

The winter carnival masks of long ago give way to a lawn concert event during spring term.
"If we compare ourselves to where we were a year
from now, defensively we're better and offensive ly we're faster."

Pre-Term '86
Anticipation was in the air as for the one-hundredth time in Alma's the one-hundredth time in Alma's helcomed in. The hot August heat and bundles of boxes made both parents and students exhausted But as the day grew to a close, and good-byes were said, a sense of insecurity and excitement over whelmed everyone. These feelings were soon cast aside as both RA' and orientation committee members saw to the evening's event... a luau party. This was on ly the beginning to a week full of classes, homework and meeting new friends. Various activities such as a toga party, movies and of course evening get-togethers at the Snack Station. Everyone agreed that this was a great way to welcome in the new school year.

Freshmen Joel Parker and Theresa Koenigsknecht show that meet.
ple is not that hard after all.

## Alma Players Perform Shakesperean Comedy Oh Yes, "You Can’t Take It With You"

Members of the 1980 mime troup, Contra-Diction, perform onstage.

It is a widely held belief that a student's activities outside of the classroom are equally important as academics. It was this belief that prompted the establishment of the first student organization on the Alma College campus. Alma College Christian Associations were founded the same year that classes began. Although these remained the most popular student organizations at the turn of the century, there were many other activities to choose from, including: literary societies, musical organizations, oratorical associations, and departmental clubs.
Just as Christian inspired organizations have played a major role in Alma's history, so too have student publications. The Kodak, a light-hearted periodical of the 1890's, was the first of these The first annual, the '97, was known as The Almanian the following year. By 1900 The Almanian had become a monthly publication, and only seven years later it became a weekly newspaper. The newspaper went on to win several awards for excellence in 1967 from the Michigan Collegiate Press Association
Other student publications include: the College yearbook, the Scotsman, whose forerunner, the Maroon and Cream, was established in 1910; The Pine River Anthology, established in 1953 as an outlet for students' creative writing; and The Vespine, a recently started publication featuring tudents' commentary, art, and poetry
Alma students have always had many musical organizations to become involved in. In fact, at the turn of the century there were nearly a dozen. One factor that makes Alma's musical organiza ions unique is the support they have shown for athletics. As early as 189 , showed its support by giving a benefit concert for the Athletic Association.

P14 the Cormed in Kiltie Band has however, been kno the years for more tha its unique attire In 1969 the were the featured band at a Detroit Lions football game, and in the 1980's they have played in the Thanksgiving Day Parade in Detroit where they were named the Michigan Thanksivin Parade Award Winning Band -. and at the Pontiac Silverdome.

## After Class

The Kiltie Band, however, is not the only one of Alma's musical organizations to be honored. The A Capella Choir, which was established in 1931, has become a very popular group on campus over the years. In fact, at one point it was necessary to place a limit on the number of students allowed to participate. In 1963, the Choir was named the Official Broadcasting Choir of the United Presbyterian Church USA, and have since toured -- as a whole or in part -- across both Europe and the United States
Other organizations to tour, although on a smaller scale, include a mime troup and Orchesis. The mime troup was organized in the 1970's and continued to hold performances and workshops across the state untir the early 1980 s. Orchesis, a creative dance group, was established in 1961. It has been gaining popularity ever since and often accepts offers to perform off-campus
These are just a few of the organizations that are, or have been, offered to students at Alma Col lege. There are many that have come and gone, and still others that continue to thrive. However, it would be impossible to mention them all. Not all of students' activities outside of classes, however, have been listed in Alma College catalogs. Some of these less-publicized activities would include: a professor's horse painted with zebra stripes, a bronzed 'Flying Geese' sculpture painted flamingo pink, the spirit rock buried at midnight, and the milk dispensers at Saga filled with draft beer. Whether their involvement is in the artistic, governing, or mischievous activities, students learn a great deal from them. In fact, their involvement in life outside of the classroom may teach students
as much, and even more, than a professor can as much, and even more, than a professor can.

Members of the popular A Capella Choir pose for a photo.

The losers of the annual Freshman-Sophomore Tug of War wade through the Pine River in 1912.

Orchesis...poetry in motion

## Air bands jam

This year's air band competition was a crowd pleaser. The number of talented acts this year was so numerous that the judges had a hard time awarding first place. In the end however, the Alabama TKE trio of Dwight Kelsey, Jeff Rienstra and Scott Goresline was awarded with the first place prize. Com edinne Ellen Degeneras was the host of the show and kept the crowd well entertained.

Lindley Graham, bottom right, backed up by Carl Grant, Kevin Hoffman, and Anthony Jackson (not pictured) sings for the annual air band competition.
Paul Masnjak, above, does his impression of Paul Simon in his rendition of "Just Call Me Al

The evening crowd was entertained by comediann Ellen Degeneras,
Dwight Kelsey, Jeff Rienstra and Scott Goresline took first place with their medley of Alabama songs.

Songfest is a hit

This year's songfest featured an immense amount of talent. Performances ranged from group, to duet, to solo. One contestant Matt Gibb sang one of the songs he composed himself. The group competition was tight, but the Gamma Phi Beta's came away with first place for a second year in a row.

Sun, fun and...studying ?

Spring term not only brings suntan lotion, Newberry beach, suntan lotion, Newberry beach, football, radios and tan bodies, ing for some students. But no matter what the course load never fear, the Alma student never fear, the Alma student
always finds time for a little always finds time for a little
sun. Festivities this year also uncluded a lawn concert sponsored by ACUB.

## FACULTY

Members of Mr. Meyers rock the crowd with some reggea.
The band members captivate the audience with a song they wrote themselves.

## A Changing Campus Scene

It all started with Ammi W. Wright's donation of thirty acres of land and two yellow brick buildings in the town of Alma. These buildings remained a part of the Alma College campus for many years and came to be known as Old Main and Pioneer Hall.
By 1889, a newly-constructed library was opened to students. The library was soon joined in 1895 by a building that would include a gymnasium and museum. Funds were later donated for the construction of a building to serve entirely as a museum. Known as the Hood Building, it is the oldest
structure on campus still in use today structure on campus still in use today
During the early 1900 's, several improvements, including Wright Hall, Memorial Gymnasium, and Davis Field, were constructed. Dunning Memorial Chapel, which has become to many people Anol of Alma, was constructed in 1941
Another building that was an essential part of the Alma campus was Old Main. One of the two In that year, a fire broke out on the third flory classroom and faculty office building until 1969 in ruins. Although students and faculty worked together to remove equipment and records from the building, much was lost when firemen prevented them from returning to the building. Destroyed in the fire were twenty-eight faculty offices and one dozen classrooms not to mention the loss of valuable records and faculty members' in-progress doctoral dissertations.

Folsom Hall, Alma's first gymnasium and museum, later served as an academic classroom facility.

Alma's first library (including its removable wooden steps tha often disappeared overnight) was the College's pride and joy.

Dunning Memorial Chapel, completed in 1941, is framed by elm trees in this 1960's view

Old Main was replaced, in 1974, by the Roberta B. and Robert D. Swanson Academic Center. Other recent developments on campus include Eddy Music Center in 1974, the remodeling of Tyler Campus Center and VanDusen Commons, and the improvement of the Co!lege's outdoor athletic facilities.
All of the changes that have taken place in the appearance of Alma's campus have been possible largely because of the generosity of many of Alma's friends. It is their generosity that has made the Alma College campus one of modern facilities and beautiful scenery

Old Main, one of the two original buildings on campus, was a primary classroom facility

Old Main, plus equipment, papers, and records, was destroyed in 1969 by a fire.

Theta Chi's never say "die"

The Theta Chi Fraternity continues to stress brotherhood and strengthen the bonds within their fraternity. Members of Theta Chi have aided the community by participating in the flood clean-up and sponsoring a Knights of Columbus Tootsie Roll sale in order to raise money for retarded children. The brothers have also sponsored numerous entertainment events on campus, including the National Theatre for the Deaf and the New York World String Quartet. The Theta Chi's have adjusted to living in Bruske, but strongly anticipate returning to their house in the fall of ' 88 . They were advised this year by Dr. Tracy Luke, and led by presidents Matt Turner and Mike Neirink.

## Derby Days are a success

1986-87 EX Brothers: Joel Baker, Larry Baker, Dan Ball, John Bonan drini, Ted Brindle, Scott Campbell, Ed Carr, Eric Clark, Jim Crawley, Mike Day, Steve Douglas, Brian DuBuis, Mark Duncan, Tom Etcher, John Heinlein, Eric Holbrook, John Jacobson, Rob Juhala, Joon Mo

## A Century Of Greek Tradition

The Greek system has always played an important role in the life of students at Alma College. However, this role has changed significantly over the years. The forerunners of today's fraternities and sororities, the literary role has changed significantly over the years. The forerunners of today's fraternities and sororities, the literary
societies, were formed primarily to sharpen their members' debate skills. By 1914, however, it was realized that societies, were formed primarily to sharpen their members' debate skills. By 1914, however, it was realized
the literary societies had failed to attain this goal and had instead become fraternities and sororities.
The first literary society on the Alma campus, Zeta Sigma, was formed in 1889. In 1954 it became Delta Sigma Phi as a result of its national affiliation. However, in 1971 it returned to Zeta Sigma as a local fraternity. Another forerunner of today's fraternities was the Adelphic Literary Society which was organized in 1898. The Adelphic Society changed its name to Phi Phi Alpha in 1901, but did not become a fraternity for another twenty-five years. It became known as Tau Kappa Epsilon in 1957, when it gained national affiliation.
The local Delta Gamma Tau, the last of the early societies for men, was formed in 1939. It was a very impor tant organization on campus during World War II because it was the only one of Alma's three fraternities to remain active. It became known as Sigma Tau Gamma when it went national in 1959, but returned to Delta Gamma Tau as a local fraternity in 1966.

Alma featured not only social fraternities, but also those dedicated to service. The first one on campus was organized in 1947 as Alpha Phi Omega. It was not only the college's first service fraternity, but also its first national one. As was common among Alma's early fraternities, Alpha Phi Omega broke its national affiliation in 1973 to become Sigma Beta. This important part of Alma's campus remained active until 1985.
In 1890, soon after the first men's literary society was formed, women of the Collegiate Department founded Alma's first literary society for women -- known as Alpha Theta.

Above left: Members of the Sigma Philo Sorority. Above right: Some happy members of the Sigma Philo Sorority during the 1950's.
Right: Tau Kappa Epsilon members get rowdy at the Phi Smoker in 1957.

Alpha Theta was soon followed by the Philomathean Society, which was open to women of all departments of study. In 1943 it became known as Sigma Philo when the Philomathean Society combined with the Pi Sigma of study. In 1943 it became known as Sigma Philo when the Philomathean Society combined with the Pi Sigma
Nu Society. As Alpha Eta Tau of Alpha Sigma Tau, the group became Alma's first national sorority in 1959 . Then, in 1971, it changed names once more to Alpha Zeta Tau when it dropped its national affiliation.
Another sorority that has been very active on campus for many years is Kappa Iota. It was organized as a local sorority in 1921.

Just as there was a service fraternity, there is a service sorority on Alma's campus that remains active. Gamma Sigma Sigma was formed in 1969 and went national two years later.

A women's society that was once very active on the Alma campus is the Froebel Society. Originally known as the Kindergarten Club in 1893, it was later named after the kindergarten system's founder -- Friedrich Froebel.
While some organizations have come and gone, others continue to grow and change. In the 1980's alone, one new fraternity, Phi Lambda Chi, and one new sorority, Delta Phi Omega, were organized. These two organizations, as well as Delta Gamma Tau, Alpha Theta, and Alpha Zeta Tau have become nationally affiliated within the last six years.

Greek organizations have always been a very important part of student life at Alma College, but at present their influence is tremendous. They continue to sponsor annual activities and are a source of unparalleled entertainment and social activity on campus. Over half of Alma's students are now involved in either one of its fraternities -- Sigma Alpha Epsilon, Tau Kappa Epsilon, Theta Chi, Sigma Chi, and Zeta Sigma -- or one of its sororities Alpha Xi Delta, Alpha Gamma Delta, Gamma Phi Beta, Gamma Sigma Sigma, and Kappa Iota.

As Alma enters its next century, the Greek system will surely undergo many changes, but it will undoubtedly continue to be a significant part of student life.

## A strong service sorority

1986-87 GPB Sisters: Klara Absolon, Patti Adams, Caroline Babb, Becky Bailey, Susan Baker, Lisa Becker, Barb Block, Cammie Bonham, Nancy Bremer, Maria Bohner, Tami Budlong, Renee Bux ar, Pattie Bynoe, Janean Carey, Chris Carson, Tania Cargill, Anna Chism, Beth Christenson, Stephanie Cole, Anne Couch, Shelly Craig ner, Meg Fowler, Karen Gaffke, Leah Goin, Diane Grant, Grace Han non, Lynne Harvey, Kami Hecksel, Heidi Hella, Rhea Hogelin, Julie Hubbard, Martha Hubbard, Kim Johnson, Susan Karp, Amy King Julie Kimball, Wynne Kinder, Theresa Koenigsknecht, Lillian Kor Mankowski, Lauren Marce, Middy Matthews, Kim Maxwell, Mary McDonald, Michelle Medalle, Amy Miller, Shelley Miller, Kelly Mit chell, Patty Mitchell, Molly Morrison, Kara Nicholie, Tracey Nicholson, Kim Neimeyer, Paulette Pattee, Lisa Paulus, Jennifer Kim Rae, Colleen Reid, Karen Ruedinger, Zabrina Santiago, Sarah Sarchet, Kristen Sarkozy, Bonnie Sewell, Sue Shaughnessy, Erin Shirey, Pam Slonski, Julie Smith, Sarah Stevens, Mary Stoll, An drea Tilden, Tricia Todd, Laura Vintevoghel, Sarah Vogel, Lisa
Ward, Lori Wilson, Teresa Wood, and Ann Yunger.

Lillian Korbus dines with her new sisters on Bids Day.

Patti Adams, Amy King, and Lisa Becker pig-out.

The main goal of the Gamma Phi Beta Sorority is to be an active contribution to campus life, and to promote individual, social, and chapter growth. The Gamma Phi's sponsor Times Square Tavern, a semi-formal girl-bid dance, and participate in the Big Brother/Big Sister Christmas Party. They were also involved in Derby Days in which they took first place. The sisters support the Alma community by supporting a child through the Chris tian Children's Fund, and contributing to a summer camp for underpriveleged girls. This year the members wer advised by Dorene Lewis and Rose Peck, and Presidents Missy Entner and Lynn Harvey.

Carrie Lindemer Sarah Stevens, Leah Goin, and Lynn Harvey during Bids Day activities.

## A new home for the AGD's

#### Abstract

1986-87 AGD Sisters: Ruth Acton, Mary Ankelen, Jennifer Balten, Julie Baumgardner, Jenifer Beck, Jresser Miack, Lisa Boike, Marie Breed, Chr Clarks, Ann Davison, Kelly Dolan, Ellen Fields Alison Flagg, Betsy Fleming, Tricia Flynn, Susan Gardner, Debbie Garno, Sue Heussner, Brenda Hodges, Cathy Holmes, Janet Holmes, Kathy Hohnke, Christine Johnson, Anna Kube, Lynne Laurence, Lynne Lehnhardt, Stephanie Litton, Missy Karr, Janelle Kauffman, Kathy Kauffman, Beth Kindschi, Laura Machesky Heather MacNeill, Betsy Miles, Tricia Murphy, Debbie Newkirk, Laura Noble, Cathi Pattengale, Laura Pattrell, Paula Pendred, Linda Retford, Debra Richey, Gillian Robson, Leslie Sagi, Bernadine Snyder, Michelle Sumner,Sharon Swartzentruber, Bethany Tinglan, and Tammy Waidlich.

Gillian Robson and Ellen Fields enjoy breakfas with their sisters.

ynne Lawrence and Jennie Smith are happy to by AGD's.

The main purpose of Alpha Gamma Delts is to provide social interaction with the opportunity to gain leadership experience. In addition, they provide support for members in personal and academic growth, and contribute the community through local and national philanthropy. The AGD's have strengthened their sisterhood through new members and has joined the Greek and Alma community in a new house. They sponsor activities such as ( Hee Magic Christmas Dance, a 2nd Annual Date Dash, and a For Chocolate Loven Oudy c Home Halloween Pfarty is also planned, and other for the Juven The AGD's were guided by President Janelle Kaufman and Advisor Priscilla Perkins.

Eleven new members for KI
 Liz Robertson, Robin Roller, Suzy Sprague, Karen Sullivan, and Lori Wiest.

1986-87 KI Brothers: Keith Begg, Howard Carbone, Scott Perkins, and Randy Warsop.

The Kappa Iota Sorority promotes fellowship, academics, and social life on the Alma College Campus. The KI's sponsor such activities as Luxury Liner, a semi-formal dinner dance held in the fall, and winter rush activities. Accomplishments also include the adoption of a family during Christmas, and organizing an Easter egg hunt for the children of the faculty. The KI's traditionally hold closed Brother/Sister Christmas and birthday parties. The Sisters of Kappa Iota are also involved in other functions on campus such as the African Fellowship Auction and the Panhellenic Council.

Serving all

Gamma Sigma Sigma is an organization which serves the campus and community and develops a friendship among women of all races and creeds. GSS sponsored Little Sibl ings Weekend on campus and have served the community by helping in Red Cross blood drives and collecting for the March of Dimes. In addition, they sponsored a pizza-eat-a thon and held wine and cheese parties for a campus social event. Advisors for this year included Ms. Fox and Mrs Nyman, and honorary advisors Mrs. Remick, Dr. Vogan and Dr. Walser.

## Tradition restored for run-outs

The purpose of the Inter-Fraternity Council is to bring the Greek community together in order to solve and problems which may arise and to organize rush activities. The IFC planned both fall and winter rush, Greek Week, and run-outs. This year tradition was restored for winter term run-outs, which included a band and other traditional activities. The IFC is under the leadership of advisor Kathy Callahan and president Bob Grover.

Panhel promotes rush awareness

The Panhellenci Council at Alma College promotes positive relationships among the sororities and makes a joint effort toward the betterment of all Greek women. This year members attended the bowling Green Leadership Conference, and planned Greek Week and a Greek Bash. Next fall Panhel will be putting on programs for both freshmen and Greek women to promote rush awarene Panhel is advised by Kathy Callahan

1986-87 Panhellenic Council: (Back Row, L-R)Trish Reetz, Leah Goin, Rachael Federowski, Pam Ensinger, Debbie Garno Patsy Warn Kathy Callahan, Advisor; Ellen Fields, (Front Row) Jomie Colina, Shelley Behring Nancy Bremer, Laura Noble, and Sue Huessner

Jennie Smith plays the tenor sax at half-time

## Selected specialists

The Alma College Chamber Singers are a select group chosen from the ranks of the Alma Choir. The group practices an additional two hours per week for each perfor mance. The singers traditionally perform chamber music and music written for small groups. Under the direction of Dr. Will Nichols, the singers performed in the Hallo ween Concert, the Alma College Invitational Choral Festival, and held their own
Christmas Concert.

The Alma College Concert Band is composed of musicians who intend to further themselves through music and to perform standard band literature. So far this year, the band has played during four half-times, two parades, and a Christmas concert. They also perform at pep rallies, Honors Convocation, and Centennial Convocation The group plays during local parades and the senior recognition dinner, and traditionally has snake dancing before games. The Concert Band was under the advisement of Mr. Doug Scripps.

1986-87 Concert Band: Kristin Ackerson, Jennifer Balten, Barb Boyink, Marie Breed, Ed Carr, Jim Crawley, Janis Davis, Kimberly Driver King, Lyric Matson, David Menn Fincher, Cara Mebra Garno, Jeff Garno, Fred Greive, Stacy Grube, Christine Johnson, Kelly Kettlewell, Amy Palus, Timothy Plagge, Andrew Prevost, Linda Retford, John Ruggles, Vickie Rutkowski, Steve Scribner, Kimberly Schumacker, Kathy Sheffield, Kim Slater, Jennifer Smith, Julie Smith, Sandra Speiser, Barb Sutherland, Sharon Swartzentruber, Lisa Symons, Lisa Wendt, Andy Wheeler, Rodney White, Lisa Wootton, and Katherine Works.

Keeping us well-informed

The Almanian provides the campus with accurately reported news, sports, and special features. As a weekly newspaper, the Almanian informs students with what's happening on and off campus. The staff strives to continually improve the paper, and they've done so by purchasing new equipment with a loan from the college, which they will pay off this year. The editors, managers, and assistants work long, hard hours in order to keep students well informed of the world around them. The Almanian is advised by Dr. Eugene Pattison.

1986-87 Almanian Staff: Christa Brelin, Editor-in-Chief; Larry Baker, Managing Editor; Diane Schefke, Executive Editor; Steve Scribner, Production Manager; Pam Ensinger and J Jennifer Dine, News Editors; Lisa Donahue, Feature Editor; Anne Couch, Sports Editor; Tes Beavers, Photo Editor; Chris Slater, Opinion Ecitor; Ulrich, Business Manager; Colleen Scott and Anna Manko, Advertising Managers; Bob Barnett and John Dillingham, Office Managers; Dan Simet, Distribution Manager.

## For women only

 Ginger Davison, and Maggie Martin-Echternach.

The purpose of the Women's Topics Group is to offer all members of the Alma College community an opportunity to share thoughts and information on topics of interest to the group. They also function as a support group for those in attendance, while sharing resources and experiences. The group developed and organized biweekly lege staff faculty and stud participating. The group is advised by Maggie Martin-Echternach, Ginger Davison, and Kathy Callahan.

## A look at the past

## Go team!

The Alma College yearbook, the Scotsman, is produced and distributed each year by the produced and distributed each year by the the production of the student directory, the Facefinder. This year the staff has added a centennial section, which reflects upon the changes Alma College has undergone since 1886-87. The staff is represented on the Communications Committee, Student Congress, and the Student Budget Finance Committee. The staff works under the supervision of Editor-inChief, Suzie Wolf, and Advisor, Dr. Dyal-Chand.

The fall and winter cheerleading squads add pep and spirit to football and basketball games. The squads also perform during pep asemblies and the Homecoming Parade. The cheerleaders traditionally practice crowd participation during games in addition to using their mounting and gymnastic skills. Co-captians for the fall squad were Julie Pendell, Cheryl Perez, and Kevin Roden. The captain for the winter squad was Julie Miller.

## Half-time entertainment

 ton, Kim Driver, and Chris Cooper.

The Alma College Pompon Squad provides half-time entertainment at both men's and women's basketball games The squad also provides enthusiasm for other activities on campus, including a performance in the Homecoming Parade. Practices are scheduled several times each week for their performances. The squad was led by Co-captians Darcy Norton and Chris Cooper.

## A centennial celebration

1986 Homecoming Committee: (front row, L-K) Lynette Freeman, Maria Bronner, Anne Couch, Jennifer Peacock, (middle row) Colleen Scott, Shelly Fae, Sarah Sarchet, Kathy Callahan, Advisor; (back row) Dan Raleigh, Advisor; Mark Evangelides, Gary Garner, Scott Ryan, Stev ,

The Homecomming Committee did an outstanding job of plan ning and coordinating the centennial homecoming week ac tivities. Special events for the week included Big Band dance lessons, a scavenger hunt, Kampus Koas, a Scottish dinner and a movie night. For the first time, men were added to the homecoming court, which is hopefully a new tradition for Alma College. Many students participated in the homecoming parade, and also attended the Birthday Gala/Dance featuring the Glenn Miller Orchestra. The committee also sponsored a birthday party in the park for community children. All activities were ad vised by Kathy Callahan, Mary Hughes, and Dan Raleigh.

Chip Hardwick assists Dr. Oscar Remick in cutting the cake during the Homecoming Dance

Mad scientists at work

The average Alma student has to take at least two lab classes for graduation. These labs can range from Astronomy to Physics. between them is the learning that one can oly ghieve through only achieve
labs.

Ruth Acton, top, cuts out a piece of tissue that her lab partner has
exposed.
Freshman Dana DeWitt double checks the instructions before pro ceeding with the next step.
Geology lab partners Mary McDonald and Shevonne Peacock prac tice their posture with their pet rocks.

Study blues

The library is the perfect place to ac complish many things. One can read write study, sleep or socialize. Most students do come to use the library for what it was meant to be. The library celebrated it's renovation at the begin ning of ye it the ditio the find periodical with the addition of the bas ment floor

An unidentified student finds another use of the library-napping.
A student finds solitude among the stacks in the library.

Colleen Ryan takes a break to catch up on world events and the comics.

## Explo! draws perspectives

Each year Alma College offers Explo! which is the Admissions department's biggest event of the year At this time prospective students and their parents come and get a first hand look at what Alma is about. A special part of the day is when the students visit and view all of the different organizations on campus.

Sotsman business manager Lisa dent a copy of last year's book.

Admissions counselor Tom Freeland ex plains the purpose of Explo to a prospec tive student.
coming students.

Sororities Help Charities

The sororities on Alma College's campus banded together to raise money for charities in the Sigma Chi's Derby Days which hopes to become an annual event on campus The sororities participated in many physical competitions and games with points awarded to first, second and third place. The Gamma Ph Beta sorority captured first place, but they were closely followed by the Alpha Xi Delta's, Alpha Gamma Delta's. The common denominator in the games was that it proved to be
a fun time for all.

Alpha Xi Deltas Kristy Boehm, Simone Heidrich and Suzie Wolf talk over some last
minute strategy.

Alpha Xi Delta's Patsy Warner earns her share of points by hitting Tait Norton square in the face in the pie tossing contest.

Members of the Gamma Phi Beta sorority intently watch the activities on the gym floor

Thank You!!!

The Scotsman would like to thank the following people for their help and support during the year:
The Almanian news staff
Student Affairs for always having the rig answers
Physical Plant for our purchase orders
The Copy Center for our postage runs
The Registrar's office for our lists and lables
bur most of all a big thanks to our patrons!!
